§ 901. Purpose

(a) The President shall from time to time examine the organization of all agencies and shall determine what changes therein are necessary to accomplish the following purposes:

(1) to promote the better execution of the laws, the more effective management of the executive branch and of its agencies and functions, and the expeditious administration of the public business;

(2) to reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Government;

(3) to increase the efficiency of the operations of the Government to the fullest extent practicable;

(4) to group, coordinate, and consolidate agencies and functions of the Government, as nearly as may be, according to major purposes;

(5) to reduce the number of agencies by consolidating those having similar functions under a single head, and to abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Government; and

(6) to eliminate overlapping and duplication of effort.

(b) Congress declares that the public interest demands the carrying out of the purposes of subsection (a) of this section and that the purposes may be accomplished in great measure by proceeding under this chapter, and can be accomplished more speedily thereby than by the enactment of specific legislation.

§ 902. Definitions

For the purpose of this chapter—

(1) “agency” means—

(A) an Executive agency or part thereof;

(B) an office or officer in the civil service or uniformed services in or under an Executive agency; and

(C) the government of the District of Columbia or part thereof, except the courts; but does not include the General Accounting Office or the Comptroller General of the United States; and

(2) "reorganization" means a transfer, consolidation, coordination, authorization, or abolition, referred to in section 903 of this title.

§ 903. Reorganization plans

(a) When the President, after investigation, finds that—

(1) the transfer of the whole or a part of an agency, or of the whole or a part of the functions thereof, to the jurisdiction and control of another agency;

(2) the abolition of all or a part of the functions of an agency;

(3) the consolidation or coordination of the whole or a part of an agency, or of the whole or a part of the functions thereof, with the whole or a part of another agency or the functions thereof;

(4) the consolidation or coordination of a part of an agency or the functions thereof with another part of the same agency or the functions thereof;

(5) the authorization of an officer in the civil service or uniformed services to delegate any of his functions; or

(6) the abolition of the whole or a part of an agency which agency or part does not have, or on the taking effect of the reorganization plan will not have, any functions;

is necessary to accomplish one or more of the purposes of section 901(a) of this title, he shall prepare a reorganization plan for the making of the reorganizations as to which he has made findings and which he includes in the plan, and transmit the plan (bearing an identification number) to Congress, together with a declaration that, with respect to each reorganization included in the plan, he has found that the reorganization is necessary to accomplish one or more of the purposes of section 901(a) of this title.

(b) The President shall have a reorganization plan delivered to both Houses on the same day and to each House while it is in session. In his message transmitting a reorganization plan, the President shall specify with respect to each abolition of a function included in the plan the statutory authority for the exercise of the function and the reduction of expenditures (itemized so far as practicable) that it is probable will be brought about by the taking effect of the reorganizations included in the plan.

§ 904. Additional contents of reorganization plans

A reorganization plan transmitted by the President under section 903 of this title—

(1) may change, in such cases as the President considers necessary, the name of an agency affected by a reorganization and the title of its head; and shall designate the name of an agency resulting from a reorganization and the title of its head;

(2) may provide for the appointment and pay of the head and one or more officers of an agency (including an agency resulting from a consolidation or other type of reorganization) if the President finds, and in his message transmitting the plan declares, that by reason of a reorganization made by the plan the provisions are necessary. The head so provided may be an individual or may be a commission or board with more than one member. In case of such an appointment, the term of office may not be fixed at more than 4 years, the pay may not be at a rate in excess of that found by the President to be applicable to comparable officers in the executive branch, and, if the appointment is not to a position in the competitive service, it shall be by the President, by and with the advice and consent of the Senate, except that, in the case of an officer of the government of the District of Columbia, it may be by the Board of Commissioners or other body or officer of that government designated in the plan;

(3) shall provide for the transfer or other disposition of the records, property, and personnel affected by a reorganization;

(4) shall provide for the transfer of such unexpended balances of appropriations, and of other funds, available for use in connection with a function or agency affected by a reorganization, as the President considers necessary by reason of the reorganization for use in connection with the functions affected by the reorganization, or for the use of the agency which shall have the functions after the reorganization plan is effective. However, the unexpended balances so transferred may be used only for the purposes for which the appropriation was originally made; and

(5) shall provide for terminating the affairs of an agency abolished.

§ 905. Limitations on powers

(a) A reorganization plan may not provide for, and a reorganization under this chapter may not have the effect of—

(1) creating a new Executive department, abolishing or transferring an Executive department or all the functions thereof, or consolidating two or more Executive departments or all the functions thereof;

(2) continuing an agency beyond the period authorized by law for its existence or beyond the time when it would have terminated if the reorganization had not been made;

(3) continuing a function beyond the period authorized by law for its exercise or beyond the time when it would have terminated if the reorganization had not been made;

(4) authorizing an agency to exercise a function which is not expressly authorized by law at the time the plan is transmitted to Congress;

(5) increasing the term of an office beyond that provided by law for the office; or

(6) transferring to or consolidating with another agency the government of the District of Columbia or all the functions thereof which are subject to this chapter, or abolishing that government or all those functions.

(b) A provision contained in a reorganization plan may take effect only if the plan is transmitted to Congress before December 31, 1968.

§ 906. Effective date and publication of reorganization plans

(a) Except as otherwise provided under subsection (c) of this section, a reorganization plan is effective at the end of the first period of 60 calendar days of continuous session of Congress after the date on which the plan is transmitted to it unless, between the date of transmittal and the end of the 60-day period, either House passes a resolution stating in substance that that House does not favor the reorganization plan.

(b) For the purpose of subsection (a) of this section—

(1) continuity of session is broken only by an adjournment of Congress sine die; and

(2) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.

(c) Under provisions contained in a reorganization plan, a provision of the plan may be effective at a time later than the date on which the plan otherwise is effective.

(d) A reorganization plan which is effective shall be printed (1) in the Statutes at Large in the same volume as the public laws and (2) in the Federal Register.

§ 907. Effect on other laws, pending legal proceedings, and unexpended appropriations

(a) A statute enacted, and a regulation or other action made, prescribed, issued, granted, or performed in respect of or by an agency or function affected by a reorganization under this chapter, before the effective date of the reorganization, has, except to the extent rescinded, modified, superseded, or made inapplicable by or under authority of law or by the abolition of a function, the same effect as if the reorganization had not been made. However, if the statute, regulation, or other action has vested the functions in the agency from which it is removed under the reorganization plan, the function, insofar as it is to be exercised after the plan becomes effective, shall be deemed as vested in the agency under which the function is placed by the plan.

(b) For the purpose of subsection (a) of this section, "regulation or other action" means a regulation, rule, order, policy, determination, directive, authorization, permit, privilege, requirement, designation, or other action.

(c) A suit, action, or other proceeding lawfully commenced by or against the head of an agency or other officer of the United States, in his official capacity or in relation to the discharge of his official duties, does not abate by reason of the taking effect of a reorganization plan under this chapter.

On motion or supplemental petition filed at any time within 12 months after the reorganization plan takes effect, showing a necessity for a survival of the suit, action, or other proceeding to obtain a settlement of the questions involved, the court may allow the suit, action, or other proceeding to be maintained by or against the successor of the head or officer under the reorganization effected by the plan or, if there is no successor, against such agency or officer as the President designates.

(d) The appropriations or portions of appropriations unexpended by reason of the operation of this chapter may not be used for any purpose, but shall revert to the Treasury.

§ 908. Rules of Senate and House of Representatives on reorganization plans

Sections 909–913 of this title are enacted by Congress—

(1) as an exercise of the rule-making power of the Senate and the House of Representatives, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described by section 909 of this title; and they supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

§ 909. Terms of resolution

For the purpose of sections 908–913 of this title, “resolution” means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: “That the ——— does not favor the reorganization plan numbered ——— transmitted to Congress by the President on ———, 19—.”, the first blank space therein being filled with the name of the resolving House and the other blank spaces therein being appropriately filled; but does not include a resolution which specifies more than one reorganization plan.

§ 910. Reference of resolution to committee

A resolution with respect to a reorganization plan shall be referred to a committee (and all resolutions with respect to the same plan shall be referred to the same committee) by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

§ 911. Discharge of committee considering resolution

(a) If the committee to which a resolution with respect to a reorganization plan has been referred has not reported it at the end of 10 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution

with respect to the reorganization plan which has been referred to the committee.

(b) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same reorganization plan), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same reorganization plan.

§ 912. Procedure after report or discharge of committee; debate

(a) When the committee has reported, or has been discharged from further consideration of, a resolution with respect to a reorganization plan, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(b) Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

§ 913. Decisions without debate on motion to postpone or proceed

(a) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution with respect to a reorganization plan, and motions to proceed to the consideration of other business, shall be decided without debate.

(b) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution with respect to a reorganization plan shall be decided without debate.

PURPOSE OF AMENDMENTS

Many of the amendments to the bill are of a clerical, typographical, and stylistic nature. The following is an explanation of other amendments made to the bill:

Amendments (2) and (6).—This is made for clarity and to reflect the fact that the text of section 1641 of title 50, appendix, no longer appears in the code.

Amendments (3) and (4).—These are made to conform to the source statute (sec. 5(c) of the Administrative Procedure Act, 5 U.S.C. 1004(c)).

Amendment (7).—The new chapter 9 reflects the codification, without substantive change, of the Reorganization Act of 1949. The act is being codified with the realization by the committee that the act, insofar as it relates to the submission of reorganization plans, is a temporary law; and that this constitutes an exception to the general

policy which is to codify only permanent law. The committee notes that section 5(b) of the act, prescribing the final date for transmission of reorganization plans to Congress, has been extended on various occasions and that the existing final date is December 31, 1968. Thus, the authority to transmit such plans to Congress will have been in existence for a substantially continuous period of 19 years.

Amendments (9) and (10).—These are made to reflect the effect of section 102(f) of the Budget and Accounting Procedures Act of 1950 (64 Stat. 833; 31 U.S.C. 22). Pursuant to that section, the original direction to the head of each agency to prepare and revise budget estimates and submit them to the Bureau of the Budget was supplanted by a direction to prepare and submit his requests for appropriations to that Bureau.

Amendments (12) and (13).—These are made to perfect the definition of “employee” and to insure that an employee of a Government controlled corporation will be included within the definition.

Amendment (14).—This is made to conform to the source statute (4 U.S.C. 42).

Amendments (15) and (16).—These preserve the application of the source statute (sec. 206 of the act of June 26, 1943, ch. 145, 57 Stat. 196, 5 U.S.C. 16a(a)) with respect to the Secretary of a military department. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an executive department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as executive departments. However, the source statute, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591).

Amendments (17) through (20).—These amendments reflect the deletion of subsections (b) and (c) of section 3101. These subsections codified certain provisions presently appearing in 31 U.S.C. 665, 666. The committee considers it advisable to leave such provisions in title 31 for the present.

Amendments (30) and (31).—These are made to conform to the source statute (sec. 2(2) of the Federal Employees International Organization Service Act, 5 U.S.C. 2331(2)).

Amendment (33).—This eliminates obsolete and unnecessary language. Executive Order 11012 was superseded by Executive Order 11230, and the reference to “section 5724 of this title” is sufficient inasmuch as that section contains the applicable substantive law, including the authority of the President to prescribe regulations.

Amendment (39).—This is made to conform to the source statute (sec. 505(j) of the Classification Act of 1949, as amended (75 Stat. 786), 5 U.S.C. 1105(j)).

Amendment (41).—This reflects the action of the President in placing certain positions in level IV of the Federal Executive Salary Schedule pursuant to section 303(g) of the act of August 14, 1964, Public Law 88-426, 78 Stat. 422, 5 U.S.C. 2211(g). See Executive Orders 11189 and 11195.

Amendment (42).—This reflects the action of the President in placing certain positions in level V of the Federal Executive Salary Schedule pursuant to section 303(g) of the act of August 14, 1964, Public Law 88-426, 78 Stat. 422, 5 U.S.C. 2211(g). See Executive Orders 11189 and 11195.

Amendments (46) and (47).—This is made to conform to the source statute (sec. 1 of the act of July 15, 1954, ch. 509, 68 Stat. 482, 5 U.S.C. 46d), and to correct a clerical error by inserting a comma after the word “ends”.

Amendment (49).—This inserts a new sentence to include a definition of “employee” applicable to the source statute (sec. 11 “(k)” of the act of March 31, 1956, ch. 154, 70 Stat. 77) by virtue of section 2(c) “(z)” of the act of March 31, 1956, 70 Stat. 68.

Amendments (54) and (141).—These delete an unnecessary phrase.

Amendment (56).—This reflects the enactment of the act of January 6, 1951, chapter 1213, 64 Stat. 1124, 2 U.S.C. 36a.

Amendment (57).—This preserves the exception of a joint committee in the source statute (sec. 2 of the Travel Expense Act of 1949, 5 U.S.C. 835).

Amendments (62) and (63).—These are made to conform to the source statute (sec. 5 of the Administrative Expenses Act of 1946, as amended, 5 U.S.C. 73b-2), and to make clear that the travel regulations under this chapter do not apply in the case of a per diem allowance under this section.

Amendment (64).—This reflects the change made by amendment (63), and makes clear that travel regulations prescribed under this section do not apply in the case of a per diem allowance under section 5703(c).

Amendments (66) and (67).—These are made to conform to the source statute (sec. 7(b) of the Administrative Expenses Act of 1946, as amended, 5 U.S.C. 73b-3(6)), and to make clear that the transportation expenses for new appointees and student trainees are authorized only to the same extent as for transferred employees.

Amendment (69).—This is made to conform to the source statute (sec. 1(e) of the Administrative Expenses Act of 1946, as amended, 5 U.S.C. 73b-1(e)), which authorizes storage and transportation expenses for both new appointees and student trainees.

Amendment (70).—This is made to conform to the source statute (sec. 1(f) of the Administrative Expenses Act of 1946, as amended, 5 U.S.C. 73b-1(f)), which authorizes transportation of motor vehicles of employees including both new appointees and student trainees.

Amendment (75).—This is made to conform to the source statute (sec. 7(a) of the Administrative Expenses Act of 1946, as amended, 5 U.S.C. 73b-3(a)).

Amendments (79) and (80).—These are made to conform to the source statute (sec. 1 of the act of July 8, 1940, ch. 551, 54 Stat. 743, 5 U.S.C. 103a), and for consistency of style.

Amendment (81).—This is made to conform to the source statute (sec. 111(6) of the Overseas Differentials and Allowances Act, 5 U.S.C. 3032 (6)).

Amendment (82).—This is made for consistency of style and to conform to the definition in section 105 of the bill.

Amendment (86).—This preserves the exception of an employee of a joint committee in the source statute (sec. 202(b)(1)(H) of the Annual and Sick Leave Act of 1951, 5 U.S.C. 2061(b)(1)(H)).

Amendments (88) and (89).—These are made for clarity and to reflect the fact that 33 U.S.C. 941(g)(2) limits the authority of the Secretary of Labor under this subsection to the provisions of 33 U.S.C. 941(b)(1).

Amendments (93) and (94).—These are made to conform to the source statute (sec. 14 of the Federal Employees' Compensation Act, 5 U.S.C. 764).

Amendment (95).—This is made to conform to the source statute (sec. 11 of the act of July 11, 1919, ch. 7, 41 Stat. 104, 5 U.S.C. 794).

Amendment (96).—This eliminates a requirement that the Commissioners of the District of Columbia submit to Congress through the Bureau of the Budget estimates of appropriations, a requirement now obsolete. The Budget and Accounting Act, 1921, as amended (31 U.S.C. 2 et seq.), prescribes the procedures for presenting all budget estimates for the government of the District of Columbia and provides that the budget submission to Congress be made by the President.

Amendment (97).—This is made to conform to the source statute (sec. 4(b) of the act of Aug. 1, 1956, ch. 830, 70 Stat. 805, 5 U.S.C. 802(b)).

Amendments (103) and (104).—These eliminate from the codification of this section the provisions contained in section 531(g) of the act of September 13, 1960, Public Law 86-778, 74 Stat. 984. The committee considers it advisable to leave uncodified such section 531(g) because of its limited applicability.

Amendment (109).—This inserts a new clause (7) applicable to the source statute (sec. 4(a) of the act of Sept. 1, 1954, ch. 1212, 68 Stat. 1130, as amended, 42 U.S.C. 1361-1369) for this subchapter by virtue of 42 U.S.C. 1301(a)(2).

Amendments (113) and (114).—These eliminate from the codification of this section the provisions contained in section 531(g) of the act of September 13, 1960, Public Law 86-778, 74 Stat. 984. The committee considers it advisable to leave uncodified such section 531(g) because of its limited applicability.

Amendments (116) through (118).—These eliminate reference to an education and training allowance under section 1632(a)-(d) of title 38, a reference now obsolete and unnecessary. The authority to pay an education and training allowance under section 1632 of title 38 terminated on January 31, 1965, pursuant to section 1613(a) of title 38.

Amendment (119).—This eliminates a subsection providing that certain individuals are not entitled to unemployment compensation under subchapter I of chapter 41 of title 38, a subsection now obsolete and unnecessary. Subchapter I of chapter 41 of title 38, which related to unemployment compensation for Korean conflict veterans, was repealed by the act of September 19, 1962, Public Law 87-675, 76 Stat. 558.

Amendment (125).—This reflects the deletion of section 1916. This section codified certain provisions presently appearing in 31 U.S.C. 665. The committee considers it advisable to leave such provisions in title 31 for the present.

Amendments (135) and (136).—These are made to conform to the source statute (R.S. § 347, 5 U.S.C. 293).

Amendments (137) and (138).—These eliminate the reference in section 537 to "expenses of membership in the International Com-

mission of Criminal Police", a reference now obsolete and unnecessary. The act of August 27, 1958, Public Law 85-768, 72 Stat. 921 (22 U.S.C. 263a), authorizes the Attorney General to accept and maintain, on behalf of the United States, membership in the International Criminal Police Organization, and to designate any departments and agencies which may participate in the U.S. representation with that organization; and authorizes each participating department and agency to pay its pro rata share, as determined by the Attorney General, of the expenses of such membership.

Amendment (140).—This reflects the redesignation of subsection (e) of section 2101 of title 28 as subsection (f) by the act of May 24, 1949, chapter 139, § 106(b), 63 Stat. 104.

STATEMENT

H.R. 10104 was referred to the Subcommittee on Revision and Codification of the Committee on the Judiciary of the U.S. Senate. On September 30, 1965, a notice of the pendency of H.R. 10104 was inserted in the Congressional Record. Briefly, the purpose of this notice was to advise any and all interested parties of the consideration of this legislation by the subcommittee and to request that those interested inform the subcommittee of their interest therein, together with such suggestions or modifications that would from their point of view be reasonable and desirable. In addition thereto, agencies, departments, and committees of the Senate, were advised by writing of the pendency of this legislation and were requested to submit their comments thereon. As the result of such notice and letters many communications were received by the committee. Some of the received reports expressed approval of the legislation while others recommended amendments and modifications to the bill. All of these communications were studied and as a result of the suggestions, numbers of the proposed amendments or modifications were accepted while others were rejected. In many instances where there were rejections, such acts were based upon the fact that the committee deemed that they were unnecessary or constituted a substantive change in existing law which is not within the concept of a codification.

Purpose.—The purpose of this bill is to restate in comprehensive form, without substantive change, the statutes in effect before July 1, 1965, that relate to Government employees, the organization and powers of Federal agencies generally, and administrative procedure, and to enact title 5 of the United States Code. Queries have been raised as to the effect of this bill on laws passed subsequent to July 1, 1965. This bill will in no way affect them. Only those laws existing prior to July 1, 1965, are the subject matter of this bill. The amendatory effect of laws effective on or after July 1, 1965, which will be covered by a supplemental codification bill, is preserved by section 7(a) of the bill. The bill, like any codification, does not constitute a current legislative endorsement of the substantive provisions of statutes in effect before July 1, 1965, some of which are being currently studied by Congress for possible substantive amendment. As stated in the House report (No. 901) on H.R. 10104, in the revised title 5, simple language has been substituted for awkward and obsolete terms, and superseded, executed, and obsolete statutes have been eliminated. This bill is a part of the program of the Committee on

the Judiciary of the House of Representatives to enact into law all 50 titles of the United States Code.

History.—The statutes that relate to Government personnel begin with the first statute enacted by Congress (1 Stat. 23). With the growth of the United States and the accompanying growth in the size of the Government's work force and the complexity of their duties, the personnel statutes grew in number and in complexity. Attempts were made periodically to consolidate personnel statutes, but these attempts had only partial success and grew obsolete through the enactment of subsequent statutes. The Commission on Organization of the Executive Branch of the Government (Hoover Commission), in its report on personnel and civil service, February 1955, recommended that the Civil Service Commission prepare and that Congress enact a statute to codify the personnel statutes of the United States (Recommendation 17, pp. 82–83). The need for codification of the statutes relating to personnel has also been recognized by the Committees on Post Office and Civil Service of both Houses, the Bureau of the Budget, and the Civil Service Commission.

In June of 1956, the Civil Service Commission directed its General Counsel, L. V. Meloy, to undertake the recodification of title 5. The recodification effort resulted in two earlier bills, H.R. 8748, 86th Congress, 1st session, which was introduced on August 20, 1959, and H.R. 4158, 88th Congress, 1st session, which was introduced on February 25, 1963. Both bills were circulated among the departments and agencies of the Government and, after receipt, consideration, and adoption of the constructive comments submitted, and incorporation of subsequent legislation, the bill was revised into the form in which it was received by the Senate upon its passage by the House of Representatives.

Inclusion and exclusion of statutes.—Title 5 as revised does not include all the personnel statutes of the United States. Statutes that relate to the employees of only one agency, if not previously in title 5, have not been brought into the title. Statutes relating to civilian employees which apply to more than one agency are included in title 5 regardless of where they may have appeared previously. Some of these statutes also apply to members of the uniformed service.

Statutes that are temporary in nature are omitted from title 5. A citation to each of these statutes which was in effect before July 1, 1965, is provided in table III. It is expected that the texts of these statutes will appear in the United States Code either in an appendix to title 5 or at appropriate points as footnotes.

In this connection it will be noted that the committee as amendment No. 7, has included the Reorganization Act of 1949, as amended. It is understood that when the code is published, that the reorganization plans in existence by virtue of the Reorganization Act will be set forth in an appendix to title 5 of the United States Code.

Revision of language.—In order to restate the statutes relating to personnel in one comprehensive title, it is necessary to make changes in language. Some of the changes are necessary to attain uniformity within the title. Others are necessary to effect consolidation of related statutes and to conform to common contemporary usage. In making changes in the language, precautions have been taken against making substantive changes in any statute.

Revision notes.—A revision note has been prepared for each section of the revised title 5 and for each section of titles 4, 18, 28, 37, and 39 amended by this bill. The revision note shows the statutory basis or source of the section, and explains significant changes in and omissions of language.

Standard changes.—Certain standard changes are made uniformly throughout title 5 as revised. Some of these are explained in chapter 1, "Organization", and chapter 21, "Definitions". The most significant of the other standard changes are explained in the following paragraphs.

As far as possible, the statute is stated in the present tense and in the active voice. Where there is a choice of two or more words, otherwise of equal legal effect, the more commonly understood word is used.

The word "shall" is used in the mandatory and imperative sense. The word "may" is used in the permissive sense, as "is permitted to" and "is authorized to". The words "may not" are used in a prohibitory sense, as "is not authorized to" and "is not permitted to". The words "no individual may" mean that no individual is required, authorized, or permitted to do the act.

The word "includes" means includes but is not limited to. The word "considered" denotes the exercise of judgment. The word "deemed" is used where a legal fiction, or what may in some cases be a legal fiction, is intended. The word "is" is used for statements of fact.

The word "pay" includes all terms heretofore in use representing salary, wages, pay, compensation, emoluments, and remuneration for services. The word "compensation" refers to Federal employees' compensation benefits and unemployment compensation benefits.

When a right is conferred, the words "is entitled" or their equivalent are used.

The words "under section—" are used instead of "pursuant to section—" and "in accordance with section—".

The word "such" is not used as a demonstrative adjective. The use of the word "each", "any", "every", or "all" is confined to instances in which it is feared that doubt would arise if the word were not used.

Provisos are not used. An exception or limitation is introduced by the words "except that" or "but" or by placing the excepting or limiting provision in a separate sentence.

The phrase "territories and possessions" is substituted for "Territory", "Territories", "Territories and possessions" and "possessions" as there are now no "Territories" and to preserve the intended coverage and acquire consistency in language. In some instances the phrase "including the Commonwealth of Puerto Rico" is added to the phrase "territories and possessions" to continue an emphasis contained in the statute.

Substantive change not intended.—Like other recent codifications which have been previously enacted into law and which will eventually result in the enactment of all 50 titles of the United States Code, there are no substantive changes made by this bill enacting title 5 into law. It is sometimes feared or assumed that mere changes in terminology and style will result in changes in substance or impair the precedent value of earlier judicial decisions and other interpretations. This

fear might have some weight if this were the usual kind of amendatory legislation from which it can be inferred that a change of language is intended to change substance. The committee wishes to express that in a codification statute, however, the courts uphold the contrary presumption: the statute is intended to remain substantively unchanged. The House in its report on this legislation listed the following cases to substantiate this principle:

Stewart v. Kahn (11 Wall. 493, 502 (1871)).

Smythe v. Fiske (23 Wall. 374, 382 (1874)).

McDonald v. Hovey (110 U.S. 619, 628 (1884)).

United States v. Ryder (110 U.S. 729, 740 (1884)).

United States v. Sischo (262 U.S. 165, 168 (1923)).

Fourco Glass Co. v. Transmirra Products Corp. (353 U.S. 222, 227 (1957)).

Walsh v. Commonwealth (224 Mass. 239, 112 N.E. 486, 487 (1916)).

State ex rel. Rankin v. Wilbaur County Bank (85 Mont. 532, 281 Pac. 341, 344 (1929)).

In re Sullivan's Estate (38 Ariz. 387, 300 Pac. 193, 195 (1931)).

Sigal v. Wise (114 Conn. 297, 158 Atl. 891, 894 (1932)).

Martin v. Dyer-Kane Co. (113 N.J. Eq. 88, 166 Atl. 227, 229 (1933)).

Norfolk & Portsmouth Bar Ass'n. v. Drewry (161 Va. 833, 172 S.E. 282, 285 (1934)).

Sutherland, *Statutory Construction* (3d ed., Horack, 1943), secs. 3709, 3710.

Tables.—Tables are provided to show the disposition made of the statutes affected by this recodification.

The committee, after full consideration of all of the foregoing and particularly in light of this statement, believes that the bill is meritorious and will be of substantial benefit to the improvement of the United States Code. The committee is of the opinion that the enactment of this title of the code will result in substantial benefit to Government agencies and personnel, lawyers, and the courts having reason to examine and refer to the same. The committee therefore recommends that the bill, as amended, be considered favorably.

5 U.S.C. 2

The reference in former section 1 to the application of the provisions of this title, referring to title IV of the Revised Statutes, is omitted as unnecessary as the application of those provisions is stated in the text.

The statement in former section 2 that the use of the word "department" means one of the Executive departments named in former section 1 is omitted as unnecessary as the words "Executive department" are used in this title when Executive department is meant.

"The Department of Commerce" is substituted for "The Department of Commerce and Labor" on authority of the Act of March 4, 1913, ch. 141, § 1, 37 Stat. 736.

SECTION 102

The section is supplied to avoid the necessity for defining "military departments" each time it is used in this title. See section 101(7) of title 10.

SECTION 103

The section is supplied to avoid the necessity for defining "Government corporation" and "Government controlled corporation" each time it is used in this title.

SECTION 104

The section is supplied to avoid the necessity for defining "independent establishment" each time it is used in this title.

Certain agencies are not independent establishments under the definition since they are constituent agencies or parts of an independent establishment. However, these agencies would continue to be subject to the provisions of this title applicable to the independent establishment of which they are a constituent or part. Also, the definition

does not expand or abridge any rights or authority possessed by these agencies as no substantive changes are intended, see section 7(a) of the bill.

SECTION 105

The section is supplied to avoid the necessity for defining "Executive agency" each time it is used in this title.

SECTION 301

Derivation: United States Code
5 U.S.C. 22

Revised Statutes and Statutes at Large
R.S. § 161.
Aug. 12, 1958, Pub. L. 85-619, 72 Stat.
547.

The words "Executive department" are substituted for "department" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101. The words "not inconsistent with law" are omitted as surplusage as a regulation which is inconsistent with law is invalid.

The words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which provided:

"All laws, orders, regulations, and other actions relating to the National Military Establishment, the Departments of the Army, the Navy, or the Air Force, or to any officer or activity of such establishment or such departments, shall, except to the extent inconsistent with the provisions of this Act, have the same effect as if this Act had not been enacted; but, after the effective date of this Act, any such law, order, regulation, or other action which vested functions in or otherwise related to any officer, department, or establishment, shall be deemed to have vested such function in or relate to the officer or department, executive or military, succeeding the officer, department, or establishment in which such function was vested. For purposes of this subsection the Department of Defense shall be deemed the department succeeding the National Military Establishment, and the military departments of Army, Navy, and Air Force shall be deemed the

departments succeeding the Executive Departments of Army, Navy, and Air Force."

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 302

Derivation: United States Code
5 U.S.C. 22a

Revised Statutes and Statutes at Large
Aug. 2, 1946, ch. 744, § 12, 60 Stat. 809

Clause (2) of former section 22a is omitted because of the repeal of R.S. § 3683 (31 U.S.C. 675) by the Act of Sept. 12, 1950, ch. 946, § 301(76), 64 Stat. 843.

The word "agency" is substituted for "department" and defined to conform to the definition of "department" in section 18 of the Act of Aug. 2, 1946, ch. 744, 60 Stat. 811.

In subsection (b), the words "In addition to the authority to delegate conferred by other law," are added for clarity and in recognition of the various reorganization plans which generally have transferred all functions of the departments and agencies to the heads thereof and have authorized them to delegate the functions to subordinates.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 303

Derivation: United States Code
5 U.S.C. 93

Revised Statutes and Statutes at Large
R.S. § 183.
Mar. 2, 1901, ch. 809, § 3, 31 Stat. 951.
Feb. 13, 1911, ch. 43, 36 Stat. 898.

The word "employee" is substituted for "officer or clerk" in view of the definition in section 2105. The words "Executive department" are substituted for "departments" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101. So much as related to the Armed Forces is omitted as superseded by section 636 of title 14 and section 936(b) of title 10.

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 304

Derivation:	United States Code	Revised Statutes and Statutes at Large
(a)	5 U.S.C. 94	R.S. § 184.
(b)	5 U.S.C. 96	R.S. § 186.

In subsection (a), the words "Executive department" are substituted for "department" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101. The word "thereof" is added to reflect the proper relationship between "department" and "bureau" as reflected in title IV of the Revised Statutes of 1878. The words "in any State, District, or Territory" are omitted as unnecessary. The word "individual" is substituted for "officer" as the definition of "officer" in section 2104 is narrower than the word "officer" in R.S. § 184 which word includes "officers" as defined in section 2104 as well as notaries public who are not "officers" under section 2104, but are "officers" as that word is used in R.S. § 184.

In subsection (a), the words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 305

Derivation:	United States Code	Revised Statutes and Statutes at Large
(a)	5 U.S.C. 1085	Oct. 28, 1949, ch. 782, § 205, 63 Stat. 957.
(b), (c)	5 U.S.C. 1151	Oct. 28, 1949, ch. 782, § 1001, 63 Stat. 971.

Subsection (a) is based in part on former sections 1081 and 1082, which are carried into section 5102.

In subsection (a)(1), the exception of "a Government controlled corporation" is added to preserve the application of this section to "corporations wholly owned by the United States". This is necessary as the defined term "Executive agency" includes the defined term "Government corporation" and the latter includes both Government

owned and controlled corporations. Thus the exclusion of Government controlled corporations, which are distinct from wholly owned corporations, operates to preserve the application of this section to wholly owned corporations. The exception for the Inland Waterways Corporation in former section 1082(13) is omitted on authority of the Act of July 19, 1963, Pub. L. 88-67, 77 Stat. 81. The exceptions for Production Credit Corporations and Federal Intermediate Credit Banks in former section 1082 (18) and (19) are omitted as they are no longer "corporations wholly owned by the United States". Under the Farm Credit Act of 1956, 70 Stat. 659, the Production Credit Corporations were merged in the Federal Intermediate Credit Banks, and pursuant to that Act the Federal Intermediate Credit Banks have ceased to be corporations wholly owned by the United States.

In subsection (a)(7), the words "Panama Canal Company" are substituted for "Panama Railroad Company" on authority of the Act of Sept. 26, 1950, ch. 1049, § 2(a)(2), 64 Stat. 1038.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

Former sections 95 and 95a are combined and restated for clarity and brevity. The words "or expenses in the case of Government officers and employees" are omitted as covered by section 1823 of title 28. The word "agency" is substituted for "department" and defined to conform to the definition of "department" in section 18 of the Act of Aug. 2, 1946, ch. 744, 60 Stat. 811.

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

L. 87-256, 75 Stat. 538, since § 111(c) of the Act provides that a reference in other Acts to a provision of law repealed by § 111(a) shall be considered to be a reference to the appropriate provisions of Pub. L. 87-256.

In paragraph (2), the words "of any character" are omitted as surplusage.

In paragraph (3), the words "and a person or agency admitted by an agency as a party for limited purposes" are substituted for "but nothing herein shall be construed to prevent an agency from admitting any person or agency as a party for limited purposes".

In subsection (b), the word "When" is substituted for "In instances in which".

In subsection (b), the words "Chairman, United States Civil Service Commission" are substituted for "chief examiner" on authority of 1949 Reorg. Plan No. 5, § 2(a)(2). The words "at all times" are omitted as surplusage.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1301

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 633(1) (function of Civil Service Commission)	Jan. 16, 1883, ch. 27, § 2(1) (function of Civil Service Commission), 22 Stat. 403.

The authority of the President to prescribe rules is carried into sections 2951, 3302, 3304(a), 3306(a), 3321, 7152, 7153, 7321, and 7322 of this title.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1302

Derivation:	United States Code	Revised Statutes and Statutes at Large
(a)	5 U.S.C. 633(2)7 (last 17 words), (3) (less last 10 words)	Jan. 16, 1883, ch. 27, §§ 2(2)7 (last 17 words), (3) (less last 10 words), 22 Stat. 404.
(b)	5 U.S.C. 851 (1st 76 words), 868 (less proviso)	June 27, 1944, ch. 287, §§ 2 (1st 76 words), 19, 58 Stat. 387, 391.
(c)	5 U.S.C. 851 (1st 76 words), 860	June 27, 1944, ch. 287, §§ 2 (1st 76 words), 11, 58 Stat. 387, 390.
(d)	5 U.S.C. 118k(d) (1st sentence)	July 19, 1940, ch. 640 § 4 "Sec. 12(d) (1st sentence)", 54 Stat. 769.

Subsection (a) is based on former section 633(3) (less last 10 words). The regulation-making power conferred by that section covers the power conferred by former section 633(2)7 (last 17 words) which is, therefore, omitted. The requirement of notice is preserved in section 3304. The words "through its members or the examiners" are omitted as unnecessary in view of section 1104. The authority of the President to prescribe rules, based on former section 633(1) is carried into sections 2951, 3302, 3304(a), 3306(a), 3321, 7152, 7153, 7321, and 7322 of this title.

In subsections (b)-(d), the word "rules" is omitted as included in "regulations".

The provisions of the Veterans' Preference Act of 1944 (former sections 851-869) to which the regulation-making authority of subsections (b) and (c) apply are carried into sections 2108, 3305(b), 3306(a)(2), 3308-3320, 3351, 3363, 3364, and 7701, subchapter I of chapter 35, and subchapter II of chapter 75 of this title. The first 76 words of former section 851 are added here to preserve the general statement of policy in the light of which the substantive provisions that formerly comprised the Veterans' Preference Act of 1944 are to be interpreted. See *Elder v. Brannan*, 241 U.S. 277, 286. In subsection (b), the words "in the competitive service in Executive agencies, permanent or temporary, and in the government of the District of Columbia", and in subsection (c) the words "in the excepted service in Executive agencies, permanent or temporary, and in the government of the District of Columbia" are coextensive with and substituted for "in civilian positions in all establishments, agencies, bureaus, administrations, projects, and departments of the Government, permanent or temporary, and in either (a) the classified civil service; (b) the unclassified civil service; (c) any temporary or emergency establishment, agency, bureau, administration, project, and department created by Acts of Congress or Presidential Executive order", in view of the exclusion of positions in the legislative and judicial branches by former section 869.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1303

Derivation: United States Code
5 U.S.C. 633(4)

Revised Statutes and Statutes at Large
Jan. 16, 1883, ch. 27, § 2(4), 22 Stat.
404.

The authority of the President to prescribe rules is carried into sections 2951, 3302, 3304(a), 3306(a), 3321, 7152, 7153, 7321, and 7322 of this title.

In paragraph (2), the words "in respect to the execution of this act" are changed to "concerning the execution of the provisions of this title that relate to the administration of the competitive service" to avoid having to refer in the text to the sections of this title into which the Civil Service Act, the act referred to, is codified. These sections are: 1101, 1102, 1105, 1302(a), 1303, 1307, 1308(a)(1), 2102, 2951, 3302, 3303, 3304(a), (d), 3305(a), 3306, 3318(a), 3319(a), 3321, 7152, 7153, 7321, 7322, and 7352. The words "the provisions of this title that relate to the administration of the competitive service" will include some of the sections derived from the Veterans' Preference Act of 1944

(former sections 851–869). They are based in part on former section 860 (codified in § 1302(c)). The authorization in that section to make and enforce regulations for the competitive service would include the authority to investigate and report. The words “and other employees” are substituted for “and its own subordinates, and those in the public service” in view of the definition of “employee” in section 2105.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1304

Derivation:	United States Code	Revised Statutes and Statutes at Large
(b)–(d)	5 U.S.C. 655	Apr. 5, 1952, ch. 159, § 1 (provisos), 66 Stat. 44.
(e)	5 U.S.C. 657	July 31, 1953, ch. 283, § 9, 67 Stat. 241. June 5, 1952, ch. 369, § 701 (par. under “Civil Service Commission”), 66 Stat. 107.
(f)	[Uncodified]	Apr. 5, 1952, ch. 159, § 4, 66 Stat. 44.
(g)	5 U.S.C. 656	Apr. 5, 1952, ch. 159, § 3, 66 Stat. 44

Subsection (a) is based on section 1 of the Act of April 5, 1952, as amended, and is added for clarity. In subsection (a), the reference to section 10(b)(5) (B)(i) and (B)(ii) of the Act of August 1, 1946 (60 Stat. 766) is omitted because of the amendment of the Act of April 5, 1952, by the Act of July 31, 1953, ch. 283, 67 Stat. 240, and the reenactment of the provisions of the Act of April 5, 1952, insofar as they relate to the Atomic Energy Commission as section 145 of the Atomic Energy Act of 1954 (68 Stat. 942; 42 U.S.C. 2165). The references to section 1(2) of the Act of May 22, 1947 (61 Stat. 125), section 1 of the joint resolution of May 21, 1947 (61 Stat. 125), and section 110(c) of the Act of April 3, 1948 (62 Stat. 137) are omitted as these Acts were repealed by the Act of Aug. 26, 1954, ch. 937 § 542(a) (1), (2), and (4), 68 Stat. 861. Reference to section 510 of the Mutual Security Act of 1951 (65 Stat. 381) is omitted because this section was replaced by section 531 of the Mutual Security Act of 1954 (68 Stat. 859) and the latter was repealed by the Act of Sept. 4, 1961, Pub. L. 87–195, § 642(2), 75 Stat. 460.

In subsection (d), the references to section 10(b)(5)(B)(i) and (ii) of the Atomic Energy Act of 1946, section 510 of the Mutual Security Act of 1951, a majority of the members of the Atomic Energy Commission, and the Director of Mutual Security (which was changed to Director of the International Cooperation Administration on authority of section 8 of 1953 Reorg. Plan No. 7, 67 Stat. 641, and Executive Order 10610 of May 9, 1955) are omitted because of the disposition of the two sections as explained with reference to subsection (a).

In subsection (e), the words “There is established” are omitted as executed.

In subsection (g), the reference to statutes other than this section is omitted because nothing in those statutes affect the responsibility in question.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1305

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 1010 (5th sentence)	June 11, 1946, ch. 324, § 11 (5th sentence), 60 Stat. 244.

	[Uncodified]	1949 Reorg. Plan No. 5, § 2(c), eff. Aug. 19, 1949, 63 Stat. 1069.

The section is rewritten to reflect expansion of authority of the Commission to include its Chairman under section 2(c) of 1949 Reorg. Plan No. 5.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 1307

Derivation:	United States Code	Revised Statutes and Statutes at Large

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

(e)	5 U.S.C. 3011	Sept. 28, 1959, Pub. L. 86-382, § 12, 73 Stat. 716.

In subsection (a)(1), the requirement of reasons for exceptions to the civil service rules and regulations is added on authority of former section 633(2)8 (last sentence), which is carried into section 3302.

In subsection (b), the words "for his approval" are omitted as unnecessary because the President has the inherent power, based on the Constitutional separation of powers, to approve or disapprove such a report.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

- 2101. Civil service; armed forces; uniformed services.
- 2102. The competitive service.
- 2103. The excepted service.
- 2104. Officer.
- 2105. Employee.
- 2106. Member of Congress.
- 2107. Congressional employee.
- 2108. Veteran; disabled veteran; preference eligible.

SECTION 2101

The section is supplied to establish basis of reference to employees in this title.

SECTION 2102

Derivation:	United States Code	Revised Statutes and Statutes at Large
(a)	5 U.S.C. 638 (less applicability to appointment and promotion)	Jan. 16, 1883, ch. 27 § 7 (less applicability to appointment and promotion), 22 Stat. 406.

Subsection (a) is restated in the form of a definition.

Subsection (a)(1) is based on former section 638, which placed positions in the executive branch of the Government generally in the competitive service by the requirement that employment be predicated on passing an examination or being exempted from examination, and section 1 of the Act of Nov. 26, 1940, ch. 919, title I, 54 Stat. 1211 (see table III), which authorized the President, subject to certain exceptions, to place in the classified civil service positions in the Executive departments, independent establishments, and other agencies of the Government. In that Act the word "executive" has been construed to modify "departments", "independent establishments", and "other agency". This construction is supported by the language of the Act of Jan. 16, 1883, and is embodied in Civil Service Rule I. Acting under this statute, the President has placed all but a comparatively few of the positions covered by the Act of Nov. 26, 1940, in the competitive service. The remainder are covered by the exceptions contained in the Civil Service Rules and Regulations. The authority of the President conferred by the Act of Nov. 26, 1940, has been superseded in part by exceptions created by statutes enacted after that date. The effect of these exceptions and the power conferred on the President by former section 633(2)8 (last sentence) to make exceptions to the Civil Service Rules are preserved by the words "positions which are specifically excepted from the competitive service by or under statute".

In subsection (a)(1)(B), the words "or to pass an examination" are omitted as covered by the exclusion from the "competitive service".

Subsection (a)(2) preserves the exception stated in former section 638 modified to recognize the several statutory exceptions to this exception that have been enacted. The language of former section 638 relative to examination is codified in sections 3304(b) and 3361. The reference to veterans' preference is omitted because the statute referred to, R.S. § 1754, was superseded by sections 3 and 21 of the Act of June 18, 1929, ch. 28, 46 Stat. 21. Section 3 of the Act of June 18, 1929, was superseded by the Act of June 27, 1944, ch. 287, 58 Stat. 387, as amended, which is carried into this title. Rights preserved by section 18 of the Act of June 27, 1944, are further preserved by technical section 8. The exception for laborers and workmen was superseded by the Act of Nov. 26, 1940.

Subsection (b) is added because of the provisions in section 3311 of title 39.

Subsection (c) is supplied for conformity inasmuch as the terms are coextensive by definition.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 2103

The section is supplied for convenience. The "excepted service" has come to mean all employees not in the competitive service, for whatever reason.

SECTION 2104

The section is supplied for convenience.

SECTION 2105

(c)	5 U.S.C. 150k	June 19, 1952, ch. 444, § 1, 66 Stat. 138.
(d)	5 U.S.C. 30r(d)	Aug. 10, 1956, ch. 1041, § 29(d), 70A Stat. 632.

Subsection (a) is supplied to avoid the necessity of defining "employee" each time it appears in this title. The subsection is based on a definition worked out independently by the Civil Service Commission and the Department of Labor and in use by both for more than a decade.

In subsection (b), the provisions of the source statutes which relate to credit for prior service and diminution of pay are executed, or, insofar as to be executed, preserved by technical section 8.

In subsection (d), the words "officer or" are omitted as included within "employee".

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 2106

The section is supplied to avoid the necessity of defining "Member of Congress" each time the term is used in this title.

SECTION 2107

(c) 5 U.S.C. 12

Aug. 8, 1888, ch. 786, 25 Stat. 387.

In subsection (a), the words "Except as provided by subsections (b) and (c) of this section," are added on authority of former sections 11 and 12, which are codified in subsections (b) and (c) of this section. The words "the commission of an officer" are substituted for "all civil commissions for officers of the United States" because of the definition of "officer" in section 2104. The words "by the President" are coextensive with and substituted for "by the President, by and with the advice and consent of the Senate, or by the President alone".

In subsection (b), the words "officer in the civil service or uniformed services" are substituted for "officer" because of the definition of "officer" in section 2104. The words "direction and" are omitted as included within "the control". The words "the Secretary of Defense"

are added on authority of the Acts of July 26, 1947, ch. 343, § 305(a), 61 Stat. 508, and Aug. 10, 1949, ch. 412, § 12(g), 63 Stat. 591. The words "the Secretary of a military department" are substituted for "the Secretary of War, the Secretary of the Navy" (appearing in the Act of Mar. 28, 1896) because of the definition of "military department" in section 102. The title of the Secretary of War was changed to Secretary of the Army by the Act of July 26, 1947, ch. 343, § 205, 61 Stat. 501. "Secretary of the Air Force" is included on authority of the Act of July 26, 1947, ch. 343, § 207 (a), (f), 61 Stat. 502. The words "Secretary of Commerce" are substituted for "Secretary of Commerce and Labor" on authority of the Act of Mar. 4, 1913, ch. 141, § 1, 37 Stat. 736. The words "under the departmental seal" are substituted for "and the departmental seal affixed thereto". The words "any laws to the contrary notwithstanding" are omitted as unnecessary. The last sentence of section 14 of the Act of Mar. 3, 1875, is omitted as executed.

In subsection (c), the words "and shall be" and "any laws to the contrary notwithstanding" are omitted as unnecessary.

SECTION 2903

Derivation:	United States Code	Revised Statutes and Statutes at Large
(a)	5 U.S.C. 18	R.S. § 1758.
(b)	5 U.S.C. 16a(a) (less 1st 9 words after last comma)	June 26, 1943, ch. 145, § 206 (less 1st 9 words after last coma), 57 Stat. 196.
(c)	5 U.S.C. 16a(b)	Sept. 30, 1961, Pub. L. 87-322 (par. under "General Provision"), 75 Stat. 743.
	5 U.S.C. 92a	July 3, 1926, ch. 752, 44 Stat. 830.

In subsection (b), the words "On and after June 26, 1943" are omitted as executed, and the word "officer" is omitted as included in "employee". The words "Executive agency" are coextensive with and substituted for "executive departments or independent establishments, including any agency the majority of the stock of which is owned by the Government of the United States" because of the definition of "Executive agency" in section 105. The words "or the Secretary of a military department with respect to an employee of his department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301. The words "of the Federal Government" and "and to have the same force and effect as oaths administered by officers having seals" are omitted as unnecessary.

In subsection (c), the word "Constitution" is omitted because "laws", as used in this title, encompasses the Constitution. In subsection (c)(1), the words "of the United States" are omitted as unnecessary. In subsection (c)(2), the words "an individual authorized by local law to administer oaths in the State, District, or territory, or possession of the United States where the oath is administered" are coextensive with and substituted for "notaries public duly appointed in any State, District, or Territory of the United States, by clerks and prothonotaries of courts of record of any such State, District, or Territory, by the deputies of such clerks and prothonotaries, and by all magistrates authorized by the laws of or pertaining to any such State, District, or Territory to administer oaths".

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 2904

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 16a(a) (1st 9 words after last comma)	June 26, 1943, ch. 145, § 206 (1st 9 words after last comma), 57 Stat. 196. Sept. 30, 1961, Pub. L. 87-332 (so much of par. under "General Provision" as inserted "(a)"), 75 Stat. 743.
	5 U.S.C. 20	Aug. 29, 1890, ch. 820, § 1 (2d sentence under "Fourth Auditor's Office"), 26 Stat. 371.

The section is restated to combine former sections 16a(a) (1st 9 words after last comma) and 20. The prohibition is restated in positive form. The words "officer" and "clerk" are omitted as included in "employee". Reference to oaths taken on promotion is omitted as unnecessary.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

(b)	5 U.S.C. 17c	Mar. 28, 1955, ch. 17, 69 Stat. 14.

In subsection (a), the word "civilian" is omitted as unnecessary because of the definition of "employee" in section 2105. The words "Executive agency" are coextensive with and substituted for "executive departments and independent establishments of the United States" because of the definition of "Executive agency" in section 105. The words "the Secretary of a military department with respect to an employee of his department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the

Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

SECTION 2906

Derivation: United States Code

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 2951

Derivation: United States Code

5 U.S.C. 633(2)8 (less last sentence)

Revised Statutes and Statutes at Large

Jan. 16, 1883, ch. 27, § 2(2)8 (less last sentence), 22 Stat. 404.

The authority of the President to prescribe rules is added on authority of former section 633(1), which is carried into section 3302.

In paragraph (1), the word "authority" is substituted for "power". The words "or employment" are omitted as included within "appointment".

In paragraph (1)(B), the words "separation during probation" are substituted for "of the rejection of any such person after probation". The words "rejection . . . after probation" refer to a rejection, i.e., separation, after a portion of the probationary period has been served but before the end of the probationary period. This is so because an individual can be rejected only during the probationary period. After he has completed the probationary period, he can be removed only under procedures governing removals from the competitive service, and removals of this nature are covered by paragraph (E).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 2952

Derivation: United States Code
5 U.S.C. 106

Revised Statutes and Statutes at Large
R.S. § 195.

The words "Executive department" are substituted for "department" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101.

The words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained

applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

Derivation: United States Code
5 U.S.C. 642a

Revised Statutes and Statutes at Large
July 25, 1956, ch. 730, § 1, 70 Stat. 652.

In subsection (a), the words "Executive agency" are substituted for "department, agency, or independent establishment of the executive branch of the Federal Government (including any corporation wholly owned by the United States)" in view of the definition of "Executive agency" in section 105. The exception of "a Government controlled corporation" in subsection (b)(2) is added to preserve the application to corporations wholly owned by the United States.

The exception of "the General Accounting Office" in subsection (b)(3) is added to preserve application to the executive branch.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

The words "Committee on Government Operations of the House of Representatives" are substituted for "Committee on Expenditures in the Executive Departments of the House of Representatives" on authority of H. Res. 647 of the 82d Congress, adopted July 3, 1952.

The words "Committee on Government Operations of the Senate" are substituted for "Committee on Expenditures in the Executive Departments of the Senate" on authority of S. Res. 280 of the 82d Congress, adopted Mar. 3, 1952.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

R.S. § 169.

June 26, 1930, ch. 618, 46 Stat. 817.

5 U.S.C. 514d (2d par.)

Sept. 21, 1944, ch. 412, § 709, 58 Stat. 743.

The authorization is restated to conform to the style of this title. The words "Executive agency" are substituted for "executive department, independent establishment" in view of the definitions in sections 103, 104, and 105. The source statute (an act to authorize the appointment of employees in the executive branch etc.) applied to the entire executive branch, and government corporations as well as other agencies in the executive branch were included within the words "independent establishment". The words "or a military department" are inserted to preserve the application of the source statute. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source statute for this subsection, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301. The words "for services in the District of Columbia or elsewhere" are eliminated as surplusage. The reference to chapter 51 is substituted for the reference to the Classification Act of 1923 because the Act of Oct. 28, 1949, ch. 782, § 1106(a), 63 Stat. 972, amended the section to refer to the Classification Act of 1949, which is carried into this title. The proviso in former section 43 and former section 514d (2d par.) are omitted as superseded by former section 22a, which is carried into section 302. The last sentence of the Act of June 26, 1930, is omitted as executed.

This section was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 3102

5 U.S.C. 43a

Revised Statutes and Statutes at Large
Aug. 29, 1962, Pub. L. 87-614, 76
Stat. 408.

In subsection (a)(1), the word "agency" is substituted for "department". The words "Executive agency" are coextensive with and substituted for "each executive department of the Federal Government, each agency or independent establishment in the executive branch of such Government, each corporation wholly owned or controlled by such Government, and the General Accounting Office" in view of the definition of "Executive agency" in section 105.

In subsection (a)(3), the words "individual employed" are substituted for "employee" so as to include individuals employed by the government of the District of Columbia who are not employees as defined by section 2105.

In subsection (b), the word "may" is substituted for "is authorized", and the words "in his discretion" are omitted as unnecessary in view of the permissive nature of the authority. The words "the provisions of this title governing appointment in the competitive service" are substituted for "the civil service rules". The words "section 209 of title 18" are substituted for "section 1914 of title 18" on authority of the Act of Oct. 24, 1962, Pub. L. 87-849, § 2, 76 Stat. 1126.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

lates to removal) as relates to removal), 37 Stat. 414.

The words "civil officer, draughtsman, copyist, messenger, assistant messenger, mechanic, watchman, laborer, or other employee" are omitted as obsolete language and "individual" is substituted therefor. The words "in the civil service" are added to preserve the application of former section 46 to civilian employees. The words "or subordinate bureaus or offices thereof" are omitted as surplusage. The words "and at the rate of pay usual and proper for the services" are omitted as surplusage since all pay rates are now governed by statute.

All after the 75th word of section 4 of the Act of Aug. 5, 1882, as amended by section 7(b) of the Act of Sept. 23, 1950, except the 255th through 316th words, are omitted as executed. The 255th through 296th words are scheduled for repeal as superseded (see Table II-b), and the 297th through 316th words are codified in section 5501. The Act of Aug. 15, 1876, ch. 287, § 5, 19 Stat. 169, cited as authority for former section 46 was repealed by section 7(a) of the Act of Sept. 23, 1950.

In the last sentence, the word "removed" is substituted for "summarily removed" because of the provisions of the Lloyd-LaFollette Act, 37 Stat. 555, as amended, and the Veterans' Preference Act of 1944, 58 Stat. 387, as amended, which are carried into this title.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

(c)	5 U.S.C. 1163	Oct. 4, 1961, Pub. L. 87-367, § 202 "Sec. 3", 75 Stat. 790.

In subsection (a), the authority to fix pay is omitted and carried into section 5361.

In subsection (b), the words "subsequent to February 1, 1958" appearing in former section 1162(c) are omitted as obsolete.

The Act of Aug. 1, 1947, ch. 433, 61 Stat. 715, as amended by the following Acts is omitted from the derivation and repealed (see Table II) as superseded by the Act of Oct. 4, 1961, Pub. L. 87-367, § 202, 75 Stat. 789, which is carried into this section and sections 3325 and 5361:

	5 U.S.C. 1010 (1st sentence)	June 11, 1946, ch. 324, § 11 (1st sentence), 60 Stat. 244.

The words "Subject to the civil service" are omitted as unnecessary inasmuch as appointments are made subject to the civil service laws unless specifically excepted. The words "and other laws not inconsistent with this chapter" are omitted as unnecessary because of the organization of this title.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

SECTION 3106

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 49	R.S. § 189. Sept. 2, 1958, Pub. L. 85-861, § 7(a), 72 Stat. 1555.
	5 U.S.C. 314	R.S. § 365. Sept. 2, 1958, Pub. L. 85-861, § 7(b), 72 Stat. 1555.

Sections 189 and 365 of the Revised Statutes, as amended, are combined and the section is revised to express the effect of the law

since department heads have long employed, with the approval of Congress, attorneys to advise them in the conduct of their official duties. The law which concentrates the authority for the conduct of litigation in the Department of Justice is codified in section 516 of title 28 by this bill.

The words "Executive department" are substituted for "department" as the definition of "department" applicable to R.S. § 189 is coextensive with the definition of "Executive department" in section 101. The words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

R.S. § 189 was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 1, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

The reference to the competitive service is substituted for the reference to the Act creating that service. The reference to reasons for the exceptions is omitted as covered by section 1308 of this title. The words "provide for" are substituted for "provide and declare". Paragraph (1) is supplied to preserve the President's power to except positions from the competitive service, previously implied from the power to except from the first rule in former section 633(2). Authority to make exceptions to so much of former section 633(2) as is restated in this section and section 1302(a) is omitted as meaningless. Authority to make exceptions to so much of former section 633(2) as is restated in section 3318(a) is omitted as superseded by former section 857, which is carried into section 3318(a). Revised Statutes and Statutes at Large
R.S. § 166.
May 28, 1896, ch. 252, § 3, 29 Stat. 179.

The words "Executive department" are substituted for "department" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101.

The words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

The word "detail" is coextensive with and is substituted for "alter the distribution". The word "clerks" is omitted as included in "employees". The words "as he may find it necessary and proper to do" and "from time to time" are omitted as surplusage.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

The words "An employee in the field service" are coextensive with and substituted for "civil officers, clerks, or other subordinate employees who are authorized or employed under or paid from appropriations made for the military or naval establishments, or any other branch of the public service outside of the District of Columbia" since, generally, separate appropriations are no longer made for the departmental service and for the service outside the District of Columbia.

The words "Bureau of Customs" are substituted for "Division of Customs" on authority of the Act of Mar. 3, 1927, ch. 348, §§ 1, 3, 44 Stat. 1381, 1382. The words "in the District of Columbia" are substituted for "at Washington". (The Revenue Marine Service and the Revenue-Cutter Service were the same Service, cf., Act of July 25, 1861, ch. 20, 12 Stat. 275, and the Act of July 20, 1868, ch. 177, § 1, 15 Stat. 113.) Reference to the detail of one officer from the Special Agency Service is omitted on authority of the Act of Mar. 3, 1927, ch. 348, § 3(c), 44 Stat. 1382, which abolished that Service. Reference to the detail of one revenue agent for duty in the Office of the Commissioner of Internal Revenue is omitted as superseded by section 3901(b)(2) of title 26, I.R.C. 1939. Such section was repealed by section 7851 of title 26, I.R.C. 1954, and is now covered by section 7803(b)(2) of title 26.

(d) 5 U.S.C. 1084(b)

Oct. 28, 1949, ch. 782, § 204(b), 63 Stat. 957.

The section is reorganized and restated for clarity.

In subsection (a)(1)(i), the exception of "a Government controlled corporation" is added to preserve the application of this chapter to "corporations wholly owned by the United States". This is necessary as the defined term "Executive agency" includes the defined term "Government corporation" and the latter includes both Government owned and controlled corporations. Thus the exclusion of Government controlled corporations, which are distinct from wholly owned corporations, operates to preserve the application of the chapter to wholly owned corporations.

In subsection (a)(1)(vii), the words "Panama Canal Company" are substituted for "Panama Railroad Company" on authority of the Act of Sept. 26, 1950, ch. 1049, § 2(a)(2), 64 Stat. 1038.

The exception for the Inland Waterways Corporation in former section 1082(13) is omitted on authority of the Act of July 19, 1963, Pub. L. 88-67, 77 Stat. 81.

The exceptions for Production Credit Corporations and Federal Intermediate Credit Banks in former section 1082 (18) and (19) are omitted as they are no longer "corporations wholly owned by the United States". Under the Farm Credit Act of 1956, 70 Stat. 659, the Production Credit Corporations were merged in the Federal Intermediate Credit Banks, and pursuant to that Act the Federal Intermediate Credit Banks have ceased to be corporations wholly owned by the United States.

Subsection (a)(2) is added for clarity. The reference to "an individual employed in or under an agency" includes both officers and employees of an agency.

In subsection (a)(5), the words "in the General Schedule" are substituted for the reference in former section 1091(3) to "as specified in subchapter V of this chapter".

In subsection (b), the reference to former section 1085 is omitted as unnecessary. Former section 1085 which exempted certain agencies from former sections 1151-1153 is carried into section 305.

In subsection (c)(1), the words "chapter 45 of title 39" are substituted for the reference in former section 1082(1) to "chapter 23 of title 39" on authority of the Act of July 10, 1955, ch. 137, § 805, 69 Stat. 130, and the Act of Sept. 2, 1960, Pub. L. 86-682, § 5, 74 Stat. 705.

In subsection (c)(2)(B), the words "this chapter" are substituted for the reference in former section 1082(2)(B) to "the Classification Act of 1923, as amended," on authority of section 1106 of the Act of Oct. 28, 1949, 63 Stat. 972, and technical section 7(b).

In subsection (c)(4), the words "chapter 15 of title 31, District of Columbia Code" are substituted for the reference in former section 1082(4) to "the District of Columbia Teachers Salary Act of 1947, as supplemented by Public Law 151, Eighty-first Congress, approved June 30, 1949" on authority of the provisions contained therein. The words "District of Columbia Court of General Sessions" and "District of Columbia Court of Appeals" are substituted for "Municipal Court

for the District of Columbia” and “Municipal Court of Appeals for the District of Columbia”, respectively, on authority of D.C. Code §§ 11-902 and 11-702. The exception for judges of the Juvenile Court of the District of Columbia is based on D.C. Code § 11-1502.

In subsection (c)(5), the word “officers” is omitted as included in “member”.

In subsection (c)(10), the words “sections 6952 and 7478 of title 10”, “section 7044 of title 10”, and “section 7043 of title 10” are substituted for the references in former section 1082(10) to “section 1071 of title 34”, “sections 1076-1076f of title 34”, and “section 1074 of title 34”, respectively, on authority of the Act of Aug. 10, 1956, ch. 1041, § 49(b), 70A Stat. 640.

In subsection (c)(11), the words “the United States” are substituted for “the several States and the District of Columbia”.

In subsection (c)(14), the words “employees necessary for the transaction of the business of the Service at canteens, warehouses, and storage depots whose employment is authorized by section 4202 of title 38” are substituted for the reference in former section 1082(23) to “positions which are exempt from this chapter, pursuant to section 4202 of title 38”.

In subsection (c)(16), the reference to “section 4114 of title 38” is substituted for the reference in former section 1082(25) to “section 4114(b) of title 38” to reflect the pay fixing authority contained in subsection (a)(1) of section 4114.

In subsection (c)(22), the words “as defined by section 901 of title 20” are substituted for “as defined in the Defense Department Overseas Teachers Pay and Personnel Practices Act” on authority of former section 2351, which is scheduled for transfer to section 901 of title 20.

In subsection (c)(25), the word “schedule” is omitted since section 603 of the Act of Oct. 11, 1962, Pub. L. 87-793, 76 Stat. 847, eliminated the necessity of referring to rates as scheduled or longevity. The words “for GS-18” are substituted for “of the highest grade established by this chapter”.

The second sentence of subsection (d) is based on former section 1084(c), which is carried into section 5103.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

(b) 5 U.S.C. 1074

Revised Statutes and Statutes at Large
R.S. § 165.
Oct. 28, 1949, ch. 782, § 1103, 63 Stat. 972.

In subsection (a), the words "Executive department" are substituted for "department" as the definition of "department" applicable to this section is coextensive with the definition of "Executive department" in section 101. The words "or military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this subsection, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301. The words "in the discretion of" are omitted as unnecessary in view of the permissive grant of authority. The words "positions in the department" are substituted for "any of the clerkships therein authorized by law". The words "upon the same requisites and conditions" are omitted as unnecessary. The words "legal pay of the position to which appointed" are substituted for "same compensations, as are prescribed for men".

This subsection was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title, but is not repealed.

Subsection (c) is added on authority of former sections 1072 and 1072a, which are codified in section 5115.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

The word "position" is coextensive with and is substituted for "office or employment".

In paragraphs (1) and (2), the words "in the United States" in former section 118p(1), (2) are omitted as unnecessary in view of the reference to "our constitutional form of government".

In paragraphs (3) and (4), the reference to the "government of the District of Columbia" is added on authority of the Act of June 29, 1956, in order to make these paragraphs meaningful with respect to individuals employed by the government of the District of Columbia.

The words "An employee of an Executive agency (except one appointed by the President, by and with the advice and consent of the Senate)" are substituted for "Any executive officer or employee of the United States not appointed by the President, with the advice and consent of the Senate," because of the definitions in sections 105 and 2105. The words "an employee, a Member of Congress, or an officer of a uniformed service" are substituted for "any other officer or employee of the Government". In the last sentence, the word "removed" is substituted for "at once discharged" because of the pro-

visions of the Lloyd-LaFollette Act, 37 Stat. 555, as amended, and the Veterans' Preference Act of 1944, 58 Stat. 387, as amended, which are carried into this title.

The criminal penalty appearing in the last 25 words of section 6 of the Act of Aug. 15, 1876, is omitted as superseded by sections 602 and 607 of title 18.

In subsection (a), the words "July 19, 1940" are substituted for "at the time this section takes effect". The amendment made by the Act of Mar. 27, 1942, is omitted because it expired Mar. 31, 1947, under section 1501 of that Act, as added June 29, 1946, ch. 526, § 1, 60 Stat. 345; 50A U.S.C. 645.

In subsection (c), the reference in the Act of Oct. 24, 1942, to section 2 of the Act of Aug. 2, 1939, is omitted as that section was repealed by the Act of June 25, 1948, ch. 645, § 21, 62 Stat. 867, and is now covered by section 595 of title 18.

Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301.

SECTION 7351

Derivation:	United States Code	Revised Statutes and Statutes at Large

In the last sentence, the word "removed" is substituted for "summarily discharged" because of the provisions of the Lloyd-LaFollette Act, 37 Stat. 555, as amended, and the Veterans' Preference Act of 1944, 58 Stat. 387, as amended, which are carried into this title.

5 U.S.C. 295-1

The words "There shall be in the Department of Justice" are omitted as unnecessary as the title of the positions establishes their location in the Department of Justice.

The position of sixth Assistant Attorney General, referred to in the Acts of July 16, 1914, and Mar. 4, 1915, was made a permanent position by the Act of Mar. 4, 1915, ch. 141, § 6, 38 Stat. 1049.

The number of Assistant Attorneys General referred to in the Act of Mar. 2, 1943, is changed from "six" to "nine" to reflect the three additional Assistant Attorneys General authorized by 1950 Reorg. Plan No. 2, 1953 Reorg. Plan No. 4, and the Act of Sept. 9, 1957.

The words "learned in the law" are omitted as unnecessary. Such a requirement is not made of the Attorney General, United States attorneys, or United States judges. (See reviser's note under 28 U.S.C. 501, 1964 ed.)

The reference in former section 295 of title 5 to the Assistant Attorneys General assisting the Solicitor General are omitted on authority of the transfer of functions made by 1950 Reorg. Plan No. 2 and 1953 Reorg. Plan No. 4.

Provisions of 1950 Reorg. Plan No. 2, § 4, and 1953 Reorg. Plan No. 4, § 2, abolishing positions and transferring incumbents are omitted as executed.

Provisions relating to pay of Assistant Attorneys General are omitted as superseded by § 303(d) of the Act of August 14, 1964, Pub. L. 88-426, 78 Stat. 418, which is codified in section 5315 of title 5, United States Code.

24, 1950, 64 Stat. 1261.

The title of the position was changed to "Assistant Attorney General for Administration" by § 307 of the Act of Aug. 14, 1964, Pub. L. 88-426, 78 Stat. 432.

The words "competitive service" are substituted for "classified civil service" because the term "classified civil service" formerly used to designate the merit system established by the Civil Service Act of 1883 has become ambiguous due to the creation of the "classified" pay system. The term "competitive service" is now customarily used, and appears throughout title 5, United States Code, in place of "classified civil service".

The words "There shall be in the Department of Justice" are omitted as unnecessary as the title of the position and the fact of appointment by the Attorney General establish the location of the position in the Department of Justice.

The last 12 words of section 5 of the Reorganization Plan are omitted on authority of the Act of June 5, 1952, ch. 369, § 1101 (3d proviso), 66 Stat. 121. The salary of the position is now fixed by § 303(e) of the Act of Aug. 14, 1964, Pub. L. 88-426, 78 Stat. 420, which is codified in section 5316 of title 5, United States Code.

The last sentence of R.S. § 347 is cited as authority inasmuch as the function contained therein was the function transferred to the Deputy Attorney General by 1953 Reorg. Plan No. 4. The word "may" is substituted for "have the power". The words "During any period of time" are omitted as unnecessary.

The Department of War was designated the Department of the Army by the Act of July 26, 1947, ch. 343, § 205, 61 Stat. 501. "Department of the Air Force" is added on authority of the Act of July 26, 1947, ch. 343, § 207(a), (f), 61 Stat. 502. The word "Secretary" is substituted for "head." The words "military department" are substituted for "department" to conform to section 102 of title 5, United States Code, and section 101 of title 10, United States Code. The words "for disposition" are substituted for "to be by him referred to the proper officer in his department, or otherwise disposed of as he may deem proper."

5 U.S.C. 48
5 U.S.C. 313

Revised Statutes and Statutes at Large
R.S. § 187.
R.S. § 364.

Sections 187 and 364 of the Revised Statutes are combined into one section since they both deal with the same subject matter and are derived from the Act of Feb. 14, 1871, ch. 51, § 3, 16 Stat. 412.

The words "executive department" are substituted for "Department" because "Department", as used in R.S. §§ 187 and 364, meant "executive department". (See R.S. § 159.) The word "agency" is substituted for "bureau" as it has a more common current acceptance. The word "concerning" is substituted for "touching". Reference to application for a subpoena is omitted as R.S. § 364 gives the department head the same authority to request aid from the Attorney General whether or not application has been made for a subpoena.

Section 187 of the Revised Statutes was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

Minor changes are made in phraseology to allow for the combining of the two sections.

[Uncodified]		July 2, 1954, ch. 456, § 202 (as applicable to special assistants and special attorneys), 68 Stat. 421.

In subsection (a), the words "or counselor" are omitted as redundant. The words "United States attorneys" are substituted for "district attorneys" on authority of the Act of June 25, 1948, ch. 646, § 1, 62 Stat. 909. The words "any provision of" are omitted as unnecessary.

28 U.S.C. § 516

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 306	R.S. § 361.
		Sept. 3, 1954, ch. 1263, § 41, 68 Stat. 1229.

The section is revised to express the effect of the law. As agency heads have long employed, with the approval of Congress, attorneys to advise them in the conduct of their official duties, the first 56 words of R.S. § 361 and of former section 306 of title 5 are omitted as obsolete.

The section concentrates the authority for the conduct of litigation in the Department of Justice. The words "Except as otherwise authorized by law," are added to provide for existing and future exceptions (e.g., section 1037 of title 10). The words "an agency" are added for clarity and to align this section with section 519 which is of similar import. The words "as such officer" are omitted as unnecessary since it is implied that the officer is a party in his official capacity as an officer.

So much as prohibits the employment of counsel, other than in the Department of Justice, to conduct litigation is omitted as covered by R.S. § 365, which is codified in section 3106 of title 5, United States Code.

28 U.S.C. § 519

Derivation:	United States Code	Revised Statutes and Statutes at Large
	28 U.S.C. 507(b)	[None]

The words "Except as otherwise authorized by law," are added to provide for existing and future exceptions (e.g., section 1037 of title 10).

The words "or officer" are added for clarity and to align this section with section 516 which is of similar import.

The words "special attorneys appointed under section 543" are substituted for "attorneys appointed under section 503" to reflect the revision of this title.

28 U.S.C. § 520

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 91	R.S. § 188.

The section is reorganized and restated for clarity.

In subsection (a), the word "concerning" is substituted for "touching".

In subsection (b), the words "without delay" are omitted as unnecessary in view of the requirement that the statement be furnished "Within a reasonable time". The word "briefly" is substituted for "succinctly". The words "in suit" are omitted as unnecessary.

The words "executive department" are substituted for "department" because "department" as used in R.S. § 188 meant "executive department". (See R.S. § 159.) The words "military department" are inserted to preserve the application of the source law. Before enactment of the National Security Act Amendments of 1949 (63 Stat. 578), the Department of the Army, the Department of the Navy, and the Department of the Air Force were Executive departments. The National Security Act Amendments of 1949 established the Department of Defense as an Executive Department including the Department of the Army, the Department of the Navy, and the Department of the Air Force as military departments, not as Executive departments. However, the source law for this section, which was in effect in 1949, remained applicable to the Secretaries of the military departments by virtue of section 12(g) of the National Security Act Amendments of 1949 (63 Stat. 591), which is set out in the reviser's note for section 301 of title 5, United States Code.

Section 188 of the Revised Statutes was part of title IV of the Revised Statutes. The Act of July 26, 1947, ch. 343, § 201(d), as added Aug. 10, 1949, ch. 412, § 4, 63 Stat. 579 (former 5 U.S.C. 171-1), which provides "Except to the extent inconsistent with the provisions of this Act [National Security Act of 1947], the provisions of title IV of the Revised Statutes as now or hereafter amended shall be applicable to the Department of Defense" is omitted from this title but is not repealed.

28 U.S.C. § 521

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 305 (1st sentence, as applicable to the Attorney General; 2d and 3d sentences.	R.S. § 383 (1st sentence, as applicable to the Attorney General; 2d and 3d sentences).

The words "his opinions" are substituted for "the opinions of the law officers herein authorized to be given" as the opinions of the Attorney General are his and only his and the reference to other "law officers" is misleading. All functions of all other officers of the Department of Justice were transferred to the Attorney General by 1950 Reorg. Plan No. 2, § 1, eff. May 14, 1950, 64 Stat. 1261. The word "considers" is substituted for "may deem".

In the last sentence, the words "proper" and "complete and full" are omitted as unnecessary.

The words "pertaining to the Department that he considers proper" are substituted for "appertaining thereto that he may deem proper".

The words "and a detailed statement of the amounts used for defraying the expenses of the United States courts in each judicial district" are omitted as obsolete in view of the creation of the Administrative Office of the United States Courts by the Act of Aug. 7, 1939, ch. 501, § 1, 53 Stat. 1223 (Chapter 41 of this title).

In paragraph (3), the words "involving the United States" are inserted for clarity. The function of reporting on all cases pending in the United States courts is now vested in the Administrative Office of the United States Courts, see 28 U.S.C. 604.

In subsection (b), the words “now or hereafter” and “the provisions of” are omitted as unnecessary.

28 U.S.C. § 531

The section is supplied for convenience and clarification. The Bureau of Investigation in the Department of Justice, the earliest predecessor agency of the Federal Bureau of Investigation, was created administratively in 1908. It appears that funds used for the Bureau of Investigation were first obtained through the Department of Justice Appropriation Act of May 22, 1908, ch. 186, § 1 (par. beginning “From the appropriations for the prosecution of crimes”), 35 Stat. 236, although that statutory provision makes no express mention of the Bureau or of the investigative function.

Section 3 of Executive Order No. 6166 of June 10, 1933, specifically recognized the Bureau of Investigation in the Department of Justice and provided that all that Bureau’s functions together with the investigative functions of the Bureau of Prohibition were “transferred to and consolidated in a Division of Investigation in the Department of Justice, at the head of which shall be a Director of Investigation.”

The Division of Investigation was first designated as the “Federal Bureau of Investigation” by the Act of Mar. 22, 1935, ch. 39, title II, 49 Stat. 77, and has been so designated in statutes since that date.

28 U.S.C. § 532

The section is supplied for convenience and clarification and is based on section 3 of Executive Order No. 6166 of June 10, 1933, which provided for the transfer of the functions of the Bureau of Investigation together with the investigative functions of the Bureau of Prohibition to a “Division of Investigation in the Department of Justice, at the head of which shall be a Director of Investigation”. The Division of Investigation was first designated as the “Federal Bureau of Investigation” by the Act of Mar. 22, 1935, ch. 39, title II, 49 Stat. 77, and has been so designated in statutes since that date. The title of “Director of the Federal Bureau of Investigation” was recognized by statute in the Act of June 5, 1936, ch. 529, 49 Stat. 1484, and has been used in statutes since that date.

78 Stat. 717.

The section is from the Department of Justice Appropriation Act, 1965. Similar provisions were contained in each appropriation Act

for the Department running back to 1921, which Acts are identified in a note under sections 299 and 300 of title 5, U.S.C. 1964 ed.

The section is reorganized for clarity. The authority to appoint officials for the cited purposes is implied. The word "may" is substituted for "is authorized to". The words "who shall be vested with the authority necessary for the execution of such duties" are omitted as unnecessary as the appointment of the officials for the purposes indicated carries with it the authority necessary to perform their duties.

In paragraph (2), the words "to assist in" are added for clarity and in recognition of the provisions of 18 U.S.C. 3056 which vest in the United States Secret Service the responsibility for the protection of the person of the President. As so revised, this paragraph will assure that the Secret Service will continue to have primary responsibility for the protection of the President but at the same time will permit the Federal Bureau of Investigation to render assistance in such protection.

The last sentence is added because in various areas the authority to investigate certain criminal offenses has been specifically assigned by statute to departments and agencies other than the Federal Bureau of Investigation. For example, the enforcement of the internal revenue laws is specifically a function of the Secretary of the Treasury and he is authorized to employ such numbers of persons as he deems proper for the enforcement of such laws (26 U.S.C. 7801, 7803). The Secretary of the Treasury is specifically authorized to direct the collection of duties on imports and to appoint such employees for that purpose as he deems necessary (19 U.S.C. 3, 6). The U.S. Coast Guard is specifically authorized to enforce or assist in enforcing the Federal laws upon the high seas and waters subject to the jurisdiction of the United States (14 U.S.C. 2). Subject to the direction of the Secretary of the Treasury, the Secret Service is specifically authorized to detect and arrest persons committing offenses against the laws of the United States relating to coins and obligations and securities of the United States and foreign governments (18 U.S.C. 3056).

	5 U.S.C. 340	June 11, 1930, ch. 455, 46 Stat. 554.

The sections are combined and reorganized for clarity. Former section 300 of title 5 was from the Department of Justice Appropriation Act, 1965. Similar provisions were contained in each appropriation Act for the Department of Justice running back to 1921, which Acts are identified in a note under former section 300 of title 5, U.S.C. 1964 ed.

In subsection (a), the word "shall" is substituted for "has the duty" as a more direct expression. The function of acquiring, collecting, classifying, etc., referred to in former section 340 of title 5 was transferred to the Attorney General by 1950 Reorg., Plan No. 2, § 1, eff.

May 24, 1950, 64 Stat. 1261, which is codified in section 509 of this title. Accordingly, the first 29 words and last 30 words of former section 340 are omitted as unnecessary.

In subsection (c), the authority to appoint officials for the cited purposes is implied.

The section is revised and restated to eliminate ambiguity and give true effect to the prohibition against the use of appropriations to the Federal Bureau of Investigation. The language used to define the excepted status of the positions, officers, and employees is based on revised sections 2102 and 2103 of title 5, United States Code.

The provisions of this section were made permanent by the Act of July 28, 1950, 64 Stat. 380. Identical provisions appearing in former section 300d of title 5 are derived from the Department of Justice Appropriation Act, 1965, and earlier appropriation Acts for the Department of Justice running back to 1942, which Acts are identified in a note under former section 300d of title 5, U.S.C. 1964 ed.

The section is revised and reorganized for clarity. The words "now or hereafter provided" are omitted as unnecessary. The words "for expenses of membership in the International Commission of Criminal Police and" are omitted as obsolete. The Act of Aug. 27, 1958, Pub. L. 85-768, 72 Stat. 921 (22 U.S.C. 263a) authorizes the Attorney General to accept and maintain, on behalf of the United States, membership in the International Criminal Police Organization, and to designate any departments and agencies which may participate in the United States representation with that organization; and authorizes each participating department and agency to pay its pro rata share, as determined by the Attorney General, of the expenses of such membership. The word "spent" is substituted for "expended". The

words "certify the amount spent that he considers" are substituted for "make a certificate of the amount of any such expenditure as he may think it". The words "his certification is a sufficient voucher" are substituted for "and every such certificate shall be deemed a sufficient voucher".

The second paragraph of former section 509 is omitted as it was superseded by the Travel Expense Act of 1949, which is codified in subchapter I of chapter 57 of title 5, United States Code.

The second paragraph was based in part on former section 73 of title 5, 1940 ed., which was superseded by the Subsistence Expense Act of 1926.

Section 6 of the Travel Expense Act of 1949, which is codified in section 5706 of title 5, United States Code, substantially reenacted former section 73 of title 5, 1940 ed., which was repealed by the Act of June 25, 1948, ch. 646, by which title 28 was originally enacted. The purpose of section 6 was to allow reimbursement for only such actual and necessary travel expenses incurred unless otherwise permitted by the Act of 1949 itself or by laws relating to the military. Section 6 did not, however, provide for the exception of United States attorneys as did former section 73.

Sections 2 and 3 of the Act of 1949, which are codified in sections 5701 and 5702 of title 5, United States Code, defined the coverage of the Act and allowed for specific exclusions in the legislative and judicial branches but did not mention an exclusion in the executive branch for United States attorneys.

Section 7 of the 1949 Act, which is codified in section 5707 of title 5, United States Code, expressly vested in the Director of the Bureau of the Budget the authority to prescribe regulations covering travel allowances and the reimbursement of travel expenses.

Section 8 of the 1949 Act, which is codified in section 5708(1), (2) of title 5, United States Code, made specific exclusions from the coverage of the Act, and United States attorneys were not so excluded.

Section 9 of the 1949 Act, which is codified in section 5708 (3), (4) of title 5, United States Code, modified acts inconsistent with the 1949 Act, and specifically mentioned acts which authorize reimbursement of "actual and necessary" expenses.

Paragraphs (2) and (3) are omitted as they were superseded by the Travel Expense Act of 1949, which is codified in subchapter I of chapter 57, of title 5, United States Code. The 1949 Act covered, among others, all civilian officers and employees of the executive departments which includes United States marshals and their deputies who are officers and employees, respectively, of the Department of Justice.

The Act of 1949 vested the promulgation of regulations under it in the Director of the Bureau of the Budget. Under former section 827 of title 5, the Attorney General had the authority to promulgate regulations governing the travel of marshals, however, that section was repealed by the 1949 Act and the authority to prescribe regulations covering travel allowances and the reimbursement of travel expenses is now vested in the Director of the Bureau of the Budget, and is codified in section 5707 of title 5, United States Code.

The Acts of Aug. 4, 1955, ch. 550, 69 Stat. 492, and Aug. 14, 1961, Pub. L. 87-139, § 5, 75 Stat. 340, were introduced in Congress on the

apparent assumption that the Act of 1949 did not apply to marshals and that the raise in mileage allowances proposed as amendments to the Act of 1949 would not benefit marshals as the amendment of the 1949 Act did not specifically amend former section 553 of this title. The Acts of Aug. 4, 1955 and Aug. 14, 1961, were unnecessary as the new rate contained in the amendments of the 1949 Act were applicable to marshals by reason of the fact that the 1949 Act had superseded paragraph (3) of former section 553 in which the former rate was set forth.

SECTION 5 OF THE BILL

Section 5 amends title 37, United States Code, by adding a new chapter which codifies the Missing Persons Act, as amended (50 App. U.S.C. 1001 et seq.), as applicable to members of the uniformed services and their dependents. [That portion applicable to civilian officers and employees and their dependents is codified in subchapter VII of chapter 55 (§§ 5561-5568) of title 5.] Throughout the revised chapter, certain general substitutions in terms and phraseology are made to conform to the definitions in, and the style of, title 37. For example: (1) "member" or "member of a uniformed service" for "person"; (2) "active duty" for "active service"; and (3) "Secretary concerned" for "head of the department concerned".

Only that portion of the source law which is applicable to members of the uniformed services and their dependents is codified in this section.

The words "In this chapter" are substituted for "For the purpose of this Act".

In clause (1), the words "with respect to a member of a uniformed service" are inserted for clarity. In clause (1)(A), the word "lawful" is omitted as unnecessary in view of the accepted recognition of the fact that the word "wife" means a lawful wife. In clause (1)(E), the words "Secretary concerned, or his designee" are substituted for "head of the department concerned, or subordinate designated by him" to conform to the definition in 37 U.S.C. 101(5). The words "in the case of any taxable year beginning after December 31, 1940" are omitted as unnecessary.

The words "as defined in section 101(3) and (23) of title 37, United States Code" are omitted as unnecessary since the revised section is codified in title 37. The words "in a missing status" are substituted for "absent from his duty station under the conditions specified in section 2 of the Act" to conform to the definition in revised section 551(3) of this chapter and in view of the provisions of revised section 552 establishing the entitlement of a member in a missing status to receive pay and allowances or have them credited to his account. Reference to "title 26" is substituted for "Internal Revenue Code of 1954".

SECTION 6 OF THE BILL

Section 6 amends chapter 95 of title 39, United States Code, to include a statute which was formerly included in title 5, as follows:

39 U.S.C. § 6216

Derivation:	United States Code	Revised Statutes and Statutes at Large
	5 U.S.C. 389	Mar. 3, 1879, ch. 180, § 6, 20 Stat. 358.

SECTIONS 7 AND 8 OF THE BILL

These sections do not restate existing statutes but contain a statement of legislative purpose in enacting sections 1-6 of this Bill, savings provisions, provisions to assist in interpreting and applying the statutes enacted by this Bill, and repeal provisions.

Subsection (h) of section 7 is included at the suggestion of the Public Health Service and the Coast and Geodetic Survey. The subsection is a special savings provision that provides that sections 1-6 of the Bill apply to commissioned officers of the Public Health Service and commissioned officers of the Coast and Geodetic Survey to the same extent that the laws replaced by those sections applied to these officers immediately before the date of enactment of this Bill. The applicability of various laws, which are being codified in sections 1-6, is stated by references to civilian officers and employees, and certain of these laws have been interpreted by the Public Health Service and

the Coast and Geodetic Survey as being applicable to the commissioned officers thereof. Inasmuch as individuals who are members of the uniformed services are excluded from the terms "officer" and "employee" by reason of the definitions in sections 2104 and 2105 of title 5 as revised, this subsection will insure that no substantive changes are made with respect to the applicability of sections 1-6 to commissioned officers of the Public Health Service and commissioned officers of the Coast and Geodetic Survey.

TABLE I—LAWS INCLUDED

This table shows those sections of the Revised Statutes, Statutes at Large, Reorganization Plans, and United States Code, 1964 ed., which are repealed by this Bill and reenacted as part of this revision, and where they may be found in this revision.

June 5	369	1101 (last 122 words and so much as relates to Administrative Assistant Secretary of Commerce of 2d proviso on p. 121).	66	121	5	245a, 295b, 483-1, 592a-2, 611c, 1116	Superseded. The position of Administrative Assistant Secretary of Commerce, which was created by § 3 of 1950 Reorg. Plan No. 3, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1263, was abolished by the Act of July 2, 1954, ch. 456, title III, § 304, 68 Stat. 430, which repealed § 3. The Act of June 28, 1955, ch. 189, § 12(c)(16), 69 Stat. 182, repealed so much of the proviso as placed the Administrative Assistants in GS-18, but left them subject to the Classification Act. This provision is unnecessary, as their pay is now fixed by § 303(e) of the Act of Aug. 14, 1964, Pub. L. 88-426, 78 Stat. 420. The other persons who were thenceforth to be paid at the rate of GS-18 were those who were entitled, on June 4, 1952, to \$14,000 a year. These were those whose salaries were fixed by the Act of Oct. 15, 1949, ch. 695, § 6(a), 63 Stat. 881. The Act of Oct. 15, 1949, was superseded by the Act of July 31, 1956, ch. 804, title I, 70 Stat. 736, which fixed the salaries of all of these positions which still exist in excess of the rate for GS-18. The Act of July 31, 1956, was superseded by the Act of Aug. 14, 1964, Pub. L. 88-426, 78 Stat. 400.

 2 States, to give full and true answers to such written interrogatories
 3 and cross-interrogatories as may be submitted with the application, or
 4 to be orally examined and cross-examined on the subject of the claim.

5 (b) If a witness, after being served with a subpoena, neglects or
 6 refuses to appear, or, appearing, refuses to testify, the judge of the
 7 district in which the subpoena issued may proceed, on proper process,
 8 to enforce obedience to the subpoena, or to punish for disobedience, in
 9 the same manner as a court of the United States may in case of process
 10 of subpoena ad testificandum issued by the court.

1 **§ 552. Publication of information, rules, opinions, orders, and**
 2 **public records**

3 (a) This section applies, according to the provisions thereof, except
 4 to the extent that there is involved—

5 (1) a function of the United States requiring secrecy in the
 6 public interest; or

7 (2) a matter relating solely to the internal management of an
 8 agency.

9 (b) Each agency shall separately state and currently publish in the
 10 Federal Register—

11 (1) descriptions of its central and field organizations, includ-
 12 ing delegations of final authority by the agency, and the estab-
 13 lished places at which, and methods whereby, the public may
 14 obtain information or make submittals or requests;

15 (2) statements of the general course and method by which its
 16 functions are channeled and determined, including the nature
 17 and requirements of the formal or informal procedures available
 18 and forms and instructions as to the scope and contents of all
 19 papers, reports, or examinations; and

20 (3) substantive rules adopted as authorized by law and state-
 21 ments of general policy or interpretations adopted by the agency
 22 for public guidance, except rules addressed to and served on
 23 named persons in accordance with law.

24 A person may not be required to resort to organization or procedure
 25 not so published.

26 (c) Each agency shall publish or, in accordance with published
 27 rule, make available to public inspection all final opinions or orders
 28 in the adjudication of cases (except those required for good cause to
 29 be held confidential and not cited as precedents) and all rules.

30 (d) Except as otherwise required by statute, matters of official
 31 record shall be made available, in accordance with published rule, to
 32 persons properly and directly concerned, except information held
 33 confidential for good cause found.

34 **§ 553. Rule making**

35 (a) This section applies, according to the provisions thereof, except
 36 to the extent that there is involved—

37 (1) a military or foreign affairs function of the United States;
 38 or

39 (2) a matter relating to agency management or personnel or to
 40 public property, loans, grants, benefits, or contracts.

(b) General notice of proposed rule making shall be published in the Federal Register, unless persons subject thereto are named and either personally served or otherwise have actual notice thereof in accordance with law. The notice shall include—

(1) a statement of the time, place, and nature of public rule making proceedings;

(2) reference to the legal authority under which the rule is proposed; and

(3) either the terms or substance of the proposed rule or a description of the subjects and issues involved.

Except when notice or hearing is required by statute, this subsection does not apply—

(A) to interpretative rules, general statements of policy, or rules of agency organization, procedure, or practice; or

(B) when the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefor in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.

(c) After notice required by this section, the agency shall give interested persons an opportunity to participate in the rule making through submission of written data, views, or arguments with or without opportunity for oral presentation. After consideration of the relevant matter presented, the agency shall incorporate in the rules adopted a concise general statement of their basis and purpose. When rules are required by statute to be made on the record after opportunity for an agency hearing, sections 556 and 557 of this title apply instead of this subsection.

(d) The required publication or service of a substantive rule shall be made not less than 30 days before its effective date, except—

(1) a substantive rule which grants or recognizes an exemption or relieves a restriction;

(2) interpretative rules and statements of policy; or

(3) as otherwise provided by the agency for good cause found and published with the rule.

(e) Each agency shall give an interested person the right to petition for the issuance, amendment, or repeal of a rule.

§ 554. Adjudications

(a) This section applies, according to the provisions thereof, in every case of adjudication required by statute to be determined on the

1 record after opportunity for an agency hearing, except to the extent
2 that there is involved—

3 (1) a matter subject to a subsequent trial of the law and the
4 facts de novo in a court;

5 (2) the selection or tenure of an employee, except a hearing
6 examiner appointed under section 3105 of this title;

7 (3) proceedings in which decisions rest solely on inspections,
8 tests, or elections;

9 (4) the conduct of military or foreign affairs functions;

10 (5) cases in which an agency is acting as an agent for a
11 court; or

12 (6) the certification of worker representatives.

13 (b) Persons entitled to notice of an agency hearing shall be timely
14 informed of—

15 (1) the time, place, and nature of the hearing;

16 (2) the legal authority and jurisdiction under which the hear-
17 ing is to be held; and

18 (3) the matters of fact and law asserted.

19 When private persons are the moving parties, other parties to the
20 proceeding shall give prompt notice of issues controverted in fact or
21 law; and in other instances agencies may by rule require responsive
22 pleading. In fixing the time and place for hearings, due regard shall
23 be had for the convenience and necessity of the parties or their repre-
24 sentatives.

25 (c) The agency shall give all interested parties opportunity for—

26 (1) the submission and consideration of facts, arguments, offers
27 of settlement, or proposals of adjustment when time, the nature
28 of the proceeding, and the public interest permit; and

29 (2) to the extent that the parties are unable so to determine a
30 controversy by consent, hearing and decision on notice and in
31 accordance with sections 556 and 557 of this title.

32 (d) The ~~hearing examiner~~ *employee* who presides at the reception
33 of evidence pursuant to section 556 of this title shall make the recom-
34 mended decision or initial decision required by section 557 of this title,
35 unless he becomes unavailable to the agency. Except to the extent
36 required for the disposition of ex parte matters as authorized by law,
37 ~~a hearing examiner~~ *such an employee* may not—

38 (1) consult a person or party on a fact in issue, unless on notice
39 and opportunity for all parties to participate; or

40 (2) be responsible to or subject to the supervision or direction

1 of an employee or agent engaged in the performance of investiga-
2 tive or prosecuting functions for an agency.

3 An employee or agent engaged in the performance of investigative
4 or prosecuting functions for an agency in a case may not, in that or a
5 factually related case, participate or advise in the decision, recom-
6 mended decision, or agency review pursuant to section 557 of this title,
7 except as witness or counsel in public proceedings. This subsection
8 does not apply—

9 (A) in determining applications for initial licenses;

10 (B) to proceedings involving the validity or application of
11 rates, facilities, or practices of public utilities or carriers; or

12 (C) to the agency or a member or members of the body compris-
13 ing the agency.

14 (e) The agency, with like effect as in the case of other orders, and
15 in its sound discretion, may issue a declaratory order to terminate a
16 controversy or remove uncertainty.

17 **§ 555. Ancillary matters**

18 (a) This section applies, according to the provisions thereof, except
19 as otherwise provided by this subchapter.

20 (b) A person compelled to appear in person before an agency or
21 representative thereof is entitled to be accompanied, represented, and
22 advised by counsel or, if permitted by the agency, by other qualified
23 representative. A party is entitled to appear in person or by or with
24 counsel or other duly qualified representative in an agency proceeding.
25 So far as the orderly conduct of public business permits, an interested
26 person may appear before an agency or its responsible employees for
27 the presentation, adjustment, or determination of an issue, request, or
28 controversy in a proceeding, whether interlocutory, summary, or
29 otherwise, or in connection with an agency function. With due regard
30 for the convenience and necessity of the parties or their representatives
31 and within a reasonable time, each agency shall proceed to conclude a
32 matter presented to it. This subsection does not grant or deny a
33 person who is not a lawyer the right to appear for or represent others
34 before an agency or in an agency proceeding.

35 (c) Process, requirement of a report, inspection, or other investi-
36 gative act or demand may not be issued, made, or enforced except as
37 authorized by law. A person compelled to submit data or evidence is
38 entitled to retain or, on payment of lawfully prescribed costs, procure
39 a copy or transcript thereof, except that in a nonpublic investigatory

1 proceeding the witness may for good cause be limited to inspection of
2 the official transcript of his testimony.

3 (d) Agency subpoenas authorized by law shall be issued to a party
4 on request and, when required by rules of procedure, on a statement or
5 showing of general relevance and reasonable scope of the evidence
6 sought. On contest, the court shall sustain the subpoena or similar
7 process or demand to the extent that it is found to be in accordance
8 with law. In a proceeding for enforcement, the court shall issue an
9 order requiring the appearance of the witness or the production of the
10 evidence or data within a reasonable time under penalty of punish-
11 ment for contempt in case of contumacious failure to comply.

12 (e) Prompt notice shall be given of the denial in whole or in part of
13 a written application, petition, or other request of an interested person
14 made in connection with any agency proceeding. Except in affirming
15 a prior denial or when the denial is self-explanatory, the notice shall
16 be accompanied by a brief statement of the grounds for denial.

17 **§ 556. Hearings; presiding employees; powers and duties; burden**
18 **of proof; evidence; record as basis of decision**

19 (a) This section applies, according to the provisions thereof, to
20 hearings required by section 553 or 554 of this title to be conducted in
21 accordance with this section.

22 (b) There shall preside at the taking of evidence—

23 (1) the agency;

24 (2) one or more members of the body which comprises the
25 agency; or

26 (3) one or more hearing examiners appointed under section
27 3105 of this title.

28 This subchapter does not supersede the conduct of specified classes of
29 proceedings, in whole or in part, by or before boards or other em-
30 ployees specially provided for by or designated under statute. The
31 functions of presiding employees and of employees participating in
32 decisions in accordance with section 557 of this title shall be conducted
33 in an impartial manner. A presiding or participating employee may at
34 any time disqualify himself. On the filing in good faith of a timely
35 and sufficient affidavit of personal bias or other disqualification of a
36 presiding or participating employee, the agency shall determine the
37 matter as a part of the record and decision in the case.

38 (c) Subject to published rules of the agency and within its powers,
39 employees presiding at hearings may—

40 (1) administer oaths and affirmations;

- (2) issue subpoenas authorized by law;
- (3) rule on offers of proof and receive relevant evidence;
- (4) take depositions or have depositions taken when the ends of justice would be served;
- (5) regulate the course of the hearing;
- (6) hold conferences for the settlement or simplification of the issues by consent of the parties;
- (7) dispose of procedural requests or similar matters;
- (8) make or recommend decisions in accordance with section 557 of this title; and
- (9) take other action authorized by agency rule consistent with this subchapter.

(d) Except as otherwise provided by statute, the proponent of a rule or order has the burden of proof. Any oral or documentary evidence may be received, but the agency as a matter of policy shall provide for the exclusion of irrelevant, immaterial, or unduly repetitious evidence. A sanction may not be imposed or rule or order issued except on consideration of the whole record or those parts thereof cited by a party and supported by and in accordance with the reliable, probative, and substantial evidence. A party is entitled to present his case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. In rule making or determining claims for money or benefits or applications for initial licenses an agency may, when a party will not be prejudiced thereby, adopt procedures for the submission of all or part of the evidence in written form.

(e) The transcript of testimony and exhibits, together with all papers and requests filed in the proceeding, constitutes the exclusive record for decision in accordance with section 557 of this title and, on payment of lawfully prescribed costs, shall be made available to the parties. When an agency decision rests on official notice of a material fact not appearing in the evidence in the record, a party is entitled, on timely request, to an opportunity to show the contrary.

§ 557. Initial decisions; conclusiveness; review by agency; submissions by parties; contents of decisions; record

(a) This section applies, according to the provisions thereof, when a hearing is required to be conducted in accordance with section 556 of this title.

(b) When the agency did not preside at the reception of the evidence,

1 the presiding employee or, in cases not subject to section 554(d) of
 2 this title, an employee qualified to preside at hearings pursuant to
 3 section 556 of this title, shall initially decide the case unless the agency
 4 requires, either in specific cases or by general rule, the entire record to
 5 be certified to it for decision. When the presiding employee makes
 6 an initial decision, that decision then becomes the decision of the agency
 7 without further proceedings unless there is an appeal to, or review on
 8 motion of, the agency within time provided by rule. On appeal from
 9 or review of the initial decision, the agency has all the powers which
 10 it would have in making the initial decision except as it may limit the
 11 issues on notice or by rule. When the agency makes the decision with-
 12 out having presided at the reception of the evidence, the presiding
 13 employee or an employee qualified to preside at hearings pursuant to
 14 section 556 of this title shall first recommend a decision, except that in
 15 rule making or determining applications for initial licenses—

16 (1) instead thereof the agency may issue a tentative decision
 17 or one of its responsible employees may recommend a decision; or

18 (2) this procedure may be omitted in a case in which the agency
 19 finds on the record that due and timely execution of its functions
 20 imperatively and unavoidably so requires.

21 (c) Before a recommended, initial, or tentative decision, or a deci-
 22 sion on agency review of the decision of subordinate employees, the
 23 parties are entitled to a reasonable opportunity to submit for the con-
 24 sideration of the employees participating in the decisions—

25 (1) proposed findings and conclusions; or

26 (2) exceptions to the decisions or recommended decisions of
 27 subordinate employees or to tentative agency decisions; and

28 (3) supporting reasons for the exceptions or proposed findings
 29 or conclusions.

30 The record shall show the ruling on each finding, conclusion, or excep-
 31 tion presented. All decisions, including initial, recommended, and
 32 tentative decisions, are a part of the record and shall include a state-
 33 ment of—

34 (A) findings and conclusions, and the reasons or basis therefor,
 35 on all the material issues of fact, law, or discretion presented on
 36 the record; and

37 (B) the appropriate rule, order, sanction, relief, or denial
 38 thereof.

§ 558. Imposition of sanctions; determination of applications for licenses; suspension, revocation, and expiration of licenses

(a) This section applies, according to the provisions thereof, to the exercise of a power or authority.

(b) A sanction may not be imposed or a substantive rule or order issued except within jurisdiction delegated to the agency and as authorized by law.

(c) When application is made for a license required by law, the agency, with due regard for the rights and privileges of all the interested parties or adversely affected persons and within a reasonable time, shall set and complete proceedings required to be conducted in accordance with sections 556 and 557 of this title or other proceedings required by law and shall make its decision. Except in cases of willfulness or those in which public health, interest, or safety requires otherwise, the withdrawal, suspension, revocation, or annulment of a license is lawful only if, before the institution of agency proceedings therefor, the licensee has been given—

(1) notice by the agency in writing of the facts or conduct which may warrant the action; and

(2) opportunity to demonstrate or achieve compliance with all lawful requirements.

When the licensee has made timely and sufficient application for a renewal or a new license in accordance with agency rules, a license with reference to an activity of a continuing nature does not expire until the application has been finally determined by the agency.

§ 559. Effect on other laws; effect of subsequent statute

This subchapter, chapter 7, and sections 1305, 3105, 3344, 4301(2) (E), 5362, and 7521, and the provisions of section 5335(a) (B) of this title that relate to hearing examiners, do not limit or repeal additional requirements imposed by statute or otherwise recognized by law. Except as otherwise required by law, requirements or privileges relating to evidence or procedure apply equally to agencies and persons. Each agency is granted the authority necessary to comply with the requirements of this subchapter through the issuance of rules or otherwise. Subsequent statute may not be held to supersede or modify this subchapter, chapter 7, sections 1305, 3105, 3344, 4301(2) (E), 5362, or

1 7521, or the provisions of section 5335(a) (B) of this title that relate
2 to hearing examiners, except to the extent that it does so expressly.

3 SUBCHAPTER III—ADMINISTRATIVE CONFERENCE 4 OF THE UNITED STATES

5 § 571. Purpose

6 It is the purpose of this subchapter to provide suitable arrangements
7 through which Federal agencies, assisted by outside experts, may
8 cooperatively study mutual problems, exchange information, and
9 develop recommendations for action by proper authorities to the end
10 that private rights may be fully protected and regulatory activities
11 and other Federal responsibilities may be carried out expeditiously in
12 the public interest.

13 § 572. Definitions

14 For the purpose of this subchapter—

15 (1) “administrative program” includes a Federal function
16 which involves protection of the public interest and the deter-
17 mination of rights, privileges, and obligations of private persons
18 through rule making, adjudication, licensing, or investigation, as
19 those terms are used in subchapter II of this chapter, except that
20 it does not include a military or foreign affairs function of the
21 United States;

22 (2) “administrative agency” means an authority as defined by
23 section 551(1) of this title; and

24 (3) “administrative procedure” means procedure used in carry-
25 ing out an administrative program and is to be broadly construed
26 to include any aspect of agency organization, procedure, or man-
27 agement which may affect the equitable consideration of public
28 and private interests, the fairness of agency decisions, the speed
29 of agency action, and the relationship of operating methods to
30 later judicial review, but does not include the scope of agency re-
31 sponsibility as established by law or matters of substantive policy
32 committed by law to agency discretion.

33 § 573. Administrative Conference of the United States

34 (a) The Administrative Conference of the United States consists of
35 not more than 91 nor less than 75 members appointed as set forth in
36 subsection (b) of this section.

37 (b) The Conference is composed of—

38 (1) a full-time Chairman appointed for a 5-year term by the
39 President, by and with the advice and consent of the Senate. The
40 Chairman is entitled to pay at the highest rate established by

1 statute for the chairman of an independent regulatory board or
2 commission, and may continue to serve until his successor is ap-
3 pointed and has qualified;

4 (2) the chairman of each independent regulatory board or
5 commission or an individual designated by the board or commis-
6 sion;

7 (3) the head of each Executive department or other adminis-
8 trative agency which is designated by the President, or an indi-
9 vidual designated by the head of the department or agency;

10 (4) when authorized by the Council referred to in section 575
11 (b) of this title, one or more appointees from a board, commission,
12 department, or agency referred to in this subsection, designated
13 by the head thereof with, in the case of a board or commission, the
14 approval of the board or commission;

15 (5) individuals appointed by the President to membership on
16 the Council who are not otherwise members of the Conference;
17 and

18 (6) not more than 36 other members appointed by the Chair-
19 man, with the approval of the Council, for terms of 2 years, except
20 that the number of members appointed by the Chairman may at
21 no time be less than one-third nor more than two-fifths of the
22 total number of members. The Chairman shall select the mem-
23 bers in a manner which will provide broad representation of the
24 views of private citizens and utilize diverse experience. The mem-
25 bers shall be members of the practicing bar, scholars in the field
26 of administrative law or government, or others specially informed
27 by knowledge and experience with respect to Federal administra-
28 tive procedure.

29 (c) Members of the Conference, except the Chairman, are not
30 entitled to pay for service. Members appointed from outside the Fed-
31 eral Government are entitled to travel expenses, including per diem
32 instead of subsistence, as authorized by section 5703 of this title for
33 individuals serving without pay.

34 § 574. Powers and duties of the Conference

35 To carry out the purpose of this subchapter, the Administrative
36 Conference of the United States may—

37 (1) study the efficiency, adequacy, and fairness of the adminis-
38 trative procedure used by administrative agencies in carrying
39 out administrative programs, and make recommendations to ad-

1 ministrative agencies, collectively or individually, and to the
 2 President, Congress, or the Judicial Conference of the United
 3 ~~States~~ *States*, in connection therewith, as it considers appropriate;

4 (2) arrange for interchange among administrative agencies of
 5 information potentially useful in improving administrative pro-
 6 cedure; and

7 (3) collect information and statistics from administrative
 8 agencies and publish such reports as it considers useful for evalu-
 9 ating and improving administrative procedure.

10 § 575. Organization of the Conference

11 (a) The membership of the Administrative Conference of the
 12 United States meeting in plenary session constitutes the Assembly of
 13 the Conference. The Assembly has ultimate authority over all activi-
 14 ties of the Conference. Specifically, it has the power to—

15 (1) adopt such recommendations as it considers appropriate for
 16 improving administrative procedure. A member who disagrees
 17 with a recommendation adopted by the Assembly is entitled to
 18 enter a dissenting opinion and an alternate proposal in the record
 19 of the Conference proceedings, and the opinion and proposal so
 20 entered shall accompany the Conference recommendation in a
 21 publication or distribution thereof; and

22 (2) adopt bylaws and regulations not inconsistent with this
 23 subchapter for carrying out the functions of the Conference, in-
 24 cluding the creation of such committees as it considers necessary
 25 for the conduct of studies and the development of recommendations
 26 for consideration by the Assembly.

27 (b) The Conference includes a Council composed of the Chairman
 28 of the Conference, who is Chairman of the Council, and 10 other
 29 members appointed by the President, of whom not more than one-half
 30 shall be employees of Federal regulatory agencies or Executive de-
 31 partments. The President may designate a member of the Council as
 32 Vice Chairman. During the absence or incapacity of the Chairman,
 33 or when that office is vacant, the Vice Chairman shall serve as Chair-
 34 man. The term of each member, except the Chairman, is 3 years.
 35 When the term of a member ends, he may continue to serve until a
 36 successor is appointed. However, the service of any member ends when
 37 a change in his employment status would make him ineligible for
 38 Council membership under the conditions of his original appoint-
 39 ment. The Council has the power to—

40 (1) determine the time and place of plenary sessions of the

Conference and the agenda for the sessions. The Council shall call at least one plenary session each year;

(2) propose bylaws and regulations, including rules of procedure and committee organization, for adoption by the Assembly;

(3) make recommendations to the Conference or its committees on a subject germane to the purpose of the Conference;

(4) receive and consider reports and recommendations of committees of the Conference and send them to members of the Conference with the views and recommendations of the Council;

(5) designate a member of the Council to preside at meetings of the Council in the absence or incapacity of the Chairman and Vice Chairman;

(6) designate such additional officers of the Conference as it considers desirable;

(7) approve or revise the budgetary proposals of the Chairman; and

(8) exercise such other powers as may be delegated to it by the Assembly.

(c) The Chairman is the chief executive of the Conference. In that capacity he has the power to—

(1) make inquiries into matters he considers important for Conference consideration, including matters proposed by individuals inside or outside the Federal Government;

(2) be the official spokesman for the Conference in relations with the several branches and agencies of the Federal Government and with interested organizations and individuals outside the Government, including responsibility for encouraging Federal agencies to carry out the recommendations of the Conference;

(3) request agency heads to provide information needed by the Conference, which information shall be supplied to the extent permitted by law;

(4) recommend to the Council appropriate subjects for action by the Conference;

(5) appoint, with the approval of the Council, members of committees authorized by the bylaws and regulations of the Conference;

(6) prepare, for approval of the Council, estimates of the budgetary requirements of the Conference;

1 (7) appoint and fix the pay of employees, define their duties
2 and responsibilities, and direct and supervise their activities;

3 (8) rent office space in the District of Columbia;

4 (9) provide necessary services for the Assembly, the Council,
5 and the committees of the Conference;

6 (10) organize and direct studies ordered by the Assembly or
7 the Council, using from time to time, as appropriate, experts
8 and consultants who may be employed under section 3109 of this
9 title, but at rates for individuals not in excess of \$100 a day;

10 (11) on request of the head of an agency, furnish assistance
11 and advice on matters of administrative procedure; and

12 (12) exercise such additional authority as the Council or As-
13 sembly delegates to him.

14 The Chairman shall preside at meetings of the Council and at each
15 plenary session of the Conference, to which he shall make a full report
16 concerning the affairs of the Conference since the last preceding
17 plenary session. The Chairman, on behalf of the Conference, shall
18 transmit to the President and Congress an annual report and such
19 interim reports as he considers desirable.

20 § 576. Appropriations

21 There are authorized to be appropriated sums necessary, not in
22 excess of \$250,000, to carry out the purpose of this subchapter.

701. Application; definitions.

702. Right of review.

703. Form and venue of proceeding.

704. Actions reviewable.

705. Relief pending review.

706. Scope of review.

24 § 701. Application; definitions

25 (a) This chapter applies, according to the provisions thereof, ex-
26 cept to the extent that—

27 (1) statutes preclude judicial review; or

28 (2) agency action is committed to agency discretion by law.

29 (b) For the purpose of this chapter—

30 (1) “agency” means each authority of the Government of the
31 United States, whether or not it is within or subject to review
32 by another agency, but does not include—

33 (A) the Congress;

34 (B) the courts of the United States;

35 (C) the governments of the territories or possessions of
36 the United States;

(D) the government of the District of Columbia;

(E) agencies composed of representatives of the parties or of representatives of organizations of the parties to the disputes determined by them;

(F) courts martial and military commissions;

(G) military authority exercised in the field in time of war or in occupied territory; or

(H) functions conferred by sections 1738, 1739, 1743, and 1744 of title 12; chapter 2 of title 41; or sections 1622, ~~1641~~ ~~(b)(2)~~, ~~1881~~, and ~~1891~~, ~~1902~~, ~~1884~~, ~~1891-1902~~, and former section 1641(b)(2), of title 50, appendix; and

(2) “person”, “rule”, “order”, “license”, “sanction”, “relief”, and “agency action” have the meanings given them by section 551 of this title.

§ 702. Right of review

A person suffering legal wrong because of agency action, or adversely affected or aggrieved by agency action within the meaning of a relevant statute, is entitled to judicial review thereof.

§ 703. Form and venue of proceeding

The form of proceeding for judicial review is the special statutory review proceeding relevant to the subject matter in a court specified by statute or, in the absence or inadequacy thereof, any applicable form of legal action, including actions for declaratory judgments or writs of prohibitory or mandatory injunction or habeas corpus, in a court of competent jurisdiction. Except to the extent that prior, adequate, and exclusive opportunity for judicial review is provided by law, agency action is subject to judicial review in civil or criminal proceedings for judicial enforcement.

§ 704. Actions reviewable

Agency action made reviewable by statute and final agency action for which there is no other adequate remedy in a court are subject to judicial review. A preliminary, procedural, or intermediate agency action or ruling not directly reviewable is subject to review on the review of the final agency action. Except as otherwise expressly required by statute, agency action otherwise final is final for the purposes of this section whether or not there has been presented or determined an application for a declaratory order, for any form of reconsideration, or, unless the agency otherwise requires by rule and provides that the action meanwhile is inoperative, for an appeal to superior agency authority.

1 **§ 705. Relief pending review**

2 When an agency finds that justice so requires, it may postpone the
3 effective date of action taken by it, pending judicial review. On such
4 conditions as may be required and to the extent necessary to prevent
5 irreparable injury, the reviewing court, including the court to which
6 a case may be taken on appeal from or on application for certiorari or
7 other writ to a reviewing court, may issue all necessary and appropri-
8 ate process to postpone the effective date of an agency action or to
9 preserve status or rights pending conclusion of the review proceedings.

10 **§ 706. Scope of review**

11 To the extent necessary to decision and when presented, the review-
12 ing court shall decide all relevant questions of law, interpret constitu-
13 tional and statutory provisions, and determine the meaning or appli-
14 cability of the terms of an agency action. The reviewing court shall—

15 (1) compel agency action unlawfully withheld or unreasonably
16 delayed; and

17 (2) hold unlawful and set aside agency action, findings, and
18 conclusions found to be—

19 (A) arbitrary, capricious, an abuse of discretion, or other-
20 wise not in accordance with law;

21 (B) contrary to constitutional right, power, privilege, or
22 immunity;

23 (C) in excess of statutory jurisdiction, authority, or limi-
24 tations, or short of statutory right;

25 (D) without observance of procedure required by law;

26 (E) unsupported by substantial evidence in a case subject
27 to sections 556 and 557 of this title or otherwise reviewed on
28 the record of an agency hearing provided by statute; or

29 (F) unwarranted by the facts to the extent that the facts
30 are subject to trial de novo by the reviewing court.

31 In making the foregoing determinations, the court shall review the
32 whole record or those parts of it cited by a party, and due account
33 shall be taken of the rule of prejudicial error.

11 **§ 904. Additional contents of reorganization plans**

12 *A reorganization plan transmitted by the President under section*
 13 *903 of this title—*

14 *(1) may change, in such cases as the President considers neces-*

 39 *the President considers necessary by reason of the reorganization*
 40 *for use in connection with the functions affected by the reorganiza-*

tion, or for the use of the agency which shall have the functions after the reorganization plan is effective. However, the unexpended balances so transferred may be used only for the purposes for which the appropriation was originally made; and

(5) shall provide for terminating the affairs of an agency abolished.

§ 905. Limitations on powers

(a) A reorganization plan may not provide for, and a reorganization under this chapter may not have the effect of—

(1) creating a new Executive department, abolishing or transferring an Executive department or all the functions thereof, or consolidating two or more Executive departments or all the functions thereof;

(2) continuing an agency beyond the period authorized by law for its existence or beyond the time when it would have terminated if the reorganization had not been made;

(3) continuing a function beyond the period authorized by law for its exercise or beyond the time when it would have terminated if the reorganization had not been made;

(4) authorizing an agency to exercise a function which is not expressly authorized by law at the time the plan is transmitted to Congress;

(5) increasing the term of an office beyond that provided by law for the office; or

(6) transferring to or consolidating with another agency the government of the District of Columbia or all the functions thereof which are subject to this chapter, or abolishing that government or all those functions.

(b) A provision contained in a reorganization plan may take effect only if the plan is transmitted to Congress before December 31, 1968.

§ 906. Effective date and publication of reorganization plans

(a) Except as otherwise provided under subsection (c) of this section, a reorganization plan is effective at the end of the first period of 60 calendar days of continuous session of Congress after the date on which the plan is transmitted to it unless, between the date of transmittal and the end of the 60-day period, either House passes a resolution stating in substance that that House does not favor the reorganization plan.

(b) *For the purpose of subsection (a) of this section—*

(1) *continuity of session is broken only by an adjournment of Congress sine die; and*

(2) *the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.*

(c) *Under provisions contained in a reorganization plan, a provision of the plan may be effective at a time later than the date on which the plan otherwise is effective.*

(d) *A reorganization plan which is effective shall be printed (1) in the Statutes at Large in the same volume as the public laws and (2) in the Federal Register.*

§ 907. Effect on other laws, pending legal proceedings, and unexpended appropriations

(a) *A statute enacted, and a regulation or other action made, prescribed, issued, granted, or performed in respect of or by an agency or function affected by a reorganization under this chapter, before the effective date of the reorganization, has, except to the extent rescinded, modified, superseded, or made inapplicable by or under authority of law or by the abolition of a function, the same effect as if the reorganization had not been made. However, if the statute, regulation, or other action has vested the functions in the agency from which it is removed under the reorganization plan, the function, insofar as it is to be exercised after the plan becomes effective, shall be deemed as vested in the agency under which the function is placed by the plan.*

(b) *For the purpose of subsection (a) of this section, “regulation or other action” means a regulation, rule, order, policy, determination, directive, authorization, permit, privilege, requirement, designation, or other action.*

(c) *A suit, action, or other proceeding lawfully commenced by or against the head of an agency or other officer of the United States, in his official capacity or in relation to the discharge of his official duties, does not abate by reason of the taking effect of a reorganization plan under this chapter. On motion or supplemental petition filed at any time within 12 months after the reorganization plan takes effect, showing a necessity for a survival of the suit, action, or other proceeding to obtain a settlement of the questions involved, the court*

1 *may allow the suit, action, or other proceeding to be maintained by*
 2 *or against the successor of the head or officer under the reorganiza-*
 3 *tion effected by the plan or, if there is no successor, against such agency*
 4 *or officer as the President designates.*

5 (d) *The appropriations or portions of appropriations unexpended*
 6 *by reason of the operation of this chapter may not be used for any*
 7 *purpose, but shall revert to the Treasury.*

8 **§ 908. Rules of Senate and House of Representatives on reorga-**
 9 **nization plans**

10 *Sections 909–913 of this title are enacted by Congress—*

11 (1) *as an exercise of the rule-making power of the Senate and*
 12 *the House of Representatives, respectively, and as such they are*
 13 *deemed a part of the rules of each House, respectively, but appli-*
 14 *cable only with respect to the procedure to be followed in that*
 15 *House in the case of resolutions described by section 909 of this*
 16 *title; and they supersede other rules only to the extent that they*
 17 *are inconsistent therewith; and*

18 (2) *with full recognition of the constitutional right of either*
 19 *House to change the rules (so far as relating to the procedure of*
 20 *that House) at any time, in the same manner and to the same*
 21 *extent as in the case of any other rule of that House.*

22 **§ 909. Terms of resolution**

23 *For the purpose of sections 908–913 of this title, “resolution” means*
 24 *only a resolution of either House of Congress, the matter after the*
 25 *resolving clause of which is as follows: “That the —— does not favor*
 26 *the reorganization plan numbered —— transmitted to Congress by*
 27 *the President on ——, 19——.”, the first blank space therein being*
 28 *filled with the name of the resolving House and the other blank spaces*
 29 *therein being appropriately filled; but does not include a resolution*
 30 *which specifies more than one reorganization plan.*

31 **§ 910. Reference of resolution to committee**

32 *A resolution with respect to a reorganization plan shall be referred*
 33 *to a committee (and all resolutions with respect to the same plan shall*
 34 *be referred to the same committee) by the President of the Senate or*
 35 *the Speaker of the House of Representatives, as the case may be.*

36 **§ 911. Discharge of committee considering resolution**

37 (a) *If the committee to which a resolution with respect to a reorga-*
 38 *nization plan has been referred has not reported it at the end of 10*
 39 *calendar days after its introduction, it is in order to move either to*
 40 *discharge the committee from further consideration of the resolution*

1 *or to discharge the committee from further consideration of any other*
 2 *resolution with respect to the reorganization plan which has been*
 3 *referred to the committee.*

4 (b) *A motion to discharge may be made only by an individual*
 5 *favoring the resolution, is highly privileged (except that it may not be*
 6 *made after the committee has reported a resolution with respect to the*
 7 *same reorganization plan), and debate thereon shall be limited to not*
 8 *more than 1 hour, to be divided equally between those favoring and*
 9 *those opposing the resolution. An amendment to the motion is not in*
 10 *order, and it is not in order to move to reconsider the vote by which*
 11 *the motion is agreed to or disagreed to.*

12 (c) *If the motion to discharge is agreed to or disagreed to, the mo-*
 13 *tion may not be renewed, nor may another motion to discharge the*
 14 *committee be made with respect to any other resolution with respect*
 15 *to the same reorganization plan.*

16 **§ 912. Procedure after report or discharge of committee; debate**

17 (a) *When the committee has reported, or has been discharged from*
 18 *further consideration of, a resolution with respect to a reorganization*
 19 *plan, it is at any time thereafter in order (even though a previous*
 20 *motion to the same effect has been disagreed to) to move to proceed*
 21 *to the consideration of the resolution. The motion is highly privileged*
 22 *and is not debatable. An amendment to the motion is not in order,*
 23 *and it is not in order to move to reconsider the vote by which the motion*
 24 *is agreed to or disagreed to.*

25 (b) *Debate on the resolution shall be limited to not more than 10*
 26 *hours, which shall be divided equally between those favoring and*
 27 *those opposing the resolution. A motion further to limit debate is*
 28 *not debatable. An amendment to, or motion to recommit, the resolu-*
 29 *tion is not in order, and it is not in order to move to reconsider the*
 30 *vote by which the resolution is agreed to or disagreed to.*

31 **§ 913. Decisions without debate on motion to postpone or proceed**

32 (a) *Motions to postpone, made with respect to the discharge from*
 33 *committee, or the consideration of, a resolution with respect to a*
 34 *reorganization plan, and motions to proceed to the consideration of*
 35 *other business, shall be decided without debate.*

36 (b) *Appeals from the decisions of the Chair relating to the appli-*
 37 *cation of the rules of the Senate or the House of Representatives, as*
 38 *the case may be, to the procedure relating to a resolution with respect*
 39 *to a reorganization plan shall be decided without debate.*

The Civil Service Commission shall aid the President, as he may request, in preparing the rules he prescribes under this title for the administration of the competitive service.

§ 1302. Regulations

(a) The Civil Service Commission, subject to the rules prescribed by the President under this title for the administration of the competitive service, shall prescribe regulations for, control, supervise, and preserve the records of, examinations for the competitive service.

(b) The Commission shall prescribe and enforce regulations for the administration of the provisions of this title, and Executive orders issued in furtherance thereof, that implement the Congressional policy that preference shall be given to preference eligibles in certification for appointment, and in appointment, reinstatement, reemployment, and retention, in the competitive service in Executive agencies, permanent or temporary, and in the government of the District of Columbia.

(c) The Commission shall prescribe regulations for the administration of the provisions of this title that implement the Congressional policy that preference shall be given to preference eligibles in certification for appointment, and in appointment, reinstatement, reemployment, and retention, in the excepted service in Executive agencies, permanent or temporary, and in the government of the District of Columbia.

(d) The Commission may prescribe reasonable procedure and regulations for the administration of its functions under chapter 15 of this title.

1 **§ 1303. Investigations; reports**

2 The Civil Service Commission may investigate and report on matters
3 concerning—

4 (1) the enforcement and effect of the rules prescribed by the
5 President under this title for the administration of the competi-
6 tive service and the regulations prescribed by the Commission
7 under section 1302(a) of this title; and

8 (2) the action of an examiner, a board of examiners, and other
9 employees concerning the execution of the provisions of this title
10 that relate to the administration of the competitive service.

11 **§ 1304. Loyalty investigations; reports; revolving fund**

12 (a) The Civil Service Commission shall conduct the investigations
13 and issue the reports required by the following statutes—

14 (1) sections 272b, 281b(e), 290a, and 1434 of title 22;

15 (2) section 1874(c) of title 42; and

16 (3) section 1203(e) of title 6, District of Columbia Code.

17 (b) When an investigation under subsection (a) of this section
18 develops data indicating that the loyalty of the individual being
19 investigated is questionable, the Commission shall refer the matter
20 to the Federal Bureau of Investigation for a full field investigation,
21 a report of which shall be furnished to the Commission for its informa-
22 tion and appropriate action.

23 (c) When the President considers it in the national interest, he may
24 have the investigations of a group or class, which are required by sub-
25 section (a) of this section, made by the Federal Bureau of Investiga-
26 tion rather than the Commission.

27 (d) The investigation and report required by subsection (a) of this
28 section shall be made by the Federal Bureau of Investigation rather
29 than the Commission for those specific positions which the Secretary

32 without fiscal year limitation for financing investigations, the costs

35 from available funds of agencies for investigations made for them at
36 rates estimated by the Commission to be adequate to recover expenses
37 of operation, including provision for accrued annual leave and depre-
38 ciation of equipment purchased by the fund. Any surplus accruing to
39 the fund in a fiscal year may be applied to restore any impairment of
40 the capital of the fund because of variations between the rates charged

1 for work or services and the amount later determined by the Com-
 2 mission to be the cost of performing the work or service. Any surplus
 3 remaining shall be paid into the general fund of the Treasury of the
 4 United States as miscellaneous receipts during the following fiscal
 5 year.

6 (f) An agency may use available appropriations to reimburse the
 7 Commission or the Federal Bureau of Investigation for the cost of
 8 investigations made for them under this section, or to make advances
 9 toward their cost. These advances and reimbursements shall be
 10 credited directly to the applicable appropriations of the Commission
 11 or the Federal Bureau of Investigation.

12 (g) This section does not affect the responsibility of the Federal
 13 Bureau of Investigation to investigate espionage, sabotage, or sub-
 14 versive acts.

15 **§ 1305. Hearing examiners**

16 For the purpose of sections 3105, 3344, 4301(2) (E), 5362, and 7521
 17 and the provisions of section 5335(a) (B) of this title that relate to
 18 hearing examiners, the Civil Service Commission may investigate, re-
 19 quire reports by agencies, issue reports, including an annual report to
 20 Congress, prescribe regulations, appoint advisory committees as nec-
 21 essary, recommend legislation, subpoena witnesses and records, and pay

 34 tion of the competitive service, the rules and regulations and
 35 exceptions thereto in force, the reasons for exceptions to the rules,

7 action was taken, and the penalty imposed; and

8 (4) a statement, in the form determined by the Commission
9 with the approval of the President, on the training of employees
10 under chapter 41 of this title, including—

12 and results of the training programs and plans of the
13 agencies;

15 sion from the agencies under section 4113(b) of this title; and

(B) an individual employed by an educational or research institution, establishment, agency, or system which is supported in whole or in part by a State or political subdivision thereof, or by a recognized religious, philanthropic, or cultural organization; and

(5) the phrase “an active part in political management or in political campaigns” means those acts of political management or political campaigning which were prohibited on the part of employees in the competitive service before July 19, 1940, by determinations of the Civil Service Commission under the rules prescribed by the President.

§ 1502. Influencing elections; taking part in political campaigns; prohibitions; exceptions

(a) A State or local officer or employee may not—

(1) use his official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office;

(2) directly or indirectly coerce, attempt to coerce, command, or advise a State or local officer or employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes; or

1 (3) take an active part in political management or in political
2 campaigns.

3 (b) A State or local officer or employee retains the right to vote as

7 (1) the Governor or Lieutenant Governor of a State or an
8 individual authorized by law to act as Governor;

9 (2) the mayor of a city;

10 (3) a duly elected head of an executive department of a State
11 or municipality who is not classified under a State or municipal
12 merit or civil-service system; or

13 (4) an individual holding elective office.

14 **§ 1503. Nonpartisan political activity permitted**

15 Section 1502(a)(3) of this title does not prohibit political activity
16 in connection with—

17 (1) an election and the preceding campaign if none of the
18 candidates is to be nominated or elected at that election as rep-
19 resenting a party any of whose candidates for presidential elector
20 received votes in the last preceding election at which presidential
21 electors were selected; or

22 (2) a question which is not specifically identified with a Na-
23 tional or State political party.

24 For the purpose of this section, questions relating to constitutional
25 amendments, referendums, approval of municipal ordinances, and
26 others of a similar character, are deemed not specifically identified
27 with a National or State political party.

28 **§ 1504. Investigations; notice of hearing**

29 When a Federal agency charged with the duty of making a loan or
30 grant of funds of the United States for use in an activity by a State or
31 local officer or employee has reason to believe that the officer or em-
32 ployee has violated section 1502 of this title, it shall report the matter
33 to the Civil Service Commission. On receipt of the report, or on
34 receipt of other information which seems to the Commission to warrant
35 an investigation, the Commission shall—

36 (1) fix a time and place for a hearing; and

37 (2) send, by registered or certified mail, to the officer or em-
38 ployee charged with the violation and to the State or local agency
39 employing him a notice setting forth a summary of the alleged
40 violation and giving the time and place of the hearing.

1 The hearing may not be held earlier than 10 days after the mailing of
2 the notice.

3 **§ 1505. Hearings; adjudications; notice of determinations**

4 Either the State or local officer or employee or the State or local
5 agency employing him, or both, are entitled to appear with counsel at
6 the hearing under section 1504 of this title, and be heard. After this
7 hearing, the Civil Service Commission shall—

8 (1) determine whether a violation of section 1502 of this title
9 has occurred;

10 (2) determine whether the violation warrants the removal of
11 the officer or employee from his office or employment; and

12 (3) notify the officer or employee and the agency of the deter-
13 mination by registered or certified mail.

14 **§ 1506. Orders; withholding loans or grants; limitations**

15 (a) When the Civil Service Commission finds—

16 (1) that a State or local officer or employee has not been re-
17 moved from his office or employment within 30 days after notice
18 of a determination by the Commission that he has violated section
19 1502 of this title and that the violation warrants removal; or

20 (2) that the State or local officer or employee has been removed
21 and has been appointed within 18 months after his removal to an
22 office or employment in the same State in a State or local agency
23 which does not receive loans or grants from a Federal agency;

24 the Commission shall make and certify to the appropriate Federal
25 agency an order requiring that agency to withhold from its loans or
26 grants to the State or local agency to which notice was given an
27 amount equal to 2 years' pay at the rate the officer or employee was
28 receiving at the time of the violation. When the State or local agency
29 to which appointment within 18 months after removal has been made
30 is one that receives loans or grants from a Federal agency, the Com-
31 mission order shall direct that the withholding be made from that
32 State or local agency.

33 (b) Notice of the order shall be sent by registered or certified mail
34 to the State or local agency from which the amount is ordered to be
35 withheld. After the order becomes final, the Federal agency to which
36 the order is certified shall withhold the amount in accordance with
37 the terms of the order. Except as provided by section 1508 of this
38 title, a determination or order of the Commission becomes final at the
39 end of 30 days after mailing the notice of the determination or order.

40 (c) The Commission may not require an amount to be withheld

1 from a loan or grant pledged by a State or local agency as security for
2 its bonds or notes if the withholding of that amount would jeopardize
3 the payment of the principal or interest on the bonds or notes.

4 **§ 1507. Subpenas and depositions**

5 (a) The Civil Service Commission may require by subpoena the
6 attendance and testimony of witnesses and the production of docu-
7 mentary evidence relating to any matter before it as a result of this
8 chapter. Any member of the Commission may sign subpoenas, and
9 members of the Commission and its examiners when authorized by
10 the Commission may administer oaths, examine witnesses, and receive
11 evidence. The attendance of witnesses and the production of docu-
12 mentary evidence may be required from any place in the United States
13 at the designated place of hearing. In case of disobedience to a sub-
14 pena, the Commission may invoke the aid of a court of the United
15 States in requiring the attendance and testimony of witnesses and the
16 production of documentary evidence. In case of contumacy or refusal
17 to obey a subpoena issued to a person, the United States District Court
18 within whose jurisdiction the inquiry is carried on may issue an order
19 requiring him to appear before the Commission, or to produce docu-
20 mentary evidence if so ordered, or to give evidence concerning the
21 matter in question; and any failure to obey the order of the court may
22 be punished by the court as a contempt thereof.

23 (b) The Commission may order testimony to be taken by deposi-
24 tion at any stage of a proceeding or investigation before it as a result
25 of this chapter. Depositions may be taken before an individual desig-
26 nated by the Commission and having the power to administer oaths.
27 Testimony shall be reduced to writing by the individual taking the
28 deposition, or under his direction, and shall be subscribed by the
29 deponent. Any person may be compelled to appear and depose and
30 to produce documentary evidence before the Commission as provided
31 by this section.

32 (c) A person may not be excused from attending and testifying
33 or from producing documentary evidence or in obedience to a subpoena
34 on the ground that the testimony or evidence, documentary or other-
35 wise, required of him may tend to incriminate him or subject him to
36 a penalty or forfeiture for or on account of any transaction, matter,
37 or thing concerning which he is compelled to testify, or produce evi-
38 dence, documentary or otherwise, before the Commission in obedience
39 to a subpoena issued by it. A person so testifying is not exempt from
40 prosecution and punishment for perjury committed in so testifying.

1 **§ 1508. Judicial review**

2 A party aggrieved by a determination or order of the Civil Service
3 Commission under section 1504, 1505, or 1506 of this title may, within
4 30 days after the mailing of notice of the determination or order,
5 institute proceedings for review thereof by filing a petition in the
6 United States District Court for the district in which the State or
7 local officer or employee resides. The institution of the proceedings
8 does not operate as a stay of the determination or order unless—

9 (1) the court specifically orders a stay; and

10 (2) the officer or employee is suspended from his office or em-
11 ployment while the proceedings are pending.

12 A copy of the petition shall immediately be served on the Commission,
13 and thereupon the Commission shall certify and file in the court a
14 transcript of the record on which the determination or order was
15 made. The court shall review the entire record including questions of
16 fact and questions of law. If application is made to the court for leave
17 to adduce additional evidence, and it is shown to the satisfaction of
18 the court that the additional evidence may materially affect the result
19 of the proceedings and that there were reasonable grounds for failure
20 to adduce this evidence in the hearing before the Commission, the
21 court may direct that the additional evidence be taken before the Com-
22 mission in the manner and on the terms and conditions fixed by the
23 court. The Commission may modify its findings of fact or its deter-
24 mination or order in view of the additional evidence and shall file with
25 the court the modified findings, determination, or order; and the modi-
26 fied findings of fact, if supported by substantial evidence, are con-
27 clusive. The court shall affirm the determination or order, or the modi-
28 fied determination or order, if the court determines that it is in accord-
29 ance with law. If the court determines that the determination or
30 order, or the modified determination or order, is not in accordance with
31 law, the court shall remand the proceeding to the Commission with
32 directions either to make a determination or order determined by the
33 court to be lawful or to take such further proceedings as, in the opinion
34 of the court, the law requires. The judgment and decree of the court
35 are final, subject to review by the appropriate United States Court of
36 Appeals as in other cases, and the judgment and decree of the court
37 of appeals are final, subject to review by the Supreme Court of the
38 United States on certiorari or certification as provided by section 1254
39 of title 28. If a provision of this section is held to be invalid as applied
40 to a party by a determination or order of the Commission, the deter-

1 mination or order becomes final and effective as to that party as if the
2 provision had not been enacted.

39 nual leave following reemployment or to deprive an employee of
40 a lump-sum payment to which he would otherwise be entitled.

(b) An employee entitled to the benefits of subsection (a) of this section, except a Congressional employee, is entitled to be reemployed within 30 days of his application for reemployment in his former position or a position of like seniority, status, and pay in the agency from which he transferred, if—

(1) he is separated from the international organization within 3 years after entering on duty with the international organization or within such shorter period as may be named by the head of the agency at the time of consent to transfer; and

(2) he applies for reemployment not later than 90 days after the separation.

On reemployment, he is entitled to the rate of basic pay to which he would be entitled had he remained in the civil service. On reemployment, the agency shall restore his sick leave account, by credit or charge, to its status at the time of transfer. The period of separation caused by his employment with the international organization and the period necessary to effect reemployment are deemed creditable service for all appropriate civil service employment purposes.

(c) This section applies only with respect to so much of a period of employment with an international organization as does not exceed 3 years or such shorter period named by the head of the agency at the time of consent to transfer, except that for retirement and insurance purposes this section continues to apply during the period after separation from the international organization in which—

(1) an employee, except a Congressional employee, is properly exercising or could exercise the reemployment right established by subsection (b) of this section; or

(2) a Congressional employee is effecting or could effect a reemployment.

During that reemployment period, the employee is deemed on leave without pay for retirement and insurance purposes.

(d) During the employee's period of service with the international organization, the agency contribution for retirement and insurance purposes may be made from the appropriations or funds of the agency from which the employee transferred.

§ 3583. Computations

A computation under this subchapter before reemployment is made in the same manner as if the employee had received basic pay, or basic pay plus additional pay in the case of a Congressional employee, at

1 the rate at which it would have been payable had the employee con-
 2 tinued in the position in which he was serving at the time of transfer.

3 **§ 3584. Regulations**

4 The President may prescribe regulations necessary to carry out
 5 this subchapter and section 3343 of this title and to protect and assure
 6 the retirement, insurance, leave, and reemployment rights and such
 7 other similar civil service employment rights as he finds appropriate.
 8 The regulations may provide for the exclusion of employees from the
 9 application of this subchapter and section 3343 of this title on the basis
 10 of the nature and type of employment including excepted appoint-
 11 ments of a confidential or policy-determining character, or conditions
 12 pertaining to the employment including short-term appointments,
 13 seasonal or intermittent employment, and part-time employment.

(2) pay to the Government the amount of the additional expenses incurred by the Government in connection with his training if he is voluntarily separated from the service of his agency before the end of the period for which he has agreed to continue in the service of his agency.

(b) The payment agreed to under subsection (a) (2) of this section may not be required of an employee who leaves the service of his agency to enter into the service of another agency in any branch of the Government unless the head of the agency that authorized the training notifies the employee before the effective date of his entrance into the service of the other agency that payment will be required under this section.

(c) If an employee, except an employee relieved of liability under subsection (b) of this section or section 4102(b) of this title, fails to fulfill his agreement to pay to the Government the additional expenses incurred by the Government in connection with his training, a sum equal to the amount of the additional expenses of training is recoverable by the Government from the employee or his estate by—

12 section 4118(a) (8) of this title and from appropriations or other funds

(a) The Director of the Bureau of the Budget, to the extent he considers practicable, shall provide by regulation for the absorption of the costs of the training programs and plans under this chapter by the respective agencies from applicable appropriations or funds available for each fiscal year.

(b) Subsection (a) of this section may not be held or considered to require—

(1) the separation of an individual from the service by reduction in force or other personnel action; or

7 request of an agency, may assist the agency with the review. In-
8 formation obtained or developed in a review shall be made available
9 to the Commission at its request.

38 transactions of each agency in connection with each agency program,
39 and plan thereunder, for the training of its employees by, in, and
40 through non-Government facilities under this chapter in order to

determine whether the operations, activities, and related transactions comply with the programs and plans, the provisions and purposes of this chapter, and the principles, standards, and related requirements contained in the regulations prescribed under section 4118 of this title.

Each agency, on request of the Commission, shall cooperate and assist in the review. If the Commission finds that noncompliance exists in an agency, the Commission, after consultation with the agency, shall certify to the head of the agency its recommendations for change of actions and procedures. If, after a reasonable time for placing its recommendations in effect, the Commission finds that noncompliance continues to exist in the agency, the Commission shall report the finding to the President for such action as he considers appropriate.

The Civil Service Commission, to the extent it considers appropriate in the public interest, may collect information concerning training programs, plans, and the methods inside and outside the Government. The Commission, on request, may make the information available to an agency and to Congress.

§ 4116. Training program assistance

The Civil Service Commission, on request of an agency, shall advise and assist in the establishment, operation, and maintenance of the training programs and plans of the agency under this chapter, to the extent of its facilities and personnel available for that purpose.

The functions, duties, and responsibilities of the Commission under this chapter are subject to supervision and control by the President and review by Congress.

§ 4118. Regulations

(a) The Civil Service Commission, after considering the needs and requirements of each agency for training its employees and after consulting with the agencies principally concerned, shall prescribe regulations containing the principles, standards, and related requirements for the programs, and plans thereunder, for the training of employees under this chapter, including requirements for coordination of and reasonable uniformity in the agency training programs and plans. The regulations shall provide for the maintenance of necessary information concerning the general conduct of the training activities of

28 through non-Government facilities, shall—

29 (1) prescribe general policies governing the selection of a non-

32 agency concerned determines that adequate training for employees
33 by, in, or through a Government facility is not reasonably avail-
34 able, and that consideration has been given to the existing or
35 reasonably foreseeable availability and use of fully trained
36 employees; and

37 (3) prohibit training an employee for the purpose of filling a
38 position by promotion if there is in the agency concerned another
39 employee, of equal ability and suitability, fully qualified to fill

the position and available at, or within a reasonable distance from,
the place where the duties of the position are to be performed.

(c) The Commission, in accordance with this chapter, may revise,
supplement, or abolish regulations prescribed under this section, and

34 (a) Except as provided by subsection (b) of this section, a cash
35 award under this chapter may not exceed \$5,000.

36 (b) When the head of an agency certifies to the Civil Service Com-

mission that the suggestion, invention, superior accomplishment, or other meritorious effort for which the award is proposed is highly exceptional and unusually outstanding, a cash award in excess of \$5,000 but not in excess of \$25,000 may be granted with the approval of the Commission.

(c) A cash award under this chapter is in addition to the regular pay of the recipient. Acceptance of a cash award under this chapter constitutes an agreement that the use by the Government of an idea, method, or device for which the award is made does not form the basis of a further claim of any nature against the Government by the employee, his heirs, or assigns.

(d) A cash award to, and expense for the honorary recognition of, an employee may be paid from the fund or appropriation available to the activity primarily benefiting or the various activities benefiting. The head of the agency concerned determines the amount to be paid by each activity for an agency award under section 4503 of this title. A Presidential award may be in addition to an agency award under section 4503 of this title.

§ 4505. Awards to former employees

An agency may pay or grant an award under this chapter notwithstanding the death or separation from the service of the employee

concerned, if the suggestion, invention, superior accomplishment, other personal effort, or special act or service in the public interest for which the award is proposed was made or performed while the employee was in the employ of the Government.

§ 4506. Regulations

The Civil Service Commission may prescribe regulations and instructions under which the agency awards program set forth by this chapter shall be carried out.

§ 5105. Standards for classification of positions

(a) The Civil Service Commission, after consulting the agencies, shall prepare standards for placing positions in their proper classes and grades. The Commission may make such inquiries or investigations of the duties, responsibilities, and qualification requirements of positions as it considers necessary for this purpose. The agencies, on request of the Commission, shall furnish information for and cooperate in the preparation of the standards. In the standards, which shall be published in such form as the Commission may determine, the Commission shall—

(1) define the various classes of positions in terms of duties, responsibilities, and qualification requirements;

(2) establish the official class titles; and

(3) set forth the grades in which the classes have been placed by the Commission.

(b) The Commission, after consulting the agencies to the extent considered necessary, shall revise, supplement, or abolish existing standards, or prepare new standards, so that, as nearly as may be practicable, positions existing at any given time will be covered by current published standards.

(c) The official class titles established under subsection (a) (2) of this section shall be used for personnel, budget, and fiscal purposes. However, this requirement does not prevent the use of organizational or other titles for internal administration, public convenience, law enforcement, or similar purposes.

§ 5106. Basis for classifying positions

(a) Each position shall be placed in its appropriate class. The basis for determining the appropriate class is the duties and responsi-

1 bilities of the position and the qualifications required by the duties and
2 responsibilities.

3 (b) Each class shall be placed in its appropriate grade. The basis
4 for determining the appropriate grade is the level of difficulty, respon-
5 sibility, and qualification requirements of the work of the class.

6 (c) Appropriated funds may not be used to pay an employee who
7 places a supervisory position in a class and grade solely on the basis of
8 the size of the organization unit or the number of subordinates super-
9 vised. These factors may be given effect only to the extent war-
10 ranted by the work load of the organization unit and then only in
11 combination with other factors, such as the kind, difficulty, and com-
12 plexity of work supervised, the degree and scope of responsibility
13 delegated to the supervisor, and the kind, degree, and character of
14 the supervision exercised.

15 **§ 5107. Classification of positions**

16 Except as otherwise provided by this chapter, each agency shall

6 SUBCHAPTER I—PAY COMPARABILITY SYSTEM

7 § 5301. Policy.

8 It is the policy of Congress that Federal pay fixing be based on the
9 principles that—

10 (1) there be equal pay for substantially equal work, and pay
11 distinctions be maintained in keeping with work and performance
12 distinctions ; and

13 (2) Federal pay rates be comparable with private enterprise
14 pay rates for the same levels of work.

15 Pay levels for the several Federal statutory pay systems shall be inter-
16 related, and pay levels shall be set and adjusted in accordance with
17 these principles.

§ 5302. Annual reports on pay comparability

In order to carry out the policy stated by section 5301 of this title, the President shall—

(1) direct such agency as he considers appropriate, to prepare and submit to him annually a report which compares the rates of pay fixed by statute for employees with the rates of pay paid for the same levels of work in private enterprise as determined on the basis of appropriate annual surveys conducted by the Bureau of Labor Statistics; and

(2) after seeking the views of such employee organizations as he considers appropriate and in such manner as he may provide, report annually to Congress—

(A) this comparison of Federal and private enterprise pay rates; and

(B) such recommendations for revision of statutory pay schedules, pay structures, and pay policy, as he considers advisable.

§ 5303. Higher minimum rates; Presidential authority

(a) When the President finds that the pay rates in private enterprise for one or more occupations in one or more areas or locations are so substantially above the pay rates of statutory pay schedules as to handicap significantly the Government's recruitment or retention of well-qualified individuals in positions paid under—

(1) section 5332 of this title;

(2) the provisions of part III of title 39 relating to employees in the postal field service;

(3) the pay scales for physicians, dentists, and nurses in the Department of Medicine and Surgery, Veterans' Administration, under chapter 73 of title 38; or

(4) sections 867 and 870 of title 22;

he may establish for the areas or locations higher minimum rates of basic pay for one or more grades or levels, occupational groups, series, classes, or subdivisions thereof, and may make corresponding increases in all step rates of the pay range for each such grade or level. However, a minimum rate so established may not exceed the seventh pay rate prescribed by statute for the grade or level. The President may authorize the exercise of the authority conferred on him by this section by the Civil Service Commission or, in the case of individuals not subject to the provisions of this title governing

1 appointment in the competitive service, by such other agency as he
2 may designate.

3 (b) Within the limitations of subsection (a) of this section, rates
4 of basic pay established under that subsection may be revised from
5 time to time by the President or by such agency as he may designate.
6 The actions and revisions have the force and effect of statute.

7 (c) An increase in rate of basic pay established under this section
8 is not an equivalent increase in pay within the meaning of section
9 5335 (a) of this title and section 3552 of title 39.

10 (d) The rate of basic pay, established under this section, and re-
11 ceived by an individual immediately before the effective date of a
12 statutory increase in the pay schedules of the pay systems specified in
13 subsection (a) of this section shall be initially adjusted on the effective
14 date of the new pay schedules under conversion regulations prescribed
15 by the President or by such agency as he may designate.

16 **§ 5304. Presidential policies and regulations**

17 The functions, duties, and regulations of the agencies and the Civil
18 Service Commission with respect to this subchapter, subchapter III of
19 this chapter, chapter 51 of this title, the provisions of part III of title
20 39 relating to employees in the postal field service, chapter 14 of title
21 22, and the provisions of chapter 73 of title 38 relating to employees in
22 the Department of Medicine and Surgery, Veterans' Administration,
23 are subject to such policies and regulations as the President may pre-
24 scribe. Among other things, the policies and regulations of the Presi-
25 dent may provide for—

26 (1) preparing and reporting to him the annual comparison of
27 Federal pay rates with private enterprise rates;

28 (2) obtaining and reporting to him the views of employee
29 organizations on the annual comparison, and on other pay matters;

30 (3) reviewing and reporting to him on the adequacy of the

31 **§ 5317. Presidential authority to place positions at levels IV and V**

32 In addition to the positions listed in sections 5315 and 5316 of this
33 title, the President, from time to time, may place in levels IV and V
34 of the Executive Schedule positions held by not to exceed 30 individ-
35 uals when he considers that action necessary to reflect changes in orga-
36 nization, management responsibilities, or workload in an Executive
37 agency. Such an action with respect to a position to which appoint-
38 ment is made by the President by and with the advice and consent of
39 the Senate is effective only at the time of a new appointment to the
40 position. Notice of each action taken under this section shall be pub-

lished in the Federal Register, except when the President determines that the publication would be contrary to the interest of national security. The President may not take action under this section with respect to a position the pay for which is fixed at a specific rate by this subchapter or by statute enacted after August 14, 1964.

(b) When payment is made on the basis of an hourly, daily, weekly, or biweekly rate, the rate is computed from the appropriate annual rate of basic pay named by subsection (a) of this section in accordance with the rules prescribed by section 5504(b) of this title.

§ 5333. Minimum rate for new appointments; higher rates for supervisors of wage-board employees

(a) New appointments shall be made at the minimum rate of the appropriate grade. However, under regulations prescribed by the Civil Service Commission which provide for such considerations as the existing pay or unusually high or unique qualifications of the candidate, or a special need of the Government for his services, the head of an agency may appoint, with the approval of the Commission

1 in each specific case, an individual to a position in GS-13 or above at
 2 such a rate above the minimum rate of the appropriate grade as the
 3 Commission may authorize for this purpose. The approval of the
 4 Commission in each specific case is not required with respect to an
 5 appointment made by the Librarian of Congress.

6 (b) Under regulations prescribed by the Civil Service Commission,
 7 an employee in a position to which this subchapter applies, who
 8 regularly has responsibility for supervision (including supervision
 9 over the technical aspects of the work concerned) over employees
 10 whose pay is fixed and adjusted from time to time by wage boards
 11 or similar administrative authority as nearly as is consistent with
 12 the public interest in accordance with prevailing rates, may be paid at
 13 one of the rates for his grade which is above the highest rate of basic
 14 pay being paid to any such prevailing-rate employee regularly super-
 15 vised, or at the maximum rate for his grade, as provided by the
 16 regulations.

17 **§ 5334. Rate on change of position or type of appointment; regu-**
 18 **lations**

19 (a) The rate of basic pay to which an employee is entitled is
 20 governed by regulations prescribed by the Civil Service Commission
 21 in conformity with this subchapter and chapter 51 of this title when—

22 (1) he is transferred from a position in the legislative, judicial,
 23 or executive branch to which this subchapter does not apply;

24 (2) he is transferred from a position in the legislative, judicial,
 25 or executive branch to which this subchapter applies to another
 26 such position;

27 (3) he is demoted to a position in a lower grade;

28 (4) he is reinstated, reappointed, or reemployed in a position
 29 to which this subchapter applies following service in any position
 30 in the legislative, judicial, or executive branch;

31 (5) his type of appointment is changed;

32 (6) his employment status is otherwise changed; or

33 (7) his position is changed from one grade to another grade.

34 (b) An employee who is promoted or transferred to a position
 35 in a higher grade is entitled to basic pay at the lowest rate of the
 36 higher grade which exceeds his existing rate of basic pay by not
 37 less than two step-increases of the grade from which he is promoted
 38 or transferred. If, in the case of an employee so promoted or trans-
 39 ferred who is receiving basic pay at a rate in excess of the maximum
 40 rate of his grade, there is no rate in the higher grade which is at

1 least two step-increases above his existing rate of basic pay, he is
2 entitled to—

3 (1) the maximum rate of the higher grade; or

4 (2) his existing rate of basic pay, if that rate is the higher.

5 If an employee so promoted or transferred is receiving basic pay at
6 a rate saved to him under section 5337 of this title on reduction in
7 grade, he is entitled to—

8 (A) basic pay at a rate two steps above the rate which he
9 would be receiving if section 5337 of this title were not applicable
10 to him; or

11 (B) his existing rate of basic pay, if that rate is the higher.

12 (c) An employee in the legislative branch who is paid by the
13 Secretary of the Senate or the Clerk of the House of Representatives,
14 and who has completed two or more years of service as such an em-
15 ployee, and a Member of the Senate or House of Representatives who
16 has completed two or more years of service as such a Member, may, on
17 appointment to a position to which this subchapter applies, have his
18 initial rate of pay fixed—

19 (1) at the minimum rate of the appropriate grade; or

20 (2) at a step of the appropriate grade that does not exceed
21 the highest previous rate of pay received by him during that
22 service in the legislative branch.

23 (d) The Commission may prescribe regulations governing the re-
24 tention of the rate of basic pay of an employee who together with his
25 position is brought under this subchapter and chapter 51 of this title.
26 If an employee so entitled to a retained rate under these regulations is
27 later demoted to a position under this subchapter and chapter 51 of
28 this title, his rate of basic pay is determined under section 5337 of this
29 title. However, for the purpose of section 5337 of this title, service
30 in the position which was brought under this subchapter and chapter
31 51 of this title is deemed service under this subchapter and chapter 51
32 of this title.

33 (e) The rate of pay established for a teaching position as defined
34 by section 901 of title 20 held by an individual who becomes subject to
35 subsection (a) of this section is deemed increased by 20 percent to
36 determine the yearly rate of pay of the position.

37 § 5335. Periodic step-increases

38 (a) An employee paid on an annual basis, and occupying a perma-
39 nent position within the scope of the General Schedule, who has not
40 reached the maximum rate of pay for the grade in which his position

1 is placed, shall be advanced in pay successively to the next higher
 2 rate within the grade at the beginning of the next pay period follow-
 3 ing the completion of—

4 (1) each 52 calendar weeks of service in pay rates 1, 2, and 3;

5 (2) each 104 calendar weeks of service in pay rates 4, 5, and

6 6; or

7 (3) each 156 calendar weeks of service in pay rates 7, 8, and 9;

8 subject to the following conditions:

9 (A) the employee did not receive an equivalent increase in
 10 pay from any cause during that period; and

11 (B) the work of the employee, except a hearing examiner
 12 appointed under section 3105 of this title, is of an acceptable
 13 level of competence as determined by the head of the agency.

14 (b) Under regulations prescribed by the Civil Service Commis-
 15 sion, the benefit of successive step-increases shall be preserved for
 16 employees whose continuous service is interrupted in the public interest
 17 by service with the armed forces or by service in essential non-
 18 Government civilian employment during a period of war or national
 19 emergency.

20 (c) An increase in pay granted by statute is not an equivalent in-
 21 crease in pay within the meaning of subsection (a) of this section.

22 (d) This section does not apply to the pay of an individual ap-
 23 pointed by the President, by and with the advice and consent of the
 24 Senate.

25 **§ 5336. Additional step-increases**

26 (a) Within the limit of available appropriations and under regu-
 27 lations prescribed by the Civil Service Commission, the head of each
 28 agency may grant additional step-increases in recognition of high
 29 quality performance above that ordinarily found in the type of posi-
 30 tion concerned. However, an employee is eligible under this section
 31 for only one additional step-increase within any 52-week period.

32 (b) A step-increase under this section is in addition to those under
 33 section 5335 of this title and is not an equivalent increase in pay
 34 within the meaning of section 5335(a) of this title.

35 (c) This section does not apply to the pay of an individual ap-
 36 pointed by the President, by and with the advice and consent of the
 37 Senate.

38 **§ 5337. Pay saving**

39 (a) Subject to the limitation in subsection (b) of this section, an
 40 employee—

(1) who is reduced in grade from a grade of the General Schedule;

(2) who holds a career or career-conditional appointment in the competitive service, or an appointment of equivalent tenure in the excepted service or in the government of the District of Columbia;

(3) whose reduction in grade is not (A) caused by a demotion for personal cause, (B) at his request, (C) effected in a reduction in force due to lack of funds or curtailment of work, or (D) with respect to a temporary promotion occurring after September 20, 1961, a condition of the temporary promotion to a higher grade;

(4) who, for 2 continuous years immediately before the reduction in grade, served (A) in the same agency and (B) in a grade or grades higher than the grade to which demoted; and

(5) whose work performance during the 2-year period is satisfactory or better;

is entitled to basic pay at the rate to which he was entitled immediately before the reduction in grade (including each increase in rate of basic pay provided by statute) for a period of 2 years from the effective date of the reduction in grade, so long as he—

(A) continues in the same agency without a break in service of one workday or more;

(B) is not entitled to a higher rate of basic pay by operation of this subchapter or chapter 51 of this title; and

(C) is not demoted or reassigned (i) for personal cause, (ii) at his request, or (iii) in a reduction in force due to lack of funds or curtailment of work.

(b) The rate of basic pay to which an employee is entitled under subsection (a) of this section with respect to each reduction in grade to which this section applies may not exceed the sum of—

(1) the minimum rate of the grade to which he is reduced under each reduction in grade to which this section applies (including each increase in rate of basic pay provided by statute); and

(2) the difference between his rate immediately before the first reduction in grade to which this section applies (including each increase in rate of basic pay provided by statute) and the minimum rate of that grade which is three grades lower than the

1 grade from which he was reduced under the first of the reductions
2 in grade (including each increase in the rate of basic pay provided
3 by statute).

4 **§ 5338. Regulations**

5 The Civil Service Commission may prescribe regulations necessary
6 for the administration of this subchapter.

7 **SUBCHAPTER IV—PREVAILING RATE SYSTEMS**

8 **§ 5341. Trades and crafts**

9 (a) The pay of employees excepted from chapter 51 of this title by
10 section 5102 (c) (7) of this title shall be fixed and adjusted from time
11 to time as nearly as is consistent with the public interest in accordance
12 with prevailing rates.

13 (b) When the Civil Service Commission concurs in a finding by the
14 employing agency that in a given area the number of employees to
15 whom this section applies is so few as to make prevailing rate deter-
16 minations impracticable, these employees are subject to the provisions
17 of subchapter III of this chapter and chapter 51 of this title which
18 are applicable to positions of equivalent difficulty or responsibility.

19 **§ 5342. Crews of vessels**

20 (a) Except as provided by subsection (b) of this section, the pay of
21 officers and members of crews of vessels excepted from chapter 51 of
22 this title by section 5102 (c) (8) of this title shall be fixed and adjusted
23 from time to time as nearly as is consistent with the public interest
24 in accordance with prevailing rates and practices in the maritime
25 industry.

26 (b) Vessel employees of the Panama Canal Company may be paid
27 in accordance with the wage practices of the maritime industry.

28 **§ 5343. Effective date of pay increase**

29 Each increase in rates of basic pay granted, pursuant to a wage
30 survey, to employees whose pay is fixed and adjusted under section
31 5341 of this title is effective, as follows:

32 (1) If the wage survey is made by an agency, either alone or
33 with another agency, with respect to its own employees, the in-
34 crease is effective for its employees not later than the first day of
35 the first pay period which begins after the 44th day, excluding
36 Saturdays and Sundays, following the date on which the wage
37 survey was ordered to be made.

38 (2) If the wage survey is made by an agency, either alone or
39 with another agency, and is used by an agency which did not
40 participate in making the survey, the increase is effective for the

employees of the agency which did not participate in the survey not later than the first day of the first pay period which begins after the 19th day, excluding Saturdays and Sundays, following the date on which the agency which did not participate receives the data collected in the survey necessary for the granting of the increase.

§ 5344. Retroactive pay

(a) Retroactive pay is payable by reason of an increase in rates of basic pay referred to in section 5343 of this title only when—

(1) the individual is in the service of the United States, including service in the armed forces, or the government of the District of Columbia on the date of the issuance of the order granting the increase; or

(2) the individual retired or died during the period beginning on the effective date of the increase and ending on the date of issuance of the order granting the increase, and only for services performed during that period.

(b) For the purpose of this section, service in the armed forces includes the period provided by statute for the mandatory restoration of the individual to a position in or under the Government of the United States or the government of the District of Columbia after he is relieved from training and service in the armed forces or discharged from hospitalization following that training and service.

SUBCHAPTER V—STUDENT-EMPLOYEES

§ 5351. Definitions

For the purpose of this subchapter—

(1) “agency” means an Executive agency, a military department, and the government of the District of Columbia; and

(2) “student-employee” means—

(A) a student nurse, medical or dental intern, resident-in-training, student dietitian, student physical therapist, and student occupational therapist, assigned or attached to a hospital, clinic, or medical or dental laboratory operated by an agency; and

(B) any other student-employee, assigned or attached primarily for training purposes to a hospital, clinic, or medical or dental laboratory operated by an agency, who is designated by the head of the agency with the approval of the Civil Service Commission.

1 **§ 5352. Stipends**

2 The head of each agency shall fix the stipends of his student-em-
3 ployees. The stipend may not exceed the applicable maximum pre-
4 scribed by the Civil Service Commission.

5 **§ 5353. ~~Quarters~~ Quarters, subsistence, and laundry**

6 An agency may provide living quarters, subsistence, and laundering
7 to student-employees while at the hospitals, clinics, or laboratories.
8 The reasonable value of the accommodations, when furnished, shall be
9 deducted from the stipend of the student-employee. The head of the
10 agency concerned shall fix the reasonable value of the accommoda-
11 tions at an amount not less than the lowest deduction applicable to
12 regular employees at the same hospital, clinic, or laboratory for simi-
13 lar accommodations.

14 **§ 5354. Effect of detail or affiliation; travel expenses**

15 (a) Status as a student-employee is not terminated by a temporary
16 detail to or affiliation with another Government or non-Government
17 institution to procure necessary supplementary training or experience
18 pursuant to an order of the head of the agency. A student-employee
19 may receive his stipend and other perquisites provided under this sub-
20 chapter from the hospital, clinic, or laboratory to which he is assigned
21 or attached for not more than 60 days of a detail or affiliation for each
22 training year, as defined by the head of the agency.

23 (b) When the detail or affiliation under subsection (a) of this sec-
24 tion is to or with another Federal institution, the student-employee is
25 entitled to necessary expenses of travel to and from the institution in
26 accordance with subchapter I of chapter 57 of this title.

§ 5503. Recess appointments

(a) Payment for services may not be made from the Treasury of the United States to an individual appointed during a recess of the Senate to fill a vacancy in an existing office, if the vacancy existed while the Senate was in session and was by law required to be filled by and with the advice and consent of the Senate, until the appointee has been confirmed by the Senate. This subsection does not apply—

(3) if a nomination for the office was rejected by the Senate

1 within 30 days before the end of the session and an individual

 3 receives a recess appointment.

4 (b) A nomination to fill a vacancy referred to by paragraph (1),

This section does not apply to an employee whose pay is computed under section 5504(b) of this title.

When an employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia is entitled to extra pay for services performed between or after certain named hours of the day or night, the extra pay is computed on the basis of either standard or daylight saving time, depending on the time observed by law, custom, or practice where the services are performed.

28 shall be withheld in whole or in part until full reimbursement is
29 made under regulations prescribed by the head of the Executive
30 agency from which the payee is entitled to receive pay. This section
31 does not repeal or modify existing statutes relating to the collection

33 **§ 5514. Installment deduction for indebtedness because of errone-**
34 **ous payment**

35 (a) When the head of the agency concerned or his designee deter-
36 mines that an employee, a member of the armed forces, or a Reserve
37 of the armed forces, is indebted to the United States because of
38 an erroneous payment made by the agency to or on behalf of the
39 individual, the amount of the indebtedness may be collected in

1 monthly installments, or at officially established regular pay period
 2 intervals, by deduction in reasonable amounts from the current pay
 3 account of the individual. The deductions may be made only from
 4 basic pay, special pay, incentive pay, retired pay, retainer pay, or,

11 ernment of the United States (including a Government corpora-
12 tion and a nonappropriated fund instrumentality under the juris-
13 diction of the armed forces) or in the government of the District
14 of Columbia.

15 § 5532. Employment of retired officers of the uniformed services; 16 reduction in retired or retirement pay; exceptions

17 (a) For the purpose of this section, “period for which he receives
18 pay” means the full calendar period for which a retired officer of a
19 regular component of a uniformed service receives the pay of a posi-
20 tion when employed on a full-time basis, but only the days for which
21 he actually receives that pay when employed on a part-time or inter-
22 mittent basis.

23 (b) A retired officer of a regular component of a uniformed service
24 who holds a position is entitled to receive the full pay of the position,
25 but during the period for which he receives pay, his retired or retire-
26 ment pay shall be reduced to an annual rate equal to the first \$2,000
27 of the retired or retirement pay plus one-half of the remainder, if
28 any. In the operation of the formula for the reduction of retired or
29 retirement pay under this subsection, the amount of \$2,000 shall be
30 increased, from time to time, by appropriate percentage, in direct
31 proportion to each increase in retired or retirement pay under section
32 1401a(b) of title 10 to reflect changes in the Consumer Price Index.

33 (c) The reduction in retired or retirement pay required by subsec-
34 tion (b) of this section does not apply to a retired officer of a regular
35 component of a uniformed service—

36 (1) whose retirement was based on disability—

37 (A) resulting from injury or disease received in line of
38 duty as a direct result of armed conflict; or

39 (B) caused by an instrumentality of war and incurred in

1 line of duty during a period of war as defined by sections 101
2 and 301 of title 38; or

3 (2) employed on a temporary (full-time or part-time) basis,
4 any other part-time basis, or an intermittent basis, for the first
5 30-day period for which he receives pay.

6 The exemption from reduction in retired or retirement pay under
7 paragraph (2) of this subsection does not apply longer than—

8 (i) the first 30-day period for which he receives pay under one
9 appointment from the position in which he is employed, if he is
10 serving under not more than one appointment; and

11 (ii) the first period for which he receives pay under more than
12 one appointment, in a fiscal year, which consists in the aggregate
13 of 30 days, from all positions in which he is employed, if he is
14 serving under more than one appointment in that fiscal year.

15 (d) Except as otherwise provided by this subsection, the Civil Serv-
16 ice Commission, subject to the supervision and control of the Presi-
17 dent, may prescribe regulations under which exceptions may be made
18 to the restrictions in subsection (b) of this section when appropriate
19 authority determines that the exceptions are warranted because of
20 special or emergency employment needs which otherwise cannot be
21 readily met. The President of the Senate with respect to the United
22 States Senate, the Speaker of the House of Representatives with re-
23 spect to the United States House of Representatives, and the Architect
24 of the Capitol with respect to the Office of the Architect of the Capitol
25 each may provide for a means by which exceptions may be made to the
26 restrictions in subsection (b) of this section when he determines that
27 the exceptions are warranted because of special or emergency employ-
28 ment needs which otherwise cannot be readily met. The Administra-
29 tor of the National Aeronautics and Space Administration may ex-
30 cept, at any time, an individual appointed to a scientific, engineering,
31 or administrative position under section 2473(b)(2)(A) of title 42
32 from the restrictions in subsection (b) of this section when he deter-
33 mines that the exception is warranted because of special or emergency
34 employment needs which otherwise cannot be readily met, but not
35 more than 30 exceptions may exist at any one time under this authority.

36 **§ 5533. Dual pay from more than one position; limitations;**
37 **exceptions**

38 (a) Except as provided by subsections (b), (c), and (d) of this sec-
39 tion, an individual is not entitled to receive basic pay from more than

one position for more than an aggregate of 40 hours of work in one calendar week (Sunday through Saturday).

(b) Except as otherwise provided by subsection (c) of this section, the Civil Service Commission, subject to the supervision and control of the President, may ~~prescribed~~ *prescribe* regulations under which exceptions may be made to the restrictions in subsection (a) of this section when appropriate authority determines that the exceptions are warranted because personal services otherwise cannot be readily obtained.

(c) Unless otherwise authorized by law, appropriated funds are not available for payment to an individual of pay from more than one position if the aggregate amount of the basic pay from the positions is more than \$2,000 a year, and if—

(1) the pay of one of the positions is paid by the Secretary of the Senate or the Clerk of the House of Representatives; or

(2) one of the positions is under the Office of the Architect of the Capitol.

(d) Subsection (a) of this section does not apply to—

(1) pay on a when-actually-employed basis received from more than one consultant or expert position if the pay is not received for the same hours of the same day;

(2) pay consisting of fees paid on other than a time basis;

(3) pay received by a teacher of the public schools of the District of Columbia for employment in a position during the summer vacation period;

(4) pay paid by the Tennessee Valley Authority to an employee performing part-time or intermittent work in addition to his normal duties when the Authority considers it to be in the interest of efficiency and economy;

(5) pay received by an individual holding a position—

(A) the pay of which is paid by the Secretary of the Senate or the Clerk of the House of Representatives; or

(B) under the Architect of the Capitol;

(6) pay paid by the United States Coast Guard to an employee occupying a part-time position of lamplighter; and

(7) pay within the purview of any of the following statutes:

(A) section 162 of title 2;

(B) section 23(b) of title 13;

(C) section 327 of title 15;

- 1 (D) section 907 of title 20;
- 2 (E) section 873 of title 33;
- 3 (F) section 3335 (a) or (c) of title 39;
- 4 (G) section 631 or 631a of title 31, District of Columbia
- 5 Code; or
- 6 (H) section 102 of title 2, Canal Zone Code.

7 (e) This section does not apply to an individual employed under
8 sections 174j-1 to 174j-7 or 174k of title 40.

9 **§ 5534. Dual employment and pay of Reserves and National**
10 **Guardsmen**

11 A Reserve of the armed forces or member of the National Guard
12 may accept a civilian office or position under the Government of the
13 United States or the government of the District of Columbia, and he
14 is entitled to receive the pay of that office or position in addition to pay
15 and allowances as a Reserve or member of the National Guard.

16 **§ 5535. Extra pay for details prohibited**

17 (a) An officer may not receive pay in addition to the pay for his
18 regular office for performing the duties of a vacant office as authorized
19 by sections 3345-3347 of this title.

20 (b) An employee may not receive—

21 (1) additional pay or allowances for performing the duties of
22 another employee; or

23 (2) pay in addition to the regular pay received for employment
24 held before his appointment or designation as acting for or in-
25 stead of an occupant of another position or employment.

26 This subsection does not prevent a regular and permanent appoint-
27 ment by promotion from a lower to a higher grade of employment.

28 **§ 5536. Extra pay for extra services prohibited**

29 An employee or a member of a uniformed service whose pay or
30 allowance is fixed by statute or regulation may not receive additional
31 pay or allowance for the disbursement of public money or for any
32 other service or duty, unless specifically authorized by law and the
33 appropriation therefor specifically states that it is for the additional
34 pay or allowance.

35 **§ 5537. Fees for jury service in courts of the United States**

36 An employee as defined by section 2105 of this title or an individual
37 employed by the government of the District of Columbia may not
38 receive fees for jury service in a court of the United States.

 11 the Panama Canal Company; or

12 (xiii) a "teacher" or an individual holding a "teaching
 13 position" as defined by section 901 of title 20.

14 **§ 5542. Overtime rates; computation**

15 (a) Hours of work officially ordered or approved in excess of 40
 16 hours in an administrative workweek performed by an employee are
 17 overtime work and shall be paid for, except as otherwise provided by
 18 this subchapter, at the following rates:

19 (1) For an employee whose basic pay is at a rate which does
 20 not exceed the minimum rate of basic pay for GS-9, the overtime
 21 hourly rate of pay is an amount equal to one and one-half times
 22 the hourly rate of basic pay of the employee, and all that amount
 23 is premium pay.

24 (2) For an employee whose basic pay is at a rate which exceeds
 25 the minimum rate of basic pay for GS-9, the overtime hourly
 26 rate of pay is an amount equal to one and one-half times the
 27 hourly rate of the minimum rate of basic pay for GS-9, and all
 28 that amount is premium pay.

29 (b) For the purpose of this subchapter—

30 (1) unscheduled overtime work performed by an employee on
 31 a day when work was not scheduled for him, or for which he is
 32 required to return to his place of employment, is deemed at least

 37 regularly scheduled administrative workweek of the em-
 38 ployee, including regularly scheduled overtime hours; or

39 (B) the travel involves the performance of work while
 40 traveling or is carried out under arduous conditions.

1 **§ 5543. Compensatory time off**

2 (a) The head of an agency may—

3 (1) on request of an employee, grant the employee compensa-
4 tory time off from his scheduled tour of duty instead of payment
5 for an equal amount of time spent in irregular or occasional over-
6 time work; and

7 (2) provide that an employee whose rate of basic pay is in
8 excess of the maximum rate of basic pay for GS-9 shall be granted
9 compensatory time off from his scheduled tour of duty equal to
10 the amount of time spent in irregular or occasional overtime work
11 instead of being paid for that work under section 5542 of this
12 title.

13 (b) The Architect of the Capitol may grant an employee paid on
14 an annual basis compensatory time off from duty instead of overtime
15 pay for overtime work.

16 **§ 5544. Wage-board overtime rates; computation**

17 (a) An employee whose basic rate of pay is fixed and adjusted from
18 time to time in accordance with prevailing rates by ~~wage boards~~ *a wage*
19 *board* or similar administrative authority serving the same purpose is
20 entitled to overtime pay for overtime work in excess of 8 hours a day or
21 40 hours a week. However, an employee subject to this subsection who
22 regularly is required to remain at or within the confines of his post of
23 duty in excess of 8 hours a day in a standby or on-call status is entitled
24 to overtime pay only for hours of duty, exclusive of eating and sleep-
25 ing time, in excess of 40 a week. The overtime hourly rate of pay is
26 computed as follows:

27 (1) If the basic rate of pay of the employee is fixed on a basis
28 other than an annual or monthly basis, multiply the basic hourly
29 rate of pay by not less than one and one-half.

30 (2) If the basic rate of pay of the employee is fixed on an
31 annual basis, divide the basic annual rate of pay by 2,080, and
32 multiply the quotient by one and one-half.

33 (3) If the basic rate of pay of the employee is fixed on a monthly
34 basis, multiply the basic monthly rate of pay by 12 to derive a
35 basic annual rate of pay, divide the basic annual rate of pay by
36 2,080, and multiply the quotient by one and one-half.

37 (b) An employee under the Office of the Architect of the Capitol
38 who is paid on a daily or hourly basis and who is not subject to chapter
39 51 and subchapter III of chapter 53 of this title is entitled to overtime

1 pay for overtime work in accordance with subsection (a) of this sec-
2 tion. The overtime hourly rate of pay is computed in accordance with
3 subsection (a) (1) of this section.

4 **§ 5545. Night, standby, and irregular duty differential**

5 (a) Except as provided by subsection (b) of this section, nightwork
6 is regularly scheduled work between the hours of 6:00 p.m. and 6:00
7 a.m., and includes—

8 (1) periods of absence with pay during these hours due to
9 holidays; and

10 (2) periods of leave with pay during these hours if the periods
11 of leave with pay during a pay period total less than 8 hours.

12 Except as otherwise provided by subsection (c) of this section, an em-
13 ployee is entitled to pay for nightwork at his rate of basic pay plus
14 premium pay amounting to 10 percent of that basic rate. This sub-
15 section and subsection (b) of this section do not modify section 180
16 of title 31, or other statute authorizing additional pay for nightwork.

17 (b) The head of an agency may designate a time after 6:00 p.m. and
18 a time before 6:00 a.m. as the beginning and end, respectively, of night-
19 work for the purpose of subsection (a) of this section, at a post out-
20 side the United States where the customary hours of business extend
21 into the hours of nightwork provided by subsection (a) of this section.

22 (c) The head of an agency, with the approval of the Civil Service
23 Commission, may provide that—

24 (1) an employee in a position requiring him regularly to remain
25 at, or within the confines of, his station during longer than ordi-
26 nary periods of duty, a substantial part of which consists of
27 remaining in a standby status rather than performing work,
28 shall receive premium pay for this duty on an annual basis in-
29 stead of premium pay provided by other provisions of this sub-
30 chapter, except for irregular, unscheduled overtime duty in excess
31 of his regularly scheduled weekly tour. Premium pay under this
32 paragraph is determined as an appropriate percentage, not in
33 excess of 25 percent, of such part of the rate of basic pay for the
34 position as does not exceed the minimum rate of basic pay for GS-
35 9, by taking into consideration the number of hours of actual work
36 required in the position, the number of hours required in a stand-
37 by status at or within the confines of the station, the extent to
38 which the duties of the position are made more onerous by night
39 or holiday work, or by being extended over periods of more than
40 40 hours a week, and other relevant factors; or

(2) an employee in a position in which the hours of duty cannot be controlled administratively, and which requires substantial amounts of irregular, unscheduled, overtime duty and duty at night and on holidays with the employee generally being responsible for recognizing, without supervision, circumstances which require him to remain on duty, shall receive premium pay for this duty on an annual basis instead of premium pay provided by other provisions of this subchapter, except for regularly scheduled overtime duty. Premium pay under this paragraph is determined as an appropriate percentage, not in excess of 15 percent, of such part of the rate of basic pay for the position as does not exceed the minimum rate of basic pay for GS-9, by taking into consideration the frequency and duration of night, holiday, and unscheduled overtime duty required in the position.

§ 5546. Pay for holiday work

(a) An employee who performs work on a holiday designated by Federal statute, Executive order, or with respect to an employee of the government of the District of Columbia, by order of the Board of Commissioners of the District of Columbia, is entitled to pay at the rate of his basic pay, plus premium pay at a rate equal to the rate of his basic pay, for that holiday work which is not—

(1) in excess of 8 hours; or

(2) overtime work as defined by section 5542(a) of this title.

(b) An employee who is required to perform any work on a designated holiday is entitled to pay for at least 2 hours of holiday work.

(c) An employee who performs overtime work as defined by section 5442(a) of this title on a Sunday or a designated holiday is entitled to pay for that overtime work in accordance with section 5542(a) of this title.

(d) Premium pay under this section is in addition to premium pay which may be due for the same work under section 5545 (a) and (b) of this title, providing premium pay for nightwork.

§ 5547. Limitation on premium pay

An employee may be paid premium pay under this subchapter only to the extent that the payment does not cause his aggregate rate of pay for any pay period to exceed the maximum rate for GS-15.

§ 5548. Regulations

The Civil Service Commission may prescribe regulations, subject to the approval of the President, necessary for the administration of

1 this subchapter, except section 5544, insofar as this subchapter affects
 2 employees in or under ~~the executive branch~~ *an Executive agency*.

3 **§ 5549. Effect on other statutes**

4 This subchapter does not prevent payment for overtime services or
 5 for Sunday or holiday work under any of the following statutes—

- 6 (1) section 394 of title 7;
- 7 (2) sections 1353a and 1353b of title 8;
- 8 (3) sections 261, 267, 1450, 1451, 1451a, and 1452 of title 19;
- 9 (4) section 382b of title 46; and
- 10 (5) section 154(f) (3) of title 47.

11 However, an employee may not receive premium pay under this sub-
 12 chapter for the same services for which he is paid under one of these
 13 statutes.

14 **SUBCHAPTER VI—PAYMENT FOR ACCUMULATED AND**
 15 **ACCRUED LEAVE**

16 **§ 5551. Lump-sum payment for accumulated and accrued leave on**
 17 **separation**

18 (a) An employee as defined by section 2105 of this title or an indi-
 19 vidual employed by the government of the District of Columbia, who
 20 is separated from the service or elects to receive a lump-sum payment
 21 for leave under section 5552 of this title, is entitled to receive a lump-
 22 sum payment for accumulated and current accrued annual or vacation
 23 leave to which he is entitled by statute. The lump-sum payment shall
 24 equal the pay the employee or individual would have received had he
 25 remained in the service until expiration of the period of the annual or
 26 vacation leave, except that it may not exceed pay for a period of annual
 27 or vacation leave in excess of 30 days or the number of days carried
 28 over to his credit at the beginning of the leave year in which entitle-
 29 ment to payment occurs, whichever is greater. The lump-sum pay-
 30 ment is considered pay for taxation purposes only.

31 (b) The accumulated and current accrued annual leave to which an
 32 officer excepted from subchapter I of chapter 63 of this title by section
 33 6301(2) (x)–(xii) of this title, is entitled immediately before the date
 34 he is excepted under that section shall be liquidated by a lump-sum
 35 payment in accordance with subsection (a) of this section or sub-
 36 chapter VIII of this chapter, except that the payment is—

- 37 (1) based on the rate of pay which he was receiving immedi-
 38 ately before the date on which section 6301(2) (x)–(xii) of this
 39 title became applicable to him; and

(2) made without regard to the limitation in subsection (a) of this section on the amount of leave compensable.

§ 5552. Lump-sum payment for accumulated and accrued leave on entering active duty; election

An employee as defined by section 2105 of this title or an individual employed by a territory or possession of the United States or the government of the District of Columbia who enters on active duty in the armed forces is entitled to—

(1) receive, in addition to his pay and allowances from the armed forces, a lump-sum payment for accumulated and current accrued annual or vacation leave in accordance with section 5551 of this title; or

(2) elect to have the leave remain to his credit until his return from active duty.

4 for the well-being and protection of the dependents of an employee in
5 active service (other than an employee in a missing status), he may,

17 (a) For the purpose of this section, “household and personal effects”
18 and “household effects” may include, in addition to other authorized
19 weight allowances, one privately owned motor vehicle which may be
20 shipped at United States expense when it is located outside the United
21 States or in Alaska or Hawaii.

22 (b) Transportation (including packing, crating, draying, tem-
23 porarily storing, and unpacking of household and personal effects)
24 may be provided for the dependents and household and personal
25 effects of an employee in active service (without regard to pay grade)
26 who is officially reported as dead, injured, or absent for more than 29
27 days in a status listed in section 5561 (5) (A)–(E) of this title to—

28 (1) the official residence of record for the employee;

29 (2) the residence of his dependent, next of kin, or other person
30 entitled to the effects under regulations prescribed by the head of
31 the agency concerned; or

32 (3) another location determined in advance or later approved
33 by the head of the agency concerned or his designee on request
34 of the employee (if injured) or his dependent, next of kin, or
35 other person described in paragraph (2) of this subsection.

36 (c) When an employee described in subsection (b) of this section
37 is in an injured status, transportation of dependents and household
38 and personal effects may be provided under this section only when
39 prolonged hospitalization or treatment is anticipated.

40 (d) Transportation on request of a dependent may be authorized

1 under this section only when there is a reasonable relationship between
2 the circumstances of the dependent and the destination requested.

3 (e) Instead of providing transportation for dependents under this
4 section, when the travel has been completed the head of the agency
5 concerned may authorize—

6 (1) reimbursement for the commercial cost of the transporta-
7 tion; or

8 (2) a monetary allowance, instead of transportation, as au-
9 thorized by statute for the whole or that part of the travel for
10 which transportation in kind was not furnished.

11 (f) The head of the agency concerned may store the household
12 and personal effects of an employee described in subsection (b) of
13 this section until proper disposition can be made. The cost of the
14 storage and transportation (including packing, crating, draying, tem-
15 porarily storing, and unpacking) of household and personal effects
16 shall be charged against appropriations currently available.

17 (g) When the head of the agency concerned determines that an
18 emergency exists and that a sale would be in the best interests of the
19 United States, he may provide for the public or private sale of motor
20 vehicles and other bulky items of the household and personal effects
21 of an employee described in subsection (b) of this section. Before
22 a sale, and if practicable, a reasonable effort shall be made to deter-
23 mine the desires of interested persons. The net proceeds from the
24 sale shall be sent to the owner or other person entitled thereto under
25 regulations prescribed by the head of the agency concerned. If there
26 is no owner or other person entitled thereto, or if the owner or other
27 person or their addresses are not ascertained within 1 year from the
28 date of sale, the net proceeds may be covered into the Treasury of the
29 United States as miscellaneous receipts.

30 (h) A claim for net proceeds covered into the Treasury under sub-
31 section (g) of this section may be filed with the General Accounting
32 Office by the owner, his heir or next of kin, or his legal representative
33 at any time before the end of 5 years from the date the proceeds are
34 covered into the Treasury. When a claim is filed, the General Ac-
35 counting Office shall allow or disallow it. A claim that is allowed
36 shall be paid from the appropriation for refunding money erroneously
37 received and covered. If a claim is not filed before the end of 5 years
38 from the date the proceeds are covered into the Treasury, it is barred
39 from being acted on by the General Accounting Office or the courts.

1 (i) This section does not amend or repeal—

2 (1) section 2575, 2733, 4712, 4713, 6522, 9712, or 9713 of title 10;

3 (2) section 507 of title 14; or

4 (3) chapter 171 of title 28.

5 **§ 5565. Agency review**

6 (a) When an employee has been in a missing status almost 12
7 months and no official report of his death or the circumstances of his
8 continued absence has been received by the head of the agency con-
9 cerned, he shall have the case fully reviewed. After that review and
10 the end of 12 months in a missing status, or after any later review
11 which shall be made when warranted by information received or other
12 circumstances, the head of the agency concerned or his designee may—

13 (1) direct the continuance of his missing status, if there is a
14 reasonable presumption that the employee is alive; or

15 (2) make a finding of death.

16 (b) When a finding of death is made under subsection (a) of this
17 section, it shall include the date death is presumed to have occurred for
18 the purpose of the ending of crediting pay and allowances and settle-
19 ment of accounts. That date is—

20 (1) the day after the day on which the 12 months in a missing
21 status ends; or

22 (2) a day determined by the head of the agency concerned or
23 his designee when the missing status has been continued under
24 subsection (a) of this section.

25 (c) For the purpose of determining status under this section, a
26 dependent of an employee in active service is deemed an employee. A
27 determination under this section made by the head of the agency con-
28 cerned or his designee is conclusive on all other agencies of the United
29 States. This section does not entitle a dependent to pay, allowances,
30 or other compensation to which he is not otherwise entitled.

31 **§ 5566. Agency determinations**

32 (a) The head of the agency concerned or his designee may make
33 any determination necessary to administer this subchapter, and when
34 so made it is conclusive as to—

35 (1) death or finding of death;

36 (2) the fact of dependency under this subchapter;

37 (3) any other status covered by this subchapter;

38 (4) an essential date, including one on which evidence or in-
39 formation is received by the head of the agency concerned; and

(5) whether information received concerning an employee is to be construed and acted on as an official report of death.

(b) When the head of the agency concerned receives information that he considers to conclusively establish the death of an employee, he shall take action thereon as an official report of death, notwithstanding an earlier action relating to death or other status of the employee. After the end of 12 months in a missing status prescribed by section 5565 of this title, the head of the agency concerned or his designee shall make a finding of death when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that an employee in a missing status is dead.

(c) The head of the agency concerned or his designee may determine the entitlement of an employee to pay and allowances under this subchapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that an employee captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) When circumstances warrant the reconsideration of a determination made under this subchapter, the head of the agency concerned or his designee may change or modify it.

(e) When the account of an employee has been charged or debited with an allotment paid under this subchapter, the amount so charged or debited shall be recredited to the account of the employee if the head of the agency concerned or his designee determines that the payment was induced by fraud or misrepresentation to which the employee was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from the pay and allowances of an employee for the period he is in a missing status may not be collected from the allottee as an overpayment when payment was caused by delay in receiving evidence of death. An allotment paid for a period after the end, under this subchapter or otherwise, of entitlement to pay and allowances may not be collected from the allottee or charged against the pay of a deceased employee when payment was caused by delay in receiving evidence of death.

(g) The head of the agency concerned or his designee may waive the

1 recovery of an erroneous payment or overpayment of an allotment to
2 a dependent if he considers recovery is against equity and good con-
3 science.

4 (h) For the purpose of determining status under this section, a
5 dependent of an employee in active service is deemed an employee. A
6 determination under this section made by the head of the agency
7 concerned or his designee is conclusive on all other agencies of the
8 United States. This section does not entitle a dependent to pay, allow-
9 ances, or other compensation to which he is not otherwise entitled.

10 § 5567. Settlement of accounts

11 (a) The head of the agency concerned or his designee may settle
12 the accounts of—

13 (1) an employee for whose account payment has been made un-
14 der sections 5562, 5563, and 5565 of this title; and

15 (2) a survivor of a casualty to a ship, station, or military in-
16 stallation which results in the loss or destruction of disbursing
17 records.

18 That settlement is conclusive on the accounting officials of the United
19 States in settling the accounts of disbursing officials.

20 (b) Payment or settlement of an account made pursuant to a report,
21 determination, or finding of death may not be recovered or reopened
22 because of a later report or determination which fixes a date of death.
23 However, an account shall be reopened and settled on the basis of a
24 date of death so fixed which is later than that used as a basis for
25 earlier settlement.

26 (c) In settling the accounts of a disbursing official, he is entitled to
27 credit for an erroneous payment or overpayment made by him in car-
28 rying out this subchapter, except section 5568, if there is no fraud or
29 criminality by him. Recovery may not be made from an individual
30 who authorizes a payment under this subchapter, except section 5568,
31 if there is no fraud or criminality by him.

32 § 5568. Income tax deferment

33 Notwithstanding other statutes, ~~in the case of a taxable year begin-~~
34 ~~ning after December 31, 1940,~~ any Federal income tax return of, or
35 the payment of any Federal income tax by, an employee who, at the
36 time the return or payment would otherwise become due, is in a missing
37 status does not become due until the earlier of the following dates:

38 (1) the fifteenth day of the third month in which he ceased
39 (except because of death or incompetency) being in a missing

status, unless before the end of that fifteenth day he is again in a missing status; or

(2) the fifteenth day of the third month after the month in which an executor, administrator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to extend the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of title 26 in cases in which the assessment or collection is jeopardized and in cases of bankruptcy or receivership.

16 United States.

17 (b) An agency may pay expenses under subsection (a) (1) of this
18 section only after the individual selected for appointment agrees in
19 writing to remain in the Government service for a minimum period
20 of—

21 (1) one school year as determined under chapter 25 of title
22 20, if selected for appointment to a teaching position, except
23 as a substitute, in the Department of Defense under that chapter;
24 or

25 (2) 12 months after his appointment, if selected for appoint-
26 ment to any other position;

27 unless separated for reasons beyond his control which are acceptable
28 to the agency concerned. If the individual violates the agreement,
29 the money spent by the United States for the expenses is recoverable
30 from the individual as a debt due the United States.

31 (c) An agency may pay expenses under subsection (a) (2) of this
32 section only after the individual has served for a minimum period
33 of—

34 (1) one school year as determined under chapter 25 of title
35 20, if employed in a teaching position, except as a substitute, in
36 the Department of Defense under that chapter; or

37 (2) not less than one nor more than 3 years prescribed in
38 advance by the head of the agency, if employed in any other
39 position;

40 unless separated for reasons beyond his control which are acceptable

1 to the agency concerned. These expenses are payable whether the
2 separation is for Government purposes or for personal convenience.

3 (d) This section does not apply to appropriations for the Foreign
4 Service, ~~Department of State~~ *of the United States*.

5 **§ 5723. Travel and transportation expenses of new appointees and**
6 **student trainees; manpower shortage positions**

7 (a) Under such regulations as the President may prescribe and
8 subject to subsections (b) and (c) of this section, an agency may pay
9 from its appropriations—

10 (1) travel expenses of a new appointee, or a student trainee
11 when assigned on completion of college work, to a position in the
12 United States for which the Civil Service Commission determines
13 there is a manpower shortage; and

14 (2) transportation expenses of his immediate family and his
15 household goods and personal effects; *to the extent authorized by*
16 *section 5724 of this title;*

17 from his place of residence at the time of selection or assignment to his
18 duty station. If the travel and transportation expenses of a student
19 trainee were paid when he was appointed, they may not be paid when
20 he is assigned after completion of college work. Travel expenses pay-
21 able under this subsection may include the per diem and mileage allow-
22 ances authorized for employees by subchapter I of this chapter. Ad-
23 vances of funds may be made for the expenses authorized by this sub-
24 section ~~in accordance with section 5724 (f)~~ *to the extent authorized by*
25 *section 5724(f) of this title.*

26 (b) An agency may pay travel and transportation expenses under
27 subsection (a) of this section only after the individual selected or
28 assigned agrees in writing to remain in the Government service for
29 12 months after his appointment or assignment, unless separated for
30 reasons beyond his control which are acceptable to the agency con-
31 cerned. If the individual violates the agreement, the money spent
32 by the United States for the expenses is recoverable from the individ-
33 ual as a debt due the United States.

34 (c) An agency may pay travel and transportation expenses under
35 subsection (a) of this section whether or not the individual selected
36 has been appointed at the time of the travel.

37 (d) The Commission may not delegate its authority to determine
38 positions for which there is a manpower shortage for the purpose of
39 this section.

1 (e) This section does not impair or otherwise affect the authority of
 2 an agency under existing statute to pay travel and transportation
 3 expenses of individuals named by subsection (a) of this section.

4 **§ 5724. Travel and transportation expenses of employees trans-**
 5 **ferred; advancement of funds; reimbursement on com-**
 6 **muted basis**

7 (a) Under such regulations as the President may prescribe and
 8 when the head of the agency concerned or his designee authorizes
 9 or approves, the agency shall pay from Government funds—

10 (1) the travel expenses of an employee transferred in the inter-
 11 est of the Government from one official station or agency to
 12 another for permanent duty, and the transportation expenses
 13 of his immediate family, or a commutation thereof under sec-
 14 tion 5704 of this title; and

15 (2) the expenses of transporting, packing, crating, tempo-
 16 rarily storing, draying, and unpacking his household goods and
 17 personal effects not in excess of 7,000 pounds net weight.

18 (b) Under such regulations as the President may prescribe, an em-
 19 ployee who transports a house trailer or mobile dwelling inside the
 20 continental United States, inside Alaska, or between the continental
 21 United States and Alaska, for use as a residence, and who otherwise
 22 would be entitled to transportation of household goods and personal
 23 effects under subsection (a) of this section, is entitled, instead of that
 24 transportation, to—

25 (1) a reasonable allowance not in excess of 20 cents a mile for
 26 transportation of the house trailer or mobile dwelling, if the
 27 trailer or dwelling is transported by the employee; or

28 (2) commercial transportation of the house trailer or mobile
 29 dwelling, at Government expense, or reimbursement to the em-
 30 ployee therefor, including the payment of necessary tolls, charges,
 31 and permit fees, if the trailer or dwelling is not transported by the
 32 employee.

33 However, payment under this subsection may not exceed the maxi-
 34 mum payment to which the employee otherwise would be entitled under
 35 subsection (a) of this section for transportation and temporary stor-
 36 age of his household goods and personal effects in connection with
 37 this transfer.

38 (c) Under such regulations as the President may prescribe, an
 39 employee who transfers between points inside the continental United
 40 States, instead of being paid for the actual expenses of transporting,

1 packing, crating, temporarily storing, draying, and unpacking of
 2 household goods and personal effects, shall be reimbursed on a com-
 3 muted basis at the rates per 100 pounds that are fixed by zones in
 4 the regulations. The reimbursement may not exceed the amount
 5 which would be allowable for the authorized weight allowance.

6 (d) When an employee transfers to a post of duty outside the
 7 continental United States, his expenses of travel and transportation
 8 to and from the post shall be allowed to the same extent and with
 9 the same limitations prescribed for a new appointee under section
 10 5722 of this title.

11 (e) When an employee transfers from one agency to another, the
 12 agency to which he transfers pays the expenses authorized by this
 13 section.

14 (f) An advance of funds may be made to an employee under the
 15 regulations of the President with the same safeguards required under
 16 section 5705 of this title.

17 (g) The allowances authorized by this section do not apply to an
 18 employee transferred under chapter 14 of title 22.

19 (h) When a transfer is made primarily for the convenience or
 20 benefit of an employee, including an employee in the Foreign Service,
 21 ~~Department of State of the United States~~, or at his request, his ex-
 22 penses of travel and transportation and the expenses of transporting,
 23 packing, crating, temporarily storing, draying, and unpacking of
 24 household goods and personal effects may not be allowed or paid from
 25 Government funds.

26 **§ 5725. Transportation expenses; employees assigned to danger**
 27 **areas**

28 (a) When an employee of the United States is on duty, or is trans-
 29 ferred or assigned to duty, at a place designated by the head of the
 30 agency concerned as inside a zone—

31 (1) from which his immediate family should be evacuated; or

32 (2) to which they are not permitted to accompany him;

33 because of military or other reasons which create imminent danger to
 34 life or property, or adverse living conditions which seriously affect
 35 the health, safety, or accommodations of the immediate family, Gov-
 36 ernment funds may be used to transport his immediate family and
 37 household goods and personal effects, under regulations prescribed
 38 by the head of the agency, to a location designated by the employee.
 39 When circumstances prevent the employee from designating a loca-
 40 tion, or it is administratively impracticable to determine his intent, the

1 immediate family may designate the location. When the designated
 2 location is inside a zone to which movement of families is prohibited
 3 under this subsection, the employee or his immediate family may desig-
 4 nate an alternate location.

5 (b) When the employee is assigned to a duty station from which
 6 his immediate family is not excluded by the restrictions in sub-
 7 section (a) of this section, Government funds may be used to trans-
 8 port his immediate family and household goods and personal effects
 9 from the designated or alternate location to the duty station.

10 **§ 5726. Storage expenses; household goods and personal effects**

11 (a) For the purpose of this section, "household goods and per-
 12 sonal effects" means such personal property of an employee and his
 13 dependents as the President may by regulation authorize to be trans-
 14 ported or stored, including, in emergencies, motor vehicles author-
 15 ized to be shipped at Government expense.

16 (b) Under such regulations as the President may prescribe, an em-
 17 ployee, including a new appointee ~~under section 5722~~ and a student
 18 trainee to the extent authorized by sections 5722 and 5723 of this title,
 19 assigned to a permanent duty station outside the continental United
 20 States may be allowed storage expenses and related transportation
 21 and other expenses for his household goods and personal effects
 22 when—

23 (1) the duty station is one to which he cannot take or at which
 24 he is unable to use his household goods and personal effects; or

25 (2) the head of the agency concerned authorizes storage of the
 26 household goods and personal effects in the public interest or for
 27 reasons of economy.

28 The weight of the household goods and personal effects stored under
 29 this subsection, together with the weight of property transported
 30 under section 5724(a), may not exceed 7,000 pounds net weight,
 31 excluding a motor vehicle described by subsection (a) of this section.

32 **§ 5727. Transportation of motor vehicles**

33 (a) Except as specifically authorized by statute, an authorization
 34 in a statute or regulation to transport the effects of an employee or
 35 other individual at Government expense is not an authorization to
 36 transport an automobile.

37 (b) Under such regulations as the President may prescribe, the
 38 privately owned motor vehicle of an employee, including a new ap-
 39 pointee ~~under section 5722~~ and a student trainee to the extent author-
 40 ized by sections 5722 and 5723 of this title, may be transported at Gov-

ernment expense to, from, and between the continental United States and a post of duty outside the continental United States, or between posts of duty outside the continental United States, when—

(1) the employee is assigned to the post of duty for other than temporary duty; and

(2) the head of the agency concerned determines that it is in the interest of the Government for the employee to have the use of a motor vehicle at the post of duty.

(c) An employee may transport only one motor vehicle under subsection (b) of this section during a 4-year period, except when the head of the agency concerned determines that replacement of the motor vehicle during the period is necessary for reasons beyond the control of the employee and is in the interest of the Government, and authorizes in advance the transportation under subsection (b) of this section of one additional privately owned motor vehicle as a replacement. When an employee has remained in continuous service outside the United States during the 4-year period after the date of transportation under subsection (b) of this section of his motor vehicle, the head of the agency concerned may authorize transportation under subsection (b) of this section of a replacement for that motor vehicle.

(d) When the head of an agency authorizes transportation under subsection (b) of this section of a privately owned motor vehicle, the transportation may be by—

(1) commercial means, if available at reasonable rates and under reasonable conditions; or

(2) Government means on a space-available basis.

(e) (1) This section, except subsection (a), does not apply to—

(A) the Foreign Service, ~~Department of State of the United States~~; or

(B) the Central Intelligence Agency.

(2) This section, except subsection (a), does not affect—

(A) section 1138 of title 22; or

(B) section 403e(4) of title 50.

§ 5728. Travel and transportation expenses; vacation leave

(a) Under such regulations as the President may prescribe, an agency shall pay from its appropriations the expenses of ~~the~~ round-trip travel of an employee, and the transportation of his immediate family, but not household goods, from his post of duty outside the continental United States to the place of his actual residence at the time

1 of appointment or transfer to the post of duty, after he has satisfac-
 2 torily completed an ~~agreement~~ *agreed* period of service outside the
 3 continental United States and is returning to his actual place of resi-
 4 dence to take leave before serving another tour of duty at the same or
 5 another post of duty outside the continental United States under a new
 6 written agreement made before departing from the post of duty.

7 (b) Under such regulations as the President may prescribe, an
 8 agency shall pay from its appropriations the expenses of ~~the~~ round-
 9 trip travel of an employee of the United States appointed by the Presi-
 10 dent, by and with the advice and consent of the Senate, for a term
 11 fixed by statute, and of transportation of his immediate family, but
 12 not household goods, from his post of duty outside the continental
 13 United States to the place of his actual residence at the time of ap-
 14 pointment to the post of duty, after he has satisfactorily completed
 15 *each* 2 years of service outside the continental United States and is
 16 returning to his actual place of residence to take leave before serving
 17 at least 2 more years of duty outside the continental United States.

18 (c) This section does not apply to appropriations for the Foreign
 19 Service, ~~Department of State~~ *of the United States*.

20 **§ 5729. Transportation expenses; prior return of family**

21 (a) Under such regulations as the President may prescribe, an
 22 agency shall pay from its appropriations, not more than once before
 23 the return to the United States or its territories or possessions of an
 24 employee whose post of duty is outside the continental United States,
 25 ~~to pay~~ the expenses of transporting his immediate family and of ship-
 26 ping his household goods and personal effects from his post of duty to
 27 his actual place of residence when—

28 (1) he has acquired eligibility for that transportation; or

29 (2) the public interest requires the return of the immediate
 30 family for compelling personal reasons of a humanitarian or com-
 31 passionate nature, such as may involve physical or mental health,
 32 death of a member of the immediate family, or obligation im-
 33 posed by authority or circumstances over which the individual
 34 has no control.

35 (b) Under such regulations as the President may prescribe, an
 36 agency shall reimburse from its appropriations an employee whose
 37 post of duty is outside the continental United States for the proper
 38 transportation expenses of returning his immediate family and his
 39 household goods and personal effects to the United States or its terri-
 40 tories or possessions, when—

(1) their return was made at the expense of the employee before his return and for other than reasons of public interest; and

(2) he acquires eligibility for those transportation expenses.

(c) This section does not apply to appropriations for the Foreign Service, ~~Department of State~~ *of the United States*.

§ 5730. Funds available

Funds available for travel expenses of an employee are available for expenses of transportation of his immediate family, and funds available for transportation of things are available for transportation of household goods and personal effects, as authorized by this subchapter.

§ 5731. Expenses limited to lowest first-class rate

(a) The allowance for actual expenses for transportation may not exceed the lowest first-class rate by the transportation facility used unless it is certified, in accordance with regulations prescribed by the President, that—

(1) lowest first-class accommodations are not available; or

(2) use of a compartment or other accommodation authorized or approved by the head of the agency concerned or his designee is required for security purposes.

(b) Instead of the maximum fixed by subsection (a) of this section, the allowance to an employee of the United States for actual expenses for transportation on an inter-island steamship in Hawaii may not exceed the rate for accommodations on the steamship that is equivalent as nearly as possible to the rate for the lowest first-class accommodations on trans-pacific steamships.

§ 5732. General average contribution; payment or reimbursement

Under such regulations as the President may prescribe, appropriations chargeable for the transportation of baggage and household goods and personal effects of employees of the United States, volunteers as defined by section 8142(a) of this title, and members of the uniformed services are available for the payment or reimbursement of general average contributions required. Appropriations are not available for the payment or reimbursement of general average contributions—

(1) required in connection with and applicable to quantities of baggage and household goods and personal effects in excess of quantities authorized by statute or regulation to be transported;

(2) when the individual concerned is allowed under statute

or regulation a commutation instead of actual transportation expenses; or

(3) when the individual concerned selected the means of shipment.

SUBCHAPTER III—TRANSPORTATION OF REMAINS, DEPENDENTS, AND EFFECTS

§ 5741. General prohibition

Except as specifically authorized by statute, the head of an Executive department or military department may not authorize an expenditure in connection with the transportation of remains of a deceased employee.

(2) the expense of transporting his dependents, including expenses of packing, crating, draying, and transporting household effects and other personal property to his former home or such other place as is determined by the head of the agency concerned, if death occurred while the employee was performing official duties outside the United States or in transit thereto or therefrom.

(c) When a dependent of an employee dies while residing with the employee performing official duties outside the continental United States or in Alaska or in transit thereto or therefrom, the head of the agency concerned may pay the necessary expenses of transporting the

remains to the home of the dependent, or such other place appropriate for interment as is determined by the head of the agency concerned. If practicable, the agency concerned in respect of the deceased may furnish mortuary services and supplies on a reimbursable basis when—

(1) local commercial mortuary facilities and supplies are not available; or

(2) the cost of available mortuary facilities and supplies are prohibitive in the opinion of the head of the agency.

11 (b) When the furnishing of a uniform or the payment of a uniform

23 (a) For the purpose of this section—

24 (1) “Government” means the Government of the United States;

26 the Tennessee Valley Authority;

27 (3) “employee” means an employee of an agency;

 3 the occupancy of the quarters, shall be based on the reasonable value
 4 of the quarters and facilities to the employee or member concerned,

 13 Government as provided by law.

14 (d) When, as an incidental service in support of a program of the
 15 Government, quarters and facilities are provided by appropriate au-

3 quarters may be furnished only within the limits of appropriations
4 made therefor.

7 it by section 5721 of this title.

8 (b) Under such regulations as the President may prescribe, funds
9 available to an agency for administrative expenses may be allotted to
10 posts in foreign countries to defray the unusual expenses incident to
11 the operation and maintenance of official residences suitable for—

12 (1) the chief representatives of the United States at the posts;
13 and

14 (2) such other senior officials of the Government of the United
15 States as the President may designate.

16 **SUBCHAPTER III—OVERSEAS DIFFERENTIALS**

19 For the purpose of this subchapter—

20 (1) "Government" means the Government of the United
21 States;

22 (2) "agency" means an Executive agency and the Library of
23 Congress, but does not include a Government controlled corpo-
24 ration;

26 more specifically defined by regulations prescribed by the
27 President;

28 (4) "United States", when used in a geographical sense, means

38 **§ 5922. General provisions**

39 (a) Notwithstanding section 5536 of this title and except as other-
40 wise provided by this subchapter, the allowances and differentials

1 authorized by this subchapter may be granted to an employee officially
2 stationed in a foreign area—

3 (1) who is a citizen of the United States; and

4 (2) whose rate of basic pay is fixed by statute or, without
5 taking into consideration the allowances and differentials pro-
6 vided by this subchapter, is fixed by administrative action pursu-
7 ant to law or is fixed administratively in conformity with rates
8 paid by the Government for work of a comparable level of
9 difficulty and responsibility in the continental United States.

10 To the extent authorized by a provision of statute other than this
11 subchapter, the allowances and differentials provided by this sub-
12 chapter may be paid to an employee officially stationed in a foreign

14 (b) Allowances granted under this subchapter may be paid in

19 not subsequently covered by allowances accrued to the employee under
20 this subchapter is recoverable by the Government by—

28 this subsection, if it is shown that the recovery would be against
29 equity and good conscience or against the public interest.

30 (c) The allowances and differentials authorized by this subchapter
31 shall be paid under regulations prescribed by the President

3 (1) A temporary lodging allowance for the reasonable cost
 4 of temporary quarters incurred by the employee and his family—

12 (2) A living quarters allowance for rent, heat, light, fuel, gas,
 13 electricity, and water, without regard to section 529 of title 31.

14 (3) Under unusual circumstances, payment or reimbursement
 15 for extraordinary, necessary, and reasonable expenses, not other-
 16 wise compensated for, incurred in initial repairs, alterations, and
 17 improvements to the privately leased residence of an employee at
 18 a post of assignment in a foreign area, if—

19 (A) the expenses are administratively approved in ad-
 20 vance; and

21 (B) the duration and terms of the lease justify payment
 22 of the expenses by the Government.

23 **§ 5924. Cost-of-living allowances**

24 The following cost-of-living allowances may be granted, when ap-
 25 plicable, to an employee in a foreign area:

2 post, his wife or his dependents, or both.

3 (4) An education allowance or payment of travel costs to as-

12 not available at the post of the employee, board and room, and
13 periodic transportation between that post and the nearest
14 locality where adequate schools are available, without regard

17 facility used.

18 (B) The travel expenses of dependents of an employee to
19 and from a school in the United States to obtain an American
20 secondary or undergraduate college education, not to exceed
21 one trip each way for each dependent for the purpose of
22 obtaining each type of education. An allowance payment
23 under subparagraph (A) of this paragraph (4) may not be
24 made for a dependent during the 12 months following his ar-

33 § 5925. Post differentials

34 A post differential may be granted on the basis of conditions of en-

36 in the continental United States and warrant additional pay as a
37 recruitment and retention incentive. A post differential may be
38 granted to an employee officially stationed in the United States who

is on extended detail in a foreign area. A post differential may not exceed 25 percent of the rate of basic pay.

(a) Appropriations or funds available to an Executive agency, except a Government controlled corporation, for pay of employees stationed outside the continental United States or in Alaska whose rates of basic pay are fixed by statute, are available for allowances to these employees. The allowance is based on—

(1) living costs substantially higher than in the District of Columbia;

(2) conditions of environment which differ substantially from conditions of environment in the continental United States and warrant an allowance as a recruitment incentive; or

(3) both of these factors.

The allowance may not exceed 25 percent of the rate of basic pay. Except as otherwise specifically authorized by statute, the allowance is paid only in accordance with regulations prescribed by the President establishing the rates and defining the area, groups of positions, and classes of employees to which each rate applies.

However, the allowance shall be paid under regulations prescribed by the President establishing the rates at which the allowance will be paid, and defining the areas and groups of positions to which the rates apply.

§ 5943. Foreign currency appreciation allowances

(a) The President, under such regulations as he may prescribe and on recommendation of the Director of the Bureau of the Budget, may meet losses sustained by employees and members of the uniformed services while serving in a foreign country due to the appreciation of foreign currency in its relation to the American dollar. Allowances

1 and expenditures under this section are not subject to income taxes.

2 (b) Annual appropriations are authorized to carry out subsection
3 (a) of this section and to cover any deficiency in the accounts of the
4 Secretary of the Treasury, including interest, arising out of the ar-
5 rangement approved by the President on July 27, 1933, for the con-
6 version into foreign currency of checks and drafts of employees and
7 members of the uniformed services for pay and expenses.

8 (c) Payment under subsection (a) of this section may not be made

13 to Congress all expenditures made under this section.

24 which maintains a permanent staff of employees in foreign countries
25 in which the custom referred to by subsection (a) of this section does
26 not exist, on finding that the immediate family of the deceased is desti-
27 tute, may pay such of the expenses referred to by subsection (a) of this
28 section within the limitations in that subsection to the family, heirs
29 at law, or persons responsible for the debts of the deceased, as the em-
30 ployee in charge of the office abroad in which the deceased was em-

32 (c) Payments under this section are made from appropriations
33 available to the department concerned for miscellaneous or contingent
34 expenses.

35 **§ 5945. Notary public commission expenses**

36 An employee as defined by section 2105 of this title or an individual
37 employed by the government of the District of Columbia who is re-

14 This section does not prevent the use of appropriations for the Depart-
15 ment of Agriculture for expenses incident to the delivery of lectures,
16 the giving of instructions, or the acquiring of information at meetings
17 by its employees on subjects relating to the authorized work of the
18 Department.

29 (b) Except when the head of an Executive agency, a military de-

 21 uals employed by the government of the District of Columbia employed
 22 in the District of Columbia, Montgomery and Prince Georges Counties
 23 in Maryland, Arlington and Fairfax Counties in Virginia, and the
 24 cities of Alexandria and Falls Church in Virginia. When January 20
 25 of any fourth year after 1965 falls on Sunday, the next succeeding day

(2) "employee" means—

(A) an employee as defined by section 2105 of this title;

and

(B) an individual employed by the government of the District of Columbia;

but does not include—

(i) a teacher or librarian of the public schools of the District of Columbia;

(ii) a part-time employee, except an hourly employee in

the postal field service, who does not have an established regular tour of duty during the administrative workweek;

(iii) a temporary employee engaged in construction work at an hourly rate;

(iv) an employee of the Canal Zone Government or the Panama Canal Company when employed on the Isthmus of Panama;

(xi) an officer in the executive branch or in the government of the District of Columbia who is designated by the President, except a postmaster, United States attorney, or United States marshal; or

(xii) an officer who receives pay under section 866 of title 22.

§ 6302. General provisions

(a) The days of leave provided by this subchapter are days on which an employee would otherwise work and receive pay and are exclusive of holidays and nonworkdays established by Federal statute, Executive order, or administrative order.

(b) For the purpose of this subchapter an employee is deemed employed for a full biweekly pay period if he is employed during the days within that period, exclusive of holidays and nonworkdays established by Federal statute, Executive order, or administrative order, which fall within his basic administrative workweek.

(c) A part-time employee, unless otherwise excepted, is entitled to

1 the benefits provided by subsection (d) of this section and sections
2 6303, 6304 (a), (b), 6305 (a), 6307, and 6310 of this title on a pro rata
3 basis.

4 (d) The annual leave provided by this subchapter, including
5 annual leave that will accrue to an employee during the year, may be
6 granted at any time during the year as the head of the agency con-
7 cerned may prescribe.

8 (e) If an officer excepted from this subchapter by section 6301 (2)
9 (x)–(xii) of this title, without a break in service, again becomes sub-
10 ject to this subchapter on completion of his service as an excepted
11 officer, the unused annual and sick leave standing to his credit when
12 he was excepted from this subchapter is deemed to have remained to
13 his credit.

14 § 6303. Annual leave; accrual

15 (a) An employee is entitled to annual leave with pay which accrues
16 as follows—

17 (1) one-half day for each full biweekly pay period for an em-
18 ployee with less than 3 years of service;

19 (2) three-fourths day for each full biweekly pay period, ex-
20 cept that the accrual for the last full biweekly pay period in the
21 year is one and one-fourth days, for an employee with 3 but less
22 than 15 years of service; and

23 (3) one day for each full biweekly pay period for an employee
24 with 15 or more years of service.

25 In determining years of service, an employee is entitled to credit for
26 all service creditable under section 8332 of this title for the purpose of
27 an annuity under subchapter III of chapter 83 of this title. However,
28 an employee who is a retired member of a uniformed service as defined
29 by section 3501 of this title is entitled to credit for active military serv-
30 ice only if—

31 (A) his retirement was based on disability—

32 (i) resulting from injury or disease received in line of duty
33 as a direct result of armed conflict; or

34 (ii) caused by an instrumentality of war and incurred in
35 line of duty during a period of war as defined by sections 101
36 and 301 of title 38;

37 (B) that service was performed in the armed forces during a
38 war, or in a campaign or expedition for which a campaign badge

40 (C) on November 30, 1964, he was employed in a position to

1 which this subchapter applies and thereafter he continued to be
2 so employed without a break in service of more than 30 days.

3 The determination of years of service may be made on the basis
4 of an affidavit of the employee. Leave provided by this subchapter
5 accrues to an employee who is not paid on the basis of biweekly pay
6 periods on the same basis as it would accrue if the employee were paid
7 on the basis of biweekly pay periods.

8 (b) Notwithstanding subsection (a) of this section, an employee is
9 entitled to annual leave under this subchapter only after being cur-
10 rently employed for a continuous period of 90 days under one or more
11 appointments without a break in service. After completing the 90-
12 day period, the employee is entitled to be credited with the leave that
13 would have accrued to him under subsection (a) of this section
14 except for this subsection.

15 (c) A change in the rate of accrual of annual leave by an employee
16 under this section takes effect at the beginning of the pay period after
17 the pay period, or corresponding period for an employee who is not
18 paid on the basis of biweekly pay periods, in which the employee com-
19 pleted the prescribed period of service.

20 (d) Leave granted under this subchapter is exclusive of time actu-
21 ally and necessarily occupied in going to or from a post of duty and
22 time necessarily occupied awaiting transportation, in the case of an
23 employee—

24 (1) to whom section 6304(b) of this title applies;

25 (2) whose post of duty is outside the United States; and

26 (3) who returns on leave to the United States, or to his place
27 of residence, which is outside the area of employment, in its
28 territories or possessions including the Commonwealth of Puerto
29 Rico.

30 This subsection does not apply to more than one period of leave in a
31 prescribed tour of duty at a post outside the United States.

32 **§ 6304. Annual leave; accumulation**

33 (a) Except as provided by subsection (b) of this section, annual
34 leave provided by section 6303 of this title, which is not used by
35 an employee, accumulates for use in succeeding years until it totals
36 not more than 30 days at the beginning of the first full biweekly pay
37 period, or corresponding period for an employee who is not paid on
38 the basis of biweekly pay periods, occurring in a year.

39 (b) Annual leave not used by an employee of the Government of the
40 United States in one of the following classes of employees stationed

outside the United States accumulates for use in succeeding years until it totals not more than 45 days at the beginning of the first full biweekly pay period, or corresponding period for an employee who is not paid on the basis of biweekly pay periods, occurring in a year:

(1) Individuals directly recruited or transferred by the Government of the United States from the United States or its territories or possessions including the Commonwealth of Puerto Rico for employment outside the area of recruitment or from which transferred.

(2) Individuals employed locally but—

(A)(i) who were originally recruited from the United States or its territories or possessions including the Commonwealth of Puerto Rico but outside the area of employment;

(ii) who have been in substantially continuous employment by other agencies of the United States, United States firms, interests, or organizations, international organizations in which the United States participates, or foreign governments; and

(iii) whose conditions of employment provide for their return transportation to the United States or its territories or possessions including the Commonwealth of Puerto Rico; or

(B)(i) who were at the time of employment temporarily absent, for the purpose of travel or formal study, from the United States, or from their respective places of residence in its territories or possessions including the Commonwealth of Puerto Rico; and

(ii) who, during the temporary absence, have maintained residence in the United States or its territories or possessions including the Commonwealth of Puerto Rico but outside the area of employment.

(3) Individuals who are not normally residents of the area concerned and who are discharged from service in the armed forces to accept employment with an agency of the Government of the United States.

(c) Annual leave in excess of the amount allowable—

(1) under subsection (a) or (b) of this section which was accumulated under earlier statute; or

1 (2) under subsection (a) of this section which was accumu-
 2 lated under subsection (b) of this section by an employee who
 3 becomes subject to subsection (a) of this section;
 4 remains to the credit of the employee until used. The excess annual
 5 leave is reduced at the beginning of the first full biweekly pay period,
 6 or corresponding period for an employee who is not paid on the basis
 7 of biweekly pay periods, occurring in a year, by the amount of annual
 8 leave the employee used during the preceding year in excess of the
 9 amount which accrued during that year, until the employee's ac-
 10 cumulated leave does not exceed the amount allowed under subsection
 11 (a) or (b) of this section, as appropriate.

12 **§ 6305. Home leave; ~~foreign-service leave~~ leave for Chiefs of**
 13 *Missions*

14 (a) After 24 months of continuous service outside the United
 15 States, an employee may be granted leave of absence, under regula-
 16 tions of the President, at a rate not to exceed 1 week for each 4 months
 17 of that service without regard to other leave provided by this sub-
 18 chapter. Leave so granted—

19 (1) is for use in the United States, or if the employee's place
 20 of residence is outside the area of employment, in its territories
 21 or possessions including the Commonwealth of Puerto Rico;

22 (2) accumulates for future use without regard to the limita-
 23 tion in section 6304(b) of this title; and

24 (3) may not be made the basis for terminal leave or for a lump-
 25 sum payment.

26 (b) The President may authorize leave of absence to an officer
 27 excepted from this subchapter by section 6301(2)(xii) of this title
 28 for use in the United States and its territories or possessions. Leave
 29 so authorized does not constitute a leave system and may not be made
 30 the basis for a lump-sum payment.

31 **§ 6306. Annual leave; refund of lump-sum payment; recredit of**
 32 **annual leave**

33 (a) When an individual who received a lump-sum payment for
 34 leave under section 5551 of this title is reemployed before the end of
 35 the period covered by the lump-sum payment in or under the Govern-
 36 ment of the United States or the government of the District of Co-
 37 lumbia, except in a position excepted from this subchapter by section
 38 6301(2) (ii), (iii), (vi), or (vii) of this title, he shall refund to the
 39 employing agency an amount equal to the pay covering the period

1 between the date of reemployment and the expiration of the lump-
2 sum period.

3 (b) An amount refunded under subsection (a) of this section shall
4 be deposited in the Treasury of the United States to the credit of the
5 employing agency. When an individual is reemployed under the
6 same leave system, an amount of leave equal to the leave represented
7 by the refund shall be reccredited to him in the employing agency.
8 When an individual is reemployed under a different leave system, an
9 amount of leave equal to the leave represented by the refund shall
10 be reccredited to him in the employing agency on an adjusted basis
11 under regulations prescribed by the Civil Service Commission. When

14 equal to the leave represented by the refund is deemed, on separation
15 from the service, death, or transfer to another position in the service,
16 to have remained to his credit.

22 two-fifths of a day for each full biweekly pay period.

23 (b) Sick leave provided by this section, which is not used by an

25 (c) When required by the exigencies of the situation, a maximum
26 of 30 days sick leave with pay may be advanced for serious disability

 to his accrued leave and when so charged he is entitled to be paid for
 that absence.

§ 6310. Leave of absence; aliens

However, the appointment of an individual so removed may be made only after the head of the agency concerned has consulted with the Civil Service Commission. The Commission, on written request of the head of the agency or the individual so removed, may determine whether the individual is eligible for employment in an agency other than the agency from which removed.

SUBCHAPTER III—POLITICAL ACTIVITIES

§ 7321. Political contributions and services

The President may prescribe rules which shall provide, as nearly as conditions of good administration warrant, that an employee in an Executive agency or in the competitive service is not obliged, by reason of that employment, to contribute to a political fund or to render political service, and that he may not be removed or otherwise prejudiced for refusal to do so.

2 **§ 7323. Political contributions; prohibition**

3 An employee in an Executive agency (except one appointed by the
4 President, by and with the advice and consent of the Senate) may not

6 from which removed thereafter may not be used to pay the employee or
7 individual. However, if the Civil Service Commission finds by unani-
8 mous vote that the violation does not warrant removal, a penalty of
9 not less than 30 days' suspension without pay shall be imposed by

34 applies to take an active part in political management and political
35 campaigns involving the municipality or other political subdivision
36 in which they reside, to the extent the Commission considers it to be
37 in their domestic interest, when—

38 (1) the municipality or political subdivision is in Maryland
39 or Virginia and in the immediate vicinity of the District of

Columbia, or is a municipality in which the majority of voters are employed by the Government of the United States; and

 2 the performance of their assigned tasks. For the purpose of this
 3 section, "appropriations" includes funds made available by statute
 4 under section 849 of title 31.

8 injury, or the monthly pay at the time disability begins, or the
9 monthly pay at the time compensable disability recurs, if the

12 whichever is greater, except when otherwise determined under
13 section 8113 of this title with respect to any period;

34 the time of her death;

35 (12) "compensation" includes the money allowance payable to
36 an employee or his dependents and any other benefits paid for
37 from the Employees' Compensation Fund, but this does not in any
38 way reduce the amount of the monthly compensation payable for
39 disability or death;

(13) “war-risk hazard” means a hazard arising during a war in which the United States is engaged; during an armed conflict in which the United States is engaged, whether or not war has been declared; or during a war or armed conflict between military forces of any origin, occurring in the country in which an individual to whom this subchapter applies is serving; from—

§ 8102. Compensation for disability or death of employee

(a) The United States shall pay compensation as specified by this subchapter for the disability or death of an employee resulting from personal injury sustained while in the performance of his duty, unless the injury or death is—

(1) caused by willful misconduct of the employee;

(2) caused by the employee's intention to bring about the injury or death of himself or of another; or

(3) proximately caused by the intoxication of the injured employee.

(b) Disability or death from a war-risk hazard or during or as a result of capture, detention, or other restraint by a hostile force or individual, suffered by an employee who is employed outside the continental United States or in Alaska or in the Canal Zone, is deemed to have resulted from personal injury sustained while in the performance of his duty, whether or not the employee was engaged in the course of employment when the disability or disability resulting in death occurred or when he was taken by the hostile force or individual. This subsection does not apply to an individual—

(1) whose residence is at or in the vicinity of the place of his employment and who was not living there solely because of the exigencies of his employment, unless he was injured or taken while engaged in the course of his employment; or

(2) who is a prisoner of war or a protected individual under the Geneva Conventions of 1949 and is detained or utilized by the United States.

This subsection does not affect the payment of compensation under this subchapter derived otherwise than under this subsection, but compensation for disability or death does not accrue for a period for which pay, other benefit, or gratuity from the United States accrues to the disabled individual or his dependents on account of detention by the enemy or because of the same disability or death, unless that pay, benefit, or gratuity is refunded or renounced.

§ 8103. Medical services and initial medical and other benefits

(a) The United States shall furnish to an employee who is injured while in the performance of duty, the services, appliances, and supplies prescribed or recommended by a qualified physician, which the Secretary of Labor considers likely to cure, give relief, reduce the degree or the period of disability, or aid in lessening the amount of the monthly compensation. These services, appliances, and supplies shall be furnished—

(1) whether or not disability has arisen;

(2) notwithstanding that the employee has accepted or is entitled to receive benefits under subchapter III of chapter 83 of this title; and

(3) by or on the order of United States medical officers and hospitals, or, when this is not practicable, by or on the order of private physicians and hospitals designated or approved by the Secretary.

The employee may be furnished transportation and may be paid all expenses incident to the securing of these services, appliances, and supplies which the Secretary considers necessary and reasonable. These expenses, when authorized or approved by the Secretary, shall be paid from the Employees' Compensation Fund.

(b) The Secretary, under such limitations or conditions as he considers necessary, may authorize the employing agencies to provide for the initial furnishing of medical and other benefits under this section. The Secretary may certify vouchers for these expenses out of the Employees' Compensation Fund when the immediate superior of the employee certifies that the expense was incurred in respect to an injury which was accepted by the employing agency as probably compensable under this subchapter. The Secretary shall prescribe the form and content of the certificate.

§ 8104. Vocational rehabilitation

The Secretary of Labor may direct a permanently disabled individual whose disability is compensable under this subchapter to undergo vocational rehabilitation. The Secretary shall provide for furnishing the vocational rehabilitation services. In providing for these services, the Secretary, insofar as practicable, shall use the services or facilities of State agencies and corresponding agencies which cooperate with the Secretary of Health, Education, and Welfare in carrying out the purposes of chapter 4 of title 29, except to the extent that the Secretary of Labor provides for furnishing these services under section 8103 of this title. The cost of providing these services to individuals undergoing vocational rehabilitation under this section shall be paid from the Employees' Compensation Fund. However, in reimbursing a State or corresponding agency under an arrangement pursuant to this section the cost to the agency reimbursable in full under section 32(b) (1) of title 29 is excluded.

§ 8105. Total disability

(a) If the disability is total, the United States shall pay the employee during the disability monthly monetary compensation equal to 66⅔ percent of his monthly pay, which is known as his basic compensation for total disability.

(b) The loss of use of both hands, both arms, both feet, or both

1 legs, or the loss of sight of both eyes, is prima facie permanent total
2 disability.

3 **§ 8106. Partial disability**

4 (a) If the disability is partial, the United States shall pay the em-
5 ployee during the disability monthly monetary compensation equal
6 to $66\frac{2}{3}$ percent of the difference between his monthly pay and his
7 monthly wage-earning capacity after the beginning of the partial
8 disability, which is known as his basic compensation for partial dis-
9 ability.

10 (b) The Secretary of Labor may require a partially disabled em-
11 ployee to report his earnings from employment or self-employment,
12 by affidavit or otherwise, in the manner and at the times the Secretary
13 specifies. The employee shall include in the affidavit or report the
14 value of housing, board, lodging, and other advantages which are part
15 of his earnings in employment or self-employment and which can be
16 estimated in money. An employee who—

17 (1) fails to make an affidavit or report when required; or

18 (2) knowingly omits or understates any part of his earnings;
19 forfeits his right to compensation with respect to any period for which
20 the affidavit or report was required. Compensation forfeited under
21 this subsection, if already paid, shall be recovered by a deduction from
22 the compensation payable to the employee or otherwise recovered
23 under section 8129 of this title, unless recovery is waived under that
24 section.

25 (c) A partially disabled employee who—

26 (1) refuses to seek suitable work; or

27 (2) refuses or neglects to work after suitable work is offered
28 to, procured by, or secured for him;
29 is not entitled to compensation.

30 **§ 8107. Compensation schedule**

31 (a) If there is a permanent disability involving—

32 (1) solely the loss of use of a member or function of the body,
33 whether or not the cause of the disability originates in a part of
34 the body other than the member; or

35 (2) disfigurement as provided by the schedule in subsection (c)
36 of this section;

37 the employee is entitled to basic compensation for the period specified
38 by the schedule at the rate of $66\frac{2}{3}$ percent of his monthly pay. The
39 basic compensation is—

1 (A) in addition to compensation for temporary total or tem-
2 porary partial disability; and

3 (B) instead of compensation for permanent disability, except
4 in a case involving disfigurement and as otherwise provided by
5 subsection (b) of this section.

6 (b) If an injury causes the total and permanent loss of use of an
7 arm, a hand, a leg, a foot, or an eye, including loss of binocular vision,
8 or total and permanent loss of hearing in both ears, whether or not
9 the disability also involves other impairment of the body, the individ-
10 ual is entitled—

11 (1) for the period specified by the schedule in subsection (c)
12 of this section, to basic compensation at the rate of 66⅔ percent
13 of his monthly pay; and

14 (2) for a later period, to basic compensation as provided by—

15 (A) section 8105 of this title if the disability is total; or

16 (B) section 8106 of this title if the disability is partial.

17 The basic compensation is in addition to compensation for periods of
18 temporary total or temporary partial disability, and is payable not-
19 withstanding subsection (a) of this section and sections 8105 and 8106
20 of this title.

21 (c) The compensation schedule is as follows:

22 (1) Arm lost, 312 weeks' compensation.

23 (2) Leg lost, 288 weeks' compensation.

24 (3) Hand lost, 244 weeks' compensation.

25 (4) Foot lost, 205 weeks' compensation.

26 (5) Eye lost, 160 weeks' compensation.

27 (6) Thumb lost, 75 weeks' compensation.

28 (7) First finger lost, 46 weeks' compensation.

29 (8) Great toe lost, 38 weeks' compensation.

30 (9) Second finger lost, 30 weeks' compensation.

31 (10) Third finger lost, 25 weeks' compensation.

32 (11) Toe other than great toe lost, 16 weeks' compensation.

33 (12) Fourth finger lost, 15 weeks' compensation.

34 (13) Loss of hearing—

35 (A) complete loss of hearing of one ear, 52 weeks' com-
36 pensation; or

37 (B) complete loss of hearing of both ears, 200 weeks' com-
38 pensation.

39 (14) Compensation for loss of binocular vision or for loss of
40 80 percent or more of the vision of an eye is the same as for loss
41 of the eye.

(15) Compensation for loss of more than one phalanx of a digit is the same as for loss of the entire digit. Compensation for loss of the first phalanx is one-half of the compensation for loss of the entire digit.

(16) If, in the case of an arm or a leg, the member is amputated above the wrist or ankle, compensation is the same as for loss of the arm or leg, respectively.

(17) Compensation for loss of use of two or more digits, or one or more phalanges of each of two or more digits, of a hand or foot, is proportioned to the loss of use of the hand or foot occasioned thereby.

(18) Compensation for permanent total loss of use of a member is the same as for loss of the member.

(19) Compensation for permanent partial loss of use of a member may be for proportionate loss of use of the member. The degree of loss of vision or hearing under this schedule is determined without regard to correction.

(20) In case of loss of use of more than one member or parts of more than one member as enumerated by this schedule, the compensation is for loss of use of each member or part thereof, and the awards run consecutively. However, when the injury affects only two or more digits of the same hand or foot, paragraph (17) of this subsection applies, and when partial bilateral loss of hearing is involved, compensation is computed on the loss as affecting both ears.

(21) For serious disfigurement of the face, head, or neck of a character likely to handicap an individual in securing or maintaining employment, proper and equitable compensation not to exceed \$3,500 shall be awarded in addition to any other compensation payable under this schedule.

§ 8108. Reduction of compensation for subsequent injury to same member

The period of compensation payable under the schedule in section 8107(c) of this title is reduced by the period of compensation paid or payable under the schedule for an earlier injury if—

(1) compensation in both cases is for disability of the same member or function or different parts of the same member or function or for disfigurement; and

(2) the Secretary of Labor finds that compensation payable for the later disability in whole or in part would duplicate the compensation payable for the preexisting disability.

1 In such a case, for the purposes of disabilities specified by section
 2 8107(b) of this title, compensation for disability continuing after the
 3 scheduled period starts on expiration of that period as reduced under
 4 this section.

5 **§ 8109. Beneficiaries of awards unpaid at death; order of prece-**
 6 **dence**

7 (a) If an individual—

8 (1) has sustained disability compensable under section 8107(a)
 9 of this title, including a disability compensable under the sched-
 10 ule in section 8107(c) of this title because of section 8107(b) of
 11 this title;

12 (2) has filed a valid claim in his lifetime; and

13 (3) dies from a cause other than the injury before the end of the
 14 period specified by the schedule;

15 the compensation specified by the schedule that is unpaid at his death,
 16 whether or not accrued or due at his death, shall be paid—

17 (A) under an award made before or after the death;

18 (B) for the period specified by the schedule;

19 (C) to and for the benefit of the persons then in being within
 20 the classes and proportions and on the conditions specified by this
 21 section; and

22 (D) in the following order of precedence:

23 (i) If there is no child, to the widow or widower.

24 (ii) If there are both a widow or widower and a child or
 25 children, one-half to the widow or widower and one-half to
 26 the child or children.

27 (iii) If there is no widow or widower, to the child or
 28 children.

29 (iv) If there is no survivor in the above classes, to the
 30 parent or parents wholly or partly dependent for support on
 31 the decedent, or to other wholly dependent relatives listed by
 32 section 8133(a) (5) of this title, or to both in proportions
 33 provided by regulation.

34 (v) If there is no survivor in the above classes and no burial
 35 allowance is payable under section 8134 of this title, an
 36 amount not exceeding that which would be expendable un-
 37 der section 8134 of this title if applicable shall be paid to
 38 reimburse a person equitably entitled thereto to the extent
 39 and in the proportion that he has paid the burial expenses,
 40 but a compensated insurer or other person obligated by law

or contract to pay the burial expenses or a State or political subdivision or entity is deemed not equitably entitled.

(b) Payments under subsection (a) of this section, except for an amount payable for a period preceding the death of the individual, are at the basic rate of compensation for permanent disability specified by section 8107(a) of this title even if at the time of death the individual was entitled to the augmented rate specified by section 8110 of this title.

(c) A surviving beneficiary under subsection (a) of this section, except one under subsection (a)(D)(v), does not have a vested right to payment and must be alive to receive payment.

(d) A beneficiary under subsection (a) of this section, except one under subsection (a)(D)(v), ceases to be entitled to payment on the happening of an event which would terminate his right to compensation for death under section 8133 of this title. When that entitlement ceases, compensation remaining unpaid under subsection (a) of this section is payable to the surviving beneficiary in accordance with subsection (a) of this section.

§ 8110. Augmented compensation for dependents

(a) For the purpose of this section, "dependent" means—

(1) a wife, if—

(A) she is a member of the same household as the employee;

(B) she is receiving regular contributions from the employee for her support; or

(C) the employee has been ordered by a court to contribute to her support;

(2) a husband, if wholly dependent on the employee for support because of his own physical or mental disability;

(3) an unmarried child, while living with the employee or receiving regular contributions from the employee toward his support, and who is—

(A) under 18 years of age; or

(B) over 18 years of age and incapable of self-support because of physical or mental disability; and

(4) a parent, while wholly dependent on and supported by the employee.

(b) A disabled employee with one or more dependents is entitled to have his basic compensation for disability augmented—

(1) at the rate of $8\frac{1}{3}$ percent of his monthly pay if that com-

1 compensation is payable under section 8105 or 8107(a) of this title
 2 including compensation payable under the schedule in section
 3 8107(c) by virtue of section 8107(b) of this title; and

4 (2) at the rate of $8\frac{1}{3}$ percent of the difference between his
 5 monthly pay and his monthly wage-earning capacity if that com-
 6 pensation is payable under section 8106(a) of this title.

7 However, for a period of temporary total disability the augmentation
 8 of basic compensation for disability payable under section 8105 of
 9 this title is limited to that part of the monthly pay of the employee
 10 which is not in excess of \$420.

11 **§ 8111. Additional compensation for services of attendants or vo-**
 12 **cational rehabilitation**

13 (a) The Secretary of Labor may pay an employee who has been
 14 awarded compensation an additional sum of not more than \$125 a
 15 month, as the Secretary considers necessary, when the Secretary finds
 16 that the service of an attendant is necessary constantly because the
 17 employee is totally blind, or has lost the use of both hands or both feet,
 18 or is paralyzed and unable to walk, or because of other disability re-
 19 sulting from the injury making him so helpless as to require constant
 20 attendance.

21 (b) The Secretary may pay an individual undergoing vocational
 22 rehabilitation under section 8104 of this title additional compensation
 23 necessary for his maintenance, but not to exceed \$100 a month.

24 **§ 8112. Maximum and minimum monthly payments**

25 Except as provided by section 8138 of this title, the monthly rate of
 26 compensation for disability, including augmented compensation un-
 27 der section 8110 of this title but not including additional compensa-
 28 tion under section 8111 of this title, may not exceed \$525 a month,
 29 and in case of total disability may not be less than \$180 a month or
 30 the amount of the monthly pay of the employee, whichever is less.

31 **§ 8113. Increase or decrease of basic compensation**

32 (a) If an individual—

33 (1) was a minor or employed in a learner's capacity at the time
 34 of injury; and

35 (2) was not physically or mentally handicapped before the
 36 injury;

37 the Secretary of Labor, on review under section 8128 of this title
 38 after the time the wage-earning capacity of the individual would
 39 probably have increased but for the injury, shall recompute pros-
 40 pectively the monetary compensation payable for disability on the

1 basis of an assumed monthly pay corresponding to the probable in-
2 creased wage-earning capacity.

3 (b) The Secretary, on review under section 8128 of this title after
4 a disabled employee becomes 70 years of age and his wage-earning
5 capacity would probably have decreased because of old age aside from
6 and independently of the effects of the injury, shall recompute pros-
7 pectively the monetary compensation payable for disability on the
8 basis of an assumed monthly pay corresponding to the probable de-
9 creased wage-earning capacity.

10 (c) If an individual without good cause fails to apply for and
11 undergo vocational rehabilitation when so directed under section 8104
12 of this title, the Secretary, on review under section 8128 of this title
13 and after finding that in the absence of the failure the wage-earning
14 capacity of the individual would probably have substantially in-
15 creased, may reduce prospectively the monetary compensation of the
16 individual in accordance with what would probably have been his
17 wage-earning capacity in the absence of the failure, until the indi-
18 vidual in good faith complies with the direction of the Secretary.

19 **§ 8114. Computation of pay**

20 (a) For the purpose of this section—

21 (1) “overtime pay” means pay for hours of service in excess
22 of a statutory or other basic workweek or other basic unit of
23 worktime, as observed by the employing establishment; and

24 (2) “year” means a period of 12 calendar months, or the equiva-
25 lent thereof as specified by regulations prescribed by the Sec-
26 retary of Labor.

27 (b) In computing monetary compensation for disability or death
28 on the basis of monthly pay, that pay is determined under this section.

29 (c) The monthly pay at the time of injury is deemed one-twelfth
30 of the average annual earnings of the employee at that time. When
31 compensation is paid on a weekly basis, the weekly equivalent of the
32 monthly pay is deemed one-fifty-second of the average annual earn-
33 ings. However, for so much of a period of total disability as does
34 not exceed 90 calendar days from the date of the beginning of com-
35 pensable disability, the compensation, in the discretion of the Secre-
36 tary of Labor, may be computed on the basis of the actual daily wage
37 of the employee at the time of injury in which event he may be paid
38 compensation for the days he would have worked but for the injury.

39 (d) Average annual earnings are determined as follows:

40 (1) If the employee worked in the employment in which he

1 was employed at the time of his injury during substantially the
2 whole year immediately preceding the injury and the em-
3 ployment was in a position for which an annual rate of pay—

4 (A) was fixed, the average annual earnings are the annual
5 rate of pay; or

6 (B) was not fixed, the average annual earnings are the
7 product obtained by multiplying his daily wage for the par-
8 ticular employment, or the average thereof if the daily wage
9 has fluctuated, by 300 if he was employed on the basis of a
10 6-day workweek, 280 if employed on the basis of a 5½-day
11 week, and 260 if employed on the basis of a 5-day week.

12 (2) If the employee did not work in employment in which he
13 was employed at the time of his injury during substantially the
14 whole year immediately preceding the injury, but the posi-
15 tion was one which would have afforded employment for substan-
16 tially a whole year, the average annual earnings are a sum equal
17 to the average annual earnings of an employee of the same class
18 working substantially the whole immediately preceding year
19 in the same or similar employment by the United States in
20 the same or neighboring place, as determined under para-
21 graph (1) of this subsection.

22 (3) If either of the foregoing methods of determining the
23 average annual earnings cannot be applied reasonably and fairly,
24 the average annual earnings are a sum that reasonably repre-
25 sents the annual earning capacity of the injured employee in the
26 employment in which he was working at the time of the injury
27 having regard to the previous earnings of the employee in Fed-
28 eral employment, and of other employees of the United States
29 in the same or most similar class working in the same or most
30 similar employment in the same or neighboring location, other
31 previous employment of the employee, or other relevant factors.
32 However, the average annual earnings may not be less than 150
33 times the average daily wage the employee earned in the em-
34 ployment during the days employed within 1 year immediately
35 preceding his injury.

36 (4) If the employee served without pay or at nominal pay,
37 paragraphs (1), (2), and (3) of this subsection apply as far as
38 practicable, but the average annual earnings of the employee
39 may not exceed the minimum rate of basic pay for GS-15. If
40 the average annual earnings cannot be determined reasonably

and fairly in the manner otherwise provided by this section, the average annual earnings shall be determined at the reasonable value of the service performed but not in excess of \$3,600 a year.

(e) The value of subsistence and quarters, and of any other form of remuneration in kind for services if its value can be estimated in money, is included as part of the pay, but account is not taken of—

(1) overtime pay;

(2) additional pay or allowance authorized outside the United States because of differential in cost of living or other special circumstances; or

(3) bonus or premium pay for extraordinary service including bonus or pay for particularly hazardous service in time of war.

§ 8115. Determination of wage-earning capacity

(a) In determining compensation for partial disability, except permanent partial disability compensable under sections 8107–8109 of this title, the wage-earning capacity of an employee is determined by his actual earnings if his actual earnings fairly and reasonably represent his wage-earning capacity. If the actual earnings of the employee do not fairly and reasonably represent his wage-earning capacity or if the employee has no actual earnings, his wage-earning capacity as appears reasonable under the circumstances is determined with due regard to—

(1) the nature of his injury;

(2) the degree of physical impairment;

(3) his usual employment;

(4) his age;

(5) his qualifications for other employment;

(6) the availability of suitable employment; and

(7) other factors or circumstances which may affect his wage-earning capacity in his disabled condition.

(b) Section 8114(d) of this title is applicable in determining the wage-earning capacity of an employee after the beginning of partial disability.

§ 8116. Limitations on right to receive compensation

(a) While an employee is receiving compensation under this subchapter, or if he has been paid a lump sum in commutation of installment payments until the expiration of the period during which the installment payments would have continued, he may not receive salary, pay, or remuneration of any type from the United States, except—

(1) in return for service actually performed; and

1 (2) pension for service in the Army, Navy, or Air Force.

2 However, eligibility for or receipt of benefits under subchapter III
3 of chapter 83 of this title does not impair the right of the employee
4 to compensation for scheduled disabilities specified by section 8107(c)
5 of this title.

6 (b) An individual entitled to benefits under this subchapter because
7 of his injury, or because of the death of an employee, who also is
8 entitled to receive from the United States under a provision of statute
9 other than this subchapter payments or benefits for that injury or
10 death (except proceeds of an insurance policy), because of service by
11 him (or in the case of death, by the deceased) as an employee or in
12 the armed forces, shall elect which benefits he will receive. The
13 individual shall make the election within 1 year after the injury
14 or death or within a further time allowed for good cause by the Sec-
15 retary of Labor. The election when made is irrevocable, except as
16 otherwise provided by statute.

17 (c) The liability of the United States or an instrumentality thereof
18 under this subchapter or any extension thereof with respect to the
19 injury or death of an employee is exclusive and instead of all other
20 liability of the United States or the instrumentality to the employee,
21 his legal representative, spouse, dependents, next of kin, and any
22 other person otherwise entitled to recover damages from the United
23 States or the instrumentality because of the injury or death in a
24 direct judicial proceeding, in a civil action, or in admiralty, or by
25 an administrative or judicial proceeding under a workmen's com-
26 pensation statute or under a Federal tort liability statute. However,
27 this subsection does not apply to a master or a member of a crew of
28 a vessel.

29 **§ 8117. Time of accrual of right**

30 An employee is not entitled to compensation for the first 3 days of
31 temporary disability, except—

32 (1) when the disability exceeds 21 days;

33 (2) when the disability is followed by permanent disability;

34 or

35 (3) as provided by sections 8103 and 8104 of this title.

36 **§ 8118. Election to use annual or sick leave**

37 An employee may use annual or sick leave to his credit at the time
38 disability begins, but his compensation for disability does not begin,
39 and the time periods specified by section 8117 of this title do not
40 begin to run, until the use of the annual or sick leave ends.

1 **§ 8119. Notice of injury; failure to give**

2 (a) An employee injured in the performance of his duty, or some-
3 one on his behalf, shall give notice thereof. The notice shall—

4 (1) be given within 48 hours after the injury;

5 (2) be given to the immediate superior of the employee by per-
6 sonal delivery or by depositing it in the mail properly stamped
7 and addressed;

8 (3) be in writing;

9 (4) state the name and address of the employee;

10 (5) state the year, month, day, and hour when and the particu-
11 lar locality where the injury occurred;

12 (6) state the cause and nature of the injury; and

13 (7) be signed by and contain the address of the individual giv-
14 ing the notice.

15 (b) Compensation may be allowed only if the notice is given
16 within 48 hours after the injury or if the immediate superior of the
17 employee has actual knowledge of the injury. However, the Secretary
18 of Labor may allow compensation if—

19 (1) the notice is filed within 1 year after the injury and
20 reasonable cause for the delay is shown; or

21 (2) the requirement for 48 hours' notice is waived under sec-
22 tion 8122 of this title.

23 **§ 8120. Report of injury**

24 Immediately after an injury to an employee which results in his
25 death or probable disability, his immediate superior shall report to
26 the Secretary of Labor. The Secretary may—

27 (1) prescribe the information that the report shall contain;

28 (2) require the immediate superior to make supplemental re-
29 ports; and

30 (3) obtain such additional reports and information from em-
31 ployees as are agreed on by the Secretary and the head of the
32 employing agency.

33 **§ 8121. Claim**

34 Compensation under this subchapter may be allowed only if an
35 individual or someone on his behalf makes claim therefor. The claim
36 shall—

37 (1) be made in writing within the time specified by section
38 8122 of this title;

39 (2) be delivered to the office of the Secretary of Labor or to
40 an individual whom the Secretary may designate by regulation,

1 or deposited in the mail properly stamped and addressed to the
2 Secretary or his designee;

3 (3) be on a form furnished by the Secretary;

4 (4) contain all information required by the Secretary;

5 (5) be sworn to by the individual entitled to ~~compensation~~, *com-*
6 *pen*sation or someone on his behalf; and

7 (6) except in case of death, be accompanied by a certificate of
8 the physician of the employee stating the nature of the injury
9 and the nature and probable extent of the disability.

10 The Secretary may waive paragraphs (3)–(6) of this section for
11 reasonable cause shown.

12 **§ 8122. Time for making claim**

13 (a) An original claim for compensation—

14 (1) for death shall be made within 1 year after the death;
15 and

16 (2) for disability shall be made within 60 days after the in-
17 jury.

18 However, the Secretary of Labor may allow an original claim for
19 disability to be made within 1 year after the injury for reasonable
20 cause shown.

21 (b) In a case of latent disability due to radiation or other cause,
22 the time for filing claim does not begin to run until the employee has a
23 compensable disability and is aware, or by the exercise of reasonable
24 diligence should have been aware, of the causal relationship of the
25 compensable disability to his employment. In such a case, the time
26 for giving notice of injury begins to run when the employee is aware,
27 or by the exercise of reasonable diligence should have been aware,
28 that his condition is causally related to his employment, whether or
29 not there is a compensable disability.

30 (c) The Secretary may waive compliance with the requirements of
31 this subchapter for giving notice of injury and for filing claim for
32 compensation for disability or death if—

33 (1) a claim is filed within 5 years after the injury or death;
34 and

35 (2) the Secretary finds—

36 (A) that the failure to comply was due to circumstances
37 beyond the control of the individual claiming benefits; or

38 (B) that the individual claiming benefits has shown suffi-
39 cient cause or reason in explanation of, and material prejudice

to the interest of the United States has not resulted from, the failure.

§ 8123. Physical examinations

(a) An employee shall submit to examination by a medical officer of the United States, or by a physician designated or approved by the Secretary of Labor, after the injury and as frequently and at the times and places as may be reasonably required. The employee may have a physician designated and paid by him present to participate in the examination. If there is disagreement between the physician making the examination for the United States and the physician of the employee, the Secretary shall appoint a third physician who shall make an examination.

(b) An employee is entitled to be paid expenses incident to an examination required by the Secretary which in the opinion of the Secretary are necessary and reasonable, including transportation and loss of wages incurred in order to be examined. The expenses, when authorized or approved by the Secretary, are paid from the Employees' Compensation Fund.

(c) The Secretary shall fix the fees for examinations held under this section by physicians not employed by or under contract to the United States to furnish medical services to employees. The fees, when authorized or approved by the Secretary, are paid from the Employees' Compensation Fund.

(d) If an employee refuses to submit to or obstructs an examination, his right to compensation under this subchapter is suspended until the refusal or obstruction stops. Compensation is not payable while a refusal or obstruction continues, and the period of the refusal or obstruction is deducted from the period for which compensation is payable to the employee.

§ 8124. Findings and award

The Secretary of Labor shall determine and make a finding of facts and make an award for or against payment of compensation under this subchapter after—

(1) considering the claim presented by the beneficiary and the report furnished by the immediate superior; and

(2) completing such investigation as he considers necessary.

§ 8125. Misbehavior at proceedings

If an individual—

(1) disobeys or resists a lawful order or process in proceedings

1 under this subchapter before the Secretary of Labor or his rep-
2 resentative; or

3 (2) misbehaves during a hearing or so near the place of hearing
4 as to obstruct it;

5 the Secretary or his representative shall certify the facts to the district
6 court having jurisdiction in the place where he is sitting. The court,
7 in a summary manner, shall hear the evidence as to the acts com-
8 plained of and if the evidence warrants, punish the individual in the
9 same manner and to the same extent as for a contempt committed
10 before the court, or commit the individual on the same conditions as
11 if the forbidden act had occurred with reference to the process of or in
12 the presence of the court.

13 **§ 8126. Subpenas; oaths; examination of witnesses**

14 The Secretary of Labor, on any matter within his jurisdiction under
15 this subchapter, may—

16 (1) issue subpenas for and compel the attendance of witnesses
17 within a radius of 100 miles;

18 (2) administer oaths;

19 (3) examine witnesses; and

20 (4) require the production of books, papers, documents, and
21 other evidence.

22 **§ 8127. Representation; attorneys' fees**

23 (a) A claimant may authorize an individual to represent him in any
24 proceeding under this subchapter before the Secretary of Labor.

25 (b) A claim for legal or other services furnished in respect to a case,
26 claim, or award for compensation under this subchapter is valid only
27 if approved by the Secretary.

28 **§ 8128. Review of award**

29 (a) The Secretary of Labor may review an award for or against
30 payment of compensation at any time on his own motion or on applica-
31 tion. The Secretary, in accordance with the facts found on review,
32 may—

33 (1) end, decrease, or increase the compensation previously
34 awarded; or

35 (2) award compensation previously refused or discontinued.

36 (b) The action of the Secretary or his designee in allowing or deny-
37 ing a payment under this subchapter is—

38 (1) final and conclusive for all purposes and with respect to all
39 questions of law and fact; and

(2) not subject to review by another official of the United States or by a court by mandamus or otherwise.

Credit shall be allowed in the accounts of a certifying or disbursing official for payments in accordance with that action.

§ 8129. Recovery of overpayments

(a) When an overpayment has been made to an individual under this subchapter because of an error of fact or law, adjustment shall be made under regulations prescribed by the Secretary of Labor by decreasing later payments to which the individual is entitled. If the individual dies before the adjustment is completed, adjustment shall be made by decreasing later benefits payable under this subchapter with respect to the individual's death.

(b) Adjustment or recovery by the United States may not be made when incorrect payment has been made to an individual who is without fault and when adjustment or recovery would defeat the purpose of this subchapter or would be against equity and good conscience.

(c) A certifying or disbursing official is not liable for an amount certified or paid by him when—

(1) adjustment or recovery of the amount is waived under subsection (b) of this section; or

(2) adjustment under subsection (a) of this section is not completed before the death of all individuals against whose benefits deductions are authorized.

§ 8130. Assignment of claim

An assignment of a claim for compensation under this subchapter is void. Compensation and claims for compensation are exempt from claims of creditors.

§ 8131. Subrogation of the United States

(a) If an injury or death for which compensation is payable under this subchapter is caused under circumstances creating a legal liability on a person other than the United States to pay damages, the Secretary of Labor may require the beneficiary to—

(1) assign to the United States any right of action he may have to enforce the liability or any right he may have to share in money or other property received in satisfaction of that liability; or

(2) prosecute the action in his own name.

An employee required to appear as a party or witness in the prosecution of such an action is in an active duty status while so engaged.

1 (b) A beneficiary who refuses to assign or prosecute an action in
2 his own name when required by the Secretary is not entitled to
3 compensation under this subchapter.

4 (c) The Secretary may prosecute or compromise a cause of action
5 assigned to the United States. When the Secretary realizes on the
6 cause of action, he shall deduct therefrom and place to the credit of
7 the Employees' Compensation Fund the amount of compensation al-
8 ready paid to the beneficiary and the expense of realization or collec-
9 tion. Any surplus shall be paid to the beneficiary and credited on
10 future payments of compensation payable for the same injury.

11 (d) If an injury or death for which compensation is payable under
12 this subchapter is caused under circumstances creating a legal liability
13 in the Panama Canal Company to pay damages under the law of a
14 State, a territory or possession of the United States, the District of
15 Columbia, or a foreign country, compensation is not payable until
16 the individual entitled to compensation—

17 (1) releases to the Panama Canal Company any right of action
18 he may have to enforce the liability of the Panama Canal Com-
19 pany; or

20 (2) assigns to the United States any right he may have to share
21 in money or other property received in satisfaction of the lia-
22 bility of the Panama Canal Company.

23 **§ 8132. Adjustment after recovery from a third person**

24 If an injury or death for which compensation is payable under this
25 subchapter is caused under circumstances creating a legal liability in
26 a person other than the United States to pay damages, and a benefi-
27 ciary entitled to compensation from the United States for that injury
28 or death receives money or other property in satisfaction of that lia-
29 bility as a result of suit or settlement by him or in his behalf, the
30 beneficiary, after deducting therefrom the costs of suit and a reason-
31 able attorney's fee, shall refund to the United States the amount of
32 compensation paid by the United States and credit any surplus on
33 future payments of compensation payable to him for the same injury.
34 The amount refunded to the United States shall be credited to the
35 Employees' Compensation Fund. If compensation has not been paid
36 to the beneficiary, he shall credit the money or property on compensa-
37 tion payable to him by the United States for the same injury.

38 **§ 8133. Compensation in case of death**

39 (a) If death results from an injury sustained in the performance
40 of duty, the United States shall pay a monthly compensation equal to a

1 percentage of the monthly pay of the deceased employee in accordance
2 with the following schedule:

3 (1) To the widow or widower, if there is no child, 45 percent.

4 (2) To the widow or widower, if there is a child, 40 percent
5 and in addition 15 percent for each child not to exceed a total of
6 75 percent for the widow or widower and children.

7 (3) To the children, if there is no widow or widower, 35 percent
8 for one child and 15 percent additional for each additional child
9 not to exceed a total of 75 percent, divided among the children
10 share and share alike.

11 (4) To the parents, if there is no widow, widower, or child, as
12 follows—

13 (A) 25 percent if one parent was wholly dependent on the
14 employee at the time of death and the other was not depend-
15 ent to any extent;

16 (B) 20 percent to each if both were wholly dependent; or

17 (C) a proportionate amount in the discretion of the Secre-
18 tary of Labor if one or both were partly dependent.

19 If there is a widow, widower, or child, so much of the percentages
20 are payable as, when added to the total percentages payable to the
21 widow, widower, and children, will not exceed a total of 75
22 percent.

23 (5) To the brothers, sisters, grandparents, and grandchildren,
24 if there is no widow, widower, child, or dependent parent, as
25 follows—

26 (A) 20 percent if one was wholly dependent on the
27 employee at the time of death;

28 (B) 30 percent if more than one was wholly dependent,
29 divided among the dependents share and share alike; or

30 (C) 10 percent if no one is wholly dependent but one or
31 more is partly dependent, divided among the dependents
32 share and share alike.

33 If there is a widow, widower, child, or dependent parent, so much
34 of the percentages are payable as, when added to the total per-
35 centages payable to the widow, widower, children, and dependent
36 parents, will not exceed a total of 75 percent.

37 (b) The compensation payable under subsection (a) of this section
38 is paid from the time of death until—

39 (1) a widow dies or remarries;

1 (2) a widower dies or remarries or becomes capable of self-
2 support;

3 (3) a child, a brother, a sister, or a grandchild dies or marries
4 or becomes 18 years of age, or if over age 18 and incapable of self-
5 support becomes capable of self-support; or

6 (4) a parent or grandparent dies or marries or ceases to be
7 dependent.

8 (c) On the cessation of compensation under this section to or on
9 account of an individual, the compensation of the remaining individ-
10 uals entitled to compensation for the unexpired part of the period dur-
11 ing which their compensation is payable, is that which they would
12 have received if they had been the only individuals entitled to compen-
13 sation at the time of the death of the employee.

14 (d) When there are two or more classes of individuals entitled
15 to compensation under this section and the apportionment of compen-
16 sation under this section would result in injustice, the Secretary may
17 modify the apportionment to meet the requirements of the case.

18 (e) The monthly pay for computing compensation under this sec-
19 tion is deemed at least \$240, but the total monthly compensation may
20 not exceed the monthly pay computed under section 8114 of this title
21 or \$525, whichever is less.

22 **§ 8134. Funeral expenses; transportation of body.**

23 (a) If death results from an injury sustained in the performance of
24 duty, the United States shall pay, to the personal representative of
25 the deceased or otherwise, funeral and burial expenses not to exceed
26 \$800, in the discretion of the Secretary of Labor.

27 (b) The body of an employee whose home is in the United States,
28 in the discretion of the Secretary, may be embalmed and transported
29 in a hermetically sealed casket to his home or last place of residence
30 at the expense of the Employees' Compensation Fund if—

31 (1) the employee dies from—

32 (A) the injury while away from his home or official station
33 or outside the United States; or

34 (B) from other causes while away from his home or official
35 station for the purpose of receiving medical or other services,
36 appliances, supplies, or examination under this subchapter;
37 and

38 (2) the relatives of the employee request the return of his body.
39 If the relatives do not request the return of the body of the employee,
40 the Secretary may provide for its disposition and incur and pay from

the Employees' Compensation Fund the necessary and reasonable transportation, funeral, and burial expenses.

§ 8135. Lump-sum payment

The liability of the United States for compensation to a beneficiary in the case of death or of permanent total or permanent partial disability may be discharged by a lump-sum payment equal to the present value of all future payments of compensation computed at 4 percent true discount compounded annually if—

(1) the monthly payment to the beneficiary is less than \$5 a month;

(2) the beneficiary is or is about to become a nonresident of the United States; or

(3) the Secretary of Labor determines that it is for the best ~~interests~~ *interest* of the beneficiary.

The probability of the death of the beneficiary before the expiration of the period during which he is entitled to compensation ~~is~~ *shall be* determined according to the American Experience Table of Mortality, but the lump-sum payment to a widow or widower of the deceased employee may not exceed 60 months' compensation. The probability of the happening of any other contingency affecting the amount or duration of compensation ~~is~~ *shall be* disregarded.

§ 8136. Initial payments outside the United States

If an employee is injured outside the continental United States, the Secretary of Labor may arrange and provide for initial payment of compensation and initial furnishing of other benefits under this subchapter by an employee or agent of the United States designated by the Secretary for that purpose in the locality in which the employee was employed or the injury occurred.

§ 8137. Compensation for noncitizens and nonresidents

(a) When the Secretary of Labor finds that the amount of compensation payable to an employee who is neither a citizen nor resident of the United States or Canada, or payable to a dependent of such an employee, is substantially disproportionate to compensation for disability or death payable in similar cases under local statute, regulation, custom, or otherwise at the place outside the continental United States or Canada where the employee is working at the time of injury, he may provide for payment of compensation on a basis reasonably in accord with prevailing local payments in similar cases by—

(1) the adoption or adaption of the substantive features, by a schedule or otherwise, of local workmen's compensation pro-

visions or other local statute, regulation, or custom applicable in cases of personal injury or death; or

(2) establishing special schedules of compensation for injury, death, and loss of use of members and functions of the body for specific classes of employees, areas, and places.

Irrespective of the basis adopted, the Secretary may at any time—

(A) modify or limit the maximum monthly and total aggregate payments for injury, death, and medical or other benefits;

(B) modify or limit the percentages of the wage of the employee payable as compensation for the injury or death; and

(C) modify, limit, or redesignate the class or classes of beneficiaries entitled to death benefits, including the designation of persons, representatives, or groups entitled to payment under local statute or custom whether or not included in the classes of beneficiaries otherwise specified by this subchapter.

(b) In a case under this section, the Secretary or his designee may—

(1) make a lump-sum award in the manner prescribed by section 8135 of this title when he or his designee considers it to be for the best interest of the United States; and

(2) compromise and pay a claim for benefits, including a claim in which there is a dispute as to jurisdiction or other fact or a question of law.

Compensation paid under this subsection is instead of all other compensation from the United States for the same injury or death, and a payment made under this subsection is deemed compensation under this subchapter and is satisfaction of all liability of the United States in respect to the particular injury or death.

(c) The Secretary may delegate to an employee or agency of the United States, with such limitations and right of review as he considers advisable, authority to process, adjudicate, commute by lump-sum award, compromise, and pay a claim or class of claims for compensation, and to provide other benefits, locally, under this section, in accordance with such regulations and instructions as the Secretary considers necessary. For this purpose, the Secretary may provide or transfer funds, including reimbursement of amounts paid under this subchapter.

(d) The Secretary may waive the application of this subchapter in whole or in part and for such period or periods as he may fix if he finds that—

(1) conditions prevent the establishment of facilities for processing and adjudicating claims under this section; or

(2) claimants under this section are alien enemies.

(e) The Secretary may apply this section retrospectively with adjustment of compensation and benefits as he considers necessary and proper.

§ 8138. Minimum limit modification for noncitizens and aliens

(a) Except as provided by subsection (b) of this section, the minimum limit on monthly compensation for disability under section 8112 of this title and the minimum limit on monthly pay on which death compensation is computed under section 8133 of this title do not apply in the case of a noncitizen employee, or a class or classes of noncitizen employees, who sustain injury outside the continental United States. The Secretary of Labor may establish a minimum monthly pay on which death compensation is computed in the case of a class or classes of such noncitizen employees.

(b) The President may remove or modify the minimum limit on monthly compensation for disability under section 8112 of this title and the minimum limit on monthly pay on which death compensation is computed under section 8133 of this title in the case of an alien employee, or a class or classes of alien employees, of the Canal Zone Government or the Panama Canal Company.

§ 8139. Employees of the District of Columbia

Compensation awarded to an employee of the government of the District of Columbia ~~is~~ *shall be* paid in the manner provided by statute for the payment of the general expenses of the government of the District of Columbia. ~~The Commissioners of the District of Columbia shall submit annually to Congress, through the Bureau of the Budget, estimates of appropriations necessary for this purpose.~~

§ 8140. Members of the Reserve Officers' Training Corps

(a) Subject to the provisions of this section, this subchapter applies to a member of, or applicant for membership in, the Reserve Officers' Training Corps of the Army, Navy, or Air Force who suffers disability or death from an injury incurred in line of duty—

(1) while engaged in a flight or in flight instruction under chapter 103 of title 10; or

(2) while performing authorized travel to or from, or while attending, field training or a practice cruise under chapter 103 of title 10.

1 (b) For the purpose of this section, an injury is incurred in line
2 of duty only if it is the proximate result of the performance of mili-
3 tary training by the member concerned, or of his travel to or from
4 that training, during the periods specified by subsection (a)(2) of
5 this section. A member or applicant for membership who contracts
6 a disease or illness which is the proximate result of the performance
7 of training during the periods specified by subsection (a)(2) of this

37 (a) The total service of an employee or Member is the full years and
38 twelfth parts thereof, excluding from the aggregate the fractional
39 part of a month, if any.

40 (b) The service of an employee shall be credited from the date of

1 original employment to the date of separation on which title to
 2 annuity is based in the civilian service of the Government. Credit may
 3 not be allowed for a period of separation from the service in excess
 4 of 3 calendar days. The service includes—

5 (1) employment as a substitute in the postal field service;

6 (2) service in the Pan American Sanitary Bureau;

7 (3) subject to sections 8334(c) and 8339(h) of this title, service
 8 performed before July 10, 1960, as an employee of a county

 10 committee or an association of producers described by section
 11 610(b) of title 7;

12 (4) service as a student-employee as defined by section 5351
 13 of this title only if he later becomes subject to this subchapter; and

14 (5) a period of satisfactory service of a volunteer or volunteer
 15 leader under chapter 34 of title 22 only if he later becomes subject
 16 to this subchapter.

17 The Civil Service Commission shall accept the certification of the
 18 Secretary of Agriculture or his designee concerning service for the
 19 purpose of this subchapter of the type performed by an employee
 20 named by paragraph (3) of this subsection. For the purpose of para-
 21 graph (5) of this subsection—

22 (A) a volunteer and a volunteer leader are deemed receiving
 23 pay during their service at the respective rates of readjustment
 24 allowances payable under sections 2504(c) and 2505(1) of title
 25 22; and

26 (B) the period of an individual's service as a volunteer or
 27 volunteer leader under chapter 34 of title 22 is the period between
 28 enrollment as a volunteer or volunteer leader and the termination
 29 of that service by the President or by death or resignation.

30 (c) Except as provided by subsection (d) of this section, an em-
 31 ployee or Member shall be allowed credit for periods of military service
 32 before the date of the separation on which title to annuity is based.
 33 However, if an employee or Member is awarded retired pay on account
 34 of military service, his military service may not be credited unless
 35 the retired pay is awarded—

36 (1) on account of a service-connected disability—

37 (A) incurred in combat with an enemy of the United
 38 States; or

39 (B) caused by an instrumentality of war and incurred in

1 line of duty during a period of war as defined by section 301
2 of title 38; or

3 (2) under chapter 67 of title 10.

4 (d) For the purpose of section 8339(c) (1) of this title, a Member—

5 (1) shall be allowed credit only for periods of military service
6 not exceeding 5 years, plus military service performed by the
7 Member on leaving his office, for the purpose of performing mili-
8 tary service, during a war or national emergency proclaimed by
9 the President or declared by Congress and before his final separa-
10 tion from service as Member; and

11 (2) may not receive credit for military service for which credit
12 is allowed for purpose of retired pay under other statute.

13 (e) This subchapter does not affect the right of an employee or
14 Member to retired pay, pension, or compensation in addition to an
15 annuity payable under this subchapter.

16 (f) Credit shall be allowed for leaves of absence without pay
17 granted an employee while performing military service or while re-
18 ceiving benefits under subchapter I of chapter 81 of this title. Except
19 for a substitute in the postal field service, credit may not be allowed
20 for so much of other leaves of absence without pay as exceeds 6 months
21 in the aggregate in a calendar year.

22 (g) An employee who during the period of a war, or of a national
23 emergency as proclaimed by the President or declared by Congress,
24 leaves his position to enter the military service is deemed, for the pur-
25 pose of this subchapter, as not separated from his civilian position be-
26 cause of that military service, unless he applies for and receives a
27 lump-sum credit under this subchapter. However, the employee is
28 deemed as not retaining his civilian position after December 31, 1956,
29 or after the expiration of 5 years of that military service, whichever
30 is later.

31 (h) An employee who—

32 (1) has at least 5 years' Member service; and

33 (2) serves as a Member at any time after August 2, 1946;
34 may not be allowed credit for service which is used in the computation
35 of an annuity under section 8339(c) of this title.

36 (i) An individual who qualifies as an employee under section
37 8331(1) (E) of this title is entitled to credit for his service as a United
38 States Commissioner, which is not credited for the purpose of this
39 subchapter for service performed by him in a capacity other than
40 Commissioner, on the basis of—

(1) $1/313$ of a year for each day on which he performed service as a Commissioner before July 1, 1945; and

(2) $1/260$ of a year for each day on which he performed service as a Commissioner after June 30, 1945.

Credit for service performed as Commissioner may not exceed 313 days in a year before July 1, 1945, or 260 days in a year after June 30, 1945. For the purpose of this subchapter, the employment and pay of a Commissioner is deemed on a daily basis when actually employed.

(j) Notwithstanding any other provision of this section, military service, except military service covered by military leave with pay from a civilian position, performed by an individual after December 1956, and the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22, shall be excluded in determining the aggregate period of service on which an annuity payable under this subchapter to the individual or to his widow or child is based, if the individual, widow, or child is entitled, or would on proper application be entitled, at the time of that determination, to monthly old-age or survivors benefits under section 402 of title 42 based on the individual's wages and self-employment income. If the military service or service as a volunteer or volunteer leader under chapter 34 of title 22 is not excluded by the preceding sentence, but on becoming 62 years of age, the individual or widow becomes entitled, or would on proper application be entitled, to the described benefits, the Civil Service Commission shall redetermine the aggregate period of service on which the annuity is based, effective as of the first day of the month in which he or she becomes 62 years of age, so as to exclude that service. The Secretary of Health, Education, and Welfare, on request of the Commission, shall inform the Commission whether or not the individual, widow, or child is entitled at any named time to the described benefits. For the purpose of this subsection, the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22 is the period between enrollment as a volunteer or volunteer leader and termination of that service by the President or by death or resignation.

§ 8333. Eligibility for annuity

(a) An employee must complete at least 5 years of civilian service before he is eligible for an annuity under this subchapter.

(b) An employee or Member must complete, within the last 2 years before any separation from service, except a separation because of death or disability, at least 1 year of creditable civilian service dur-

1 ing which he is subject to this subchapter before he or his survivors
 2 are eligible for annuity under this subchapter based on the separation.
 3 If an employee or Member, except an employee or Member separated
 4 from the service because of death or disability, fails to meet the service
 5 requirement of the preceding sentence, the amounts deducted from his
 6 pay during the service for which no eligibility for annuity is estab-
 7 lished based on the separation shall be returned to him on the sepa-
 8 ration. Failure to meet this service requirement does not deprive the
 9 individual or his survivors of annuity rights which attached on a
 10 previous separation.

11 (c) A Member or his survivor is eligible for an annuity under this
 12 subchapter only if the amounts named by section 8334 of this title have
 13 been deducted or deposited with respect to his last 5 years of civilian
 14 service.

15 **§ 8334. Deductions, contributions, and deposits**

16 (a) The employing agency shall deduct and withhold 6½ percent
 17 of the basic pay of an employee and 7½ percent of the basic pay of
 18 a Member, and an equal amount shall be contributed from the appro-
 19 priation or fund used to pay the employee or, in the case of an elected
 20 official, from an appropriation or fund available for payment of other
 21 salaries of the same office or establishment. When an employee in
 22 the legislative branch is paid by the Clerk of the House of Repre-
 23 sentatives, the Clerk may pay from the contingent fund of the House
 24 the contribution that otherwise would be contributed from the appro-
 25 priation or fund used to pay the employee. The amounts so deducted
 26 and withheld, together with the amounts so contributed, shall be de-
 27 posited in the Treasury of the United States to the credit of the Fund
 28 under such procedures as the Comptroller General of the United States
 29 may prescribe. Deposits made by an employee or Member under
 30 this section also shall be credited to the Fund.

31 (b) Each employee or Member is deemed to consent and agree to
 32 these deductions from basic pay. Notwithstanding any law or regu-
 33 lation affecting the pay of an employee or Member, payment less
 34 these deductions is a full and complete discharge and acquittance of
 35 all claims and demands for regular services during the period covered
 36 by the payment, except the right to the benefits to which the employee
 37 or Member is entitled under this subchapter.

38 (c) Each employee or Member credited with civilian service after
 39 July 31, 1920, for which retirement deductions or deposits have not

1 been made, may deposit with interest an amount equal to the follow-
 2 ing percentages of his basic pay received for that service :

	Percentage of basic pay	Service period
Employee-----	2½-----	August 1, 1920, to June 30, 1926.
	3½-----	July 1, 1926, to June 30, 1942.
	5 -----	July 1, 1942, to June 30, 1948.
	6 -----	July 1, 1948, to October 31, 1956.
	6½-----	After October 31, 1956.
Member for Member service.	2½-----	August 1, 1920, to June 30, 1926.
	3½-----	July 1, 1926, to June 30, 1942.
	5 -----	July 1, 1942, to August 1, 1946.
	6 -----	August 2, 1946, to October 31, 1956.
	7½-----	After October 31, 1956.

3 (d) Each employee or Member who has received a refund of retire-
 4 ment deductions under this or any other retirement system established
 5 for employees of the Government covering service for which he may
 6 be allowed credit under this subchapter may deposit the amount re-
 7 ceived, with interest. Credit may not be allowed for the service cov-
 8 ered by the refund until the deposit is made.

9 (e) Interest under subsection (c) or (d) of this section is computed
 10 from the mid-point of each service period included in the computation,
 11 or from the date refund was paid, to the date of deposit or commencing
 12 date of annuity, whichever is earlier. The interest is computed at the
 13 rate of 4 percent a year to December 31, 1947, and 3 percent a year
 14 thereafter compounded annually. The deposit may be made in one
 15 or more installments. Interest may not be charged for a period of
 16 separation from the service which began before October 1, 1956.

17 (f) Under such regulations as the Civil Service Commission may
 18 prescribe, amounts deducted under subsection (a) of this section and
 19 deposited under subsections (c) and (d) of this section shall be entered
 20 on individual retirement records.

21 (g) Deposit may not be required for—

- 22 (1) service before August 1, 1920;
 23 (2) military service; or
 24 (3) service for the Panama Railroad Company before January
 25 1, 1924.

26 (h) For the purpose of survivor annuity, deposits authorized by
 27 subsections (c) and (d) of this section may also be made by the sur-
 28 vivor of an employee or Member.

29 § 8335. Mandatory separation

30 (a) Except as otherwise provided by this section, an employee who
 31 becomes 70 years of age and completes 15 years of service shall be auto-

1 matically separated from the service. The separation is effective on
2 the last day of the month in which the employee becomes 70 years of
3 age or completes 15 years of service if then over that age, and pay
4 ends from that day.

5 (b) The employing office shall notify each employee under its
6 direction of the date of his separation from the service at least 60 days
7 in advance thereof, and subsection (a) of this section does not take
8 effect without the consent of the employee until 60 days after he is
9 so notified.

10 (c) The President, by Executive order, may exempt an employee
11 from automatic separation under this section when in his judgment the
12 public interest so requires.

13 (d) The automatic separation provisions of this section do not apply
14 to—

15 (1) an individual named by a statute providing for the con-
16 tinuance of the individual in the service;

17 (2) a Member;

18 (3) a Congressional employee; or

19 (4) an employee in the judicial branch appointed to hold
20 office for a definite term of years.

21 (e) This section applies to an employee of The Alaska Railroad in
22 Alaska, and to an employee who is a citizen of the United States
23 employed on the Isthmus of Panama by the Panama Canal Company
24 or the Canal Zone Government, who becomes 62 years of age and
25 completes 15 years of service in Alaska or on the Isthmus of Panama.

26 **§ 8336. Immediate retirement**

27 (a) An employee who is separated from the service after becoming
28 60 years of age and completing 30 years of service is entitled to an
29 annuity.

30 (b) An employee who is separated from the service after becoming
31 55 years of age (but before becoming 60 years of age) and completing
32 30 years of service is entitled to a reduced annuity.

33 (c) An employee, the duties of whose position are primarily the in-
34 vestigation, apprehension, or detention of individuals suspected or con-
35 victed of offenses against the criminal laws of the United States,
36 including an employee engaged in this activity who is transferred to
37 a supervisory or administrative position, who is separated from the
38 service after becoming 50 years of age and completing 20 years of
39 service in the performance of these duties is entitled to an annuity if
40 the head of his agency recommends his retirement and the Civil Serv-

ice Commission approves that recommendation. The head of the agency and the Commission shall consider fully the degree of hazard to which the employee is subjected in the performance of his duties, instead of the general duties of the class of the position held by the employee. For the purpose of this subsection, "detention" includes the duties of—

(1) employees of the Bureau of Prisons and Federal Prison Industries, Incorporated;

(2) employees of the Public Health Service assigned to the field service of the Bureau of Prisons or of the Federal Prison Industries, Incorporated;

(3) employees in the field service at Army or Navy disciplinary barracks or at confinement and rehabilitation facilities operated by any of the armed forces; and

(4) employees of the Department of Corrections of the District of Columbia, its industries and utilities;

whose duties in connection with individuals in detention suspected or convicted of offenses against the criminal laws of the United States or of the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (chapter 47 of title 10) require frequent (as determined by the appropriate administrative authority with the concurrence of the Commission) direct contact with these individuals in their detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation.

(d) An employee who is involuntarily ~~separated~~ *separated* from the service, except by removal for cause on charges of misconduct or delinquency, after completing 25 years of service or after becoming 50 years of age and completing 20 years of service is entitled to a reduced annuity.

(e) An employee who is separated from the service after becoming 62 years of age and completing 5 years of service is entitled to an annuity.

(f) A Member who is separated from the service after becoming 62 years of age and completing 5 years of civilian service or after becoming 60 years of age and completing 10 years of Member service is entitled to an annuity. A Member who is separated from the service after becoming 55 years of age (but before becoming 60 years of age) and completing 30 years of service is entitled to a reduced annuity. A Member who is separated from the service, except by resignation or expulsion, after completing 25 years of service or after becoming 50

1 years of age and (1) completing 20 years of service or (2) serving in
2 9 Congresses is entitled to a reduced annuity.

3 (g) An annuity or reduced annuity authorized by this section is
4 computed under section 8339 of this title.

5 **§ 8337. Disability retirement**

6 (a) An employee who completes 5 years of civilian service and is
7 found by the Civil Service Commission to have become disabled shall
8 be retired on his own application or on application by his agency. A
9 Member who completes 5 years of Member service and is found by the
10 Commission to have become disabled shall be retired on his own ap-
11 plication. An annuity authorized by this section is computed under
12 section 8339 of this title.

13 (b) A claim may be allowed under this section only if the applica-
14 tion is filed with the Commission before the employee or Member is
15 separated from the service or within 1 year thereafter. This time
16 limitation may be waived by the Commission for an employee or Mem-
17 ber who at the date of separation from service or within 1 year
18 thereafter is mentally incompetent, if the application is filed with the
19 Commission within 1 year from the date of restoration of the em-
20 ployee or Member to competency or the appointment of a fiduciary,
21 whichever is earlier.

22 (c) An annuitant receiving disability retirement annuity from the
23 Fund shall be examined under the direction of the Commission—

24 (1) at the end of 1 year from the date of the disability retire-
25 ment; and

26 (2) annually thereafter until he becomes 60 years of age;
27 unless his disability is permanent in character. If the annuitant fails
28 to submit to examination as required by this section, payment of
29 the annuity shall be suspended until continuance of the disability is
30 satisfactorily established.

31 (d) If an annuitant receiving disability retirement annuity from
32 the Fund, before becoming 60 years of age, recovers from his disability,
33 payment of the annuity terminates on reemployment by the Govern-
34 ment or 1 year after the date of the medical examination showing
35 the recovery, whichever is earlier. If an annuitant receiving dis-
36 ability retirement annuity from the Fund, before becoming 60 years
37 of age, is restored to an earning capacity fairly comparable to the
38 current rate of pay of the position occupied at the time of retirement,
39 payment of the annuity terminates on reemployment by the Govern-
40 ment or 1 year after the end of the calendar year in which earning

1 capacity is so restored, whichever is earlier. Earning capacity is
 2 deemed restored if in each of 2 succeeding calendar years the income
 3 of the annuitant from wages or self-employment or both equals at least
 4 80 percent of the current rate of pay of the position occupied im-
 5 mediately before retirement.

6 (e) If an annuitant whose annuity is terminated under subsection
 7 (d) of this section is not reemployed in a position within the purview
 8 of this subchapter, he is deemed, except for service credit, to have been
 9 involuntarily separated from the service for the purpose of this sub-
 10 chapter as of the date of termination of the disability annuity, and
 11 after that termination is entitled to annuity under the applicable pro-
 12 visions of this subchapter. If an annuitant whose annuity is hereto-
 13 fore or hereafter terminated because of an earning capacity provision
 14 of this subchapter or an earlier statute—

15 (1) is not reemployed in a position within the purview of this
 16 subchapter; and

17 (2) has not recovered from the disability for which he was
 18 retired;

19 his annuity shall be restored at the same rate effective the first of the
 20 year following any calendar year in which his income from wages or
 21 self-employment or both is less than 80 percent of the current rate of
 22 pay of the position occupied immediately before retirement. If an
 23 annuitant whose annuity is heretofore or hereafter terminated because
 24 of a medical finding that he has recovered from disability is not re-
 25 employed in a position within the purview of this subchapter, his
 26 annuity shall be restored at the same rate effective from the date of
 27 medical examination showing a recurrence of the disability. The sec-
 28 ond and third sentences of this subsection do not apply to an individ-
 29 ual who has become 62 years of age and is receiving or is eligible to
 30 receive annuity under the first sentence of this subsection.

31 (f) An individual is not entitled to receive an annuity under this
 32 subchapter and compensation for injury or disability to himself under
 33 subchapter I of chapter 81 of this title covering the same period of
 34 time. This provision does not bar the right of a claimant to the
 35 greater benefit conferred by either subchapter for any part of the
 36 same period of time. Neither this provision nor any provision of
 37 subchapter I of chapter 81 of this title denies to an individual an
 38 annuity accruing to him under this subchapter on account of service
 39 performed by him, or denies any concurrent benefit to him under

1 subchapter I of chapter 81 of this title on account of the death of
2 another individual.

3 (g) The right of an individual entitled to an annuity under this sub-
4 chapter is not affected because he has received a lump-sum payment
5 for compensation under section 8135 of this title. However, if the
6 annuity is payable on account of the same disability for which com-
7 pensation under section 8135 of this title has been paid, so much of
8 the compensation as has been paid for a period extended beyond the
9 date the annuity becomes effective, as determined by the Department
10 of Labor, shall be refunded to that Department to be covered into the
11 Employees' Compensation Fund. Before the individual may receive
12 the annuity he shall—

13 (1) refund to the Department of Labor the amount represent-
14 ing the commuted compensation payments for the extended
15 period; or

16 (2) authorize the deduction of that amount from the annuity
17 payable to him under this subchapter, which amount shall be
18 transmitted to the Department of Labor for reimbursement to the
19 Employees' Compensation Fund.

20 Deductions from the annuity may be made from accrued and accruing
21 payments. When the Department of Labor finds that the financial
22 circumstances of the annuitant warrant deferred refunding, deductions
23 from the annuity may be prorated against and paid from accruing
24 payments in such manner as that Department determines.

25 § 8338. Deferred retirement

26 (a) An employee who is separated from the service or transferred
27 to a position not within the purview of this subchapter after complet-
28 ing 5 years of civilian service is entitled to an annuity beginning at the
29 age of 62 years.

30 (b) A Member who, after December 31, 1955, is separated from the
31 service as a Member after completing 5 years of civilian service is en-
32 titled to an annuity beginning at the age of 62 years. A Member who
33 is separated from the service after completing 10 or more years of
34 Member service is entitled to an annuity beginning at the age of 60
35 years. A Member who is separated from the service after completing
36 20 or more years of service, including 10 or more years of Member
37 service, is entitled to a reduced annuity beginning at the age of 50
38 years.

39 (c) An annuity or reduced annuity authorized by this section is
40 computed under section 8339 of this title.

1 **§ 8339. Computation of annuity**

2 (a) Except as otherwise provided by this section, the annuity of an
3 employee retiring under this subchapter is—

4 (1) $1\frac{1}{2}$ percent of his average pay multiplied by so much of
5 his total service as does not exceed 5 years; plus

6 (2) $1\frac{3}{4}$ percent of his average pay multiplied by so much of
7 his total service as exceeds 5 years but does not exceed 10 years;
8 plus

9 (3) 2 percent of his average pay multiplied by so much of his
10 total service as exceeds 10 years.

11 However, when it results in a larger annuity, 1 percent of his average
12 pay plus \$25 is substituted for the percentage specified by paragraph
13 (1), (2), or (3) of this subsection, or any combination thereof.

14 (b) The annuity of a Congressional employee, or former Congres-
15 sional employee, retiring under this subchapter is computed under sub-
16 section (a) of this section, except, if he has had—

17 (1) at least 5 years' service as a Congressional employee or
18 Member or any combination thereof; and

19 (2) deductions withheld from his pay or has made deposit
20 covering his last 5 years of civilian service;

21 his annuity is computed, with respect to so much of his service as a
22 Congressional employee and his military service as does not exceed a
23 total of 15 years and any Member service, by multiplying $2\frac{1}{2}$ percent
24 of his average pay by the years of that service.

25 (c) The annuity of a Member, or former Member with title to
26 Member annuity, retiring under this subchapter is computed under
27 subsection (a) of this section, except, if he has had at least 5 years'
28 service as a Member or Congressional employee or any combination
29 thereof, his annuity is computed with respect to—

30 (1) his service as a Member and so much of his military service
31 as is creditable for the purpose of this paragraph; and

32 (2) so much of his Congressional employee service as does not
33 exceed 15 years;

34 by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that
35 service.

36 (d) The annuity of an employee retiring under section 8336(c) of
37 this title is 2 percent of his average pay multiplied by his total service.

38 (e) The annuity computed under subsections (a)–(d) of this sec-
39 tion may not exceed 80 percent of—

- 1 (1) the average pay of the employee; or
- 2 (2) the final basic pay of the Member.

3 (f) The annuity of an employee or Member retiring under section
4 8337 of this title is at least the smaller of—

- 5 (1) 40 percent of his average pay; or
- 6 (2) the sum obtained under subsections (a)–(c) of this section
7 after increasing his service of the type last performed by the
8 period elapsing between the date of separation and the date he
9 becomes 60 years of age.

10 However, this subsection does not increase the annuity of a survivor.

11 (g) The annuity computed under subsections (a)–(c) and (e) of
12 this section for an employee retiring under section 8336 (b) or (d) of
13 this title, or a Member retiring under the second or third sentence of
14 section 8336(f) of this title or the third sentence of section 8338(b)
15 of this title, is reduced by $\frac{1}{12}$ of 1 percent for each full month not in
16 excess of 60 months, and $\frac{1}{6}$ of 1 percent for each full month in excess
17 of 60 months, the employee or Member is under 60 years of age at the
18 date of separation.

19 (h) The annuity computed under subsections (a)–(g) of this sec-
20 tion is reduced by 10 percent of a deposit described by section 8334
21 (c) of this title remaining unpaid, unless the employee or Member
22 elects to eliminate the service involved for the purpose of annuity
23 computation.

24 (i) The annuity computed under subsections (a)–(h) of this sec-
25 tion (excluding any increase because of retirement under section 8337
26 of this title) for a married employee or Member retiring under this
27 subchapter, or any portion of that annuity designated in writing for
28 the purpose of section 8341(b) of this title by the employee or Mem-
29 ber at the time of retirement, is reduced by $2\frac{1}{2}$ percent of so much
30 thereof as does not exceed \$3,600 and by 10 percent of so much thereof
31 as exceeds \$3,600, unless the employee or Member notifies the Civil
32 Service Commission in writing at the time of retirement that he does
33 not desire his spouse to receive an annuity under section 8341(b) of
34 this title.

35 (j) At the time of retiring under section 8336 or 8338 of this title,
36 an unmarried employee or Member who is found to be in good health
37 by the Commission may elect a reduced annuity instead of an annuity
38 computed under subsections (a)–(h) of this section and name in writ-
39 ing an individual having an insurable interest in the employee or
40 Member to receive an annuity under section 8341(c) of this title after

the death of the retired employee or Member. The annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual named is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent.

(k) The annuity computed under subsections (a)–(j) of this section for an employee who is a citizen of the United States is increased by \$36 for each year of service in the employ of—

(1) the Alaska Engineering Commission, or The Alaska Railroad, in Alaska between March 12, 1914, and July 1, 1923; or

(2) the Isthmian Canal Commission, or the Panama Railroad Company, on the Isthmus of Panama between May 4, 1904, and April 1, 1914.

§ 8340. Cost-of-living adjustment of annuities

(a) After January 1 of each year the Civil Service Commission shall determine the percent change in the price index from the later of 1962 or the year preceding the most recent cost-of-living adjustment to the latest complete year. On the basis of this determination, and effective April 1 of any year after the price index change equals a rise of at least 3 percent, each annuity payable from the Fund which has a commencing date earlier than January 2 of the preceding year shall be increased by the percent rise in the price index adjusted to the nearest $\frac{1}{10}$ of 1 percent.

(b) Eligibility for an annuity increase under this section is governed by the commencing date of each annuity payable from the Fund as of the effective date of an increase, except as follows:

(1) Effective from the date of the first increase under this section, an annuity payable from the Fund to an annuitant's survivor (except a child entitled under section 8341(e) of this title), which annuity commenced the day after the death of the annuitant, shall be increased as provided by subsection (a) of this section if the commencing date of annuity to the annuitant was earlier than January 2 of the year preceding the first increase.

(2) Effective from its commencing date, an annuity payable from the Fund to an annuitant's survivor (except a child entitled under section 8341(e) of this title), which annuity commences the day after the death of the annuitant and after the effective date of the first increase under this section, shall be increased by the total percent increase the annuitant was receiving under this section at death.

(3) For the purpose of computing an annuity which commences after the effective date of the first increase under this section to a child under section 8341(e) of this title, the items \$600, \$720, \$1,800, and \$2,160 appearing in section 8341(e) of this title shall be increased by the total percent increase allowed and in force under this section, and, in case of a deceased annuitant, the items 40 percent and 50 percent appearing in section 8341(e) of this title shall be increased by the total percent increase allowed and in force under this section to the annuitant at death. Effective from the date of the first increase under this section, this paragraph applies as if the first increase were in effect with respect to computation of the annuity of a child under section 8341(e) of this title which commenced between January 2 of the year preceding the first increase and the effective date of the first increase.

(c) This section does not authorize an increase in an additional annuity purchased at retirement by voluntary contributions.

(d) The monthly installment of annuity after adjustment under this section is fixed at the nearest dollar.

§ 8341. Survivor annuities

(a) For the purpose of this section—

(1) “widow” means the surviving wife of an employee or Member who—

(A) was married to him for at least 2 years immediately before his death; or

(B) is the mother of issue by that marriage;

(2) “widower” means the surviving husband of an employee or Member who—

(A) was married to her for at least 2 years immediately before her death; or

(B) is the father of issue by that marriage;

(3) “dependent widower” means a widower who—

(A) is incapable of self-support because of mental or physical disability; and

(B) received more than half his support from the employee or Member; and

(4) “child” means—

(A) an unmarried child under 18 years of age, including

(i) an adopted child, and (ii) a stepchild or recognized

1 natural child who received more than half his support from
2 and lived with the employee or Member in a regular parent-
3 child relationship;

4 (B) such unmarried child regardless of age who is in-
5 capable of self-support because of mental or physical disa-
6 bility incurred before age 18; or

7 (C) such unmarried child between 18 and 21 years of
8 age who is a student regularly pursuing a full-time course
9 of study or training in residence in a high school, trade
10 school, technical or vocational institute, junior college, col-
11 lege, university, or comparable recognized educational insti-
12 tution.

13 For the purpose of this paragraph and subsection (e) of this
14 section, a child whose 21st birthday occurs before July 1 or after
15 August 31 of a calendar year, and while he is regularly pursuing
16 such a course of study or training, is deemed to have become 21
17 years of age on the first day of July after that birthday. A child
18 who is a student is deemed not to have ceased to be a student
19 during an interim between school years if the interim is not more
20 than 4 months and if he shows to the satisfaction of the Civil
21 Service Commission that he has a bona fide intention of continuing
22 to pursue a course of study or training in the same or different
23 school during the school semester (or other period into which
24 the school year is divided) immediately after the interim.

25 (b) If an employee or Member dies after having retired under
26 this subchapter and is survived by a spouse to whom he was married
27 at the time of retirement, the spouse is entitled to an annuity equal
28 to 55 percent of an annuity computed under section 8339(a)-(h) of
29 this title as may apply with respect to the annuitant, or of such portion
30 thereof as may have been designated for this purpose under section
31 8339(i) of this title, unless the employee or Member has notified the
32 Commission in writing at the time of retirement that he does not
33 desire his spouse to receive this annuity. The annuity of the spouse
34 commences on the day after the retired employee or Member dies.
35 This annuity and the right thereto terminate on the last day of the
36 month before the spouse dies or remarries.

37 (c) The annuity of a survivor named under section 8339(j) of this
38 title is 55 percent of the reduced annuity of the retired employee or
39 Member. The annuity of the survivor commences on the day after

1 the retired employee or Member dies. This annuity and the right
2 thereto terminate on the last day of the month before the survivor dies.

3 (d) If an employee or Member dies after completing at least 5
4 years of civilian service, the widow or dependent widower of the em-
5 ployee or Member is entitled to an annuity equal to 55 percent of an
6 annuity computed under section 8339(a)–(e) and (h) of this title as
7 may apply with respect to the employee or Member. The annuity of
8 the widow or dependent widower commences on the day after the em-
9 ployee or Member dies. This annuity and the right thereto terminate
10 on the last day of the month before—

11 (1) the widow or dependent widower dies or remarries; or

12 (2) the dependent widower becomes capable of self-support.

13 (e) (1) If an employee or Member dies after completing at least 5
14 years of civilian service, or an employee or Member dies after retiring
15 under this subchapter, and is survived by a spouse, each surviving
16 child who received more than half of his support from the em-
17 ployee or Member is entitled to an annuity equal to the smallest of—

18 (A) 40 percent of the average pay of the employee or Member
19 divided by the number of children;

20 (B) \$600; or

21 (C) \$1,800 divided by the number of children.

22 If the employee or Member is not survived by a spouse, each surviving
23 child is entitled to an annuity equal to the smallest of—

24 (i) 50 percent of the average pay of the employee or Member
25 divided by the number of children;

26 (ii) \$720; or

27 (iii) \$2,160 divided by the number of children.

28 (2) The annuity of the child commences on the day after the em-
29 ployee or Member dies. This annuity granted under this subchapter
30 or under the Act of May 29, 1930, as amended from and after February
31 28, 1948, and the right thereto terminate on the last day of the month
32 before the child—

33 (A) becomes 18 years of age unless incapable of self-support;

34 (B) becomes capable of self-support after age 18; or

35 (C) dies or marries.

36 However, the annuity of a child who is a student as described by sub-
37 section (a) (4) of this section terminates on the last day of the month
38 before he—

39 (i) ceases to be such a student;

40 (ii) becomes 21 years of age; or

(iii) dies or marries.

On the death of the surviving spouse or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the spouse or child had not survived the employee or Member.

(f) If a Member heretofore or hereafter separated from the service with title to deferred annuity from the Fund hereafter dies before having established a valid claim for annuity and is survived by a spouse to whom married at the date of separation, the surviving spouse—

(1) is entitled to an annuity equal to 55 percent of the deferred annuity of the Member commencing on the day after the Member dies and terminating on the last day of the month before the surviving spouse dies or remarries; or

(2) may elect to receive the lump-sum credit instead of annuity if the spouse is the individual who would be entitled to the lump-sum credit and files application therefor with the Commission before the award of the annuity.

§ 8342. Lump-sum benefits; designation of beneficiary; order of precedence

(a) An employee or Member who is separated from the service, or is transferred to a position not within the purview of this subchapter, is entitled to be paid the lump-sum credit if his separation or transfer occurs and application for payment is filed with the Civil Service Commission at least 31 days before the earliest commencing date of any annuity for which he is eligible. The receipt of payment of the lump-sum credit by the individual voids all annuity rights under this subchapter, until he is reemployed in the service subject to this subchapter. This subsection also applies to an employee or Member separated before October 1, 1956, after completing at least 20 years of civilian service.

(b) Under regulations prescribed by the Commission, a present or former employee or Member may designate a beneficiary or beneficiaries for the purpose of this subchapter.

(c) Lump-sum benefits authorized by subsections (d)–(f) of this section shall be paid to the person or persons surviving the employee or Member and alive at the date title to the payment arises in the following order of precedence, and the payment bars recovery by any other person:

First, to the beneficiary or beneficiaries designated by the em-

1 employee or Member in a writing received in the Commission before
2 his death.

3 Second, if there is no designated beneficiary, to the widow or
4 widower of the employee or Member.

5 Third, if none of the above, to the child or children of the
6 employee or Member and descendants of deceased children by
7 representation.

8 Fourth, if none of the above, to the parents of the employee or
9 Member or the survivor of them.

10 Fifth, if none of the above, to the duly appointed executor or
11 administrator of the estate of the employee or Member.

12 Sixth, if none of the above, to such other next of kin of the
13 employee or Member as the Commission determines to be entitled
14 under the laws of the domicile of the employee or Member at the
15 date of his death.

16 (d) If an employee or Member dies—

17 (1) without a survivor; or

18 (2) with a survivor or survivors and the right of all survivors
19 terminates before a claim for survivor annuity is filed;
20 or if a former employee or Member not retired dies, the lump-sum
21 credit shall be paid.

22 (e) If all annuity rights under this subchapter based on the service
23 of a deceased employee or Member terminate before the total annuity
24 paid equals the lump-sum credit, the difference shall be paid.

25 (f) If an annuitant dies, annuity accrued and unpaid shall be paid.

26 (g) Annuity accrued and unpaid on the termination, except by
27 death, of the annuity of an annuitant or survivor annuitant shall be
28 paid to that individual. Annuity accrued and unpaid on the death of
29 a survivor annuitant shall be paid in the following order of prece-
30 dence, and the payment bars recovery by any other person:

31 First, to the duly appointed executor or administrator of the
32 estate of the survivor annuitant.

33 Second, if there is no executor or administrator, payment may
34 be made, after 30 days from the date of death of the survivor
35 annuitant, to such next of kin of the survivor annuitant as the
36 Commission determines to be entitled under the laws of the
37 domicile of the survivor annuitant at the date of his death.

38 (h) Amounts deducted and withheld from the basic pay of an em-
39 ployee or Member from the first day of the first month which begins

after he has performed sufficient service (excluding service which the employee or Member elects to eliminate for the purpose of annuity computation under section 8339 of this title) to entitle him to the maximum annuity provided by section 8339 of this title, together with interest on the amounts at the rate of 3 percent a year compounded annually from the date of the deductions to the date of retirement or death, shall be applied toward any deposit due under section 8334 of this title, and any balance not so required is deemed a voluntary contribution for the purpose of section 8343 of this title.

(i) An employee who—

(1) is separated from the service before July 12, 1960; and

(2) continues in the service after July 12, 1960, without break in service of 1 workday or more;

is entitled to the benefits of subsection (h) of this section.

§ 8343. Additional annuities; voluntary contributions

(a) Under regulations prescribed by the Civil Service Commission, an employee or Member may voluntarily contribute additional sums in multiples of \$25, but the total may not exceed 10 percent of his basic pay for creditable service after July 31, 1920. The voluntary contribution account in each case is the sum of unrefunded contributions, plus interest at 3 percent a year compounded annually to—

(1) the date of payment under subsection (d) of this section, separation, or transfer to a position not within the purview of this subchapter, whichever is earliest; or

(2) the commencing date fixed for a deferred annuity or date of death, whichever is earlier, in the case of an individual who is separated with title to deferred annuity and does not claim the voluntary contribution account.

(b) The voluntary contribution account is used to purchase at retirement an annuity in addition to the annuity otherwise provided. For each \$100 in the voluntary contribution account, the additional annuity consists of \$7, increased by 20 cents for each full year, if any, the employee or Member is over 55 years of age at the date of retirement.

(c) A retiring employee or Member may elect a reduced additional annuity instead of the additional annuity described by subsection (b) of this section and designate in writing an individual to receive after his death an annuity of 50 percent of his reduced additional annuity. The additional annuity of the employee or Member making the elec-

tion is reduced by 10 percent, and by 5 percent for each full 5 years the individual designated is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent.

(d) A present or former employee or Member is entitled to be paid the voluntary contribution account if he files application for payment with the Commission before receiving an additional annuity. An individual who has been paid the voluntary contribution account may not again deposit additional sums under this section until, after a separation from the service of more than 3 calendar days, he again becomes subject to this subchapter.

(e) If a present or former employee or Member not retired dies, the voluntary contribution account is paid under section 8342(c) of this title. If all additional annuities or any right thereto based on the voluntary contribution account of a deceased employee or Member terminate before the total additional annuity paid equals the account, the difference is paid under section 8342(c) of this title.

§ 8344. Annuities and pay on reemployment

(a) If an annuitant receiving annuity from the Fund, except—

(1) a disability annuitant whose annuity is terminated because of his recovery or restoration of earning capacity;

(2) an annuitant whose annuity is based on an involuntary separation from the service other than an automatic separation;

or

(3) a Member receiving annuity from the Fund; becomes employed after September 30, 1956, or on July 31, 1956 was serving, in an appointive or elective position, his service on and after the date he was or is so employed is covered by this subchapter. Deductions for the Fund may not be withheld from his pay. An amount equal to the annuity allocable to the period of actual employment shall be deducted from his pay. If the annuitant serves on a full-time basis, except as President, for at least 1 year in employment not excluding him from coverage under section 8331(1)(i) or (ii) of this title—

(A) his annuity on termination of employment is increased by an annuity computed under section 8339 (a), (b), (d), (g), and (h) of this title as may apply based on the period of employment and the basic pay, before deduction, averaged during that employment; and

(B) his lump-sum credit may not be reduced by annuity paid during that employment.

If the described employment of the annuitant continues for at least 5 years, he may elect, instead of the benefits provided by this subsection, to deposit in the Fund an amount computed under section 8334(c) of this title covering that employment and have his rights redetermined under this subchapter. A similar right to redetermination after deposit is applicable to an annuitant—

(i) whose annuity is based on an involuntary separation from the service; and

(ii) who is separated after October 3, 1961, following a period of employment on a full-time basis which began before October 1, 1956.

The employment of an annuitant under this subsection does not create an annuity for or affect the annuity of a survivor.

(b) If a Member receiving annuity from the Fund becomes employed in an appointive or elective position, annuity payments are discontinued during the employment and resumed in the same amount on termination of the employment, except that—

(1) the retired Member or Member separated with title to immediate or deferred annuity, who serves at any time after separation as a Member in an appointive position in which he is within the purview of this subchapter, is entitled, if he so elects, to have his Member annuity computed or recomputed as if the service had been performed before his separation as a Member and the annuity as so computed or recomputed is effective—

(A) the day Member annuity commences; or

(B) the day after the date of separation from the appointive position; whichever is later;

(2) if the retired Member becomes employed after December 31, 1958, in an appointive position on an intermittent-service basis—

(A) his annuity continues during the employment and is not increased as a result of service performed during that employment;

(B) retirement deductions may not be withheld from his pay;

1 (C) an amount equal to the annuity allocable to the period
2 of actual employment shall be deducted from his pay; and

3 (D) the amounts so deducted shall be deposited in the
4 Treasury of the United States to the credit of the Fund;

5 (3) if the retired Member becomes employed after December
6 31, 1958, in an appointive position without pay on a full-time or
7 substantially full-time basis, his annuity continues during the em-
8 ployment and is not increased as a result of service performed
9 during the employment; and

10 (4) if the retired Member takes office as Member and gives
11 notice as provided by section 8331(2) of this title, his service as
12 Member during that period shall be credited in determining his
13 right to and the amount of later annuity.

14 This subsection does not apply to a Member appointed by the Presi-
15 dent to a position not requiring confirmation by the Senate.

16 **§ 8345. Payment of benefits; commencement, termination, and**
17 **waiver of annuity**

18 (a) Each annuity is stated as an annual amount, one-twelfth of
19 which, fixed at the nearest dollar, constitutes the monthly rate payable
20 on the first business day of the month after the month or other period
21 for which it has accrued.

22 (b) Except as otherwise provided, the annuity of an employee or
23 Member commences on the day after he is separated from the service,
24 or on the day after his pay ceases and he meets the service and the age
25 or disability requirements for title to annuity. An annuity payable
26 from the Fund allowed after September 5, 1960, commences on the
27 day after the occurrence of the event on which payment thereof is
28 based.

29 (c) The annuity of a retired employee or Member terminates on the
30 day death or other terminating event provided by this subchapter
31 occurs. The annuity of a survivor terminates on the last day of the
32 month before death or other terminating event occurs.

33 (d) An individual entitled to annuity from the Fund may decline
34 to accept all or any part of the annuity by a waiver signed and filed
35 with the Civil Service Commission. The waiver may be revoked in
36 writing at any time. Payment of the annuity waived may not be
37 made for the period during which the waiver was in effect.

38 (e) Payment due a minor, or an individual mentally incompetent or
39 under other legal disability, may be made to the person who is con-

stituted guardian or other fiduciary by the law of the State of residence of the claimant or is otherwise legally vested with the care of the claimant or his estate. If a guardian or other fiduciary of the individual under legal disability has not been appointed under the law of the State of residence of the claimant, payment may be made to any person who, in the judgment of the Commission, is responsible for the care of the claimant, and the payment bars recovery by any other person.

§ 8346. Exemption from legal process; recovery of payments

(a) The money mentioned by this subchapter is not assignable, either in law or equity, or subject to execution, levy, attachment, garnishment, or other legal process.

(b) Recovery of payments under this subchapter may not be made from an individual when, in the judgment of the Civil Service Commission, the individual is without fault and recovery would be against equity and good conscience. Withholding or recovery of money mentioned by this subchapter on account of a certification or payment made by a former employee of the United States in the discharge of his official duties may be made only if the head of the agency on behalf of which the certification or payment was made certifies to the Commission that the certification or payment involved fraud on the part of the former employee.

§ 8347. Administration; regulations

(a) The Civil Service Commission shall administer this subchapter. Except as otherwise specifically provided herein, the Commission shall perform, or cause to be performed, such acts and prescribe such regulations as are necessary and proper to carry out this subchapter.

(b) Applications under this subchapter shall be in such form as the Commission prescribes. Agencies shall support the applications by such certificates as the Commission considers necessary to the determination of the rights of applicants. The Commission shall adjudicate all claims under this subchapter.

(c) The Commission shall determine questions of disability and dependency arising under this subchapter. The decisions of the Commission concerning these matters are final and conclusive and are not subject to review. The Commission may direct at any time such medical or other examinations as it considers necessary to determine the facts concerning disability or dependency of an individual receiving or

1 applying for annuity under this subchapter. The Commission may
2 suspend or deny annuity for failure to submit to examination.

3 (d) An administrative action or order affecting the rights or inter-
4 ests of an individual or of the United States under this subchapter
5 may be appealed to the Commission under procedures prescribed by
6 the Commission.

7 (e) The Commission shall fix the fees for examinations made under
8 this subchapter by physicians or surgeons who are not medical officers
9 of the United States. The fees and reasonable traveling and other
10 expenses incurred in connection with the examinations are paid from
11 appropriations for the cost of administering this subchapter.

12 (f) The Commission shall select three actuaries, to be known as the
13 Board of Actuaries of the Civil Service Retirement System. The
14 Commission shall fix the pay of the members of the Board, except
15 members otherwise in the employ of the United States. The Board
16 shall report annually on the actuarial status of the System and furnish
17 its advice and opinion on matters referred to it by the Commission.
18 The Board may recommend to the Commission and to Congress
19 such changes as in the Board's judgment are necessary to protect the
20 public interest and maintain the System on a sound financial basis.
21 The Commission shall keep, or cause to be kept, such records as it con-
22 siderers necessary for making periodic actuarial valuations of the Sys-
23 tem. The Board shall make actuarial valuations every 5 years, or
24 oftener if considered necessary by the Commission.

25 (g) The Commission may exclude from the operation of this sub-
26 chapter an employee or group of employees in or under an Executive
27 agency whose employment is temporary or intermittent.

28 (h) The Commission, on recommendation by the Commissioners of
29 the District of Columbia, may exclude from the operation of this sub-
30 chapter an individual or group of individuals employed by the govern-
31 ment of the District of Columbia whose employment is temporary or
32 intermittent.

33 (i) The Architect of the Capitol may exclude from the operation
34 of this subchapter an employee under the Office of the Architect of
35 the Capitol whose employment is temporary or of uncertain duration.

36 (j) The Librarian of Congress may exclude from the operation of
37 this subchapter an employee under the Library of Congress whose
38 employment is temporary or of uncertain duration.

39 (k) The Secretary of Agriculture shall prescribe regulations to

1 effect the application and operation of this subchapter to an individual
2 named by section 8331(1) (F) of this title.

3 **§ 8348. Civil Service Retirement and Disability Fund**

4 (a) There is a Civil Service Retirement and Disability Fund. The
5 Fund is appropriated for the payment of benefits as provided by this
6 subchapter.

7 (b) The Secretary of the Treasury may accept and credit to the
8 Fund money received in the form of a donation, gift, legacy, or be-
9 quest, or otherwise contributed for the benefit of civil-service em-
10 ployees generally.

11 (c) The Secretary shall immediately invest in interest-bearing
12 securities of the United States such currently available portions of the
13 Fund as are not immediately required for payments from the Fund.
14 The income derived from these investments constitutes a part of the
15 Fund.

16 (d) The purposes for which obligations of the United States may be
17 issued under the Second Liberty Bond Act, as amended, are extended
18 to authorize the issuance at par of public-debt obligations for pur-
19 chase by the Fund. The obligations issued for purchase by the Fund
20 shall have maturities fixed with due regard for the needs of the Fund
21 and bear interest at a rate equal to the average market yield computed
22 as of the end of the calendar month next preceding the date of the
23 issue, borne by all marketable interest-bearing obligations of the
24 United States then forming a part of the public debt which are not due
25 or callable until after the expiration of 4 years from the end of that
26 calendar month. If the average market yield is not a multiple of
27 $\frac{1}{8}$ of 1 percent, the rate of interest on the obligations shall be the
28 multiple of $\frac{1}{8}$ of 1 percent nearest the average market yield.

29 (e) The Secretary may purchase other interest-bearing obligations
30 of the United States, or obligations guaranteed as to both principal
31 and interest by the United States, on original issue or at the market
32 price only if he determines that the purchases are in the public interest.

33 (f) The Civil Service Commission shall submit estimates of the
34 appropriations necessary to finance the Fund on a normal cost plus
35 interest basis and to carry out this subchapter.

36 (g) Money now or hereafter contained in the Fund may not be used
37 to pay an increase in annuity benefits or a new annuity benefit under
38 this subchapter or an earlier statute which is authorized by amend-
39 ment thereof until and unless an appropriation is made to the Fund

1 in an amount which the Commission estimates to be sufficient to pre-
 2 vent an immediate increase in the unfunded accrued liability of the
 3 Fund.

(L) by an officer or a member of the crew on or in connection with an American vessel—

(i) owned by or bareboat chartered to the United States; and

(2) "Federal wages" means all pay and allowances, in cash and in kind, for Federal service;

(3) "Federal employee" means an individual who has performed Federal service;

(4) "compensation" means cash benefits payable to an individual with respect to his unemployment including any portion thereof payable with respect to dependents;

(5) "benefit year" means the benefit year as defined by the applicable State unemployment compensation ~~statute~~ law, and if not so defined the term means the period prescribed in the agreement under this subchapter with a State or, in the absence of such an agreement, the period prescribed by the Secretary of Labor; ~~and~~

(6) "State" means the several States, the District of Columbia, and the Commonwealth of Puerto Rico, ~~Rico~~; *Rico*; and

(7) "United States", when used in a geographical sense, means the States.

1 **§ 8502. Compensation under State agreement**

2 (a) The Secretary of Labor, on behalf of the United States, may
3 enter into an agreement with a State, or with an agency administering
4 the unemployment compensation ~~statute~~ *law* of a State, under which
5 the State agency shall—

6 (1) pay, as agent of the United States, compensation under this
7 subchapter to Federal employees; and

8 (2) otherwise cooperate with the Secretary and with other State
9 agencies in paying compensation under this subchapter.

10 (b) Except as provided by subsection (c) of this section, the agree-
11 ment shall provide that compensation will be paid by the State to
12 a Federal employee in the same amount, on the same terms, and
13 subject to the same conditions as the compensation which would
14 be payable to him under the unemployment compensation ~~statute~~ *law*
15 of the State if his Federal service and Federal wages assigned under
16 section 8504 of this title to the State had been included as employ-
17 ment and wages under that State ~~statute~~ *law*.

18 (c) In the case of the Commonwealth of Puerto Rico, the agreement
19 shall provide that compensation will be paid by the Commonwealth
20 to a Federal employee whose Federal service and Federal wages are
21 assigned under section 8504 of this title to the Commonwealth (but
22 only in the case of weeks of unemployment beginning before Janu-
23 ary 1, 1966), in the same amount, on the same terms, and subject to
24 the same conditions as the compensation which would be payable to
25 him under the unemployment compensation ~~statute~~ *law* of the District
26 of Columbia if his Federal service and Federal wages had been in-
27 cluded as employment and wages under that ~~statute~~ *law*. However, if
28 the Federal employee, without regard to his Federal service and
29 Federal wages, has employment or wages sufficient to qualify for
30 compensation during the benefit year under that ~~statute~~ *law*, then pay-
31 ments of compensation under this subsection may be made only on
32 the basis of his Federal service and Federal wages. In applying
33 this subsection, employment and wages under the unemployment com-
34 pensation ~~statute~~ *law* of the Commonwealth may not be combined with
35 Federal service or Federal wages.

36 (d) A determination by a State agency with respect to entitlement
37 to compensation under an agreement is subject to review in the same
38 manner and to the same extent as determinations under the State
39 unemployment compensation ~~statute~~ *law*, and only in that manner and
40 to that extent.

(e) Each agreement shall provide the terms and conditions on which it may be amended or terminated.

§ 8503. Compensation absent State agreement

(a) In the case of a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to a State which does not have an agreement with the Secretary of Labor, the Secretary, under regulations prescribed by him, shall, on the filing by the Federal employee of a claim for compensation under this subsection, pay compensation to him in the same amount, on the same terms, and subject to the same conditions as would be paid to him under the unemployment compensation ~~statute~~ law of the State if his Federal service and Federal wages had been included as employment and wages under that State ~~statute~~ law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State ~~statute~~ law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages. For the purpose of this subsection, "State" does not include the Commonwealth of Puerto Rico in the case of weeks of unemployment beginning before January 1, 1966.

(b) In the case of a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to—

(1) the Virgin Islands; or

(2) the Commonwealth of Puerto Rico with respect to weeks of unemployment beginning before January 1, 1966;

the Secretary, under regulations prescribed by him and on the filing of a claim for compensation under this subsection by the Federal employee, shall pay the compensation to him in the same amounts, on the same terms, and subject to the same conditions as would be paid to him under the unemployment compensation ~~statute~~ law of the District of Columbia if his Federal service and Federal wages had been included as employment and wages under that ~~statute~~ law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that ~~statute~~ law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages. In the case of weeks of unemployment beginning before January 1, 1966, this subsection applies with respect to the Commonwealth of Puerto Rico only if the Com-

monwealth does not have an agreement under this subchapter with the Secretary. In applying this subsection, employment and wages under the unemployment compensation ~~statute~~ law of the Commonwealth may not be combined with Federal service or Federal wages.

(c) A Federal employee whose claim for compensation under subsection (a) or (b) of this section is denied is entitled to a fair hearing under regulations prescribed by the Secretary. A final determination by the Secretary with respect to entitlement to compensation under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 405(g) of title 42.

(d) For the purpose of this section, the Secretary may—

(1) use the personnel and facilities of the agency in the Virgin Islands cooperating with the United States Employment Service under chapter 4B of title 29; and

(2) delegate to officials of that agency the authority granted to him by this section when he considers the delegation to be necessary in carrying out the purpose of this subchapter.

For the purpose of payments made to that agency under chapter 4B of title 29, the furnishing of the personnel and facilities is deemed a part of the administration of the public employment offices of that agency.

§ 8504. Assignment of Federal service and wages

Under regulations prescribed by the Secretary of Labor, the Federal service and Federal wages of a Federal employee shall be assigned to the State in which he had his last official station in Federal service before the filing of his first claim for compensation for the benefit year. However—

(1) if, at the time of filing his first claim, he resides in another State in which he performed, after the termination of his Federal service, service covered under the unemployment compensation ~~statute~~ law of the other State, his Federal service and Federal wages shall be assigned to the other State;

(2) if his last official station in Federal service, before filing his first claim, was outside the United States, his Federal service and Federal wages shall be assigned to the State where he resides at the time he files his first claim; and

(3) if his first claim is filed—

(A) before January 1, 1966, while he is residing in the Commonwealth of Puerto Rico; or

(B) while he is residing in the Virgin Islands;

his Federal service and Federal wages shall be assigned to the one in which he resides.

In the case of a first claim filed before January 1, 1966, "United States" in paragraph (2) of this section does not include the Commonwealth of Puerto Rico.

§ 8505. Payments to States

(a) Each State is entitled to be paid by the United States an amount equal to the additional cost to the State of payments of compensation in accordance with an agreement under this subchapter which would not have been made by the State but for the agreement.

(b) Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Secretary of Labor, the sum that the Secretary estimates the State is entitled to receive under this subchapter for each calendar month. The sum shall be reduced or increased by the amount which the Secretary finds that his estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Secretary and the State agency.

(c) The Secretary, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance with the certification from the funds for carrying out the purposes of this subchapter.

(d) Money paid a State under this subchapter may be used solely for the purposes for which it is paid. Money so paid which is not used for these purposes shall be returned, at the time specified by the agreement, to the Treasury of the United States and credited to current applicable appropriations, funds, or accounts from which payments to States under this subchapter may be made.

(e) An agreement may—

(1) require each State officer or employee who certifies payments or disburses funds under the agreement, or who otherwise participates in its performance, to give a surety bond to the United States in the amount the Secretary considers necessary; and

(2) provide for payment of the cost of the bond from funds for carrying out the purposes of this subchapter.

1 (f) In the absence of gross negligence or intent to defraud the
 2 United States, an individual designated by the Secretary, or designated
 3 under an agreement, as a certifying official is not liable for the pay-
 4 ment of compensation certified by him under this subchapter.

5 (g) In the absence of gross negligence or intent to defraud the
 6 United States, a disbursing official is not liable for a payment by him
 7 under this subchapter if it was based on a voucher signed by a certi-
 8 fying official designated as provided by subsection (f) of this section.

9 (h) For the purpose of payments made to a State under subchapter
 10 III of chapter 7 of title 42, administration by a State agency under
 11 an agreement is deemed a part of the administration of the State un-
 12 employment compensation ~~statute~~ law.

13 § 8506. Dissemination of information

14 (a) Each agency of the United States, *States and each* wholly or
 15 partially owned instrumentality of the United States, ~~Federal land~~
 16 ~~bank, Federal intermediate credit bank, and bank for cooperatives~~
 17 shall make available to State agencies which have agreements under
 18 this subchapter, or to the Secretary of Labor, as the case may be, such
 19 information concerning the Federal service and Federal wages of a
 20 Federal employee as the Secretary considers practicable and necessary
 21 for the determination of the entitlement of the Federal employee to
 22 compensation under this subchapter. The information shall include
 23 the findings of the employing agency concerning—

- 24 (1) whether or not the Federal employee has performed Fed-
 25 eral service;
- 26 (2) the periods of Federal service;
- 27 (3) the amount of Federal wages; and
- 28 (4) the reasons for termination of Federal service.

29 The employing agency shall make the findings in the form and manner
 30 prescribed by regulations of the Secretary. The regulations shall
 31 include provision for correction by the employing agency of errors and
 32 omissions. Findings made in accordance with the regulations are
 33 final and conclusive for the purpose of sections 8502(d) and 8503(c)
 34 of this title. This subsection does not apply with respect to Federal
 35 service and Federal wages covered by subchapter II of this chapter.

36 (b) The agency administering the unemployment compensation
 37 ~~statute~~ law of a State shall furnish the Secretary such information as
 38 he considers necessary or appropriate in carrying out this subchapter.
 39 The information is deemed the report required by the Secretary for
 40 the purpose of section 503(a) (6) of title 42.

1 **§ 8507. False statements and misrepresentations**

2 (a) If a State agency, the Secretary of Labor, or a court of com-
3 petent jurisdiction finds that an individual—

4 (1) knowingly has made, or caused to be made by another, a
5 false statement or representation of a material fact, or knowingly
6 has failed, or caused another to fail, to disclose a material fact;
7 and

8 (2) as a result of that action has received an amount as com-
9 pensation under this subchapter to which he was not entitled;
10 the individual shall repay the amount to the State agency or the Secre-
11 tary. Instead of requiring repayment under this subsection, the State
12 agency or the Secretary may recover the amount by deductions from
13 compensation payable to the individual under this subchapter during
14 the 2-year period after the date of the finding. A finding by a State
15 agency or the Secretary may be made only after an opportunity for a
16 fair hearing, subject to such further review as may be appropriate
17 under sections 8502(d) and 8503(c) of this title.

18 (b) An amount repaid under subsection (a) of this section
19 shall be—

20 (1) deposited in the fund from which payment was made, if
21 the repayment was to a State agency; or

22 (2) returned to the Treasury of the United States and credited
23 to the current applicable appropriation, fund, or account from
24 which payment was made, if the repayment was to the Secretary.

25 **§ 8508. Regulations**

26 The Secretary of Labor may prescribe rules and regulations neces-
27 sary to carry out this subchapter and subchapter II of this chapter.
28 The Secretary, insofar as practicable, shall consult with representa-
29 tives of the State unemployment compensation agencies before pre-
30 scribing rules or regulations which may affect the performance by the
31 State agencies of functions under agreements under this subchapter.

32 **SUBCHAPTER II—EX-SERVICEMEN**

33 **§ 8521. Definitions; application**

34 (a) For the purpose of this subchapter—

35 (1) “Federal service” means active service, including active
36 duty for training purposes, in the armed forces which either
37 began after January 31, 1955, or terminated after October 27,
38 1958, if—

39 (A) that service was continuous for 90 days or more, or

was terminated earlier because of an actual service-incurred injury or disability; and

(B) with respect to that service, the individual—

(i) was discharged or released under conditions other than dishonorable; and

(ii) was not given a bad conduct discharge, or, if an officer, did not resign for the good of the service; and

(2) “Federal wages” means all pay and allowances, in cash and in kind, for Federal service, computed on the basis of the pay and allowances for the pay grade of the individual at the time of his latest discharge or release from Federal service as specified in the schedule applicable at the time he files his first claim for compensation for the benefit year. The Secretary of Labor shall issue, from time to time, after consultation with the Secretary of Defense, schedules specifying the pay and allowances for each pay grade of servicemen covered by this subchapter, which reflect representative amounts for appropriate elements of the pay and allowances whether in cash or in kind.

(b) The provisions of subchapter I of this chapter, subject to the modifications made by this subchapter, apply to individuals who have had Federal service as defined by subsection (a) of this section.

§ 8522. Assignment of Federal service and wages

Notwithstanding section 8504 of this title, Federal service and Federal wages not previously assigned shall be assigned to the State or to the Virgin Islands, as the case may be, in which the claimant first files claim for unemployment compensation after his latest discharge or release from Federal service. This assignment is deemed an assignment under section 8504 of this title for the purpose of this subchapter.

§ 8523. Dissemination of information

(a) When designated by the Secretary of Labor, an agency of the United States shall make available to the appropriate State agency or to the Secretary, as the case may be, such information, including findings in the form and manner prescribed by regulations of the Secretary, as the Secretary considers practicable and necessary for the determination of the entitlement of an individual to compensation under this subchapter.

(b) Subject to correction of errors and omissions as prescribed by regulations of the Secretary, the following are final and conclusive for the purpose of sections 8502(d) and 8503(c) of this title:

(1) Findings by an agency of the United States made in accordance with subsection (a) of this section with respect to—

(A) whether or not an individual has met any condition specified by section 8521(a)(1) of this title;

(B) the periods of Federal service; and

(C) the pay grade of the individual at the time of his latest discharge or release from Federal service.

(2) The schedules of pay and allowances prescribed by the Secretary under section 8521(a)(2) of this title.

§ 8524. Accrued leave

For the purpose of this subchapter, a payment for unused accrued leave under section 501(b) of title 37 at the termination of Federal service is deemed—

(1) to continue that Federal service during the period after the termination with respect to which the individual received the payment; and

(2) Federal wages, subject to regulations prescribed by the Secretary of Labor concerning allocation over the period after termination.

§ 8525. Effect on other statutes

(a) An individual eligible to receive a mustering-out payment under chapter 43 of title 38 is not entitled to compensation under this subchapter with respect to weeks of unemployment completed—

(1) within 30 days after his discharge or release if he receives \$100 in mustering-out payments;

(2) within 60 days after his discharge or release if he receives \$200 in mustering-out payments; or

(3) within 90 days after his discharge or release if he receives \$300 in mustering-out payments.

(b) An individual is not entitled to compensation under this subchapter for any period with respect to which he receives—

~~(1) an education and training allowance under section 1632(a) of title 38;~~

~~(2) (1) a subsistence allowance under chapter 31 of title 38 or under part VIII of Veterans Regulation Numbered 1(a); or~~

~~(2) (2) an educational assistance allowance under chapter 35 of title 38.~~

~~(c) An individual—~~

~~(1) who meets the wage and employment requirements for com-~~

1 pensation under the statute of the State to which his Federal
 2 service and Federal wages have been assigned (or, in the case of
 3 the Commonwealth of Puerto Rico and the Virgin Islands, the
 4 statute of the District of Columbia) but would not meet the
 5 requirements except by the use of the Federal service and Federal
 6 wages; or

7 (2) whose weekly unemployment compensation computed ac-
 8 cording to the statute of the State (or the statute of the District
 9 of Columbia, as the case may be) is increased by the use of the
 10 Federal service and Federal wages;

11 is not thereafter entitled to unemployment compensation under sub-
 12 chapter I of chapter 41 of title 38.

15 (a) For the purpose of this chapter, "employee" means—

16 (1) an employee as defined by section 2105 of this title;

17 (2) a Member of Congress as defined by section 2106 of this
 18 title;

19 (3) a Congressional employee as defined by section 2107 of
 20 this title;

25 (7) a United States ~~commissioner~~ *Commissioner* to whom sub-
 26 chapter III of chapter 83 of this title applies by operation of sec-
 27 tion 8331(1)(E) of this title;

28 (8) an individual employed by a county committee established
 29 under section 590h(b) of title 16; and

(9) an individual appointed to a position on the office staff of a former President under section 1(b) of the Act of August 25, 1958 (72 Stat. 838);

(A) an employee of a corporation supervised by the Farm Credit Administration if private interests elect or appoint a member of the board of directors;

(B) a noncitizen employee whose permanent duty station is outside the United States; or

(C) an employee excluded by regulation of the Civil Service Commission under section 8716(b) of this title.

(b) Notwithstanding subsection (a) of this section, the employment of a teacher in the recess period between two school years in a position other than a teaching position in which he served immediately before the recess period does not qualify the individual as an employee for the purpose of this chapter. For the purpose of this subsection, “teacher” and “teaching position” have the meanings given them by section 901 of title 20.

§ 8702. Automatic coverage

(a) An employee is automatically insured on the date he becomes eligible for insurance and each policy of insurance purchased by the Civil Service Commission under this chapter shall provide for that automatic coverage.

(b) An employee desiring not to be insured shall give written notice to his employing office on a form prescribed by the Commission. If the notice is received before he has become insured, he shall not be insured. If the notice is received after he has become insured, his insurance stops at the end of the pay period in which the notice is received.

§ 8703. Benefit certificate

The Civil Service Commission shall arrange to have each insured employee receive a certificate setting forth the benefits to which he is entitled, to whom the benefits are payable, to whom the claims shall be submitted, and summarizing the provisions of the policy principally affecting him. The certificate is issued instead of the certificate which the insurance company would otherwise be required to issue.

§ 8704. Group insurance; amounts

(a) An employee eligible for insurance is entitled to be insured for an amount of group life insurance approximating his annual pay not

1 exceeding \$20,000 plus an equal amount of group accidental death and
2 dismemberment insurance, in accordance with the following schedule:

If annual pay is—		The amount of group life insur- ance is—	The amount of group accidental death and dis- memberment insurance is—

3 (b) Subject to the conditions and limitations approved by the Civil
4 Service Commission which are contained in the policy purchased by
5 the Commission, the group accidental death and dismemberment in-
6 surance provides payment as follows:

Loss	Amount payable
For loss of life.....	Full amount shown in the schedule in subsection (a) of this section.
Loss of one hand or of one foot or loss of sight of one eye.	One-half the amount shown in the schedule in subsection (a) of this section.
Loss of two or more such members....	Full amount shown in the schedule in subsection (a) of this section.

7 For any one accident the aggregate amount of group accidental death
8 and dismemberment insurance that may be paid may not exceed the
9 amount shown in the schedule in subsection (a) of this section.

10 (c) The Commission shall prescribe regulations providing for the
11 conversion of other than annual rates of pay to annual rates of pay
12 and shall specify the types of pay included in annual pay.

13 (d) In determining the amount of insurance to which an employee
14 is entitled—

15 (1) a change in rate of pay under section 5337 of this title is
16 deemed effective as of the first day of the pay period after the
17 pay period in which the payroll change is approved; and

18 (2) a change in rate of pay under section 5343 of this title is
19 deemed effective as of the date of issuance of the order granting

1 the increase or the effective date of the increase, whichever is
2 later.

3 **§ 8705. Death claims; order of precedence; escheat**

4 (a) The amount of group life insurance and group accidental death
5 insurance in force on an employee at the date of his death shall be
6 paid, on the establishment of a valid claim, to the person or persons
7 surviving at the date of his death, in the following order of prece-
8 dence:

9 First, to the beneficiary or beneficiaries designated by the em-
10 ployee in a writing received in the employing office before death.

11 Second, if there is no designated beneficiary, to the widow or
12 widower of the employee.

13 Third, if none of the above, to the child or children of the em-
14 ployee and descendants of deceased children by representation.

15 Fourth, if none of the above, to the parents of the employee or
16 the survivor of them.

17 Fifth, if none of the above, to the duly appointed executor or
18 administrator of the estate of the employee.

19 Sixth, if none of the above, to other next of kin of the employee
20 entitled under the laws of the domicile of the employee at the date
21 of his death.

22 (b) If, within 1 year after the death of the employee, no claim for
23 payment has been filed by a person entitled under the order of prece-
24 dence named by subsection (a) of this section, or if payment to the
25 person within that period is prohibited by Federal statute or regula-
26 tion, payment may be made in the order of precedence as if the person
27 had predeceased the employee, and the payment bars recovery by any
28 other person.

29 (c) If, within 2 years after the death of the employee, no claim
30 for payment has been filed by a person entitled under the order of
31 precedence named by subsection (a) of this section, and neither the
32 Civil Service Commission nor the administrative office established by
33 the company concerned pursuant to section 8709(b) of this title has
34 received notice that such a claim will be made, payment may be made
35 to the claimant who in the judgment of the Commission is equitably
36 entitled thereto, and the payment bars recovery by any other person.

37 (d) If, within 4 years after the death of the employee, payment
38 has not been made under this section and no claim for payment by a

1 person entitled under this section is pending, the amount payable
2 escheats to the credit of the Employees' Life Insurance Fund.

3 **§ 8706. Termination of insurance**

4 (a) A policy purchased under this chapter shall contain a provision,
5 approved by the Civil Service Commission, to the effect that insurance
6 on an employee stops on his separation from the service or 12 months
7 after discontinuance of his pay, whichever is earlier, subject to a pro-
8 vision for temporary extension of life insurance coverage and for con-
9 version to an individual policy of life insurance under conditions
10 approved by the Commission.

11 (b) If on the date the insurance would otherwise stop the employee
12 retires on an immediate annuity and—

13 (1) his retirement is for disability; or

14 (2) he has completed 12 years of creditable service as deter-
15 mined by the Commission;

16 his life insurance only may be continued, without cost to him, under
17 conditions determined by the Commission. Periods of honorable,
18 active service in the armed forces shall be credited toward the re-
19 quired 12 years if the employee has completed at least 5 years of
20 civilian service. The amount of life insurance continued under this
21 subsection shall be reduced by 2 percent at the end of each full calen-
22 dar month after the date the employee becomes 65 years of age or
23 retires, whichever is later. The Commission may prescribe minimum
24 amounts, not less than 25 percent of the amount of life insurance in
25 force before the first reduction, to which the insurance may be reduced.

26 (c) If on the date the insurance would otherwise stop the employee
27 is receiving benefits under subchapter I of chapter 81 of this title
28 because of disease or injury to himself, his life insurance only may
29 be continued, without cost to him, under conditions determined by
30 the Commission while he is receiving the benefits and is held by the
31 Department of Labor to be unable to return to duty.

32 (d) The insurance granted to an employee stops, except for a 31-day
33 extension of life insurance coverage, on the day immediately before
34 his entry on active duty or active duty for training unless the period
35 of duty is covered by military leave with pay. The insurance does not
36 stop during a period of inactive duty training. For the purpose of
37 this subsection, the terms "active duty", "active duty for training", and
38 "inactive duty training" have the meanings given them by section 101
39 of title 38.

1 **§ 8707. Employee deductions; withholding**

2 During each period in which an employee is insured under a policy
3 of insurance purchased by the Civil Service Commission under section
4 8709 of this title, an amount determined by the Commission shall be
5 withheld from the pay of the employee as his share of the cost of his
6 group life and accidental death and dismemberment insurance. The
7 amount may not exceed the rate of 25 cents biweekly for each \$1,000
8 of his group life insurance. The amount withheld from an employee
9 paid on other than a biweekly basis is determined at a proportional
10 rate adjusted to the nearest cent.

11 **§ 8708. Government contributions**

12 (a) For each period in which an employee is insured under a policy
13 of insurance purchased by the Civil Service Commission under section
14 8709 of this title, a sum computed at a rate determined by the Com-
15 mission shall be contributed from the appropriation or fund which
16 is used to pay him. The sum may not exceed one-half the amount
17 which is withheld from the pay of the employee under section 8707
18 of this title.

19 (b) When an employee is paid by the Clerk of the House of Repre-
20 sentatives, the Clerk may contribute the sum required by subsection
21 (a) of this section from the contingent fund of the House.

22 (c) When the employee is an elected official, the sum required by
23 subsection (a) of this section is contributed from an appropriation
24 or fund available for payment of other salaries of the same office or
25 establishment.

26 **§ 8709. Insurance policies**

27 (a) The Civil Service Commission, without regard to section 5 of
28 title 41, may purchase from one or more life insurance companies a
29 policy or policies of group life and accidental death and dismember-
30 ment insurance to provide the benefits specified by this chapter. A
31 company must meet the following requirements:

32 (1) It must be licensed to transact life and accidental death and
33 dismemberment insurance under the laws of 48 of the States and
34 the District of Columbia.

35 (2) It must have in effect, on the most recent December 31 for
36 which information is available to the Commission, an amount of
37 employee group life insurance equal to at least 1 percent of the
38 total amount of employee group life insurance in the United
39 States in all life insurance companies.

1 (b) A company issuing a policy under subsection (a) of this sec-
 2 tion shall establish an administrative office under a name approved
 3 by the Commission.

4 (c) The Commission at any time may discontinue a policy pur-
 5 chased from a company under subsection (a) of this section.

6 **§ 8710. Reinsurance**

7 (a) The Civil Service Commission shall arrange with a company
 8 issuing a policy under this chapter for the reinsurance, under con-
 9 ditions approved by the Commission, of portions of the total amount
 10 of insurance under the policy, determined under this section, with
 11 other life insurance companies which elect to participate in the
 12 reinsurance.

13 (b) The Commission shall determine for and in advance of a policy
 14 year which companies are eligible to participate as reinsurers and the
 15 amount of insurance under a policy which is to be allocated to the
 16 issuing company and to reinsurers. The Commission shall make this
 17 determination at least every 3 years and when a participating com-
 18 pany withdraws.

19 (c) The Commission shall establish a formula under which the
 20 amount of insurance retained by an issuing company after ceding re-
 21 insurance, and the amount of reinsurance ceded to each reinsurer, is
 22 in proportion to the total amount of each company's group life insur-
 23 ance, excluding insurance purchased under this chapter, in force in
 24 the United States on the determination date, which is the most recent
 25 December 31 for which information is available to the Commission.
 26 In determining the proportions, the portion of a company's group life
 27 insurance in force on the determination date in excess of \$100,000,000
 28 shall be reduced by—

- 29 (1) 25 percent of the first \$100,000,000 of the excess;
- 30 (2) 50 percent of the second \$100,000,000 of the excess;
- 31 (3) 75 percent of the third \$100,000,000 of the excess; and
- 32 (4) 95 percent of the remaining excess.

33 However, the amount retained by or ceded to a company may not
 34 exceed 25 percent of the amount of the company's total life insurance
 35 in force in the United States on the determination date.

36 (d) A fraternal benefit association which is—

- 37 (1) licensed to transact life insurance under the laws of a
- 38 State or the District of Columbia; and

(2) engaged in issuing insurance certificates on the lives of employees of the United States exclusively; is eligible to act as a reinsuring company and may be allocated an amount of reinsurance equal to 25 percent of its total life insurance in force on employees of the United States on the determination date named by subsection (c) of this section.

(e) An issuing company or reinsurer is entitled, as a minimum, to be allocated an amount of insurance under the policy equal to any reduction from December 31, 1953, to the determination date, in the amount of the company's group life insurance under policies issued to associations of employees of the United States. However, any increase under this subsection in the amount allocated is reduced by the amount in force on the determination date of any policy covering life insurance agreements assumed by the Commission.

(f) The Commission may modify the computations under this section as necessary to carry out the intent of this section.

§ 8711. Basic tables of premium rates

(a) A policy purchased under this chapter shall include, for the first policy year, basic tables of premium rates as follows:

(1) For group life insurance, a schedule of basic premium rates by age which the Civil Service Commission determines to be consistent with the lowest schedule of basic premium rates generally charged for new group life insurance policies issued to large employers.

(2) For group accidental death and dismemberment insurance, a basic premium rate which the Commission determines is consistent with the lowest rate generally charged for new group accidental death and dismemberment policies issued to large employers.

The schedule for group life insurance, except as otherwise provided by this section, shall be applied to the distribution by age of the amounts of group life insurance under the policy at its date of issuance to determine an average basic premium rate per \$1,000 of life insurance.

(b) The policy shall provide that the basic premium rates determined for the first policy year continue for later policy years except as readjusted for a later year based on experience under the policy. The company issuing the policy may make the readjust-

1 ment on a basis that the Commission determines in advance of the
 2 policy year is consistent with the general practice of life insurance
 3 companies under policies of group life and group accidental death
 4 and dismemberment insurance issued to large employers.

5 (c) The policy shall provide that if the Commission determines
 6 that ascertaining the actual age distribution of the amounts of group
 7 life insurance in force at the date of issue of the policy or at the end
 8 of the first or any later year of insurance thereunder would not
 9 be possible except at a disproportionately high expense, the Commis-
 10 sion may approve the determination of a tentative average group life
 11 premium rate, for the first or any later policy year, instead of
 12 using the actual age distribution. The Commission, on request by the
 13 company issuing the policy, shall redetermine the tentative average
 14 premium rate during any policy year, if experience indicates that the
 15 assumptions made in determining that rate were incorrect for that
 16 year.

17 (d) The policy shall stipulate the maximum expense and risk
 18 charges for the first policy year. The Commission shall determine
 19 these charges on a basis consistent with the general level of charges
 20 made by life insurance companies under policies of group life and
 21 accidental death and dismemberment insurance issued to large em-
 22 ployers. The maximum charges continue from year to year, except
 23 that the Commission may redetermine them for any year either by
 24 agreement with the company issuing the policy or on written notice
 25 given to the company at least 1 year before the beginning of the year
 26 for which the redetermined maximum charges will be effective.

27 **§ 8712. Annual accounting; special contingency reserve**

28 A policy purchased under this chapter shall provide for an account-
 29 ing to the Civil Service Commission not later than 90 days after the
 30 end of each policy year. The accounting shall set forth, in a form
 31 approved by the Commission—

32 (1) the amounts of premiums actually accrued under the
 33 policy from its date of issue to the end of the policy year;

34 (2) the total of all mortality and other claim charges incurred
 35 for that period; and

36 (3) the amounts of the insurers' expense and risk charges for
 37 that period.

38 An excess of the total of paragraph (1) of this section over the sum of
 39 paragraphs (2) and (3) of this section shall be held by the company
 40 issuing the policy as a special contingency reserve to be used by the

1 company only for charges under the policy. The reserve shall bear in-
 2 terest at a rate determined in advance of each policy year by the com-
 3 pany and approved by the Commission as being consistent with the
 4 rates generally used by the company for similar funds held under other
 5 group life insurance policies. When the Commission determines that
 6 the special contingency reserve has attained an amount estimated by
 7 it to make satisfactory provision for adverse fluctuations in future
 8 charges under the policy, any further excess shall be deposited in the
 9 Treasury of the United States to the credit of the Employees' Life
 10 Insurance Fund. When a policy is discontinued, any balance remain-
 11 ing in the special contingency reserve after all charges have been made
 12 shall be deposited in the Treasury to the credit of the Fund. The
 13 company may make the deposit in equal monthly installments over a
 14 period of not more than 2 years.

15 **§ 8713. Advisors**

16 (a) There is an Advisory Council on Group Insurance consisting of
 17 the Secretary of the Treasury as Chairman, the Secretary of Labor,
 18 and the Director of the Bureau of the Budget. The Council mem-
 19 bers serve without additional pay. The Council shall—

20 (1) meet once a year, or oftener as called by the Civil Service
 21 Commission;

22 (2) review the operations under this chapter; and

23 (3) advise the Commission on matters of policy relating to its
 24 activities thereunder.

25 (b) The Chairman of the Commission shall appoint a committee
 26 composed of five employees insured under this chapter, who serve
 27 without additional pay, to advise the Commission regarding matters
 28 of concern to employees under this chapter.

29 **§ 8714. Employees' Life Insurance Fund**

30 (a) The amounts withheld from employees under section 8707 of
 31 this title and the sums contributed from appropriations and funds
 32 under section 8708 of this title shall be deposited in the Treasury of
 33 the United States to the credit of the Employees' Life Insurance Fund.
 34 The Fund is available without fiscal year limitation for—

35 (1) premium payments under an insurance policy purchased
 36 under this chapter; and

37 (2) expenses incurred by the Civil Service Commission in the
 38 administration of this chapter within the limitations that may
 39 be specified annually by appropriation acts.

40 (b) The Secretary of the Treasury may invest and reinvest any of

1 the money in the Fund in interest-bearing obligations of the United
 2 States, and may sell these obligations for the purposes of the Fund.
 3 The interest on and the proceeds from the sale of these obligations,
 4 and the income derived from dividend or premium rate adjustments
 5 from insurers, become a part of the Fund.

6 § 8715. Jurisdiction of courts

7 The district courts of the United States have original jurisdiction,
 8 concurrent with the Court of Claims, of a civil action or claim against
 9 the United States founded on this chapter.

10 § 8716. Regulations

11 (a) The Civil Service Commission may prescribe regulations neces-
 12 sary to carry out the purposes of this chapter.

13 (b) The regulations of the Commission may prescribe the time at
 14 which and the conditions under which an employee is eligible for
 15 coverage under this chapter. The Commission, after consulting the
 16 head of the agency or other employing authority concerned, may
 17 exclude an employee on the basis of the nature and type of his
 18 employment or conditions pertaining to it, such as short-term appoint-
 19 ment, seasonal, intermittent or part-time employment, and employ-
 20 ment of like nature. The Commission may not exclude—

21 (1) an employee or group of employees solely on the basis of
 22 the hazardous nature of employment; or

23 (2) a teacher in the employ of the Board of Education of the
 24 District of Columbia, whose pay is fixed by section 1501 of title
 25 31, District of Columbia Code, on the basis of the fact that the
 26 teacher is serving under a temporary appointment if the teacher
 27 has been so employed by the Board for a period or periods
 28 totaling not less than two school years.

29 (c) The Secretary of Agriculture shall prescribe regulations to
 30 effect the application and operation of this chapter to an individual
 31 named by section 8701 (a) (8) of this title.

§ 8902. Contracting authority

(a) The Civil Service Commission may contract with qualified carriers offering plans described by section 8903 of this title, without regard to section 5 of title 41 or other statute requiring competitive bidding. Each contract shall be for a uniform term of at least 1 year, but may be made automatically renewable from term to term in the absence of notice of termination by either party.

(b) To be eligible as a carrier for the plan described by section 8903(2) of this title, a company must be licensed to issue group health insurance in all the States and the District of Columbia.

(c) A contract for a plan described by section 8903(1) or (2) of this title shall require the carrier—

(1) to reinsure with other companies which elect to participate, under an equitable formula based on the total amount of their group health insurance benefit payments in the United States during the latest year for which the information is available, to be determined by the carrier and approved by the Commission; or

(2) to allocate its rights and obligations under the contract among its affiliates which elect to participate, under an equitable formula to be determined by the carrier and the affiliates and approved by the Commission.

(d) Each contract under this chapter shall contain a detailed statement of benefits offered and shall include such maximums, limitations, exclusions, and other definitions of benefits as the Commission considers necessary or desirable.

(e) The Commission may prescribe reasonable minimum standards for health benefits plans described by section 8903 of this title and for carriers offering the plans. Approval of a plan may be withdrawn only after notice and opportunity for hearing to the carrier concerned without regard to subchapter II of chapter 5 and chapter 7 of this title. The Commission may terminate the contract of a carrier effective at the end of the contract term, if the Commission finds that at no time during the preceding two contract terms did the carrier have 300 or more employees and annuitants, exclusive of family members, enrolled in the plan.

1 (f) A contract may not be made or a plan approved which excludes
2 an individual because of race, sex, health status, or, at the time of the
3 first opportunity to enroll, because of age.

4 (g) A contract may not be made or a plan approved which does
5 not offer to each employee or annuitant whose enrollment in the plan
6 is ended, except by a cancellation of enrollment, a temporary extension
7 of coverage during which he may exercise the option to convert, with-
8 out evidence of good health, to a nongroup contract providing health
9 benefits. An employee or annuitant who exercises this option shall
10 pay the full periodic charges of the nongroup contract.

11 (h) The benefits and coverage made available under subsection (g)
12 of this section are noncancelable by the carrier except for fraud, over-
13 insurance, or nonpayment of periodic charges.

14 (i) Rates charged under health benefits plans described by section
15 8903 of this title shall reasonably and equitably reflect the cost of the
16 benefits provided. Rates under health benefits plans described by sec-
17 tion 8903 (1) and (2) of this title shall be determined on a basis
18 which, in the judgment of the Commission, is consistent with the low-

20 benefit plans issued to large employers. The rates determined for the
21 first contract term shall be continued for later contract terms, ex-
22 cept that they may be readjusted for any later term, based on past
23 experience and benefit adjustments under the later contract. Any
24 readjustment in rates shall be made in advance of the contract term
25 in which they will apply and on a basis which, in the judgment of the
26 Commission, is consistent with the general practice of carriers which
27 issue group health benefit plans to large employers.

28 **§ 8903. Health benefits plans**

29 The Civil Service Commission may contract for or approve the
30 following health benefits plans:

31 (1) **SERVICE BENEFIT PLAN.**—One Government-wide plan,

38 his family.

The group shall include physicians representing at least three major medical specialties who receive all or a substantial part of their professional income from the prepaid funds.

(B) **INDIVIDUAL-PRACTICE PREPAYMENT PLANS.**—Individual-practice prepayment plans which offer health services in whole or substantial part on a prepaid basis, with professional services thereunder provided by individual physicians who agree, under certain conditions approved by the Commission, to accept the payments provided by the plans as full payment for covered services given by them including, in addition to in-hospital services, general care given in their offices and the patients' homes, out-of-hospital diagnostic procedures, and preventive care, and which plans are offered by organizations which have successfully operated similar plans before approval by the Commission of the plan in which employees may enroll.

17 eral hospital and for other health services of a catastrophic nature.

18 **§ 8905. Election of coverage**

19 (a) An employee may enroll in an approved health benefits plan
20 described by section 8903 of this title either as an individual or for
21 self and family.

22 (b) An annuitant who at the time he becomes an annuitant was
23 enrolled in a health benefits plan under this chapter—

24 (1) as an employee for a period of not less than—

25 (A) the 5 years of service immediately before retirement;

26 (B) the full period or periods of service between the last
27 day of the first period, as prescribed by regulations of the
28 Civil Service Commission, in which he is eligible to enroll in
29 the plan and the date on which he becomes an annuitant; or

30 (C) the full period or periods of service beginning with
31 the enrollment which became effective before January 1, 1965,

38 but not both, may enroll for self and family, or each spouse may enroll
39 as an individual. However, an individual may not be enrolled both
40 as an employee or annuitant and as a member of the family.

41 (d) An employee or annuitant enrolled in a health benefits plan

under this chapter may change his coverage or that of himself and members of his family by an application filed within 60 days after a change in family status or at other times and under conditions prescribed by regulations of the Commission.

(e) An employee or annuitant may transfer his enrollment from a health benefits plan described by section 8903 of this title to another plan described by that section at the times and under the conditions prescribed by regulations of the Commission.

§ 8906. Contributions

(a) Except as provided by subsection (b) of this section, the Government contribution for health benefits for employees or annuitants enrolled in health benefits plans under this chapter, in addition to the contributions required by subsection (c) of this section, is 50 percent of the lowest rates charged by a carrier for a level of benefits offered by a plan under section 8903 (1) or (2) of this title, but—

(1) not less than \$1.25 or more than \$1.75 biweekly for an employee or annuitant who is enrolled for self alone; and

(2) not less than \$3 or more than \$4.25 biweekly for an employee or annuitant who is enrolled for self and family.

(b) The Government contribution for an employee or annuitant enrolled in a plan described by section 8903 (3) or (4) of this title for which the biweekly subscription charge is less than twice the Government contribution established under subsection (a) of this section, is 50 percent of the subscription charge.

(c) There shall be withheld from the pay of each enrolled employee and the annuity of each enrolled annuitant and there shall be contributed by the Government, amounts, in the same ratio as the contributions of the employee or annuitant and the Government under subsections (a) and (b) of this section, which are necessary for the administrative costs and the reserves provided for by section 8909 (b) of this title.

(d) The amount necessary to pay the total charge for enrollment, after the Government contribution is deducted, shall be withheld from the pay of each enrolled employee and from the annuity of each enrolled annuitant. The withholding for an annuitant shall be the same as that for an employee enrolled in the same health benefits plan and level of benefits.

(e) An employee enrolled in a health benefits plan under this chapter who is placed in a leave without pay status may have his coverage and the coverage of members of his family continued under the plan for not to exceed 1 year under regulations prescribed by the

1 Commission. The regulations may provide for the waiving of con-
 2 tributions by the employee and the Government.

3 (f) The Government contributions for health benefits for an em-
 4 ployee shall be paid—

5 (1) in the case of employees generally, from the appropriation
 6 or fund which is used to pay the employee;

7 (2) in the case of an elected official, from an appropriation or
 8 fund available for payment of other salaries of the same office
 9 or establishment;

10 (3) in the case of an employee of the legislative branch who
 11 is paid by the Clerk of the House of Representatives, from the

 15 employee if he were in a pay status.

16 (g) The Government contributions authorized by subsection (a) of
 17 this section for health benefits for an annuitant shall be paid from an-
 18 nual appropriations which are authorized to be made for that purpose.

19 (h) The Commission shall provide for conversion of biweekly rates
 20 of contribution specified by this section to rates for employees and
 21 annuitants paid on other than a biweekly basis, and for this purpose
 22 may provide for the adjustment of the converted rate to the nearest
 23 cent.

24 **§ 8907. Information to employees**

25 (a) The Civil Service Commission shall make available to each
 26 employee eligible to enroll in a health benefits plan under this chapter
 27 such information, in a form acceptable to the Commission after con-
 28 sultation with the carrier, as may be necessary to enable the employee
 29 to exercise an informed choice among the types of plans described by
 30 section 8903 of this title.

31 (b) Each employee enrolled in a health benefits plan shall be issued
 32 an appropriate document setting forth or summarizing the—

33 (1) services or benefits, including maximums, limitations, and
 34 exclusions, to which the employee or the employee and members
 35 of his family are entitled thereunder;

36 (2) procedure for obtaining benefits; and

37 (3) principal provisions of the plan affecting the employee or
 38 members of his family.

39 **§ 8908. Coverage of restored employee**

40 An employee enrolled in a health benefits plan under this chapter
 41 who is removed or suspended without pay and later reinstated or re-

1 stored to duty on the ground that the removal or suspension was un-
2 justified or unwarranted may, at his option, enroll as a new employee
3 or have his coverage restored, with appropriate adjustments made
4 in contributions and claims, to the same extent and effect as though
5 the removal or suspension had not taken place.

6 **§ 8909. Employees Health Benefits Fund**

7 (a) There is in the Treasury of the United States an Employees
8 Health Benefits Fund which is administered by the Civil Service Com-
9 mission. The contributions of employees, annuitants, and the Govern-
10 ment described by section 8906 of this title shall be paid into the
11 Fund. The Fund is available—

12 (1) without fiscal year limitation for all payments to approved
13 health benefits plans; and

14 (2) to pay expenses for administering this chapter within the
15 limitations that may be specified annually by Congress.

16 (b) Portions of the contributions made by employees, annuitants,
17 and the Government shall be regularly set aside in the Fund as follows:

18 (1) A percentage, not to exceed 1 percent of all contributions,
19 determined by the Commission to be reasonably adequate to pay
20 the administrative expenses made available by subsection (a) of
21 this section.

22 (2) For each health benefits plan, a percentage, not to exceed
23 3 percent of the contributions toward the plan, determined by the
24 Commission to be reasonably adequate to provide a contingency
25 reserve.

26 The Commission, from time to time and in amounts it considers
27 appropriate, may transfer unused funds for administrative expenses
28 to the contingency reserves of the plans then under contract with the
29 Commission. When funds are so transferred, each contingency reserve
30 shall be credited in proportion to the total amount of the subscription
31 charges paid and accrued to the plan for the contract term immediately
32 before the contract term in which the transfer is made. The income
33 derived from dividends, rate adjustments, or other refunds made
34 by a plan shall be credited to its contingency reserve. The con-
35 tingency reserves may be used to defray increases in future rates,
36 or may be applied to reduce the contributions of employees and
37 the Government to, or to increase the benefits provided by, the plan
38 from which the reserves are derived, as the Commission from time to
39 time shall determine.

40 (c) The Secretary of the Treasury may invest and reinvest any
41 of the money in the Fund in interest-bearing obligations of the United

1 States, and may sell these obligations for the purposes of the Fund.
 2 The interest on and the proceeds from the sale of these obligations
 3 become a part of the Fund.

4 (d) When the assets, liabilities, and membership of employee orga-
 5 nizations sponsoring or underwriting plans approved under section
 6 8903(3) of this title are merged, the assets (including contingency
 7 reserves) and liabilities of the plans sponsored or underwritten by the
 8 merged organizations shall be transferred at the beginning of the con-
 9 tract term next following the date of the merger to the plan sponsored
 10 or underwritten by the successor organization. Each employee or
 11 annuitant affected by a merger shall be transferred to the plan spon-
 12 sored or underwritten by the successor organization unless he enrolls
 13 in another plan under this chapter.

14 (e) Except as provided by subsection (d) of this section, when a
 15 plan described by section 8903 (3) or (4) of this title is discontinued
 16 under this chapter, the contingency reserve of that plan shall be cred-
 17 ited to the contingency reserves of the plans continuing under this
 18 chapter for the contract term following that in which termination
 19 occurs, each reserve to be credited in proportion to the amount of the
 20 subscription charges paid and accrued to the plan for the year of
 21 termination.

22 **§ 8910. Studies, reports, and audits**

23 (a) The Civil Service Commission shall make a continuing study
 24 of the operation and administration of this chapter, including sur-
 25 veys and reports on health benefits plans available to employees and
 26 on the experience of the plans.

27 (b) Each contract entered into under section 8902 of this title
 28 shall contain provisions requiring carriers to—

29 (1) furnish such reasonable reports as the Commission deter-
 30 mines to be necessary to enable it to carry out its functions
 31 under this chapter; and

32 (2) permit the Commission and representatives of the General
 33 Accounting Office to examine records of the carriers as may be
 34 necessary to carry out the purposes of this chapter.

35 (c) Each Government agency shall keep such records, make such
 36 certifications, and furnish the Commission with such information and
 37 reports as may be necessary to enable the Commission to carry out
 38 its functions under this chapter.

39 **§ 8911. Advisory committee**

40 The Chairman of the Civil Service Commission shall appoint a com-
 41 mittee composed of five members, who serve without pay, to advise

the Commission regarding matters of concern to employees under this chapter. Each member of the committee shall be an employee enrolled under this chapter or an elected official of an employee organization.

§ 8912. Jurisdiction of courts

The district courts of the United States have original jurisdiction, concurrent with the Court of Claims, of a civil action or claim against the United States founded on this chapter.

§ 8913. Regulations

(a) The Civil Service Commission may prescribe regulations necessary to carry out this chapter.

(b) The regulations of the Commission may prescribe the time at which and the manner and conditions under which an employee is eligible to enroll in an approved health benefits plan described by section 8903 of this title. 17 “On the entry of a final order reviewable under this chapter, the

40 orders reviewable under this chapter are heard in the court of appeals

1 on the record of the pleadings, evidence adduced, and proceedings be-
 2 fore the agency, when the agency has held a hearing whether or not
 3 required to do so by law.

4 “(b) When the agency has not held a hearing before taking the ac-

 6 determine whether a hearing is required by law. After that determi-
 7 nation, the court shall—

8 “(1) remand the proceedings to the agency to hold a hearing,
 9 when a hearing is required by law;

10 “(2) pass on the issues presented, when a hearing is not re-

34 **“§ 2348. Representation in proceeding; intervention**

35 “The Attorney General is responsible for and has control of the
 36 interests of the Government in all court proceedings under this chap-
 37 ter. The agency, and any party in interest in the proceeding before
 38 the agency whose interests will be affected if an order of the agency
 39 is or is not enjoined, set aside, or suspended, may appear as parties

1 counsel in any proceeding to review the order. Communities, associa-
2 tions, corporations, firms, and individuals, whose interests are affected
3 by the order of the agency, may intervene in any proceeding to review
4 the order. The Attorney General may not dispose of or discontinue

8 **“§ 2349. Jurisdiction of the proceeding**

9 “(a) The court of appeals has jurisdiction of the proceeding on

16 or suspending, in whole or in part, the order of the agency.

17 “(b) The filing of the petition to review does not of itself stay or
18 suspend the operation of the order of the agency, but the court of
19 appeals in its discretion may restrain or suspend, in whole or in part,
20 the operation of the order pending the final hearing and determination
21 of the petition. When the petitioner makes application for an inter-
22 locutory injunction restraining or suspending the enforcement, opera-
23 tion, or execution of, or setting aside, in whole or in part, any order
24 reviewable under this chapter, at least 5 days’ notice of the hearing
25 thereon shall be given to the agency and to the Attorney General. In
26 a case in which irreparable damage would otherwise result to the pe-
27 titioner, the court of appeals may, on hearing, after reasonable notice
28 to the agency and to the Attorney General, order a temporary stay or
29 suspension, in whole or in part, of the operation of the order of the
30 agency for not more than 60 days from the date of the order pending
31 the hearing on the application for the interlocutory injunction, in
32 which case the order of the court of appeals shall contain a specific
33 finding, based on evidence submitted to the court of appeals, and identi-
34 fied by reference thereto, that irreparable damage would result to the
35 petitioner and specifying the nature of the damage. The court of
36 appeals, at the time of hearing the application for an interlocutory
37 injunction, on a like finding, may continue the temporary stay or
38 suspension, in whole or in part, until decision on the application. The
39 hearing on an application for an interlocutory injunction shall be
40 given preference and expedited and shall be heard at the earliest prac-

1 ticable date after the expiration of the notice of hearing on the appli-
 2 cation. On the final hearing of any proceeding to review any order
 3 under this chapter, the same requirements as to precedence and expe-
 4 dition apply.

5 **“§ 2350. Review in Supreme Court on certiorari or certification**

6 “(a) An order granting or denying an interlocutory injunction
 7 under section 2349(b) of this title and a final judgment of the court
 8 of appeals in a proceeding to review under this chapter are subject to
 9 review by the Supreme Court on a writ of certiorari as provided by
 10 section 1254(1) of this title. Application for the writ shall be made
 11 within 45 days after entry of the order and within 90 days after entry
 12 of the judgment, as the case may be. The United States, the agency,
 13 or an aggrieved party may file a petition for a writ of certiorari.

14 “(b) The provisions of section 1254(3) of this title, regarding
 15 certification, and of section ~~2101(e)~~ 2101(f) of this title, regarding
 16 stays, also apply to proceedings under this chapter.

17 **“§ 2351. Enforcement of orders by district courts**

 19 and to enjoin and restrain any person from violating any order issued
 20 under section 193 of title 7.

33 the period he is in that status, entitled to receive or have credited to
34 his account the same pay and allowances, as defined in this chapter, to
35 which he was entitled at the beginning of that period or may there-
36 after become entitled. However, a member who is performing full-
37 time training duty or other full-time duty without pay, or inactive-
38 duty training with or without pay, is entitled to the pay and allow-
39 ances to which he would have been entitled if he had been on active
40 duty with pay.

1 “(b) The expiration of a member’s term of service while he is in a
 2 missing status does not end his entitlement to pay and allowances un-
 3 der subsection (a) of this section. Notwithstanding the death of a
 4 member while in a missing status, entitlement to pay and allowances
 5 under subsection (a) of this section ends on the date—

6 “(1) the Secretary concerned receives evidence that the mem-
 7 ber is dead; or

8 “(2) that his death is prescribed or determined under section
 9 555 of this title.

10 “(c) A member is not entitled to pay and allowances under subsec-
 11 tion (a) of this section for a period during which he is officially deter-
 12 mined to be absent from his post of duty without authority, and he is
 13 indebted to the United States for payments from amounts credited to
 14 his account for that period.

15 “(d) A member who is performing full-time training duty or
 16 inactive-duty training is entitled to the benefits of this section only
 17 when he is officially determined to be in a missing status that results
 18 from the performance of duties prescribed by competent authority.

19 “(e) A member in a missing status who is continued in that status
 20 under section 555 of this title is entitled to be credited with pay and
 21 allowances under subsection (a) of this section.

22 **“§ 553. Allotments; continuance, suspension, initiation, resump-**
 23 **tion, or increase while in a missing status; limitations**

24 “(a) Notwithstanding the end of the period for which it was made,
 25 an allotment, including one for the purchase of United States savings
 26 bonds, made by a member of a uniformed service before he was in a
 27 missing status may be continued for the period he is entitled to pay
 28 and allowances under section 552 of this title.

29 “(b) When there is no allotment in effect, or when it is insufficient
 30 for a purpose authorized by the Secretary concerned, he, or his
 31 designee, may authorize new allotments or increases in allotments that
 32 are warranted by the circumstances and payable for the period the
 33 member is entitled to pay and allowances under section 552 of this title.

34 “(c) The total of all allotments from the pay and allowances of a
 35 member in a missing status may not be more than the amount of pay
 36 and allowances he is permitted to allot under regulations prescribed
 37 by the Secretary concerned.

38 “(d) A premium paid by the United States on insurance issued on
 39 the life of a member which is unearned because it covers a period after
 40 his death reverts to the appropriation of the department concerned.

1 “(e) Subject to subsections (f) and (g) of this section, the Secre-
 2 tary concerned, or his designee, may, when he considers it in the
 3 interest of the member, his dependents, or the United States, direct the
 4 initiation, continuance, discontinuance, increase, decrease, suspension,
 5 or resumption of payments of allotments from the pay and allowances
 6 of a member entitled to pay and allowances under section 552 of this
 7 title.

8 “(f) When the Secretary concerned officially reports that a mem-
 9 ber in a missing status is alive, the payments of allotments authorized
 10 by subsections (a)–(d) of this section may, subject to section 552 of
 11 this title, be made until the date the Secretary concerned receives evi-
 12 dence that the member is dead or has returned to the controllable juris-
 13 diction of the department concerned.

14 “(g) A member in a missing status who is continued in that status
 15 under section 555 of this title is entitled to have the payments of allot-
 16 ments authorized by subsections (a)–(d) of this section continued, in-
 17 creased, or initiated.

18 “(h) When the Secretary concerned considers it essential for the
 19 well-being and protection of the dependents of a member on active
 20 duty (other than a member entitled to pay and allowances under sec-
 21 tion 552 of this title), he may, with or without the consent, and sub-
 22 ject to termination at the request, of the member—

23 “(1) direct the payment of a new allotment from the pay of
 24 the member;

25 “(2) increase or decrease the amount of an allotment made by
 26 the member; and

27 “(3) continue payment of an allotment of the member which has
 28 expired.

29 **“§ 554. Travel and transportation; dependents; household and**
 30 **personal effects; motor vehicles; sale of bulky items;**
 31 **claims for proceeds; appropriation chargeable**

32 “(a) In this section, ‘household and personal effects’ and ‘household
 33 effects’ may include, in addition to other authorized weight allowances,
 34 one privately owned motor vehicle which may be shipped at United
 35 States expense when it is located outside the United States, or in
 36 Alaska or Hawaii.

37 “(b) Transportation (including packing, crating, drayage, tempo-
 38 rary storage, and unpacking of household and personal effects) may
 39 be provided for the dependents and household and personal effects of
 40 a member of a uniformed service on active duty (without regard to

1 pay grade) who is officially reported as dead, injured, or absent for a
2 period of more than 29 days in a missing status—

3 “(1) to the member’s official residence of record;

4 “(2) to the residence of his dependent, next of kin, or other
5 person entitled to custody of the effects, under regulations pre-
6 scribed by the Secretary concerned; or

7 “(3) on request of the member (if injured), or his dependent,
8 next of kin, or other person described in clause (2), to another
9 location determined in advance or later approved by the Secre-
10 tary concerned, or his designee.

11 “(c) When a member described in subsection (b) of this section is
12 in an injured status, transportation of dependents and household and
13 personal effects authorized by this section may be provided only when
14 prolonged hospitalization or treatment is anticipated.

15 “(d) Transportation requested by a dependent may be authorized
16 under this section only if there is a reasonable relationship between
17 the circumstances of the dependent and the requested destination.

18 “(e) In place of the transportation for dependents authorized by
19 this section, and after the travel is completed, the Secretary concerned
20 may authorize—

21 “(1) reimbursement for the commercial cost of the transpor-
22 tation; or

23 “(2) a monetary allowance at the prescribed rate for all, or
24 that part, of the travel for which transportation in kind is not
25 furnished.

26 “(f) The Secretary concerned may store the household and personal
27 effects of a member described in subsection (b) of this section until
28 proper disposition can be made. The cost of the storage and trans-
29 portation (including packing, crating, drayage, temporary storage,
30 and unpacking) of household and personal effects shall be charged
31 against appropriations currently available.

32 “(g) The Secretary concerned may, when he determines that there
33 is an emergency and a sale would be in the best interests of the United
34 States, provide for the public or private sale of motor vehicles and
35 other bulky items of household and personal effects of a member de-
36 scribed in subsection (b) of this section. Before a sale, and if prac-
37 ticable, a reasonable effort shall be made to determine the desires of
38 the interested persons. The net proceeds received from the sale shall,
39 under regulations prescribed by the Secretary concerned, be sent to
40 the owner or other persons. If there are no such persons, or if they

1 or their addresses are not known within one year from the date of
2 sale, the net proceeds may be covered into the Treasury as miscel-
3 laneous receipts.

4 “(h) Claims for net proceeds that are covered into the Treasury
5 under subsection (g) of this section may be filed with the General Ac-
6 counting Office by the rightful owners, their heirs or next of kin, or
7 their legal representatives at any time before the end of a 5-year period
8 from the date the proceeds are covered into the Treasury. When a
9 claim is filed, the General Accounting Office shall allow or disallow it.
10 A claim that is allowed shall be paid from the appropriation for
11 refunding money erroneously received and covered. If a claim is not
12 filed before the end of the 5-year period from the date the proceeds
13 are covered into the Treasury, it is barred from being acted on by the
14 courts or the General Accounting Office.

15 “(i) This section does not amend or repeal—

16 “(1) section 2575, 2733, 4712, 4713, 6522, 9712, or 9713 of title 10;

17 “(2) section 507 of title 14; or

18 “(3) chapter 171 of title 28.

19 **“§ 555. Secretarial review**

20 “(a) When a member of a uniformed service entitled to pay and
21 allowances under section 552 of this title has been in a missing status,
22 and the official report of his death or of the circumstances of his absence
23 has not been received by the Secretary concerned, he shall, before the
24 end of a 12-month period in that status, have the case fully reviewed.
25 After that review and the end of the 12-month period in a missing
26 status, or after a later review which shall be made when warranted by
27 information received or other circumstances, the Secretary concerned,
28 or his designee, may—

29 “(1) if the member can reasonably be presumed to be living,
30 direct a continuance of his missing status; or

31 “(2) make a finding of death.

32 “(b) When a finding of death is made under subsection (a) of this
33 section, it shall include the date death is presumed to have occurred
34 for the purpose of—

35 “(1) ending the crediting of pay and allowances;

36 “(2) settlement of accounts; and

37 “(3) payment of death gratuities.

38 That date is—

39 “(A) the day after the day on which the 12-month period in a
40 missing status ends; or

“(B) if the missing status has been continued under subsection (a) of this section, the day determined by the Secretary concerned, or his designee.

“(c) For the sole purpose of determining status under this section, a dependent of a member on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

“§ 556. Secretarial determinations

“(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

“(1) death or finding of death;

“(2) the fact of dependency under this chapter;

“(3) the fact of dependency for the purpose of paying six months' death gratuities authorized by law;

“(4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;

“(5) any other status covered by this chapter;

“(6) an essential date, including one on which evidence or information is received by the Secretary concerned; and

“(7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

“(b) When the Secretary concerned receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

“(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination

1 is conclusive. An account may not be charged or debited with an
2 amount that a member captured, beleaguered, or besieged by a hostile
3 force may receive or be entitled to receive from, or have placed to
4 his credit by, the hostile force as pay, allowances, or other compensa-
5 tion.

6 “(d) The Secretary concerned, or his designee, may, when war-
7 ranted by the circumstances, reconsider a determination made under
8 this chapter, and change or modify it.

9 “(e) When the account of a member has been charged or debited
10 with an allotment paid under this chapter, the amount so charged or
11 debited shall be recredited to the account of the member if the Sec-
12 retary concerned, or his designee, determines that the payment was
13 induced by fraud or misrepresentation to which the member was not
14 a party.

15 “(f) Except an allotment for an unearned insurance premium, an
16 allotment paid from pay and allowances of a member for the period
17 he is entitled to pay and allowances under section 552 of this title
18 may not be collected from the allottee as an overpayment when it
19 was caused by delay in receiving evidence of death. An allotment
20 payment for a period after the end of entitlement to pay and allow-
21 ances under this chapter, or otherwise, which was caused by delay in
22 receiving evidence of death, may not be collected from the allottee or
23 charged against the pay of the deceased member.

24 “(g) The Secretary concerned, or his designee, may waive the re-
25 covery of an erroneous payment or overpayment of an allotment to a
26 dependent if he considers recovery is against equity and good con-
27 science.

28 “(h) For the sole purpose of determining status under this section,
29 a dependent of a member of a uniformed service on active duty is
30 treated as if he were a member. Any determination made by the
31 Secretary concerned, or his designee, under this section is conclusive
32 on all other departments and agencies of the United States. This
33 subsection does not entitle a dependent to pay, allowances, or other
34 compensation to which he is not otherwise entitled.

35 **“§ 557. Settlement of accounts**

36 “(a) The Secretary concerned, or his designee, may settle the ac-
37 count of—

38 “(1) a member of a uniformed service for whose account pay-

ments have been made under sections 552, 553, and 555 of this title; and

“(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.

That settlement is conclusive on the accounting officers of the United States in settling the accounts of disbursing officers.

“(b) Payment or settlement of an account made pursuant to a report, determination, or finding of death may not be recovered or reopened because of a later report or determination which fixes a date of death. However, an account shall be reopened and settled on the basis of a date of death so fixed which is later than that used as a basis for earlier settlements.

“(c) In the settlement of his accounts, a disbursing officer is entitled, if there is no fraud or criminality by him, to credit for an erroneous payment or overpayment he made in carrying out this chapter, except section 558. Unless there is fraud or criminality by him, recovery may not be made from a civilian officer or employee or a member of a uniformed service who authorizes a payment under this chapter, except section 558.

“§ 558. Income tax deferment

“Notwithstanding any other provision of law, ~~in the case of a taxable year beginning after December 31, 1940,~~ a Federal income tax return of, or the payment of a Federal income tax by, a member of a uniformed service who, at the time the return or payment would otherwise become due, is in a missing status, does not become due until the earlier of the following dates—

“(1) the fifteenth day of the third month in which he ceased (except by reason of death or incompetency) being in a missing status, unless before the end of that fifteenth day he is again in a missing status; or

“(2) the fifteenth day of the third month after the month in which an executor, administrator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to ~~extend~~ *extend* the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of title 26 in cases in which

1 the assessment or collection is jeopardized and in cases of bankruptcy
2 or receivership.”

3 SEC. 6. (a) The analysis of chapter 95 of title 39, United States Code,
4 is amended by adding the following:

“6216. Railroad operations, receipts and expenditures.”

5 (b) Chapter 95 of title 39, United States Code, is amended by adding
6 the following new section:

7 **“§ 6216. Railroad operations, receipts and expenditures**

8 “The Postmaster General shall request all railroad companies trans-
9 porting the mails to furnish, under seal, such data relating to the
10 operating, receipts and expenditures of such roads as may, in his judg-
11 ment, be deemed necessary to enable him to ascertain the cost of mail
12 transportation and the proper compensation to be paid for the same.
13 He shall, in his annual report to Congress, make such recommenda-
14 tions, founded on the information obtained under this section, as shall,
15 in his opinion, be just and equitable.”

16 SEC. 7. (a) The legislative purpose in enacting sections 1–6 of this
17 Act is to restate, without substantive change, the laws replaced by
18 those sections on the effective date of this Act. Laws effective after
19 June 30, 1965, that are inconsistent with this Act are considered as
20 superseding it to the extent of the inconsistency.

21 (b) A reference to a law replaced by sections 1–6 of this Act, includ-
22 ing a reference in a regulation, order, or other law, is deemed to refer
23 to the corresponding provision enacted by this Act.

24 (c) An order, rule, or regulation in effect under a law replaced by
25 sections 1–6 of this Act continues in effect under the corresponding
26 provision enacted by this Act until repealed, amended, or superseded.

27 (d) An action taken or an offense committed under a law replaced
28 by sections 1–6 of this Act is deemed to have been taken or committed
29 under the corresponding provision enacted by this Act.

30 (e) An inference of a legislative construction is not to be drawn
31 by reason of the location in the United States Code of a provision
32 enacted by this Act or by reason of the caption or catchline thereof.

33 (f) The enactment of this Act does not increase or decrease the pay,
34 allowances, compensation, or annuity of any person.

35 (g) If a provision enacted by this Act is held invalid, all valid

1 provisions that are severable from the invalid provision remain in
 2 effect. If a provision of this Act is held invalid in one or more of its
 3 applications, the provision remains in effect in all valid applications
 4 that are severable from the invalid application or applications.

5 (h) Sections 1–6 of this Act shall be construed to apply to com-
 6 missioned officers of the Public Health Service and commissioned of-
 7 ficers of the Coast and Geodetic Survey to the same extent that the
 8 laws replaced by those sections applied to these officers immediately
 9 before the date of enactment of this Act.

10 SEC. 8. (a) The laws specified in the following schedule are repealed
 11 except with respect to rights and duties that matured, penalties that
 12 were incurred, and proceedings that were begun, before the effective
 13 date of this Act and except as provided by section 7 of this Act.

14 (b) The right to a deferred annuity on satisfaction of the condi-
 15 tions attached thereto is continued notwithstanding the repeal of the
 16 law conferring the right.

17 (c) The repeal of a law by this Act may not be construed as a
 18 legislative inference that the provision was or was not in effect before
 19 its repeal.

calls the Hartford National Charge Card in operation by August.

Major banks also appear, surprisingly, to be cutting back only slightly on loans to securities dealers, who relend the money to traders buying stock on margin. The banks consider loans to brokers an excellent temporary use for the funds they keep around to meet unexpected loan or deposit-withdrawal demands. Such loans are usually made on a one-day basis (though they are made every day) and they can be called immediately, if stock prices plunge sharply or if the bank needs its money.

With their bank borrowings, plus funds of their own that have been generated by this year's immense stock-trading volume, brokerage-firm members of the New York Stock Exchange between Jan. 1 and April 1, the latest period for which figures are available, expanded their loans to stock buyers nearly 6%, to a total of over \$5.8 billion outstanding. In the like period of 1965, broker loans to customers declined, though only a fraction of 1%.

True, some stock buyers are paying fancy interest to make margin transactions (on such a transaction the buyer puts up in cash 70% of the value of the stock he purchases, and borrows the rest). A stock-market tyro borrowing money to buy his first few shares on margin will pay interest at an annual rate of 7% at some brokerage houses. But a veteran speculator borrowing to finance a huge margin trade will pay only 6% interest to some brokers.

If stock-market speculators have been relatively unaffected by tight money, home buyers have been hit harder than anyone else. The main reason: Individuals—including would-be home buyers—are saving much less money than a year ago, putting a pinch on the supply of money available for mortgages. This trend generally has been blamed on increased payroll withholding for Social Security and Federal income taxes, which has bit into workers' take-home pay.

In the first four months of 1966 net savings (new savings minus withdrawals) received by U.S. savings and loan associations plummeted to \$740 million, from nearly \$1.8 billion in the 1965 period. April saw a large outflow of savings, as withdrawals exceeded new savings.

S&L officials are certain savings they normally would get have been flowing into bank CDs, which are available to individuals as well as corporations, at rates up to 5½% (savings and loan associations aren't permitted to offer such high savings rates without losing their borrowing power at the Federal Home Loan Banks). But in total the drop in savings at banks has been more dramatic even than the drop at S&Ls.

Big commercial banks that report weekly to the Federal Reserve System by May 25 had increased their CDs outstanding by \$1.7 billion, or about 10%, from the start of the year. But in the same period they suffered a \$2.2 billion drop in their outstanding totals of passbook savings, on which they are permitted to pay only 4% interest tops. So their totals of CDs and passbook savings went down a net \$500 million.

The drop in savings has accentuated the squeeze on banks, and with corporate loan demand booming they have cut back on mortgage loans. The reaction at S&Ls, which make many more mortgage loans, has been more drastic. With money flowing out in April, some have stopped making mortgage loans entirely for the time being.

Nor will the home buyer find any relief at life insurance companies, which normally make many mortgage loans. The insurers' sales of policies have been expanding at a rapid clip. But the lendable funds that the policy sales supply have been snapped up by corporations that have been unable to borrow as much money as they would like at their banks. The corporations are lining up to

arrange private sales of bonds to the insurance companies.

An official at Prudential's main office in Newark, N.J., says the company is short of funds for mortgage lending throughout its Eastern region, and that the cash is being conserved mainly to satisfy the demands of builders and developers who regularly do business with Prudential.

Frustrated home buyers might console themselves by buying something else—plush furniture for the old quarters, perhaps. If the increased withholding tax rates leave too little cash in their paychecks for the purchase, personal finance companies will lend them the money gladly.

Personal-loan companies, like some other non-bank lenders and some corporations, raise money by selling "commercial paper" (essentially a form of IOU) to investors. The rates they have had to pay on the paper to attract funds have risen sharply; they now range from 5½% to 5¾% on 90-day to six months notes. But the small-loan companies have no qualms about paying such rates, since they can lend the money to consumers at interest rates ranging as high as 20% annually.

"NO SLOWDOWN HERE"

Buoyed by high interest rates, the market for commercial paper has been strong. The total outstanding rose 4% just in April, to a record \$11.6 billion outstanding; that was 20% greater than a year earlier. So the finance companies have plenty of money to lend.

"There's no tendency for a slowdown in lending by personal loan companies," says DeWitt Paul, chairman of Beneficial Finance Co., one of the largest of these concerns. "We want to get good customers while the stream is flowing, and have been continuing to do all the things we always do to promote our business."

Some non-bank lenders that concentrate on loans to businesses, and also raise their funds by selling commercial paper, take the same line. Example: Factoring concerns, which lend money to companies in return for the right to collect the bills that customers owe to those companies.

The basic factoring loan rate now ranges from 7.2% to 8.4%, up from 6% to 7.2% in late 1965. But the rise has not hurt volume. The factors are getting a heavy demand from businessmen who have been turned away from banks where they had sought loans.

Mill Factors Corp. in New York expects to expand its new-loan volume to \$400 million this year, from \$390 million in 1965. "We don't have to compete for new accounts today; they come to us," says Walter D. Yankauer, president. Mill Factors, he says, long has concentrated on loans to textile and soft goods manufacturers, but now is making loans to such new customers as steel distributors.

CORPORATION CASH SQUEEZE

An expansion of lending on the modest scale Mill Factors talks of, however, hardly will meet the credit demands of business. As a group, U.S. corporations, like the banks from which they are trying to get loans, are in a tight cash squeeze.

To finance day-to-day operations and expansion plans, corporations ordinarily rely largely on internally generated funds—chiefly retained profits and sums charged off by the company as depreciation but kept in the treasury. During 1965, however, corporations as a group turned nearly none of these funds into cash or Government securities. At the end of the year holdings of cash and Governments by U.S. non-financial corporations totaled \$64.1 billion—exactly the same as at the end of 1964.

Some apparent reasons: Corporations chose to put much of their internally generated funds to use financing higher inventories.

Inventories held by non-financial corporations expanded to \$126.6 billion at the end of 1965, from \$114.3 billion at the end of 1964, a rise of nearly 11%.

Companies also apparently made many more of their sales on credit. While the cash and Government-security holdings of nonfinancial corporations didn't rise at all during 1965, the National Association of Credit Management figures that by March 31 this year U.S. manufacturers' holdings of accounts receivable—bills owed to them by customers—jumped to a record \$54.7 billion, up almost 12% from \$49 billion a year earlier.

Whatever the reason, since U.S. corporations' debts grew while their cash holdings didn't, non-financial companies finished 1965 with cash and Government securities equal to only 27% of their current liabilities—a record low ratio. At the end of 1964 the ratio was 30%; as recently as the end of 1962 it was 34%. This ratio is an important measure of corporate "liquidity"—the ability of businesses to meet unforeseen expenses.

With less cash on hand, in relation to their debts, corporations also are less able to meet those well-foreseen expenditures, spending for new plant and equipment. Their need to do so is much greater, though; according to the most recent Government survey, corporations plan capital spending of \$60.8 billion this year, up 17% from 1965.

PAY UP QUICK

In 1965, for the first time in the current boom, corporations' capital spending exceeded the funds they got from "cash flow" (profits plus depreciation), notes Eli Shapiro, Harvard University finance professor. The same thing is expected to happen in 1966.

What to do? Besides besieging banks for loans, and trying to sell bonds privately to insurance companies, cash-pinched corporations have been selling many stock and bond issues to the public. Also, while extending credit liberally to customers, they have been demanding that the customers pay up faster.

At the end of March, according to the National Association of Credit Management 85.7% of the bills owed to manufacturers were being paid on time and only 2.5% were over 90 days past due. A year earlier, only 84.3% of manufacturers' accounts receivable were classed as "current" and 2.8 were 90 days or more delinquent.

"We can invest our idle money and get a return of better than 5% nowadays, but when the money is tied up in old unpaid accounts it's dead," says Peter McLaughlin, comptroller of Union Camp Corp., a leading maker of paper products. So, he says, his company has begun a stricter collection program, with some success. The average period of Union Camp's unpaid bill has been cut to 29 days, from 31 days a year earlier, he says.

Some companies have gone even further. In the aluminum industry, which is swamped with defense orders, one major fabricator is simply refusing to sell any more goods to some of its slower-paying customers. Union Camp, too, is becoming more selective about whom it sells to, says Mr. McLaughlin.

DUNNING CONSUMERS

As big companies dun smaller ones to pay their bills faster, smaller companies are similarly dunning consumers. The American Collectors Association says both the number of bills referred to collection agencies and the size of the original bill that becomes delinquent, have risen in the past year.

In the first quarter of 1966, a spokesman says, the number of accounts held by the average collection agency increased to 1,333, up 4% from 1,278 in the 1965 period. The average size of the individual account referred for collection rose to \$62.14 from \$51.31.

A bright note: If the American consumer is unable or unwilling to save as much as a

year ago, and unable to prevent more of his bills from being turned over to collection agencies, he is at least both able and willing to make bigger payments to the collection agencies. The American Collectors Association says the average initial payment to an agency on a bill turned over for collection rose to \$17.18 in the first quarter, from \$15.97 a year earlier.

PROPOSED WAR CRIME TRIALS FOR U.S. FLIERS

Mr. McGEE. Mr. President, although today's press suggests there might be some second thoughts in North Vietnamese policy circles over the advisability of submitting American fliers to war crime trials, I think some rather interesting observations were made on this subject last Saturday by the senior Senator from Connecticut, Senator THOMAS DODD.

As one who served as executive trial counsel at the Nuremberg trials at the close of World War II, Senator DODD convincingly outlines the inapplicability of the propaganda which has suggested that the Nuremberg trials established legal precedent which could now be invoked to prosecute the captured American fliers.

Mr. President, I ask unanimous consent that a press statement issued by Senator DODD on this subject be printed at this point in the RECORD.

There being no objection, the news release was ordered to be printed in the RECORD, as follows:

[A news release from Senator THOMAS J. DODD, July 23, 1966]

WASHINGTON, D.C.—Senator THOMAS J. DODD (D.-Conn.) today released the following statement on the Nuremberg war crime trials and the proposed prosecution of American airmen in North Vietnam as war criminals:

"President Johnson spoke for the entire American people, including those who have been critical of the war in Vietnam, when he warned the North Vietnamese communist leaders that if they bring the captured American fliers to trial as war criminals, they will harden the resolve of our people, not weaken it, and they will earn themselves the contempt of civilized opinion throughout the world.

"The communist propagandists in Hanoi have been putting out the claim that the Nuremberg War Crimes Trials established a legal precedent which they can now invoke to prosecute the captured American fliers as war criminals.

"As Executive Trial Counsel at the major Nuremberg trial, I want to state categorically that there is not an iota of truth or an iota of logic to this claim.

"I believe it is important to make this point, because there are apparently some people in our own country who mistakenly believe that the Nuremberg trials set a precedent which the communists can now use to their own advantage.

"The Charter of the Nuremberg Tribunal listed three types of crimes as coming within its jurisdiction:

"(1) 'Crimes against peace,' which involved waging or conspiring to wage a war of aggression, in violation of international treaties and agreements;

"(2) 'War Crimes,' which involved the murder, ill-treatment, or deportation of civilian population in occupied territory, the murder or ill-treatment of prisoners of war . . . and the killing of hostages;

"(3) 'Crimes against humanity,' which included 'the extermination, enslavement, de-

portation and other inhumane acts committed against any civilian population, before or during the war.'

"The Charter made it clear in its opening paragraph that the trials would be limited to major war criminals.

"The Charter also made it clear that simple obedience to orders could not be used to justify participation in a major capacity in any war crimes.

"However, no member of the German armed forces, of any rank, was prosecuted because he had served as a member of those forces or because he had obeyed orders of a clearly military nature that involved none of the crimes against humanity specified by the Nuremberg Charter.

"No Luftwaffe pilot, or Luftwaffe commander, for example was brought to trial because of his participation in the bombing of London, despite the fact that the Luftwaffe bombings were directed primarily at the civilian population and not confined—as we have been seeking to do in Vietnam—to oil storage tanks and bridges and other clearly military targets.

"The war crimes and crimes against humanity specified by the Nuremberg Charter were criminal by standards generally accepted in all civilized countries. They were clear and grave offenses against the spirit of International Law, which was described in the Fourth Hague Convention of 1907 as including the 'laws of humanity and the dictates of public conscience.'

"The Nuremberg trial did set a precedent—but it was a necessary precedent. As Secretary of War H. L. Stimson eloquently put the matter:

"'. . . Now this is a new judicial process, but it is not *ex post facto* law. It is the enforcement of a moral judgement which dates back a generation. It is a growth in the application of law that any student of our common law should recognize as natural and proper, for it is just this manner that the common law grew up.

"There was somewhere in our distant past, a first case of murder, a first case where the tribe replaced the victim's family as judge of the offender. The tribe had learned that the deliberate and malicious killing of any human being was, and must be treated as, an offense against the whole community. The analogy is exact.

"All case law grows by new decision, and, where those new decisions match the conscience of the community, they are law as truly as the law of murder . . .

"This was the meaning and intent of Nuremberg.

"The American airmen in Vietnam are soldiers performing military duties in the strictest sense of the definition. They have been guilty of none of the crimes against humanity condemned by the Nuremberg Charter. Indeed, since the development of military aircraft, I do not think there has been a war in which any Air Force has exercised so much care and placed such rigid restrictions on itself, to avoid bombing civilian targets.

"No amount of twisting or legal skulduggery will enable the communists to use the Nuremberg trials as a precedent justifying the show trials they now propose to stage with the captive American airmen in their hands.

"If the Nuremberg trials have any application at all to what is going on in Vietnam, it is my conviction that they established a precedent which would brand as criminal both the treatment to which the captured American fliers have already been subjected, and the trial and sentencing of these airmen by communist kangaroo courts pretending to operate with the power and authority of an internationally sanctioned tribunal.

"I join the President of the United States and my colleagues who have already spoken on this matter, in warning the leaders of

the Hanoi regime of the possible consequences of their projected action."

THE CALENDAR

Mr. MANSFIELD. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of measures on the calendar in sequence, beginning with Calendar No. 1344, H.R. 10104, to and including Calendar No. 1362.

The PRESIDING OFFICER. Without objection, it is so ordered.

(6) to eliminate overlapping and duplication of effort.

(b) Congress declares that the public interest demands the carrying out of the purposes of subsection (a) of this section and that the purposes may be accomplished in great measure by proceeding under this chapter, and can be accomplished more speedily thereby than by the enactment of specific legislation.

§ 902. Definitions

For the purpose of this chapter—

(1) "agency" means—

(A) an Executive agency or part thereof;

(B) an office or officer in the civil service or uniformed services in or under an Executive agency; and

(C) the government of the District of Columbia or part thereof, except the courts; but does not include the General Accounting Office or the Comptroller General of the United States; and

(2) "reorganization" means a transfer, consolidation, coordination, authorization, or abolition, referred to in section 903 of this title.

§ 903. Reorganization plans

(a) When the President, after investigation, finds that—

(1) the transfer of the whole or a part of an agency, or of the whole or a part of the functions thereof, to the jurisdiction and control of another agency;

(2) the abolition of all or a part of the functions of an agency;

(3) the consolidation or coordination of the whole or a part of an agency, or of the whole or a part of the functions thereof, with the whole or a part of another agency or the functions thereof;

(4) the consolidation or coordination of a part of an agency or the functions thereof with another part of the same agency or the functions thereof;

(5) the authorization of an officer in the civil service or uniformed services to delegate any of his functions; or

(6) the abolition of the whole or a part of an agency which agency or part does not have, or on the taking effect of the reorganization plan will not have, any functions; is necessary to accomplish one or more of the purposes of section 901(a) of this title, he shall prepare a reorganization plan for the making of the reorganizations as to which he has made findings and which he includes in the plan, and transmit the plan (bearing an identification number) to Congress, together with a declaration that, with respect to each reorganization included in the plan, he has found that the reorganization is necessary to accomplish one or more of the purposes of section 901(a) of this title.

(b) The President shall have a reorganization plan delivered to both Houses on the same day and to each House while it is in session. In his message transmitting a reorganization plan, the President shall specify with respect to each abolition of a function included in the plan the statutory authority for the exercise of the function and the reduction of expenditures (itemized so far as practicable) that it is probable will be

brought about by the taking effect of the reorganizations included in the plan.

§ 904. Additional contents of reorganization plans

A reorganization plan transmitted by the President under section 903 of this title—

(1) may change, in such cases as the President considers necessary, the name of an agency affected by a reorganization and the title of its head; and shall designate the name of an agency resulting from a reorganization and the title of its head;

(2) may provide for the appointment and pay of the head and one or more officers of an agency (including an agency resulting from a consolidation or other type of reorganization) if the President finds, and in his message transmitting the plan declares, that by reason of a reorganization made by the plan the provisions are necessary. The head so provided may be an individual or may be a commission or board with more than one member. In case of such an appointment, the term of office may not be fixed at more than 4 years, the pay may not be at a rate in excess of that found by the President to be applicable to comparable officers in the executive branch, and, if the appointment is not to a position in the competitive service, it shall be by the President, by and with the advice and consent of the Senate, except that in the case of an officer of the government of the District of Columbia, it may be by the Board of Commissioners or other body or officer of that government designated in the plan;

(3) shall provide for the transfer or other disposition of the records, property, and personnel affected by a reorganization;

(4) shall provide for the transfer of such unexpended balances of appropriations, and of other funds, available for use in connection with a function or agency affected by a reorganization, as the President considers necessary by reason of the reorganization for use in connection with the functions affected by the reorganization, or for the use of the agency which shall have the functions after the reorganization plan is effective. However, the unexpended balances so transferred may be used only for the purposes for which the appropriation was originally made; and

(5) shall provide for terminating the affairs of an agency abolished.

§ 905. Limitations on powers

(a) A reorganization plan may not provide for, and a reorganization under this chapter may not have the effect of—

(1) creating a new Executive department, abolishing or transferring an Executive department or all the functions thereof, or consolidating two or more Executive departments or all the functions thereof;

(2) continuing an agency beyond the period authorized by law for its existence or beyond the time when it would have terminated if the reorganization had not been made;

(3) continuing a function beyond the period authorized by law for its exercise or beyond the time when it would have terminated if the reorganization had not been made;

(4) authorizing an agency to exercise a function which is not expressly authorized by law at the time the plan is transmitted to Congress;

(5) increasing the term of an office beyond that provided by law for the office; or

(6) transferring to or consolidating with another agency the government of the District of Columbia or all the functions thereof which are subject to this chapter, or abolishing that government or all those functions.

(b) A provision contained in a reorganization plan may take effect only if the plan is transmitted to Congress before December 31, 1968.

§ 906. Effective date and publication of reorganization plans

(a) Except as otherwise provided under subsection (c) of this section, a reorganization plan is effective at the end of the first period of 60 calendar days of continuous session of Congress after the date on which the plan is transmitted to it unless, between the date of transmittal and the end of the 60-day period, either House passes a resolution stating in substance that that House does not favor the reorganization plan.

(b) For the purpose of subsection (a) of this section—

(1) continuity of session is broken only by an adjournment of Congress sine die; and

(2) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.

(c) Under provisions contained in a reorganization plan, a provision of the plan may be effective at a time later than the date on which the plan otherwise is effective.

(d) A reorganization plan which is effective shall be printed (1) in the Statutes at Large in the same volume as the public laws and (2) in the Federal Register.

§ 907. Effect on other laws, pending legal proceedings, and unexpended appropriations

(a) A statute enacted, and a regulation or other action made, prescribed, issued, granted, or performed in respect of or by an agency or function affected by a reorganization under this chapter, before the effective date of the reorganization, has, except to the extent rescinded, modified, superseded, or made inapplicable by or under authority of law or by the abolition of a function, the same effect as if the reorganization had not been made. However, if the statute, regulation, or other action has vested the functions in the agency from which it is removed under the reorganization plan, the function, insofar as it is to be exercised after the plan becomes effective, shall be deemed as vested in the agency under which the function is placed by the plan.

(b) For the purpose of subsection (a) of this section, "regulation or other action" means a regulation, rule, order, policy, determination, directive, authorization, permit, privilege, requirement, designation, or other action.

(c) A suit, action, or other proceeding lawfully commenced by or against the head of an agency or other officer of the United States, in his official capacity or in relation to the discharge of his official duties, does not abate by reason of the taking effect of a reorganization plan under this chapter. On motion or supplemental petition filed at any time within 12 months after the reorganization plan takes effect, showing a necessity for survival of the suit, action, or other proceeding to obtain a settlement of the questions involved, the court may allow the suit, action or other proceeding to be maintained by or against the successor of the head or officer under the reorganization effected by the plan or, if there is no successor, against such agency or officer as the President designates.

(d) The appropriations or portions of appropriations unexpended by reason of the operation of this chapter may not be used for any purpose, but shall revert to the Treasury.

§ 908. Rules of Senate and House of Representatives on reorganization plans

Sections 909–913 of this title are enacted by Congress—

(1) as an exercise of the rule-making power of the Senate and the House of Representatives, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect

to the procedure to be followed in that House in the case of resolutions described by section 909 of this title; and they supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

§ 909. Terms of resolution

For the purpose of sections 908-913 of this title, "resolution" means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: "That the ——— does not favor the reorganization plan numbered ——— transmitted to Congress by the President on ———, 19—," the first blank space therein being filled with the name of the resolving House and the other blank spaces therein being appropriately filled; but does not include a resolution which specifies more than one reorganization plan.

§ 910. Reference of resolution to committee

A resolution with respect to a reorganization plan shall be referred to a committee (and all resolutions with respect to the same plan shall be referred to the same committee) by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

§ 911. Discharge of committee considering resolution

(a) If the committee to which a resolution with respect to a reorganization plan has been referred has not reported it at the end of 10 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution with respect to the reorganization plan which has been referred to the committee.

(b) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same reorganization plan), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same reorganization plan.

§ 912. Procedure after report or discharge of committee; debate

(a) When the committee has reported, or has been discharged from further consideration of, a resolution with respect to a reorganization plan, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(b) Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

§ 913. Decisions without debate on motion to postpone or proceed

(a) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution with respect to a reorganization plan, and motions to proceed to the consideration of other business shall be decided without debate.

(b) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution with respect to a reorganization plan shall be decided without debate.

STATEMENT

H.R. 10104 was referred to the Subcommittee on Revision and Codification of the Committee on the Judiciary of the U.S. Senate. On September 30, 1965, a notice of the pendency of H.R. 10104 was inserted in the CONGRESSIONAL RECORD. Briefly, the purpose of this notice was to advise any and all interested parties of the consideration of this legislation by the subcommittee and to request that those interested inform the subcommittee of their interest therein, together with such suggestions or modifications that would from their point of view be reasonable and desirable. In addition thereto, agencies, departments, and committees of the Senate, were advised by writing of the pendency of this legislation and were requested to submit their comments thereon. As the result of such notice and letters many communications were received by the committee. Some of the received reports expressed approval of the legislation while others recommended amendments and modifications to the bill. All of these communications were studied and as a result of the suggestions, numbers of the proposed amendments or modifications were accepted while others were rejected. In many instances where there were rejections, such acts were based upon the fact that the committee deemed that they were unnecessary or constituted a substantive change in existing law which is not within the concept of a codification.

Purpose.—The purpose of this bill is to restate in comprehensive form, without substantive change, the statutes in effect before July 1, 1965, that relate to Government employees, the organization and powers of Federal agencies generally, and administrative procedure, and to enact title 5 of the United States Code. Queries have been raised as to the effect of this bill on laws passed subsequent to July 1, 1965. This bill will in no way affect them. Only those laws existing prior to July 1, 1965, are the subject matter of this bill. The amendatory effect of laws effective on or after July 1, 1965, which will be covered by a supplemental codifica-

tion bill, is preserved by section 7(a) of the bill. The bill, like any codification, does not constitute a current legislative endorsement of the substantive provisions of statutes in effect before July 1, 1965, some of which are being currently studied by Congress for possible substantive amendment. As stated in the House report (No. 901) on H.R. 10104, in the revised title 5, simple language has been substituted for awkward and obsolete terms, and superseded, executed, and obsolete statutes have been eliminated. This bill is a part of the program of the Committee on the Judiciary of the House of Representatives to enact into law all 50 titles of the United States Code.

History.—The statutes that relate to Government personnel begin with the first statute enacted by Congress (1 Stat. 23). With the growth of the United States and the accompanying growth in the size of the Government's work force and the complexity of their duties, the personnel statutes grew in number and in complexity. Attempts were made periodically to consolidate personnel statutes, but these attempts had only partial success and grew obsolete through the enactment of subsequent statutes. The Commission on Organization of the Executive Branch of the Government (Hoover Commission), in its report on personnel and civil service, February 1955, recommended that the Civil Service Commission prepare and that Congress enact a statute to codify the personnel statutes of the United States (Recommendation 17, pp. 82-83). The need for codification of the statutes relating to personnel has also been recognized by the Committees on Post Office and Civil Service of both Houses, the Bureau of the Budget, and the Civil Service Commission.

In June of 1956, the Civil Service Commission directed its General Counsel, L. V. Meloy, to undertake the recodification of title 5. The recodification effort resulted in two earlier bills, H.R. 8748, 86th Congress, 1st session, which was introduced on August 20, 1959, and H.R. 4158, 88th Congress, 1st session, which was introduced on February 25, 1963. Both bills were circulated among the departments and agencies of the Government and, after receipt, consideration, and adoption of the constructive comments submitted, and incorporation of subsequent legislation, the bill was revised into the form in which it was received by the Senate upon its passage by the House of Representatives.

Inclusion and exclusion of statutes.—Title 5 as revised does not include all the personnel statutes of the United States. Statutes that relate to the employees of only one agency, if not previously in title 5, have not been brought into the title. Statutes relating to civilian employees which apply to more than one agency are included in title 5 regardless of where they may have appeared previously. Some of these statutes also apply to members of the uniformed service.

Statutes that are temporary in nature are omitted from title 5. A citation to each of these statutes which was in effect before July 1, 1965, is provided in table III. It is expected that the texts of these statutes will appear in the United States Code either in an appendix to title 5 or at appropriate points as footnotes.

In this connection it will be noted that the committee as amendment No. 7, has included the Reorganization Act of 1949, as amended. It is understood that when the code is published, that the reorganization plans in existence by virtue of the Reorganization Act will be set forth in an appendix to title 5 of the United States Code.

Revision of language.—In order to restate the statutes relating to personnel in one comprehensive title, it is necessary to make changes in language. Some of the changes are necessary to attain uniformity within the title. Others are necessary to effect consolidation of related statutes and to conform to common contemporary usage.

In making changes in the language, precautions have been taken against making substantive changes in any statute.

Revision notes.—A revision note has been prepared for each section of the revised title 5 and for each section of titles 4, 18, 28, 37, and 39 amended by this bill. The revision note shows the statutory basis or source of the section, and explains significant changes in and omissions of language.

Standard changes.—Certain standard changes are made uniformly throughout title 5 as revised. Some of these are explained in chapter 1, "Organization," and chapter 21, "Definitions". The most significant of the other standard changes are explained in the following paragraphs.

As far as possible, the statute is stated in the present tense and in the active voice. Where there is a choice of two or more words, otherwise of equal legal effect, the more commonly understood word is used.

The word "shall" is used in the mandatory and imperative sense. The word "may" is used in the permissive sense, as "is permitted to" and "is authorized to". The words "may not" are used in a prohibitory sense, as "is not authorized to" and "is not permitted to". The words "no individual may" mean that no individual is required, authorized, or permitted to do the act.

The word "includes" means includes but is not limited to. The word "considered" denotes the exercise of judgment. The word "deemed" is used where a legal fiction, or what may in some cases be a legal fiction, is intended. The word "is" is used for statements of fact.

The word "pay" includes all terms heretofore in use representing salary, wages, pay, compensation, emoluments, and remuneration for services. The word "compensation" refers to Federal employees' compensation benefits and unemployment compensation benefits.

When a right is conferred, the words "is entitled" or their equivalent are used.

The words "under section—" are used instead of "pursuant to section—" and "in accordance with section—".

The word "such" is not used as a demonstrative adjective. The use of the word "each", "any", "every", or "all" is confined to instances in which it is feared that doubt would arise if the word were not used.

Provisos are not used. An exception or limitation is introduced by the words "except that" or "but" or by placing the excepting or limiting provision in a separate sentence.

The phrase "territories and possessions" is substituted for "Territory", "Territories", "Territories and possessions" and "possessions" as there are now no "Territories" and to preserve the intended coverage and acquire consistency in language. In some instances the phrase "including the Commonwealth of Puerto Rico" is added to the phrase "territories and possessions" to continue an emphasis contained in the statute.

Substantive change not intended.—Like other recent codifications which have been previously enacted into law and which will eventually result in the enactment of all 50 titles of the United States Code, there are no substantive changes made by this bill enacting title 5 into law. It is sometimes feared or assumed that mere changes in terminology and style will result in changes in substance or impair the precedent value of earlier judicial decisions and other interpretations. This fear might have some weight if this were the usual kind of amendatory legislation from which it can be inferred that a change of language is intended to change substance. The committee wishes to express that in a codification statute, however, the courts uphold the contrary presumption; the statute is intended to remain substantively unchanged. The House in its report on this legislation listed the following cases to substantiate this principle:

Stewart v. Kahn (11 Wall. 493, 502 (1871)).
Smythe v. Fiske (23 Wall. 374, 382, (1874)).
McDonald v. Hovey (110 U.S. 619, 628 (1884)).

low an interest in property which a surviving spouse receives as a result of a disclaimer by a beneficiary under a will to qualify for the estate tax marital deduction, where certain conditions are met. Under present law, the marital deduction, in general, permits the deduction of up to half of the adjusted gross estate for property passing to a surviving spouse. For an interest in property which has been disclaimed to be eligible for the marital deduction under this bill, the beneficiary involved must disclaim all bequests and devises to him under the will. Also, the disclaimer must be made within 6 months after the decedent's will is admitted to probate and before the beneficiary accepts any bequest or devise under the will. The amount which may qualify as a marital deduction as the result of a disclaimer—when added to other amounts received by the surviving spouse—is limited to the greater of, first, the marital deductions which would be allowable without regard to the disclaimer if the spouse elected to take against the will under State law; second, one-third of the decedent's adjusted gross estate.

The bill, which was introduced by our colleague on the Committee on Ways and Means, the gentleman from Florida, the Honorable A. S. HERLONG, Jr., would apply to estates of decedents for which the date prescribed for the filing of the estate tax return occurs on or after January 1, 1965—that is, decedents dying on or after October 1, 1963.

The committee is unanimous in recommending enactment of this legislation. (Mr. MILLS asked and was given permission to revise and extend his remarks.)

Mr. GROSS. Mr. Speaker, I withdraw my reservation of objection.

(Mr. BYRNES of Wisconsin asked and was given permission to extend his remarks at this point in the RECORD.)

Mr. BYRNES of Wisconsin. Mr. Speaker, I urge favorable consideration of H.R. 483, which was reported unanimously by the Ways and Means Committee. This bill makes needed changes in our estate tax laws to remove discriminatory consequences that presently result when property passes to a surviving spouse through disclaimer of a beneficiary rather than under the terms of the decedent's will.

Under the estate tax law, a marital deduction is provided for property passing to the surviving spouse, either by the terms of a will or under the State law of descent and distribution. However, the deduction cannot exceed 50 percent of the gross estate. If property passes directly to a surviving spouse under the decedent's will, the amount will qualify for the marital deduction. If the surviving spouse elects to receive his or her share under the intestacy laws rather than under the will, the marital deduction applies to the amount passing to the wife pursuant to the election. However, if the property passes to a beneficiary who disclaims the property in favor of the wife, the marital deduction is inapplicable.

The committee's bill attempts to partly equalize the tax rules applicable in these various situations. In order to insure that the benefits will apply to a genuine disclaimer, the committee's bill imposes three conditions:

First. The disclaimer must be made before any of the property is accepted.

Second. The disclaimer must be made within 6 months from the date the will is admitted to probate.

Third. The disclaimer must be with respect to all bequests and devises to the beneficiary under the law.

The amount of the marital deduction available as a result of the disclaimer is patterned after the amount a spouse is generally permitted to elect against the will.

In any of these cases, the property is available to the wife for her use and support, and the tax laws should address themselves to the substance rather than the form of the transaction. This bill will more nearly equalize for estate tax purposes the effect of a specific bequest to a surviving spouse, or a taking by law or intestacy, and a taking by disclaimer.

The SPEAKER. Is there objection to the request of the gentleman from Arkansas?

There being no objection, the Clerk read the bill, as follows:

H.R. 483

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 2056(d) (2) of the Internal Revenue Code of 1954 (relating to disclaimers and allowances of marital deduction for estate tax purposes) is amended by striking out "not to the surviving spouse, but to the person who made the disclaimer" and inserting in lieu thereof "from the decedent to his surviving spouse".

SEC. 2. The amendment made by the first section of this Act shall apply with respect to estates of decedents dying after January 1, 1964.

With the following committee amendment:

Strike out all after the enacting clause and insert the following:

"That (a) section 2056(d) (2) of the Internal Revenue Code of 1954 (relating to the treatment of disclaimers in computing the marital deduction for estate tax purposes) is amended to read as follows:

"(2) BY ANY OTHER PERSON.—If under this section an interest would, in the absence of a disclaimer by any person other than the surviving spouse, be considered as passing from the decedent to such person, and if a disclaimer of such interest is made by such person and as a result of such disclaimer the surviving spouse is entitled to receive such interest, then—

"(A) Except to the extent that subparagraph (B) applies, such interest shall, for purposes of this section, be considered as passing, not to the surviving spouse, but to the person who made the disclaimer, in the same manner as if the disclaimer had not been made.

"(B) If the interest disclaimed was bequeathed or devised to such person, and before the expiration of 6 months after the admission of the decedent's will to probate such person disclaimed all bequests and devises in his favor under such will and did not accept any property under any such bequest or devise before making the disclaimer, such interest passing to the surviving spouse

by reason of such disclaimer shall, for purposes of this section, be considered as passing from the decedent to such spouse. The amount of the deductions allowable under this section by reason of this subparagraph, when added to the amount of the deductions allowable under this section without regard to this subparagraph, shall not exceed the greater of (i) the amount of the deductions which would be allowable under this section without regard to such disclaimer if the surviving spouse elected to take against the will, or (ii) an amount equal to one-third of the adjusted gross estate (within the meaning of subsection (c) (2))."

"(b) The amendment made by this Act shall be applicable to estates of decedents for which the date prescribed for the filing of the estate tax return (determined without regard to any extension of time for filing) occurs on or after January 1, 1965."

The committee amendment was agreed to.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

TRIBUTE TO THE LATE MRS. EDWARD EUGENE COX

(Mr. O'NEAL of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. O'NEAL of Georgia. Mr. Speaker, it is my sad responsibility to report to the House of Representatives the death of the widow of one of the great Members of this body.

Mrs. Edward Eugene Cox, whose husband represented the Second District of Georgia for 27 years, died Tuesday, August 9, 1966, in Davenport, Iowa, while visiting her daughter, Mrs. Roland B. Anderson, whose husband is commanding general of the Army Weapons Command at Rock Island, Ill.

Mrs. Cox was a grand and gracious lady. Many of our senior Members, including the distinguished Speaker—I might say, especially including the distinguished Speaker—have enjoyed reminiscing with me of other days and speaking fondly of the inimitable Gene Cox and his charming wife.

I had the highest regard for "Miss Grace." This is an old southern way of speaking, Mr. Speaker, that carries with it great respect and affection. You might say we apply it as a title. Every one who knew her felt the same devotion.

This gracious lady was especially kind to me prior to and after my election to this body. I know my colleagues who were fortunate to know her receive this news as you and I do, Mr. Speaker; that is, with heavy hearts.

In addition to Mrs. Anderson, she is survived by another daughter, Mrs. Elliott Dunwoody, of Macon, Ga.; a sister, Mrs. Ruby Smith, of Sylvester, Ga.; and a brother, Douglas Pitts, of Greer, S.C. Funeral services will be held in Camilla, Ga., tomorrow, August 12.

Mr. SIKES. Mr. Speaker, will the gentleman yield?

Mr. O'NEAL of Georgia. I yield to the distinguished gentleman from Florida.

MR. SIKES. I, too, wish to express my deep sorrow on the death of "Miss Grace." I knew her well. She was a beloved individual.

It was my privilege to serve with her distinguished husband, the Honorable Eugene Cox, who represented the Second Georgia District so long and so ably.

I grew up in southwest Georgia and "Miss Grace" lived in Sylvester the same town that I did. Her sister still resides there. I have known the family intimately and well all these years and I have been privileged and honored to share their friendship.

It is a sad occasion to realize that she has left us. My sympathy and that of my family is extended to all the family.

Mr. O'NEAL of Georgia. I thank my colleague.

Mr. McCORMACK. Mr. Speaker, will the gentleman yield?

Mr. O'NEAL of Georgia. I am glad to yield to my distinguished Speaker.

Mr. McCORMACK. I was very sorry—exceedingly sorry—as was Mrs. McCormack, when we learned of the death of Mrs. Cox.

Gene Cox and Mrs. Cox were close and valued friends of Mrs. McCormack and of myself for many years.

Gene Cox was one of the outstanding Members of the Congress, and served with great distinction in this body for many years. He was one of the most remarkable men I have ever met. Mrs. Cox was one of the sweetest and also one of the most remarkable ladies Mrs. McCormack and I have ever met.

When I was elected majority leader years ago in the Democratic caucus it was my dear friend Gene Cox from Georgia who led my fight on the floor of the caucus.

There has been a friendship between us which has been intense, deep, and lasting. The memory both of Gene Cox and of Mrs. Cox will always remain in my mind as long as I live.

I extend to her loved ones left behind my deep sympathy in their bereavement.

Mr. O'NEAL of Georgia. I thank the distinguished Speaker for this contribution.

AHEPA, A GREAT ORGANIZATION

(Mr. SIKES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

MR. SIKES. Mr. Speaker, I welcome the opportunity to join with my colleagues in paying tribute to a very fine and outstanding organization, the Order of Ahepa, on the occasion of its 44th Supreme Convention on August 14 to 20, being held in Washington, D.C.

It can be accurately stated that a part of America's greatness is the composite of many national origins blending successfully together towards the advancement of common goals. In the scope of national responsibility, the Order of Ahepa stands as an object lesson in successful cooperation.

I am particularly familiar with the effectiveness and altruism of the Ahepa because of the large Greek community in my area. It would be a vain attempt

on my part to list the numerous achievements and charitable causes which this organization has so generously and vigorously supported, but it would be less than proper of me not to express to Ahepa my appreciation and that of my State.

This country is very proud of its citizens of Greek descent who have contributed so greatly to the tenets on which this country was founded and who, because of their heritage, have always shared in our aspirations for freedom and independence.

ENACTMENT OF TITLE 5, UNITED STATES CODE, "GOVERNMENT ORGANIZATION AND EMPLOYEES," CODIFYING THE GENERAL AND PERMANENT LAWS RELATING TO THE ORGANIZATION OF THE GOVERNMENT OF THE UNITED STATES AND TO ITS CIVILIAN OFFICERS AND EMPLOYEES

MR. TUCK. Mr. Speaker, I ask unanimous consent to take from the Speaker's desk the bill (H.R. 10104) to enact title 5, United States Code, "Government Organization and Employees," codifying the general and permanent laws relating to the organization of the Government of the United States and to its civilian officers and employees, with Senate amendments thereto, and concur in the Senate amendments.

The Clerk read the title of the bill.

The Clerk read the Senate amendments, as follows:

time examine the organization of all agencies and shall determine what changes therein are necessary to accomplish the following purposes:

"(1) to promote the better execution of the laws, the more effective management of the executive branch and of its agencies and functions, and the expeditious administration of the public business;

"(2) to reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Government;

"(3) to increase the efficiency of the operations of the Government to the fullest extent practicable;

"(4) to group, coordinate, and consolidate agencies and functions of the Government, as nearly as may be, according to major purposes;

"(5) to reduce the number of agencies by consolidating those having similar functions under a single head, and to abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Government; and

"(6) to eliminate overlapping and duplication of effort.

"(b) Congress declares that the public interest demands the carrying out of the purposes of subsection (a) of this section and that the purposes may be accomplished in great measure by proceeding under this chapter, and can be accomplished more speedily thereby than by the enactment of specific legislation.

"§ 902. Definitions

"For the purpose of this chapter—

"(1) 'agency' means—

"(A) an Executive agency or part thereof;

"(B) an office or officer in the civil service or uniformed services in or under an Executive agency; and

"(C) the government of the District of Columbia or part thereof, except the courts; but does not include the General Accounting Office or the Comptroller General of the United States; and

"(2) 'reorganization' means a transfer, consolidation, coordination, authorization, or abolition, referred to in section 903 of this title.

"§ 903. Reorganization plans

"(a) When the President, after investigation, finds that—

"(1) the transfer of the whole or a part of an agency, or of the whole or a part of the functions thereof, to the jurisdiction and control of another agency;

"(2) the abolition of all or a part of the functions of an agency;

"(5) the authorization of an officer in the civil service or uniformed services to delegate any of his functions; or

"(6) the abolition of the whole or a part of an agency which agency or part does not have, or on the taking effect of the reorganization plan will not have, any functions;

is necessary to accomplish one or more of the purposes of section 901(a) of this title, he shall prepare a reorganization plan for the making of the reorganizations as to which he has made findings and which he includes in the plan, and transmit the plan (bearing an identification number) to Congress, together with a declaration that, with respect to each reorganization included in the plan, he has found that the reorganization is necessary to accomplish one or more of the purposes of section 901(a) of this title.

"(b) The President shall have a reorganization plan delivered to both Houses on the same day and to each House while it is in session. In his message transmitting a reorganization plan, the President shall specify with respect to each abolition of a function included in the plan the statutory authority for the exercise of the function and the reduction of expenditures (itemized so far as practicable) that it is probable will be brought about by the taking effect of the reorganizations included in the plan.

"§ 904.—Additional contents of reorganization plans

"A reorganization plan transmitted by the President under section 903 of this title—

"(1) may change, in such cases as the President considers necessary, the name of an agency affected by a reorganization and the title of its head; and shall designate the name of an agency resulting from a reorganization and the title of its head;

"(2) may provide for the appointment and pay of the head and one or more officers of an agency (including an agency resulting from a consolidation or other type of reorganization) if the President finds, and in his message transmitting the plan declares, that by reason of a reorganization made by the plan the provisions are necessary. The head so provided may be an individual or may be a commission or board with more than one member. In case of such an appointment, the term of office may not be fixed at more than 4 years, the pay may not be at a rate in excess of that found by the President to be applicable to comparable officers in the executive branch, and, if the appointment is not to a position in the competitive service, it shall be by the President, by and with the advice and consent of the Senate, except that, in the case of an officer of the government of the District of Columbia, it may be by the Board of Commissioners or other body or officer of that government designated in the plan;

"(3) shall provide for the transfer or other disposition of the records, property, and personnel affected by a reorganization;

"(4) shall provide for the transfer of such unexpended balances of appropriations, and of other funds, available for use in connection with a function or agency affected by a reorganization, as the President considers necessary by reason of the reorganization for use in connection with the functions affected by the reorganization, or for the use of the agency which shall have the functions after the reorganization plan is effective. However, the unexpended balances so transferred may be used only for the purposes for which the appropriation was originally made; and

"(5) shall provide for terminating the affairs of an agency abolished.

"§ 905. Limitations on powers

"(a) A reorganization plan may not provide for, and a reorganization under this chapter may not have the effect of—

"(1) creating a new Executive department, abolishing or transferring an Executive department or all the functions thereof, or consolidating two or more Executive departments or all the functions thereof;

"(2) continuing an agency beyond the period authorized by law for its existence or beyond the time when it would have terminated if the reorganization had not been made;

"(3) continuing a function beyond the period authorized by law for its exercise or beyond the time when it would have terminated if the reorganization had not been made;

"(4) authorizing an agency to exercise a function which is not expressly authorized by law at the time the plan is transmitted to Congress;

"(5) increasing the term of an office beyond that provided by law for the office; or

"(6) transferring to or consolidating with another agency the government of the District of Columbia or all the functions thereof which are subject to this chapter, or abolishing that government or all those functions.

"(b) A provision contained in a reorganization plan may take effect only if the plan is transmitted to Congress before December 31, 1968.

"§ 906. Effective date and publication of reorganization plans

"(a) Except as otherwise provided under subsection (c) of this section, a reorganization plan is effective at the end of the first period of 60 calendar days of continuous session of Congress after the date on which the plan is transmitted to it unless, between the date of transmittal and the end of the 60-day period, either House passes a resolution stating in substance that that House does not favor the reorganization plan.

"(b) For the purpose of subsection (a) of this section—

"(1) continuity of session is broken only by an adjournment of Congress sine die; and

(2) the days on which either House is not in session because of an adjournment of more than three days to a day certain are excluded in the computation of the sixty-day period.

"(c) Under provisions contained in a reorganization plan, a provision of the plan may be effective at a time later than the date on which the plan otherwise is effective.

"(d) A reorganization plan which is effective shall be printed (1) in the Statutes at Large in the same volume as the public laws and (2) in the Federal Register.

"§ 907. Effect on other laws, pending legal proceedings, and unexpended appropriations

"(a) A statute enacted, and a regulation or other action made, prescribed, issued, granted, or performed in respect of or by an agency or function affected by a reorganization under this chapter, before the effective date of the reorganization, has, except to the extent rescinded, modified, superseded, or made inapplicable by or under authority of law or by the abolition of a function, the same effect as if the reorganization had not been made. However, if the statute, regulation, or other action has vested the functions in the agency from which it is removed under the reorganization plan, the function, insofar as it is to be exercised after the plan becomes effective, shall be deemed as vested in the agency under which the function is placed by the plan.

"(b) For the purpose of subsection (a) of this section, 'regulation or other action' means a regulation, rule, order, policy, determination, directive, authorization, permit, privilege, requirement, designation, or other action.

"(c) A suit, action, or other proceeding lawfully commenced by or against the head of an agency or other officer of the United States, in his official capacity or in relation to the discharge of his official duties, does not abate by reason of the taking effect of a reorganization plan under this chapter. On motion or supplemental petition filed at any time within twelve months after the reorganization plan takes effect, showing a necessity for a survival of the suit, action or other proceeding to obtain a settlement of the questions involved, the court may allow the suit, action, or other proceeding to be maintained by or against the successor of the head or officer under the reorganization effected by the plan or, if there is no successor, against such agency or officer as the President designates.

"(d) The appropriations or portions of appropriations unexpended by reason of the operation of this chapter may not be used for any purpose, but shall revert to the Treasury.

"§ 908. Rules of Senate and House of Representatives on reorganization plans

"Sections 909–913 of this title are enacted by Congress—

"(1) as an exercise of the rule-making power of the Senate and the House of Representatives, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described by section 909 of this title; and they supersede other rules only to the extent that they are inconsistent therewith; and

"(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

"§ 909. Terms of resolution

"For the purpose of sections 908–913 of this title, 'resolution' means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: 'That the ——— does not favor the reorganization plan numbered ——— transmitted to Congress by the President on ———, 19——', the first blank space therein being filled with the name of the resolving House and the other blank spaces therein being appropriately filled; but does not include a resolution which specifies more than one reorganization plan.

"§ 910. Reference of resolution to committee

"A resolution with respect to a reorganization plan shall be referred to a committee (and all resolutions with respect to the same plan shall be referred to the same committee) by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

"§ 911. Discharge of committee considering resolution

"(a) If the committee to which a resolution with respect to a reorganization plan has been referred has not reported it at the end of 10 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution with respect to the reorganization plan which has been referred to the committee.

"(b) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same reorganization plan), and debate thereon shall be limited to not more than one hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

"(c) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same reorganization plan.

"§ 912. Procedure after report or discharge of committee; debate

"(a) When the committee has reported, or has been discharged from further consideration of, a resolution with respect to a reorganization plan, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order

to move to reconsider the vote by which the motion is agreed to or disagreed to.

"(b) Debate on the resolution shall be limited to not more than ten hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

"§ 913. Decisions without debate on motion to postpone or proceed

"(a) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution with respect to a reorganization plan, and motions to proceed to the consideration of other business, shall be decided without debate.

"(b) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution with respect to a reorganization plan shall be decided without debate."

Mr. TUCK (interrupting the reading). Mr. Speaker, I ask unanimous consent that further reading of the Senate amendments be dispensed with, and that they be printed in the RECORD.

The SPEAKER. Is there objection to the request of the gentleman from Virginia?

There was no objection.

The SPEAKER. Is there objection to the request of the gentleman from Virginia?

Mr. POFF. Mr. Speaker, reserving the right to object—and I shall not object—may I inquire of my distinguished colleague from Virginia whether any of the amendments made in the other body affect the substance of the title?

Mr. TUCK. Mr. Speaker, if the gentleman will yield, the amendments do not affect the substance of the title. They are only clerical amendments, and do not make any change in substantive law.

The original bill passed this body unanimously. It passed the Senate unanimously. The amendments were adopted by the Senate unanimously.

Mr. POFF. Mr. Speaker, I thank my colleague, and withdraw my reservation.

The SPEAKER. Is there objection to the request of the gentleman from Virginia?

There was no objection.

The Senate amendments were concurred in.

A motion to reconsider was laid on the table.

CORRECTION OF VOTE

Mr. GONZALEZ. Mr. Speaker, on checking the CONGRESSIONAL RECORD this morning I noticed that on rollcall No. 213 I am shown as not voting when, in fact, I was present and voted "yea" when my name was called. I ask unanimous consent that the permanent RECORD and Journal be corrected accordingly.

The SPEAKER. Is there objection to the request of the gentleman from Texas?

AMEND TITLE II OF THE MERCHANT MARINE ACT

Mr. MADDEN (on behalf of Mr. O'NEILL of Massachusetts), from the Committee on Rules, reported the following privileged resolution (H. Res. 967, Rept. No. 1533), which was referred to the House Calendar and ordered to be printed:

H. RES. 967

Resolved, That upon the adoption of this resolution it shall be in order to move that the House resolve itself into the Committee of the Whole House on the State of the

Union for the consideration of the bill (H.R. 11696) to amend title II of the Merchant Marine Act, 1936, to create the Federal Maritime Administration, and for other purposes. After general debate, which shall be confined to the bill and shall continue not to exceed two hours, to be equally divided and controlled by the chairman and ranking minority member of the Committee on Merchant Marine and Fisheries, the bill shall be read for amendment under the five-minute rule. It shall be in order to consider the substitute amendment recommended by the Committee on Merchant Marine and Fisheries now in the bill and such substitute for the purpose of amendment shall be considered under the five-minute rule as an original bill. At the conclusion of such consideration the Committee shall rise and report the bill to the House with such amendments as may have been adopted, and any Member may demand a separate vote in the House on any of the amendments adopted in the Committee of the Whole to the bill or committee substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

JOSEPH McCaffrey COMPLIMENTS DR. HANSEN

(Mr. SISK asked and was given permission to address the House for 1 minute.)

Mr. SISK. Mr. Speaker, we very often hear on the news broadcasts matters that we disagree with and are concerned about, but I want to take the opportunity today to compliment the very well known TV commentator, Joseph McCaffrey, on a statement he made last night with reference to the District of Columbia schools. He paid a very high compliment to Dr. Hansen, head of the school system of the District of Columbia, and deplored some of the attacks that have been made upon him. He indicated in his statement that the years would prove that Dr. Hansen in all probability was right, and that his stature would go up as the years go by.

Mr. Speaker, I, too, deplore the attacks that have been made upon this very fine educator, who has instituted in the District of Columbia schools the track system which is used today in practically all progressive high schools throughout America.

And, Mr. Speaker, I deplore the fact that, unfortunately, sometimes people with their own petty ax to grind make attacks upon great men who are working and who are dedicated to the task of improving our educational system.

Mr. Speaker, I want to commend Mr. McCaffrey upon his statement and, particularly, I want to compliment Dr. Hansen upon the job that he has done, and express the hope that something might develop which will enable him to continue his fine service to this educational system.

OBSERVATION OF THE MOST MODERN TRUCKING TERMINAL IN THE UNITED STATES

(Mr. KORNEGAY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KORNEGAY. Mr. Speaker, yesterday I was privileged to observe the most modern trucking terminal in the United States.

I flew down, late yesterday afternoon, to Burlington, N.C., to take part in the opening of the new, modern terminal erected alongside Interstate Highway 85. This terminal, constructed by Associated Transport, Inc., is the newest and largest facility operated by this progressive and forward-thinking carrier.

Not only is the terminal a beautiful new addition to the many modern new industrial facilities now lining the Interstate Highway System in Piedmont, N.C., it is a highly efficient and functional operation. The plant is equipped with the newest and most efficient materials handling equipment to be found in the trucking industry.

In short, the operation is a great credit to the industrial community it is located in, and I am very proud to have it and the fine people who operate it as a part of my congressional district. The management team of Associated Transport, headed by its president, Mr. J. K. Seymour, of New York City, is to be congratulated, not only for its decision to erect such a wonderful facility, but also for Associated's continuing contributions to the communities in which it operates.

I regret that my absence from this Chamber yesterday prevented my voting in favor of the military installation construction bill, but I am pleased with the new look in trucking transportation facilities I saw in Alamance County, N.C.

HIGH INTEREST, TIGHT MONEY

(Mr. JONAS asked and was given permission to address the House for 1 minute.)

Mr. JONAS. Mr. Speaker, the American people are suffering under the highest interest rates and the tightest money situation that has obtained in modern times. This presents a hardship to all of the business enterprises who seek money for expansion. It is a hardship on citizens who wish to build homes. It is becoming a hardship on the Government itself which is being victimized by its own folly in practicing unsound fiscal policies and its stubborn refusal to discontinue the fatal habit of deficit financing.

Mr. Speaker, this situation was highlighted yesterday when Fannie Mae—FNMA—announced the forthcoming sale of debentures to yield 5.91 percent interest. This follows on the heels of the recent sale of participation certificates by the same Government agency at discounts that will yield 5.75 percent interest on Government-guaranteed obligations.

Mr. Speaker, it is further highlighted by the announcement of the Treasury recently that it was refunding Government bonds to yield 5¼ percent interest, the highest interest rates paid on Government bonds in 45 years.

Mr. Speaker, it is high time for the Federal Government to put its fiscal house in order; to quit competing with private enterprise and individual citizens

(4) "rule" means the whole or a part of an agency statement of general or particular applicability and future effect designed to implement, interpret, or prescribe law or policy or describing the organization, procedure, or practice requirements of an agency and includes the approval or prescription for the future of rates, wages, corporate or financial structures or reorganizations thereof, prices, facilities, appliances, services or allowances therefor or of valuations, costs, or accounting, or practices bearing on any of the foregoing;

(5) "rule making" means agency process for formulating, amending, or repealing a rule;

(6) "order" means the whole or a part of a final disposition, whether affirmative, negative, injunctive, or declaratory in form, of an agency in a matter other than rule making but including licensing;

(7) "adjudication" means agency process for the formulation of an order;

(8) "license" includes the whole or a part of an agency permit, certificate, approval, registration, charter, membership, statutory exemption or other form of permission;

(9) "licensing" includes agency process respecting the grant, renewal, denial, revocation, suspension, annulment, withdrawal, limitation, amendment, modification, or conditioning of a license;

(10) "sanction" includes the whole or a part of an agency—

(A) prohibition, requirement, limitation, or other condition affecting the freedom of a person;

(B) withholding of relief;

(C) imposition of penalty or fine;

(D) destruction, taking, seizure, or withholding of property;

(E) assessment of damages, reimbursement, restitution, compensation, costs, charges, or fees;

(F) requirement, revocation, or suspension of a license;

or

(G) taking other compulsory or restrictive action;

(11) "relief" includes the whole or a part of an agency—

(A) grant of money, assistance, license, authority, exemption, exception, privilege, or remedy;

(B) recognition of a claim, right, immunity, privilege, exemption, or exception; or

(C) taking of other action on the application or petition of, and beneficial to, a person;

(12) "agency proceeding" means an agency process as defined by paragraphs (5), (7), and (9) of this section; and

(13) "agency action" includes the whole or a part of an agency rule, order, license, sanction, relief, or the equivalent or denial thereof, or failure to act.

§ 552. Publication of information, rules, opinions, orders, and public records

(a) This section applies, according to the provisions thereof, except to the extent that there is involved—

(1) a function of the United States requiring secrecy in the public interest; or

(2) a matter relating solely to the internal management of an agency.

(b) Each agency shall separately state and currently publish in the Federal Register—

(1) descriptions of its central and field organizations, including delegations of final authority by the agency, and the established places at which, and methods whereby, the public may obtain information or make submittals or requests;

(2) statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of the formal or informal procedures available and forms and instructions as to the scope and contents of all papers, reports, or examinations; and

(3) substantive rules adopted as authorized by law and statements of general policy or interpretations adopted by the agency for public guidance, except rules addressed to and served on named persons in accordance with law.

A person may not be required to resort to organization or procedure not so published.

(c) Each agency shall publish or, in accordance with published rule, make available to public inspection all final opinions or orders in the adjudication of cases (except those required for good cause to be held confidential and not cited as precedents) and all rules.

(d) Except as otherwise required by statute, matters of official record shall be made available, in accordance with published rule, to persons properly and directly concerned, except information held confidential for good cause found.

§ 553. Rule making

(a) This section applies, according to the provisions thereof, except to the extent that there is involved—

(1) a military or foreign affairs function of the United States; or

(2) a matter relating to agency management or personnel or to public property, loans, grants, benefits, or contracts.

(b) General notice of proposed rule making shall be published in the Federal Register, unless persons subject thereto are named and either personally served or otherwise have actual notice thereof in accordance with law. The notice shall include—

(1) a statement of the time, place, and nature of public rule making proceedings;

(2) reference to the legal authority under which the rule is proposed; and

(3) either the terms or substance of the proposed rule or a description of the subjects and issues involved.

Except when notice or hearing is required by statute, this subsection does not apply—

(A) to interpretative rules, general statements of policy, or rules of agency organization, procedure, or practice; or

(B) when the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefor in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.

(c) After notice required by this section, the agency shall give interested persons an opportunity to participate in the rule making through submission of written data, views, or arguments with or without opportunity for oral presentation. After consideration of the relevant matter presented, the agency shall incorporate in the rules adopted a concise general statement of their basis and purpose. When rules are required by statute to be made on the record after opportunity for an agency hearing, sections 556 and 557 of this title apply instead of this subsection.

(d) The required publication or service of a substantive rule shall be made not less than 30 days before its effective date, except—

(1) a substantive rule which grants or recognizes an exemption or relieves a restriction;

(2) interpretative rules and statements of policy; or

(3) as otherwise provided by the agency for good cause found and published with the rule.

(e) Each agency shall give an interested person the right to petition for the issuance, amendment, or repeal of a rule.

§ 554. Adjudications

(a) This section applies, according to the provisions thereof, in every case of adjudication required by statute to be determined on the record after opportunity for an agency hearing, except to the extent that there is involved—

(1) a matter subject to a subsequent trial of the law and the facts de novo in a court;

(2) the selection or tenure of an employee, except a hearing examiner appointed under section 3105 of this title;

(3) proceedings in which decisions rest solely on inspections, tests, or elections;

(4) the conduct of military or foreign affairs functions;

(5) cases in which an agency is acting as an agent for a court; or

(6) the certification of worker representatives.

(b) Persons entitled to notice of an agency hearing shall be timely informed of—

(1) the time, place, and nature of the hearing;

(2) the legal authority and jurisdiction under which the hearing is to be held; and

(3) the matters of fact and law asserted.

When private persons are the moving parties, other parties to the proceeding shall give prompt notice of issues controverted in fact or law; and in other instances agencies may by rule require responsive pleading. In fixing the time and place for hearings, due regard shall be had for the convenience and necessity of the parties or their representatives.

(c) The agency shall give all interested parties opportunity for—

(1) the submission and consideration of facts, arguments, offers of settlement, or proposals of adjustment when time, the nature of the proceeding, and the public interest permit; and

(2) to the extent that the parties are unable so to determine a controversy by consent, hearing and decision on notice and in accordance with sections 556 and 557 of this title.

(d) The employee who presides at the reception of evidence pursuant to section 556 of this title shall make the recommended decision or initial decision required by section 557 of this title, unless he becomes unavailable to the agency. Except to the extent required for the disposition of ex parte matters as authorized by law, such an employee may not—

(1) consult a person or party on a fact in issue, unless on notice and opportunity for all parties to participate; or

(2) be responsible to or subject to the supervision or direction of an employee or agent engaged in the performance of investigative or prosecuting functions for an agency.

An employee or agent engaged in the performance of investigative or prosecuting functions for an agency in a case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or agency review pursuant to section 557 of this title, except as witness or counsel in public proceedings. This subsection does not apply—

(A) in determining applications for initial licenses;

(B) to proceedings involving the validity or application of rates, facilities, or practices of public utilities or carriers; or

(C) to the agency or a member or members of the body comprising the agency.

(e) The agency, with like effect as in the case of other orders, and in its sound discretion, may issue a declaratory order to terminate a controversy or remove uncertainty.

§ 555. Ancillary matters

(a) This section applies, according to the provisions thereof, except as otherwise provided by this subchapter.

(b) A person compelled to appear in person before an agency or representative thereof is entitled to be accompanied, represented, and advised by counsel or, if permitted by the agency, by other qualified representative. A party is entitled to appear in person or by or with counsel or other duly qualified representative in an agency proceeding. So far as the orderly conduct of public business permits, an interested person may appear before an agency or its responsible employees for the presentation, adjustment, or determination of an issue, request, or controversy in a proceeding, whether interlocutory, summary, or otherwise, or in connection with an agency function. With due regard for the convenience and necessity of the parties or their representatives and within a reasonable time, each agency shall proceed to conclude a matter presented to it. This subsection does not grant or deny a person who is not a lawyer the right to appear for or represent others before an agency or in an agency proceeding.

(c) Process, requirement of a report, inspection, or other investigative act or demand may not be issued, made, or enforced except as authorized by law. A person compelled to submit data or evidence is entitled to retain or, on payment of lawfully prescribed costs, procure a copy or transcript thereof, except that in a nonpublic investigatory proceeding the witness may for good cause be limited to inspection of the official transcript of his testimony.

(d) Agency subpoenas authorized by law shall be issued to a party on request and, when required by rules of procedure, on a statement or showing of general relevance and reasonable scope of the evidence sought. On contest, the court shall sustain the subpoena or similar

process or demand to the extent that it is found to be in accordance with law. In a proceeding for enforcement, the court shall issue an order requiring the appearance of the witness or the production of the evidence or data within a reasonable time under penalty of punishment for contempt in case of contumacious failure to comply.

(e) Prompt notice shall be given of the denial in whole or in part of a written application, petition, or other request of an interested person made in connection with any agency proceeding. Except in affirming a prior denial or when the denial is self-explanatory, the notice shall be accompanied by a brief statement of the grounds for denial.

§ 556. Hearings; presiding employees; powers and duties; burden of proof; evidence; record as basis of decision

(a) This section applies, according to the provisions thereof, to hearings required by section 553 or 554 of this title to be conducted in accordance with this section.

(b) There shall preside at the taking of evidence—

- (1) the agency;
- (2) one or more members of the body which comprises the agency; or
- (3) one or more hearing examiners appointed under section 3105 of this title.

This subchapter does not supersede the conduct of specified classes of proceedings, in whole or in part, by or before boards or other employees specially provided for by or designated under statute. The functions of presiding employees and of employees participating in decisions in accordance with section 557 of this title shall be conducted in an impartial manner. A presiding or participating employee may at any time disqualify himself. On the filing in good faith of a timely and sufficient affidavit of personal bias or other disqualification of a presiding or participating employee, the agency shall determine the matter as a part of the record and decision in the case.

(c) Subject to published rules of the agency and within its powers, employees presiding at hearings may—

- (1) administer oaths and affirmations;
- (2) issue subpoenas authorized by law;
- (3) rule on offers of proof and receive relevant evidence;
- (4) take depositions or have depositions taken when the ends of justice would be served;
- (5) regulate the course of the hearing;
- (6) hold conferences for the settlement or simplification of the issues by consent of the parties;
- (7) dispose of procedural requests or similar matters;
- (8) make or recommend decisions in accordance with section 557 of this title; and
- (9) take other action authorized by agency rule consistent with this subchapter.

(d) Except as otherwise provided by statute, the proponent of a rule or order has the burden of proof. Any oral or documentary evidence may be received, but the agency as a matter of policy shall provide for the exclusion of irrelevant, immaterial, or unduly repetitious evidence. A sanction may not be imposed or rule or order issued except on consideration of the whole record or those parts thereof cited by a party and supported by and in accordance with the reliable, probative, and substantial evidence. A party is entitled to present his case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. In rule making

or determining claims for money or benefits or applications for initial licenses an agency may, when a party will not be prejudiced thereby, adopt procedures for the submission of all or part of the evidence in written form.

(e) The transcript of testimony and exhibits, together with all papers and requests filed in the proceeding, constitutes the exclusive record for decision in accordance with section 557 of this title and, on payment of lawfully prescribed costs, shall be made available to the parties. When an agency decision rests on official notice of a material fact not appearing in the evidence in the record, a party is entitled, on timely request, to an opportunity to show the contrary.

§ 557. Initial decisions; conclusiveness; review by agency; submissions by parties; contents of decisions; record

(a) This section applies, according to the provisions thereof, when a hearing is required to be conducted in accordance with section 556 of this title.

(b) When the agency did not preside at the reception of the evidence, the presiding employee or, in cases not subject to section 554(d) of this title, an employee qualified to preside at hearings pursuant to section 556 of this title, shall initially decide the case unless the agency requires, either in specific cases or by general rule, the entire record to be certified to it for decision. When the presiding employee makes an initial decision, that decision then becomes the decision of the agency without further proceedings unless there is an appeal to, or review on motion of, the agency within time provided by rule. On appeal from or review of the initial decision, the agency has all the powers which it would have in making the initial decision except as it may limit the issues on notice or by rule. When the agency makes the decision without having presided at the reception of the evidence, the presiding employee or an employee qualified to preside at hearings pursuant to section 556 of this title shall first recommend a decision, except that in rule making or determining applications for initial licenses—

(1) instead thereof the agency may issue a tentative decision or one of its responsible employees may recommend a decision; or

(2) this procedure may be omitted in a case in which the agency finds on the record that due and timely execution of its functions imperatively and unavoidably so requires.

(c) Before a recommended, initial, or tentative decision, or a decision on agency review of the decision of subordinate employees, the parties are entitled to a reasonable opportunity to submit for the consideration of the employees participating in the decisions—

(1) proposed findings and conclusions; or

(2) exceptions to the decisions or recommended decisions of subordinate employees or to tentative agency decisions; and

(3) supporting reasons for the exceptions or proposed findings or conclusions.

The record shall show the ruling on each finding, conclusion, or exception presented. All decisions, including initial, recommended, and tentative decisions, are a part of the record and shall include a statement of—

(A) findings and conclusions, and the reasons or basis therefor, on all the material issues of fact, law, or discretion presented on the record; and

(B) the appropriate rule, order, sanction, relief, or denial thereof.

§ 558. Imposition of sanctions; determination of applications for licenses; suspension, revocation, and expiration of licenses

(a) This section applies, according to the provisions thereof, to the exercise of a power or authority.

(b) A sanction may not be imposed or a substantive rule or order issued except within jurisdiction delegated to the agency and as authorized by law.

(c) When application is made for a license required by law, the agency, with due regard for the rights and privileges of all the interested parties or adversely affected persons and within a reasonable time, shall set and complete proceedings required to be conducted in accordance with sections 556 and 557 of this title or other proceedings required by law and shall make its decision. Except in cases of willfulness or those in which public health, interest, or safety requires otherwise, the withdrawal, suspension, revocation, or annulment of a license is lawful only if, before the institution of agency proceedings therefor, the licensee has been given—

(1) notice by the agency in writing of the facts or conduct which may warrant the action; and

(2) opportunity to demonstrate or achieve compliance with all lawful requirements.

When the licensee has made timely and sufficient application for a renewal or a new license in accordance with agency rules, a license with reference to an activity of a continuing nature does not expire until the application has been finally determined by the agency.

§ 559. Effect on other laws; effect of subsequent statute

This subchapter, chapter 7, and sections 1305, 3105, 3344, 4301(2) (E), 5362, and 7521, and the provisions of section 5335(a) (B) of this title that relate to hearing examiners, do not limit or repeal additional requirements imposed by statute or otherwise recognized by law. Except as otherwise required by law, requirements or privileges relating to evidence or procedure apply equally to agencies and persons. Each agency is granted the authority necessary to comply with the requirements of this subchapter through the issuance of rules or otherwise. Subsequent statute may not be held to supersede or modify this subchapter, chapter 7, sections 1305, 3105, 3344, 4301(2) (E), 5362, or 7521, or the provisions of section 5335(a) (B) of this title that relate to hearing examiners, except to the extent that it does so expressly.

**SUBCHAPTER III—ADMINISTRATIVE CONFERENCE
OF THE UNITED STATES****§ 571. Purpose**

It is the purpose of this subchapter to provide suitable arrangements through which Federal agencies, assisted by outside experts, may cooperatively study mutual problems, exchange information, and develop recommendations for action by proper authorities to the end that private rights may be fully protected and regulatory activities and other Federal responsibilities may be carried out expeditiously in the public interest.

§ 572. Definitions

For the purpose of this subchapter—

(1) “administrative program” includes a Federal function which involves protection of the public interest and the determination of rights, privileges, and obligations of private persons through rule making, adjudication, licensing, or investigation, as

those terms are used in subchapter II of this chapter, except that it does not include a military or foreign affairs function of the United States;

(2) "administrative agency" means an authority as defined by section 551(1) of this title; and

(3) "administrative procedure" means procedure used in carrying out an administrative program and is to be broadly construed to include any aspect of agency organization, procedure, or management which may affect the equitable consideration of public and private interests, the fairness of agency decisions, the speed of agency action, and the relationship of operating methods to later judicial review, but does not include the scope of agency responsibility as established by law or matters of substantive policy committed by law to agency discretion.

§ 573. Administrative Conference of the United States

(a) The Administrative Conference of the United States consists of not more than 91 nor less than 75 members appointed as set forth in subsection (b) of this section.

(b) The Conference is composed of—

(1) a full-time Chairman appointed for a 5-year term by the President, by and with the advice and consent of the Senate. The Chairman is entitled to pay at the highest rate established by statute for the chairman of an independent regulatory board or commission, and may continue to serve until his successor is appointed and has qualified;

(2) the chairman of each independent regulatory board or commission or an individual designated by the board or commission;

(3) the head of each Executive department or other administrative agency which is designated by the President, or an individual designated by the head of the department or agency;

(4) when authorized by the Council referred to in section 575 (b) of this title, one or more appointees from a board, commission, department, or agency referred to in this subsection, designated by the head thereof with, in the case of a board or commission, the approval of the board or commission;

(5) individuals appointed by the President to membership on the Council who are not otherwise members of the Conference; and

(6) not more than 36 other members appointed by the Chairman, with the approval of the Council, for terms of 2 years, except that the number of members appointed by the Chairman may at no time be less than one-third nor more than two-fifths of the total number of members. The Chairman shall select the members in a manner which will provide broad representation of the views of private citizens and utilize diverse experience. The members shall be members of the practicing bar, scholars in the field of administrative law or government, or others specially informed by knowledge and experience with respect to Federal administrative procedure.

(c) Members of the Conference, except the Chairman, are not entitled to pay for service. Members appointed from outside the Federal Government are entitled to travel expenses, including per diem instead of subsistence, as authorized by section 5703 of this title for individuals serving without pay.

§ 574. Powers and duties of the Conference

To carry out the purpose of this subchapter, the Administrative Conference of the United States may—

- (1) study the efficiency, adequacy, and fairness of the administrative procedure used by administrative agencies in carrying out administrative programs, and make recommendations to administrative agencies, collectively or individually, and to the President, Congress, or the Judicial Conference of the United States, in connection therewith, as it considers appropriate;
- (2) arrange for interchange among administrative agencies of information potentially useful in improving administrative procedure; and
- (3) collect information and statistics from administrative agencies and publish such reports as it considers useful for evaluating and improving administrative procedure.

§ 575. Organization of the Conference

(a) The membership of the Administrative Conference of the United States meeting in plenary session constitutes the Assembly of the Conference. The Assembly has ultimate authority over all activities of the Conference. Specifically, it has the power to—

- (1) adopt such recommendations as it considers appropriate for improving administrative procedure. A member who disagrees with a recommendation adopted by the Assembly is entitled to enter a dissenting opinion and an alternate proposal in the record of the Conference proceedings, and the opinion and proposal so entered shall accompany the Conference recommendation in a publication or distribution thereof; and
- (2) adopt bylaws and regulations not inconsistent with this subchapter for carrying out the functions of the Conference, including the creation of such committees as it considers necessary for the conduct of studies and the development of recommendations for consideration by the Assembly.

(b) The Conference includes a Council composed of the Chairman of the Conference, who is Chairman of the Council, and 10 other members appointed by the President, of whom not more than one-half shall be employees of Federal regulatory agencies or Executive departments. The President may designate a member of the Council as Vice Chairman. During the absence or incapacity of the Chairman, or when that office is vacant, the Vice Chairman shall serve as Chairman. The term of each member, except the Chairman, is 3 years. When the term of a member ends, he may continue to serve until a successor is appointed. However, the service of any member ends when a change in his employment status would make him ineligible for Council membership under the conditions of his original appointment. The Council has the power to—

- (1) determine the time and place of plenary sessions of the Conference and the agenda for the sessions. The Council shall call at least one plenary session each year;
- (2) propose bylaws and regulations, including rules of procedure and committee organization, for adoption by the Assembly;
- (3) make recommendations to the Conference or its committees on a subject germane to the purpose of the Conference;
- (4) receive and consider reports and recommendations of committees of the Conference and send them to members of the Conference with the views and recommendations of the Council;

(5) designate a member of the Council to preside at meetings of the Council in the absence or incapacity of the Chairman and Vice Chairman;

(6) designate such additional officers of the Conference as it considers desirable;

(7) approve or revise the budgetary proposals of the Chairman; and

(8) exercise such other powers as may be delegated to it by the Assembly.

(c) The Chairman is the chief executive of the Conference. In that capacity he has the power to—

(1) make inquiries into matters he considers important for Conference consideration, including matters proposed by individuals inside or outside the Federal Government;

(2) be the official spokesman for the Conference in relations with the several branches and agencies of the Federal Government and with interested organizations and individuals outside the Government, including responsibility for encouraging Federal agencies to carry out the recommendations of the Conference;

(3) request agency heads to provide information needed by the Conference, which information shall be supplied to the extent permitted by law;

(4) recommend to the Council appropriate subjects for action by the Conference;

(5) appoint, with the approval of the Council, members of committees authorized by the bylaws and regulations of the Conference;

(6) prepare, for approval of the Council, estimates of the budgetary requirements of the Conference;

(7) appoint and fix the pay of employees, define their duties and responsibilities, and direct and supervise their activities;

(8) rent office space in the District of Columbia;

(9) provide necessary services for the Assembly, the Council, and the committees of the Conference;

(10) organize and direct studies ordered by the Assembly or the Council, using from time to time, as appropriate, experts and consultants who may be employed under section 3109 of this title, but at rates for individuals not in excess of \$100 a day;

(11) on request of the head of an agency, furnish assistance and advice on matters of administrative procedure; and

(12) exercise such additional authority as the Council or Assembly delegates to him.

The Chairman shall preside at meetings of the Council and at each plenary session of the Conference, to which he shall make a full report concerning the affairs of the Conference since the last preceding plenary session. The Chairman, on behalf of the Conference, shall transmit to the President and Congress an annual report and such interim reports as he considers desirable.

§ 576. Appropriations

There are authorized to be appropriated sums necessary, not in excess of \$250,000, to carry out the purpose of this subchapter.

CHAPTER 7—JUDICIAL REVIEW

Sec.

- 701. Application; definitions.
- 702. Right of review.
- 703. Form and venue of proceeding.
- 704. Actions reviewable.
- 705. Relief pending review.
- 706. Scope of review.

§ 701. Application; definitions

(a) This chapter applies, according to the provisions thereof, except to the extent that—

- (1) statutes preclude judicial review; or
- (2) agency action is committed to agency discretion by law.

(b) For the purpose of this chapter—

(1) “agency” means each authority of the Government of the United States, whether or not it is within or subject to review by another agency, but does not include—

- (A) the Congress;
- (B) the courts of the United States;
- (C) the governments of the territories or possessions of the United States;
- (D) the government of the District of Columbia;
- (E) agencies composed of representatives of the parties or of representatives of organizations of the parties to the disputes determined by them;
- (F) courts martial and military commissions;
- (G) military authority exercised in the field in time of war or in occupied territory; or
- (H) functions conferred by sections 1738, 1739, 1743, and 1744 of title 12; chapter 2 of title 41; or sections 1622, 1884, 1891–1902, and former section 1641(b)(2), of title 50, appendix; and

(2) “person”, “rule”, “order”, “license”, “sanction”, “relief”, and “agency action” have the meanings given them by section 551 of this title.

§ 702. Right of review

A person suffering legal wrong because of agency action, or adversely affected or aggrieved by agency action within the meaning of a relevant statute, is entitled to judicial review thereof.

§ 703. Form and venue of proceeding

The form of proceeding for judicial review is the special statutory review proceeding relevant to the subject matter in a court specified by statute or, in the absence or inadequacy thereof, any applicable form of legal action, including actions for declaratory judgments or writs of prohibitory or mandatory injunction or habeas corpus, in a court of competent jurisdiction. Except to the extent that prior, adequate, and exclusive opportunity for judicial review is provided by law, agency action is subject to judicial review in civil or criminal proceedings for judicial enforcement.

§ 704. Actions reviewable

Agency action made reviewable by statute and final agency action for which there is no other adequate remedy in a court are subject to judicial review. A preliminary, procedural, or intermediate agency action or ruling not directly reviewable is subject to review on the review of

the final agency action. Except as otherwise expressly required by statute, agency action otherwise final is final for the purposes of this section whether or not there has been presented or determined an application for a declaratory order, for any form of reconsideration, or, unless the agency otherwise requires by rule and provides that the action meanwhile is inoperative, for an appeal to superior agency authority.

§ 705. Relief pending review

When an agency finds that justice so requires, it may postpone the effective date of action taken by it, pending judicial review. On such conditions as may be required and to the extent necessary to prevent irreparable injury, the reviewing court, including the court to which a case may be taken on appeal from or on application for certiorari or other writ to a reviewing court, may issue all necessary and appropriate process to postpone the effective date of an agency action or to preserve status or rights pending conclusion of the review proceedings.

§ 706. Scope of review

To the extent necessary to decision and when presented, the reviewing court shall decide all relevant questions of law, interpret constitutional and statutory provisions, and determine the meaning or applicability of the terms of an agency action. The reviewing court shall—

- (1) compel agency action unlawfully withheld or unreasonably delayed; and
- (2) hold unlawful and set aside agency action, findings, and conclusions found to be—
 - (A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;
 - (B) contrary to constitutional right, power, privilege, or immunity;
 - (C) in excess of statutory jurisdiction, authority, or limitations, or short of statutory right;
 - (D) without observance of procedure required by law;
 - (E) unsupported by substantial evidence in a case subject to sections 556 and 557 of this title or otherwise reviewed on the record of an agency hearing provided by statute; or
 - (F) unwarranted by the facts to the extent that the facts are subject to trial de novo by the reviewing court.

In making the foregoing determinations, the court shall review the whole record or those parts of it cited by a party, and due account shall be taken of the rule of prejudicial error.

909. Terms of resolution.
910. Reference of resolution to committee.
911. Discharge of committee considering resolution.
912. Procedure after report or discharge of committee; debate.
913. Decisions without debate on motion to postpone or proceed.

§ 901. Purpose

(a) The President shall from time to time examine the organization of all agencies and shall determine what changes therein are necessary to accomplish the following purposes:

(1) to promote the better execution of the laws, the more effective management of the executive branch and of its agencies and functions, and the expeditious administration of the public business;

(2) to reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Government;

(3) to increase the efficiency of the operations of the Government to the fullest extent practicable;

(4) to group, coordinate, and consolidate agencies and functions of the Government, as nearly as may be, according to major purposes;

(5) to reduce the number of agencies by consolidating those having similar functions under a single head, and to abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Government; and

(6) to eliminate overlapping and duplication of effort.

(b) Congress declares that the public interest demands the carrying out of the purposes of subsection (a) of this section and that the purposes may be accomplished in great measure by proceeding under this chapter, and can be accomplished more speedily thereby than by the enactment of specific legislation.

§ 902. Definitions

For the purpose of this chapter—

(1) “agency” means—

(A) an Executive agency or part thereof;

(B) an office or officer in the civil service or uniformed services in or under an Executive agency; and

(C) the government of the District of Columbia or part thereof, except the courts;

but does not include the General Accounting Office or the Comptroller General of the United States; and

(2) “reorganization” means a transfer, consolidation, coordination, authorization, or abolition, referred to in section 903 of this title.

§ 903. Reorganization plans

(a) When the President, after investigation, finds that—

(1) the transfer of the whole or a part of an agency, or of the whole or a part of the functions thereof, to the jurisdiction and control of another agency;

(2) the abolition of all or a part of the functions of an agency;

(5) the authorization of an officer in the civil service or uniformed services to delegate any of his functions; or

(6) the abolition of the whole or a part of an agency which

agency or part does not have, or on the taking effect of the reorganization plan will not have, any functions;

is necessary to accomplish one or more of the purposes of section 901(a) of this title, he shall prepare a reorganization plan for the making of the reorganizations as to which he has made findings and which he includes in the plan, and transmit the plan (bearing an identification number) to Congress, together with a declaration that, with respect to each reorganization included in the plan, he has found that the reorganization is necessary to accomplish one or more of the purposes of section 901(a) of this title.

(b) The President shall have a reorganization plan delivered to both Houses on the same day and to each House while it is in session. In his message transmitting a reorganization plan, the President shall specify with respect to each abolition of a function included in the plan the statutory authority for the exercise of the function and the reduction of expenditures (itemized so far as practicable) that it is probable will be brought about by the taking effect of the reorganizations included in the plan.

§ 904. Additional contents of reorganization plans

A reorganization plan transmitted by the President under section 903 of this title—

(1) may change, in such cases as the President considers necessary, the name of an agency affected by a reorganization and the title of its head; and shall designate the name of an agency resulting from a reorganization and the title of its head;

(2) may provide for the appointment and pay of the head and one or more officers of an agency (including an agency resulting from a consolidation or other type of reorganization) if the President finds, and in his message transmitting the plan declares, that by reason of a reorganization made by the plan the provisions are necessary. The head so provided may be an individual or may be a commission or board with more than one member. In case of such an appointment, the term of office may not be fixed at more than 4 years, the pay may not be at a rate in excess of that found by the President to be applicable to comparable officers in the executive branch, and, if the appointment is not to a position in the competitive service, it shall be by the President, by and with the advice and consent of the Senate, except that, in the case of an officer of the government of the District of Columbia, it may be by the Board of Commissioners or other body or officer of that government designated in the plan;

(3) shall provide for the transfer or other disposition of the records, property, and personnel affected by a reorganization;

(4) shall provide for the transfer of such unexpended balances of appropriations, and of other funds, available for use in connection with a function or agency affected by a reorganization, as the President considers necessary by reason of the reorganization for use in connection with the functions affected by the reorganization, or for the use of the agency which shall have the functions after the reorganization plan is effective. However, the unexpended balances so transferred may be used only for the purposes for which the appropriation was originally made; and

(5) shall provide for terminating the affairs of an agency abolished.

§ 905. Limitations on powers

(a) A reorganization plan may not provide for, and a reorganization under this chapter may not have the effect of—

(1) creating a new Executive department, abolishing or transferring an Executive department or all the functions thereof, or consolidating two or more Executive departments or all the functions thereof;

(2) continuing an agency beyond the period authorized by law for its existence or beyond the time when it would have terminated if the reorganization had not been made;

(3) continuing a function beyond the period authorized by law for its exercise or beyond the time when it would have terminated if the reorganization had not been made;

(4) authorizing an agency to exercise a function which is not expressly authorized by law at the time the plan is transmitted to Congress;

(5) increasing the term of an office beyond that provided by law for the office; or

(6) transferring to or consolidating with another agency the government of the District of Columbia or all the functions thereof which are subject to this chapter, or abolishing that government or all those functions.

(b) A provision contained in a reorganization plan may take effect only if the plan is transmitted to Congress before December 31, 1968.

§ 906. Effective date and publication of reorganization plans

(a) Except as otherwise provided under subsection (c) of this section, a reorganization plan is effective at the end of the first period of 60 calendar days of continuous session of Congress after the date on which the plan is transmitted to it unless, between the date of transmittal and the end of the 60-day period, either House passes a resolution stating in substance that that House does not favor the reorganization plan.

(b) For the purpose of subsection (a) of this section—

(1) continuity of session is broken only by an adjournment of Congress sine die; and

(2) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.

(c) Under provisions contained in a reorganization plan, a provision of the plan may be effective at a time later than the date on which the plan otherwise is effective.

(d) A reorganization plan which is effective shall be printed (1) in the Statutes at Large in the same volume as the public laws and (2) in the Federal Register.

Printing in
Statutes at
Large and Fed-
eral Register.

§ 907. Effect on other laws, pending legal proceedings, and unexpended appropriations

(a) A statute enacted, and a regulation or other action made, prescribed, issued, granted, or performed in respect of or by an agency or function affected by a reorganization under this chapter, before the effective date of the reorganization, has, except to the extent rescinded, modified, superseded, or made inapplicable by or under authority of law or by the abolition of a function, the same effect as if the reorganization had not been made. However, if the statute, regulation, or other action has vested the functions in the agency from which it is removed under the reorganization plan, the function, insofar as it is to be exercised after the plan becomes effective, shall be

deemed as vested in the agency under which the function is placed by the plan.

(b) For the purpose of subsection (a) of this section, "regulation or other action" means a regulation, rule, order, policy, determination, directive, authorization, permit, privilege, requirement, designation, or other action.

(c) A suit, action, or other proceeding lawfully commenced by or against the head of an agency or other officer of the United States, in his official capacity or in relation to the discharge of his official duties, does not abate by reason of the taking effect of a reorganization plan under this chapter. On motion or supplemental petition filed at any time within 12 months after the reorganization plan takes effect, showing a necessity for a survival of the suit, action, or other proceeding to obtain a settlement of the questions involved, the court may allow the suit, action, or other proceeding to be maintained by or against the successor of the head or officer under the reorganization effected by the plan or, if there is no successor, against such agency or officer as the President designates.

(d) The appropriations or portions of appropriations unexpended by reason of the operation of this chapter may not be used for any purpose, but shall revert to the Treasury.

§ 908. Rules of Senate and House of Representatives on reorganization plans

Sections 909-913 of this title are enacted by Congress—

(1) as an exercise of the rule-making power of the Senate and the House of Representatives, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described by section 909 of this title; and they supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

§ 909. Terms of resolution

For the purpose of sections 908-913 of this title, "resolution" means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: "That the _____ does not favor the reorganization plan numbered _____ transmitted to Congress by the President on _____, 19____.", the first blank space therein being filled with the name of the resolving House and the other blank spaces therein being appropriately filled; but does not include a resolution which specifies more than one reorganization plan.

§ 910. Reference of resolution to committee

A resolution with respect to a reorganization plan shall be referred to a committee (and all resolutions with respect to the same plan shall be referred to the same committee) by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

§ 911. Discharge of committee considering resolution

(a) If the committee to which a resolution with respect to a reorganization plan has been referred has not reported it at the end of 10 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other

resolution with respect to the reorganization plan which has been referred to the committee.

(b) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same reorganization plan), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same reorganization plan.

§ 912. Procedure after report or discharge of committee; debate

(a) When the committee has reported, or has been discharged from further consideration of, a resolution with respect to a reorganization plan, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(b) Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

§ 913. Decisions without debate on motion to postpone or proceed

(a) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution with respect to a reorganization plan, and motions to proceed to the consideration of other business, shall be decided without debate.

(b) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution with respect to a reorganization plan shall be decided without debate.

a report of which shall be furnished to the Commission for its information and appropriate action.

(c) When the President considers it in the national interest, he may have the investigations of a group or class, which are required by subsection (a) of this section, made by the Federal Bureau of Investigation rather than the Commission.

§ 1502. Influencing elections; taking part in political campaigns; prohibitions; exceptions

(a) A State or local officer or employee may not—

(2) a question which is not specifically identified with a National or State political party.

For the purpose of this section, questions relating to constitutional amendments, referendums, approval of municipal ordinances, and others of a similar character, are deemed not specifically identified with a National or State political party.

§ 1504. Investigations; notice of hearing

When a Federal agency charged with the duty of making a loan or grant of funds of the United States for use in an activity by a State or local officer or employee has reason to believe that the officer or employee has violated section 1502 of this title, it shall report the matter to the Civil Service Commission. On receipt of the report, or on receipt of other information which seems to the Commission to warrant an investigation, the Commission shall—

- (1) fix a time and place for a hearing; and
- (2) send, by registered or certified mail, to the officer or employee charged with the violation and to the State or local agency employing him a notice setting forth a summary of the alleged violation and giving the time and place of the hearing.

The hearing may not be held earlier than 10 days after the mailing of the notice.

§ 1505. Hearings; adjudications; notice of determinations

Either the State or local officer or employee or the State or local agency employing him, or both, are entitled to appear with counsel at the hearing under section 1504 of this title, and be heard. After this hearing, the Civil Service Commission shall—

(2) that the State or local officer or employee has been removed and has been appointed within 18 months after his removal to an office or employment in the same State in a State or local agency which does not receive loans or grants from a Federal agency; the Commission shall make and certify to the appropriate Federal agency an order requiring that agency to withhold from its loans or grants to the State or local agency to which notice was given an amount equal to 2 years' pay at the rate the officer or employee was receiving at the time of the violation. When the State or local agency to which appointment within 18 months after removal has been made is one that receives loans or grants from a Federal agency, the Commission order shall direct that the withholding be made from that State or local agency.

(b) Notice of the order shall be sent by registered or certified mail to the State or local agency from which the amount is ordered to be withheld. After the order becomes final, the Federal agency to which the order is certified shall withhold the amount in accordance with the terms of the order. (c) The Commission may not require an amount to be withheld from a loan or grant pledged by a State or local agency as security for its bonds or notes if the withholding of that amount would jeopardize the payment of the principal or interest on the bonds or notes.

§ 1507. Subpenas and depositions

Any member of the Commission may sign subpoenas, and members of the Commission and its examiners when authorized by the Commission may administer oaths, examine witnesses, and receive evidence. The attendance of witnesses and the production of documentary evidence may be required from any place in the United States at the designated place of hearing. In case of disobedience to a subpoena, the Commission may invoke the aid of a court of the United States in requiring the attendance and testimony of witnesses and the production of documentary evidence. In case of contumacy or refusal to obey a subpoena issued to a person, the United States District Court within whose jurisdiction the inquiry is carried on may issue an order requiring him to appear before the Commission, or to produce documentary evidence if so ordered, or to give evidence concerning the matter in question; and any failure to obey the order of the court may be punished by the court as a contempt thereof.

(b) The Commission may order testimony to be taken by deposition at any stage of a proceeding or investigation before it as a result of this chapter. Depositions may be taken before an individual designated by the Commission and having the power to administer oaths. Testimony shall be reduced to writing by the individual taking the deposition, or under his direction, and shall be subscribed by the deponent. Any person may be compelled to appear and depose and to produce documentary evidence before the Commission as provided by this section.

(c) A person may not be excused from attending and testifying or from producing documentary evidence or in obedience to a subpoena on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled to testify, or produce evidence, documentary or otherwise, before the Commission in obedience to a subpoena issued by it. A person so testifying is not exempt from prosecution and punishment for perjury committed in so testifying.

§ 1508. Judicial review

A party aggrieved by a determination or order of the Civil Service Commission under section 1504, 1505, or 1506 of this title may, within 30 days after the mailing of notice of the determination or order, institute proceedings for review thereof by filing a petition in the United States District Court for the district in which the State or local officer or employee resides. The institution of the proceedings does not operate as a stay of the determination or order unless—

(1) the court specifically orders a stay; and

(2) the officer or employee is suspended from his office or employment while the proceedings are pending.

A copy of the petition shall immediately be served on the Commission, and thereupon the Commission shall certify and file in the court a transcript of the record on which the determination or order was made. The court shall review the entire record including questions of fact and questions of law. If application is made to the court for leave to adduce additional evidence, and it is shown to the satisfaction of the court that the additional evidence may materially affect the result of the proceedings and that there were reasonable grounds for failure to adduce this evidence in the hearing before the Commission, the

court may direct that the additional evidence be taken before the Commission in the manner and on the terms and conditions fixed by the court. The Commission may modify its findings of fact or its determination or order in view of the additional evidence and shall file with the court the modified findings, determination, or order; and the modified findings of fact, if supported by substantial evidence, are conclusive. The court shall affirm the determination or order, or the modified determination or order, if the court determines that it is in accordance with law. If the court determines that the determination or order, or the modified determination or order, is not in accordance with law, the court shall remand the proceeding to the Commission with directions either to make a determination or order determined by the court to be lawful or to take such further proceedings as, in the opinion of the court, the law requires. The judgment and decree of the court are final, subject to review by the appropriate United States Court of Appeals as in other cases, and the judgment and decree of the court of appeals are final, subject to review by the Supreme Court of the United States on certiorari or certification as provided by section 1254 of title 28. If a provision of this section is held to be invalid as applied to a party by a determination or order of the Commission, the determination or order becomes final and effective as to that party as if the provision had not been enacted.

The period of separation caused by his employment with the international organization and the period necessary to effect reemployment are deemed creditable service for all appropriate civil service employment purposes.

(c) This section applies only with respect to so much of a period of employment with an international organization as does not exceed 3 years or such shorter period named by the head of the agency at the time of consent to transfer, except that for retirement and insurance purposes this section continues to apply during the period after separation from the international organization in which—

(1) an employee, except a Congressional employee, is properly exercising or could exercise the reemployment right established by subsection (b) of this section; or

(2) a Congressional employee is effecting or could effect a reemployment.

During that reemployment period, the employee is deemed on leave without pay for retirement and insurance purposes.

(d) During the employee's period of service with the international organization, the agency contribution for retirement and insurance purposes may be made from the appropriations or funds of the agency from which the employee transferred.

§ 3583. Computations

A computation under this subchapter before reemployment is made in the same manner as if the employee had received basic pay, or basic pay plus additional pay in the case of a Congressional employee, at the rate at which it would have been payable had the employee continued in the position in which he was serving at the time of transfer.

§ 3584. Regulations

The President may prescribe regulations necessary to carry out this subchapter and section 3343 of this title and to protect and assure the retirement, insurance, leave, and reemployment rights and such other similar civil service employment rights as he finds appropriate. The regulations may provide for the exclusion of employees from the application of this subchapter and section 3343 of this title on the basis of the nature and type of employment including excepted appointments of a confidential or policy-determining character, or conditions pertaining to the employment including short-term appointments, seasonal or intermittent employment, and part-time employment.

(2) An employee having less than 1 year of current, continuous civilian service is not eligible for training unless the head of his agency determines, under regulations prescribed under section 4118 of this title, that training for the employee is in the public interest.

(3) The time spent by an employee in training may not exceed 1 year in the first 10-year period and in each subsequent 10-year period of his continuous or non-continuous civilian service in the Government.

The Civil Service Commission may prescribe other limitations, in accordance with the provisions and purposes of this chapter, concerning the time which may be spent by an employee in training.

(b) On recommendation of the head of an agency, the Commission may waive, with respect to that agency or part thereof or one or more employees therein, all or any of the limitations covered by subsection

(b) The payment agreed to under subsection (a) (2) of this section may not be required of an employee who leaves the service of his agency to enter into the service of another agency in any branch of the Government unless the head of the agency that authorized the training notifies the employee before the effective date of his entrance into the service of the other agency that payment will be required under this section.

(c) If an employee, except an employee relieved of liability under subsection (b) of this section or section 4102(b) of this title, fails to

fulfill his agreement to pay to the Government the additional expenses incurred by the Government in connection with his training, a sum equal to the amount of the additional expenses of training is recoverable by the Government from the employee or his estate by—

(1) setoff against accrued pay, compensation, amount of retirement credit, or other amount due the employee from the Government; and

(2) such other method as is provided by law for the recovery of amounts owing to the Government.

The head of the agency concerned, under the regulations prescribed under section 4118 of this title, may waive in whole or in part a right of recovery under this subsection, if it is shown that the recovery would be against equity and good conscience or against the public interest.

(D) library and laboratory services;

(E) purchase or rental of books, materials, and supplies; and

(F) other services or facilities directly related to the training of the employee.

§ 4110. Expenses of attendance at meetings

Appropriations available to an agency for travel expenses are available for expenses of attendance at meetings which are concerned with the functions or activities for which the appropriation is made or which will contribute to improved conduct, supervision, or management of the functions or activities.

§ 4111. Acceptance of contributions, awards, and other payments

(a) To the extent authorized by regulation of the President, contributions and awards incident to training in non-Government facilities, and payment of travel, subsistence, and other expenses incident to attendance at meetings, may be made to and accepted by an employee, without regard to section 209 of title 18, if the contributions, awards, and payments are made by an organization determined by the Secretary of the Treasury to be an organization described by section 501(c)(3) of title 26 which is exempt from taxation under section 501(a) of title 26.

(b) When a contribution, award, or payment, in cash or in kind, is made to an employee for travel, subsistence, or other expenses under subsection (a) of this section, an appropriate reduction, under regulations of the Director of the Bureau of the Budget, shall be made from payment by the Government to the employee for travel, subsistence, or other expenses incident to training in a non-Government facility or to attendance at a meeting.

(a) The head of each agency, at least once every 3 years, shall review the needs and requirements of the agency for the training of employees under its jurisdiction. The Civil Service Commission, on request of an agency, may assist the agency with the review. Information obtained or developed in a review shall be made available to the Commission at its request.

(b) Each agency shall report annually to the Commission, at such times and in such form as the Commission prescribes, on its programs and plans for the training of employees under this chapter. The report shall set forth—

(1) such information concerning the expenditures of the agency in connection with training as the Commission considers appropriate;

(2) the name of each employee of the agency, except a student participating in a cooperative educational program, who, during the period covered by the report, received training by, in, or through a non-Government facility for more than 120 days; the grade, title, and primary duties of the position held by the employee; the name of the non-Government facility from which the training was received; the nature, length, and cost of the training to the Government; and the relationship of the training to official duties;

(6) such other information as the agency or the Commission considers appropriate.

§ 4114. Non-Government facilities; review of training programs

The Civil Service Commission, at the times and to the extent it considers necessary, shall review the operations, activities, and related transactions of each agency in connection with each agency program, and plan thereunder, for the training of its employees by, in, and through non-Government facilities under this chapter in order to determine whether the operations, activities, and related transactions comply with the programs and plans, the provisions and purposes of this chapter, and the principles, standards, and related requirements contained in the regulations prescribed under section 4118 of this title. Each agency, on request of the Commission, shall cooperate and assist in the review. If the Commission finds that noncompliance exists in an agency, the Commission, after consultation with the agency, shall certify to the head of the agency its recommendations for change of actions and procedures. If, after a reasonable time for placing its recommendations in effect, the Commission finds that noncompliance continues to exist in the agency, the Commission shall report the finding to the President for such action as he considers appropriate.

§ 4115. Collection of training information

The Civil Service Commission, to the extent it considers appropriate in the public interest, may collect information concerning training programs, plans, and the methods inside and outside the Government. The Commission, on request, may make the information available to an agency and to Congress.

§ 4116. Training program assistance

The Civil Service Commission, on request of an agency, shall advise and assist in the establishment, operation, and maintenance of the training programs and plans of the agency under this chapter, to the extent of its facilities and personnel available for that purpose.

The regulations shall provide for the maintenance of necessary information concerning the general conduct of the training activities of each agency, and such other information as is necessary to enable the President and Congress to discharge effectively their respective duties

(9) other matters considered appropriate or necessary by the Commission to carry out the provisions of this chapter.

(b) In addition to the matters set forth by subsection (a) of this section, the regulations, concerning training of employees by, in, or through non-Government facilities, shall—

(1) prescribe general policies governing the selection of a non-Government facility to provide training;

(2) authorize training of employees only after the head of the agency concerned determines that adequate training for employees by, in, or through a Government facility is not reasonably available, and that consideration has been given to the existing or reasonably foreseeable availability and use of fully trained employees; and

(3) prohibit training an employee for the purpose of filling a position by promotion if there is in the agency concerned another employee, of equal ability and suitability, fully qualified to fill the position and available at, or within a reasonable distance from, the place where the duties of the position are to be performed.

(c) The Commission, in accordance with this chapter, may revise, supplement, or abolish regulations prescribed under this section, and prescribe additional regulations.

(d) This section does not authorize the Commission to prescribe the types and methods of intra-agency training or to regulate the details of intra-agency training programs.

§ 5105. Standards for classification of positions

(a) The Civil Service Commission, after consulting the agencies, shall prepare standards for placing positions in their proper classes and grades. The Commission may make such inquiries or investigations of the duties, responsibilities, and qualification requirements of positions as it considers necessary for this purpose. The agencies, on request of the Commission, shall furnish information for and cooperate in the preparation of the standards. In the standards, which shall be published in such form as the Commission may determine, the Commission shall—

(1) define the various classes of positions in terms of duties, responsibilities, and qualification requirements;

(2) establish the official class titles; and

(3) set forth the grades in which the classes have been placed by the Commission.

(b) The Commission, after consulting the agencies to the extent considered necessary, shall revise, supplement, or abolish existing standards, or prepare new standards, so that, as nearly as may be practicable, positions existing at any given time will be covered by current published standards.

(c) The official class titles established under subsection (a)(2) of this section shall be used for personnel, budget, and fiscal purposes. However, this requirement does not prevent the use of organizational or other titles for internal administration, public convenience, law enforcement, or similar purposes.

§ 5106. Basis for classifying positions

(a) Each position shall be placed in its appropriate class. The basis for determining the appropriate class is the duties and responsibilities of the position and the qualifications required by the duties and responsibilities.

(b) Each class shall be placed in its appropriate grade. The basis for determining the appropriate grade is the level of difficulty, responsibility, and qualification requirements of the work of the class.

(c) Appropriated funds may not be used to pay an employee who places a supervisory position in a class and grade solely on the basis of the size of the organization unit or the number of subordinates supervised. These factors may be given effect only to the extent warranted by the work load of the organization unit and then only in combination with other factors, such as the kind, difficulty, and complexity of work supervised, the degree and scope of responsibility delegated to the supervisor, and the kind, degree, and character of the supervision exercised.

§ 5107. Classification of positions

Except as otherwise provided by this chapter, each agency shall place each position under its jurisdiction in its appropriate class and grade in conformance with standards published by the Civil Service Commission or, if no published standards apply directly, consistently with published standards. When facts warrant, an agency may change a position which it has placed in a class or grade under this section from that class or grade to another class or grade. Subject to section 5337 of this title, these actions of an agency are the basis for pay and personnel transactions until changed by certificate of the Commission.

§ 5108. Classification of positions at GS-16, 17, and 18

(a) A majority of the Civil Service Commissioners may establish, and from time to time revise, the maximum numbers of positions (not to exceed an aggregate of 2,400, in addition to any professional engineering positions primarily concerned with research and development and professional positions in the physical and natural sciences and medicine which may be placed in these grades, and in addition to 240 hearing examiner positions under section 3105 of this title which may be placed in GS-16 and 9 such positions which may be placed in GS-17) which may be placed in GS-16, 17, and 18 at any one time. However, under this authority—

(d) When a general appropriation statute authorizes an agency to place additional positions in GS-16, 17, and 18, the total number of positions authorized to be placed in these grades by this section (except subsection (c)(8) and (9)) is reduced by the number of positions authorized by the appropriation statute, unless otherwise specifically provided. The reduction is made in the following order—

first, from any number specifically authorized for the agency by this section (except subsection (c)(8) and (9)); and

second, from the maximum number of positions authorized by subsection (a) of this section irrespective of the agency to which the positions are allocated.

(b) When the Commission finds under subsection (a) of this section that a position is not placed in its proper class and grade in conformance with published standards or that a position for which there is no published standard is not placed in the class and grade consistently with published standards, it shall, after consultation with appropriate officials of the agency concerned, place the position in its appropriate class and grade and shall certify this action to the agency. The agency shall act in accordance with the certificate, and the certificate is binding on all administrative, certifying, payroll, disbursing, and accounting officials.

§ 5111. Revocation and restoration of authority to classify positions

(a) When the Civil Service Commission finds that an agency is not placing positions in classes and grades in conformance with or consistently with published standards, it may revoke or suspend the authority granted to the agency by section 5107 of this title and require that prior approval of the Commission be secured before an action placing a position in a class and grade becomes effective for payroll and other personnel purposes. The Commission may limit the revocation or suspension to—

- (1) the departmental or field service, or any part thereof;
- (2) a geographic area;
- (3) an organization unit or group of organization units;

The Commission shall certify to the agency concerned its action under paragraph (2) or (4) of this subsection. The agency shall act in accordance with the certificate, and the certificate is binding on all administrative, certifying, payroll, disbursing, and accounting officials.

SUBCHAPTER I—PAY COMPARABILITY SYSTEM

§ 5301. Policy.

It is the policy of Congress that Federal pay fixing be based on the principles that—

(1) there be equal pay for substantially equal work, and pay distinctions be maintained in keeping with work and performance distinctions; and

(2) Federal pay rates be comparable with private enterprise pay rates for the same levels of work.

Pay levels for the several Federal statutory pay systems shall be inter-related, and pay levels shall be set and adjusted in accordance with these principles.

§ 5302. Annual reports on pay comparability

In order to carry out the policy stated by section 5301 of this title, the President shall—

(1) direct such agency as he considers appropriate, to prepare and submit to him annually a report which compares the rates of pay fixed by statute for employees with the rates of pay paid for the same levels of work in private enterprise as determined on the basis of appropriate annual surveys conducted by the Bureau of Labor Statistics; and

(2) after seeking the views of such employee organizations as he considers appropriate and in such manner as he may provide, report annually to Congress—

(A) this comparison of Federal and private enterprise pay rates; and

(B) such recommendations for revision of statutory pay schedules, pay structures, and pay policy, as he considers advisable.

§ 5303. Higher minimum rates; Presidential authority

(a) When the President finds that the pay rates in private enterprise for one or more occupations in one or more areas or locations are so substantially above the pay rates of statutory pay schedules as to handicap significantly the Government's recruitment or retention of well-qualified individuals in positions paid under—

(1) section 5332 of this title;

(2) the provisions of part III of title 39 relating to employees in the postal field service;

(3) the pay scales for physicians, dentists, and nurses in the Department of Medicine and Surgery, Veterans' Administration, under chapter 73 of title 38; or

(4) sections 867 and 870 of title 22;

he may establish for the areas or locations higher minimum rates of basic pay for one or more grades or levels, occupational groups, series, classes, or subdivisions thereof, and may make corresponding increases in all step rates of the pay range for each such grade or level. However, a minimum rate so established may not exceed the seventh pay rate prescribed by statute for the grade or level. The President may authorize the exercise of the authority conferred on him by this section by the Civil Service Commission or, in the case of individuals not subject to the provisions of this title governing appointment in the competitive service, by such other agency as he may designate.

(b) Within the limitations of subsection (a) of this section, rates of basic pay established under that subsection may be revised from time to time by the President or by such agency as he may designate. The actions and revisions have the force and effect of statute.

(c) An increase in rate of basic pay established under this section is not an equivalent increase in pay within the meaning of section 5335(a) of this title and section 3552 of title 39.

(d) The rate of basic pay, established under this section, and received by an individual immediately before the effective date of a statutory increase in the pay schedules of the pay systems specified in subsection (a) of this section shall be initially adjusted on the effective date of the new pay schedules under conversion regulations prescribed by the President or by such agency as he may designate.

§ 5304. Presidential policies and regulations

The functions, duties, and regulations of the agencies and the Civil Service Commission with respect to this subchapter, subchapter III of this chapter, chapter 51 of this title, the provisions of part III of title 39 relating to employees in the postal field service, chapter 14 of title 22, and the provisions of chapter 73 of title 38 relating to employees in the Department of Medicine and Surgery, Veterans' Administration, are subject to such policies and regulations as the President may prescribe. Among other things, the policies and regulations of the President may provide for—

(1) preparing and reporting to him the annual comparison of Federal pay rates with private enterprise rates;

(2) obtaining and reporting to him the views of employee organizations on the annual comparison, and on other pay matters;

(3) reviewing and reporting to him on the adequacy of the Federal statutory pay structures for the Federal programs to which they apply;

(4) reviewing the relationship of Federal statutory pay rates and private enterprise pay rates in specific occupation and local areas; and

(5) providing step-increases in recognition of high quality performance and providing for properly relating supervisory pay rates paid under one system to those of subordinates paid under another system.

(b) When payment is made on the basis of an hourly, daily, weekly, or biweekly rate, the rate is computed from the appropriate annual rate of basic pay named by subsection (a) of this section in accordance with the rules prescribed by section 5504(b) of this title.

§ 5333. Minimum rate for new appointments; higher rates for supervisors of wage-board employees

(a) New appointments shall be made at the minimum rate of the appropriate grade. However, under regulations prescribed by the Civil Service Commission which provide for such considerations as

the existing pay or unusually high or unique qualifications of the candidate, or a special need of the Government for his services, the head of an agency may appoint, with the approval of the Commission in each specific case, an individual to a position in GS-13 or above at such a rate above the minimum rate of the appropriate grade as the Commission may authorize for this purpose. The approval of the Commission in each specific case is not required with respect to an appointment made by the Librarian of Congress.

(b) Under regulations prescribed by the Civil Service Commission, an employee in a position to which this subchapter applies, who regularly has responsibility for supervision (including supervision over the technical aspects of the work concerned) over employees whose pay is fixed and adjusted from time to time by wage boards or similar administrative authority as nearly as is consistent with the public interest in accordance with prevailing rates, may be paid at one of the rates for his grade which is above the highest rate of basic pay being paid to any such prevailing-rate employee regularly supervised, or at the maximum rate for his grade, as provided by the regulations.

§ 5334. Rate on change of position or type of appointment; regulations

(a) The rate of basic pay to which an employee is entitled is governed by regulations prescribed by the Civil Service Commission in conformity with this subchapter and chapter 51 of this title when—

(1) he is transferred from a position in the legislative, judicial, or executive branch to which this subchapter does not apply;

(2) he is transferred from a position in the legislative, judicial, or executive branch to which this subchapter applies to another such position;

(3) he is demoted to a position in a lower grade;

(4) he is reinstated, reappointed, or reemployed in a position to which this subchapter applies following service in any position in the legislative, judicial, or executive branch;

(5) his type of appointment is changed;

(6) his employment status is otherwise changed; or

(7) his position is changed from one grade to another grade.

(b) An employee who is promoted or transferred to a position in a higher grade is entitled to basic pay at the lowest rate of the higher grade which exceeds his existing rate of basic pay by not less than two step-increases of the grade from which he is promoted or transferred. If, in the case of an employee so promoted or transferred who is receiving basic pay at a rate in excess of the maximum rate of his grade, there is no rate in the higher grade which is at least two step-increases above his existing rate of basic pay, he is entitled to—

(1) the maximum rate of the higher grade; or

(2) his existing rate of basic pay, if that rate is the higher.

If an employee so promoted or transferred is receiving basic pay at a rate saved to him under section 5337 of this title on reduction in grade, he is entitled to—

(A) basic pay at a rate two steps above the rate which he would be receiving if section 5337 of this title were not applicable to him; or

(B) his existing rate of basic pay, if that rate is the higher.

(c) An employee in the legislative branch who is paid by the Secretary of the Senate or the Clerk of the House of Representatives, and who has completed two or more years of service as such an em-

ployee, and a Member of the Senate or House of Representatives who has completed two or more years of service as such a Member, may, on appointment to a position to which this subchapter applies, have his initial rate of pay fixed—

- (1) at the minimum rate of the appropriate grade; or
- (2) at a step of the appropriate grade that does not exceed the highest previous rate of pay received by him during that service in the legislative branch.

(d) The Commission may prescribe regulations governing the retention of the rate of basic pay of an employee who together with his position is brought under this subchapter and chapter 51 of this title. If an employee so entitled to a retained rate under these regulations is later demoted to a position under this subchapter and chapter 51 of this title, his rate of basic pay is determined under section 5337 of this title. However, for the purpose of section 5337 of this title, service in the position which was brought under this subchapter and chapter 51 of this title is deemed service under this subchapter and chapter 51 of this title.

(e) The rate of pay established for a teaching position as defined by section 901 of title 20 held by an individual who becomes subject to subsection (a) of this section is deemed increased by 20 percent to determine the yearly rate of pay of the position.

§ 5335. Periodic step-increases

(a) An employee paid on an annual basis, and occupying a permanent position within the scope of the General Schedule, who has not reached the maximum rate of pay for the grade in which his position is placed, shall be advanced in pay successively to the next higher rate within the grade at the beginning of the next pay period following the completion of—

- (1) each 52 calendar weeks of service in pay rates 1, 2, and 3;
 - (2) each 104 calendar weeks of service in pay rates 4, 5, and 6; or
 - (3) each 156 calendar weeks of service in pay rates 7, 8, and 9;
- subject to the following conditions:

(A) the employee did not receive an equivalent increase in pay from any cause during that period; and

(B) the work of the employee, except a hearing examiner appointed under section 3105 of this title, is of an acceptable level of competence as determined by the head of the agency.

(b) Under regulations prescribed by the Civil Service Commission, the benefit of successive step-increases shall be preserved for employees whose continuous service is interrupted in the public interest by service with the armed forces or by service in essential non-Government civilian employment during a period of war or national emergency.

(c) An increase in pay granted by statute is not an equivalent increase in pay within the meaning of subsection (a) of this section.

(d) This section does not apply to the pay of an individual appointed by the President, by and with the advice and consent of the Senate.

§ 5336. Additional step-increases

(a) Within the limit of available appropriations and under regulations prescribed by the Civil Service Commission, the head of each agency may grant additional step-increases in recognition of high quality performance above that ordinarily found in the type of position concerned. However, an employee is eligible under this section for only one additional step-increase within any 52-week period.

(b) A step-increase under this section is in addition to those under section 5335 of this title and is not an equivalent increase in pay within the meaning of section 5335(a) of this title.

(c) This section does not apply to the pay of an individual appointed by the President, by and with the advice and consent of the Senate.

§ 5337. Pay saving

(a) Subject to the limitation in subsection (b) of this section, an employee—

(1) who is reduced in grade from a grade of the General Schedule;

(2) who holds a career or career-conditional appointment in the competitive service, or an appointment of equivalent tenure in the excepted service or in the government of the District of Columbia;

(3) whose reduction in grade is not (A) caused by a demotion for personal cause, (B) at his request, (C) effected in a reduction in force due to lack of funds or curtailment of work, or (D) with respect to a temporary promotion occurring after September 20, 1961, a condition of the temporary promotion to a higher grade;

(4) who, for 2 continuous years immediately before the reduction in grade, served (A) in the same agency and (B) in a grade or grades higher than the grade to which demoted; and

(5) whose work performance during the 2-year period is satisfactory or better;

is entitled to basic pay at the rate to which he was entitled immediately before the reduction in grade (including each increase in rate of basic pay provided by statute) for a period of 2 years from the effective date of the reduction in grade, so long as he—

(A) continues in the same agency without a break in service of one workday or more;

(B) is not entitled to a higher rate of basic pay by operation of this subchapter or chapter 51 of this title; and

(C) is not demoted or reassigned (i) for personal cause, (ii) at his request, or (iii) in a reduction in force due to lack of funds or curtailment of work.

(b) The rate of basic pay to which an employee is entitled under subsection (a) of this section with respect to each reduction in grade to which this section applies may not exceed the sum of—

(1) the minimum rate of the grade to which he is reduced under each reduction in grade to which this section applies (including each increase in rate of basic pay provided by statute); and

(2) the difference between his rate immediately before the first reduction in grade to which this section applies (including each increase in rate of basic pay provided by statute) and the minimum rate of that grade which is three grades lower than the grade from which he was reduced under the first of the reductions in grade (including each increase in the rate of basic pay provided by statute).

§ 5338. Regulations

The Civil Service Commission may prescribe regulations necessary for the administration of this subchapter.

SUBCHAPTER IV—PREVAILING RATE SYSTEMS

§ 5341. Trades and crafts

(a) The pay of employees excepted from chapter 51 of this title by section 5102 (c) (7) of this title shall be fixed and adjusted from time to time as nearly as is consistent with the public interest in accordance with prevailing rates.

(b) When the Civil Service Commission concurs in a finding by the employing agency that in a given area the number of employees to whom this section applies is so few as to make prevailing rate determinations impracticable, these employees are subject to the provisions of subchapter III of this chapter and chapter 51 of this title which are applicable to positions of equivalent difficulty or responsibility.

§ 5342. Crews of vessels

(a) Except as provided by subsection (b) of this section, the pay of officers and members of crews of vessels excepted from chapter 51 of this title by section 5102(c) (8) of this title shall be fixed and adjusted from time to time as nearly as is consistent with the public interest in accordance with prevailing rates and practices in the maritime industry.

(b) Vessel employees of the Panama Canal Company may be paid in accordance with the wage practices of the maritime industry.

§ 5343. Effective date of pay increase

Each increase in rates of basic pay granted, pursuant to a wage survey, to employees whose pay is fixed and adjusted under section 5341 of this title is effective, as follows:

(1) If the wage survey is made by an agency, either alone or with another agency, with respect to its own employees, the increase is effective for its employees not later than the first day of the first pay period which begins after the 44th day, excluding Saturdays and Sundays, following the date on which the wage survey was ordered to be made.

(2) If the wage survey is made by an agency, either alone or with another agency, and is used by an agency which did not participate in making the survey, the increase is effective for the employees of the agency which did not participate in the survey not later than the first day of the first pay period which begins after the 19th day, excluding Saturdays and Sundays, following the date on which the agency which did not participate receives the data collected in the survey necessary for the granting of the increase.

§ 5344. Retroactive pay

(a) Retroactive pay is payable by reason of an increase in rates of basic pay referred to in section 5343 of this title only when—

(1) the individual is in the service of the United States, including service in the armed forces, or the government of the District of Columbia on the date of the issuance of the order granting the increase; or

(2) the individual retired or died during the period beginning on the effective date of the increase and ending on the date of issuance of the order granting the increase, and only for services performed during that period.

(b) For the purpose of this section, service in the armed forces includes the period provided by statute for the mandatory restoration of the individual to a position in or under the Government of the United States or the government of the District of Columbia after he is relieved from training and service in the armed forces or discharged from hospitalization following that training and service.

SUBCHAPTER V—STUDENT-EMPLOYEES

§ 5351. Definitions

For the purpose of this subchapter—

(1) “agency” means an Executive agency, a military department, and the government of the District of Columbia; and

§ 5353. Quarters, subsistence, and laundry

An agency may provide living quarters, subsistence, and laundering to student-employees while at the hospitals, clinics, or laboratories. The reasonable value of the accommodations, when furnished, shall be deducted from the stipend of the student-employee. The head of the agency concerned shall fix the reasonable value of the accommodations at an amount not less than the lowest deduction applicable to regular employees at the same hospital, clinic, or laboratory for similar accommodations.

§ 5354. Effect of detail or affiliation; travel expenses

(a) Status as a student-employee is not terminated by a temporary detail to or affiliation with another Government or non-Government institution to procure necessary supplementary training or experience pursuant to an order of the head of the agency. A student-employee may receive his stipend and other perquisites provided under this subchapter from the hospital, clinic, or laboratory to which he is assigned or attached for not more than 60 days of a detail or affiliation for each training year, as defined by the head of the agency.

(b) When the detail or affiliation under subsection (a) of this section is to or with another Federal institution, the student-employee is entitled to necessary expenses of travel to and from the institution in accordance with subchapter I of chapter 57 of this title.

§ 5355. Effect on other statutes

This subchapter does not limit the authority conferred on the Administrator of Veterans' Affairs by chapter 73 of title 38.

§ 5356. Appropriations

Funds appropriated to an agency for expenses of its hospitals, clinics, and laboratories to which student-employees are assigned or attached are available to carry out the provisions of this subchapter.

SUBCHAPTER VI—MISCELLANEOUS PROVISIONS

§ 5361. Scientific and professional positions

Subject to the approval of the Civil Service Commission, the head of the agency concerned shall fix the annual rate of basic pay for scientific and professional positions established under section 3104 of this title at not less than the minimum rate for GS-16 nor more than the maximum rate for GS-18.

§ 5363. Limitation on pay fixed by administrative action

Except as provided by the Government Employees Salary Reform Act of 1964 (78 Stat. 400) and notwithstanding the provisions of other statutes, the head of an Executive agency or military department who is authorized to fix by administrative action the annual rate of basic pay for a position or employee may not fix the rate at more than the maximum rate for GS-18. This section does not impair the authorities provided by—

- (2) sections 248, 481, and 1819 of title 12;

- (4) sections 403a-403c, 403e-403h, and 403j of title 50.

§ 5364. Miscellaneous positions in the executive branch

The head of the agency concerned shall fix the annual rate of basic pay for each position in the executive branch specifically referred to in, or covered by, a conforming change in statute made by section 305 of the Government Employees Salary Reform Act of 1964 (78 Stat. 422), or other position in the executive branch for which the annual pay is fixed at a rate of \$18,500 or more under special provision of statute enacted before August 14, 1964, which is not placed in a level of the Executive Schedule set forth in subchapter II of this chapter, at a rate equal to the pay rate of a grade and step of the General Schedule set forth in section 5332 of this title. The head of the agency concerned shall report each action taken under this section to the Civil Service Commission and publish a notice thereof in the Federal Register, except when the President determines that the report and publication would be contrary to the interest of national security.

Disposition of money accruing from lapsed salaries or unused appropriations for salaries**

Money accruing from lapsed salaries or from unused appropriations for salaries shall be covered into the Treasury of the United States. An individual who violates this section shall be removed from the service.

§ 5502. Unauthorized office; prohibition on use of funds

(a) Payment for services may not be made from the Treasury of the United States to an individual acting or assuming to act as an officer in the civil service or uniformed services in an office which is not authorized by existing law, unless the office is later sanctioned by law.

(b) Except as otherwise provided by statute, public money and appropriations may not be used for pay or allowance for an individual employed by an official of the United States retired from active service.

§ 5503. Recess appointments

(a) Payment for services may not be made from the Treasury of the United States to an individual appointed during a recess of the Senate to fill a vacancy in an existing office, if the vacancy existed while the Senate was in session and was by law required to be filled by and with the advice and consent of the Senate, until the appointee has been confirmed by the Senate. This subsection does not apply—

(1) if the vacancy arose within 30 days before the end of the session of the Senate;

(2) if, at the end of the session, a nomination for the office, other than the nomination of an individual appointed during the preceding recess of the Senate, was pending before the Senate for its advice and consent; or

(3) if a nomination for the office was rejected by the Senate within 30 days before the end of the session and an individual other than the one whose nomination was rejected thereafter receives a recess appointment.

(b) A nomination to fill a vacancy referred to by paragraph (1), (2), or (3) of subsection (a) of this section shall be submitted to the Senate not later than 40 days after the beginning of the next session of the Senate.

§ 5504. Biweekly pay periods; computation of pay

(a) The pay period for an employee covers two administrative workweeks. For the purpose of this subsection, "employee" means—

(1) an employee in or under an Executive agency;

(2) an employee in or under the Office of the Architect of the Capitol, the Botanic Garden, and the Library of Congress, for whom a basic administrative workweek is established under section 6101(c) of this title; and

(3) an individual employed by the government of the District of Columbia;

but does not include—

(A) an employee on the Isthmus of Panama in the service of the Canal Zone Government or the Panama Canal Company; or

(B) an employee or individual excluded from the definition of employee in section 5541(2) of this title.

(b) For pay computation purposes affecting an employee, the annual rate of basic pay established by or under statute is deemed payment for employment during 52 basic administrative workweeks of 40 hours. When it is necessary for computation of pay under this subsection to convert an annual rate of basic pay to a basic hourly, daily, weekly, or biweekly rate, the following rules govern:

(1) To derive an hourly rate, divide the annual rate by 2,080.

(2) To derive a daily rate, multiply the hourly rate by the number of daily hours of service required.

(3) To derive a weekly or biweekly rate, multiply the hourly rate by 40 or 80, as the case may be.

Rates are computed to the nearest cent, counting one-half and over as a whole cent. For the purpose of this subsection, "employee" means—

(A) an employee in or under an Executive agency;

(B) an employee in or under the judicial branch;

(C) an employee in or under the Office of the Architect of the Capitol, the Botanic Garden, and the Library of Congress, for whom a basic administrative workweek is established under section 6101(c) of this title; and

but does not include an employee or individual excluded from the definition of employee in section 5541(2) of this title.

§ 5505. Monthly pay periods; computation of pay

The pay period for an individual in the service of the United States whose pay is monthly or annual covers one calendar month, and the following rules for division of time and computation of pay for services performed govern:

(1) A month's pay is one-twelfth of a year's pay.

(2) A day's pay is one-thirtieth of a month's pay.

(3) The 31st day of a calendar month is ignored in computing pay, except that one day's pay is forfeited for one day's unauthorized absence on the 31st day of a calendar month.

(4) For each day of the month elapsing before entering the service, one day's pay is deducted from the first month's pay of the individual.

This section does not apply to an employee whose pay is computed under section 5504(b) of this title.

§ 5506. Computation of extra pay based on standard or daylight saving time

When an employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia

§ 5507. Officer affidavit; condition to pay

An officer required by section 3332 of this title to file an affidavit may not be paid until the affidavit has been filed.

§ 5508. Officer entitled to leave; effect on pay status

There are authorized to be appropriated sums necessary to carry out the provisions of this title.

SUBCHAPTER II—WITHHOLDING PAY

§ 5511. Withholding pay; employees removed for cause

(a) Except as provided by subsection (b) of this section, the earned pay of an employee removed for cause may not be withheld or confiscated.

(b) If an employee indebted to the United States is removed for cause, the pay accruing to the employee shall be applied in whole or in part to the satisfaction of any claim or indebtedness due the United States.

§ 5512. Withholding pay; individuals in arrears

(a) The pay of an individual in arrears to the United States shall be withheld until he has accounted for and paid into the Treasury of the United States all sums for which he is liable.

(b) When pay is withheld under subsection (a) of this section, the General Accounting Office, on request of the individual, his agent, or his attorney, shall report immediately to the Attorney General the balance due; and the Attorney General, within 60 days, shall order suit to be commenced against the individual and his sureties.

§ 5513. Withholding pay; credit disallowed or charge raised for payment

When the General Accounting Office, on a statement of the account of a disbursing or certifying official of the United States, disallows credit or raises a charge for a payment to an individual in or under an Executive agency otherwise entitled to pay, the pay of the payee shall be withheld in whole or in part until full reimbursement is made under regulations prescribed by the head of the Executive agency from which the payee is entitled to receive pay. This section does not repeal or modify existing statutes relating to the collection of the indebtedness of an accountable, certifying, or disbursing official.

§ 5514. Installment deduction for indebtedness because of erroneous payment

(a) When the head of the agency concerned or his designee determines that an employee, a member of the armed forces, or a Reserve of the armed forces, is indebted to the United States because of an erroneous payment made by the agency to or on behalf of the individual, the amount of the indebtedness may be collected in monthly installments, or at officially established regular pay period

intervals, by deduction in reasonable amounts from the current pay account of the individual. The deductions may be made only from basic pay, special pay, incentive pay, retired pay, retainer pay, or, in the case of an individual not entitled to basic pay, other authorized pay. Collection shall be made over a period not greater than the anticipated period of active duty or employment, as the case may be. The amount deducted for any period may not exceed two-thirds of the pay from which the deduction is made, unless the deduction of a greater amount is necessary to make the collection within the period of anticipated active duty or employment. If the individual retires or resigns, or if his employment or period of active duty otherwise ends, before collection of the amount of the indebtedness is completed, deduction shall be made from later payments of any nature due the individual from the agency concerned.

(b) The head of each agency shall prescribe regulations, subject to the approval of the Director of the Bureau of the Budget, to carry out this section and section 581d of title 31. Regulations prescribed by the Secretaries of the military departments shall be uniform for the military services insofar as practicable.

(c) Subsection (a) of this section does not modify existing statutes which provide for forfeiture of pay or allowances. This section and section 581d of title 31 do not repeal, modify, or amend section 4837 (d) or 9837 (d) of title 10 or section 1007 (b), (c) of title 37.

§ 5515. Crediting amounts received for jury service in State courts

An amount received by an employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia for jury service in a State court for a period during which the employee or individual is entitled to leave under section 6322 of this title shall be credited against pay payable by the United States or the District of Columbia to the employee or individual.

§ 5516. Withholding District of Columbia income taxes

(a) The Secretary of the Treasury, under regulations prescribed by the President, shall enter into an agreement with the Commissioners of the District of Columbia within 120 days of a request for agreement from the Commissioners. The agreement shall provide that the head of each agency of the United States shall comply with the requirements of subchapter II of chapter 15 of title 47, District of Columbia Code, in the case of employees of the agency who are subject to income taxes imposed by that subchapter and whose regular place of employment is within the District of Columbia. The agreement may not apply to pay for service as a member of the armed forces, or to pay of an employee who is not a resident of the District of Columbia as defined in subchapter II of chapter 15 of title 47, District of Columbia Code. For the purpose of this subsection, "employee" has the meaning given it by section 1551c(z) of title 47, District of Columbia Code.

(b) This section does not give the consent of the United States to the application of a statute which imposes more burdensome requirements on the United States than on other employers, or which subjects the United States or its employees to a penalty or liability because of this section.

§ 5517. Withholding State income taxes

(a) When a State statute—

(1) provides for the collection of a tax by imposing on employers generally the duty of withholding sums from the pay of employees and making returns of the sums to the State; and

(2) imposes the duty to withhold generally with respect to the pay of employees who are residents of the State; the Secretary of the Treasury, under regulations prescribed by the President, shall enter into an agreement with the State within 120 days of a request for agreement from the proper State official. The agreement shall provide that the head of each agency of the United States shall comply with the requirements of the State withholding statute in the case of employees of the agency who are subject to the tax and whose regular place of Federal employment is within the State with which the agreement is made. The agreement may not apply to pay for service as a member of the armed forces.

(b) This section does not give the consent of the United States to the application of a statute which imposes more burdensome requirements on the United States than on other employers, or which subjects the United States or its employees to a penalty or liability because of this section. An agency of the United States may not accept pay from a State for services performed in withholding State income taxes from the pay of the employees of the agency.

(c) For the purpose of this section, "State" means a State or territory or possession of the United States.

§ 5518. Deductions for State retirement systems; National Guard employees

When—

(1) a State statute provides for the payment of employee contributions to a State employee retirement system or to a State sponsored plan providing retirement, disability, or death benefits, by withholding sums from the pay of State employees and making returns of the sums withheld to State authorities or to the person or organization designated by State authorities to receive sums withheld for the program; and

(2) individuals employed by the Army National Guard and the Air National Guard, except employees of the National Guard Bureau, are eligible for membership in a State employee retirement system or other State sponsored plan; the Secretary of Defense, under regulations prescribed by the President, shall enter into an agreement with the State within 120 days of a request for agreement from the proper State official. The agreement shall provide that the Department of Defense shall comply with the requirements of State statute as to the individuals named by paragraph (2) of this section who are eligible for membership in the State employee retirement system. The disbursing officials paying these individuals shall withhold and pay to the State employee retirement system or to the person or organization designated by State authorities to receive sums withheld for the program the employee contributions for these individuals. For the purpose of this section, "State" means a State or territory or possession of the United States including the Commonwealth of Puerto Rico.

(B) the Board of Commissioners of the District of Columbia with respect to the government of the District of Columbia; and

(4) "United States", when used in a geographical sense, means the several States and the District of Columbia.

§ 5522. Advance payments; rates; amounts recoverable

(a) The head of each agency may provide for the advance payment of the pay, allowances, and differentials, or any of them, covering a period of not more than 30 days, to or for the account of each employee of the agency (or, under emergency circumstances and on a reimbursable basis, an employee of another agency) whose evacuation (or that of his dependents or immediate family, as the case may be) from a place inside or outside the United States is ordered for military or other reasons which create imminent danger to the life or lives of the employee or of his dependents or immediate family.

(b) Subject to adjustment of the account of an employee under section 5524 of this title and other applicable statute, the advance payment of pay, allowances, and differentials is at rates currently authorized with respect to the employee on the date the advance payment is made under agency procedures governing advance payments under this subsection. The rates so authorized may not exceed the rates to which the employee was entitled immediately before issuance of the evacuation order.

(c) An advance of funds under subsection (a) of this section is recoverable by the Government of the United States or the government of the District of Columbia, as the case may be, from the employee or his estate by—

(1) setoff against accrued pay, amount of retirement credit, or other amount due to the employee from the Government of the United States or the government of the District of Columbia; and

(2) such other method as is provided by law.

The head of the agency concerned may waive in whole or in part a right of recovery of an advance of funds under subsection (a) of this section, if it is shown that the recovery would be against equity and good conscience or against the public interest.

§ 5523. Duration of payments; rates; active service period

(a) The head of each agency may provide for—

(1) the payment of monetary amounts covering a period of not more than 60 days to or for the account of each employee of the agency (or, under emergency circumstances and on a reimbursable basis, an employee of another agency)—

(B) who is prevented, by circumstances beyond his control and beyond the control of the Government of the United States or the government of the District of Columbia, or both, as the case may be, from performing the duties of the posi-

tion which he held immediately before issuance of the evacuation order; and

(2) the termination of payment of the monetary amounts.

The President, with respect to the Executive agencies, may extend the 60-day period for not more than 120 additional days if he determines that the extension of the period is in the interest of the United States.

(b) Subject to adjustment of the account of an employee under section 5524 of this title and other applicable statute, each payment under this section is at rates of pay, allowances, and differentials, or any of them, currently authorized with respect to the employee on the date payment is made under agency procedures governing payments under this section. The rates so authorized may not exceed the rates to which the employee was entitled immediately before issuance of the evacuation order. An employee in an Executive agency may be granted such additional allowance payments as the President determines necessary to offset the direct added expenses incident to the evacuation.

(c) Each period for which payment of amounts is made under this section to or for the account of an employee is deemed, for all purposes with respect to the employee, a period of active service, without break in service, performed by the employee in the employment of the Government of the United States or the government of the District of Columbia.

§ 5524. Review of accounts

The head of each agency shall provide for—

(1) the review of the account of each employee of the agency in receipt of payments under section 5522 or 5523 of this title, or both, as the case may be; and

(2) the adjustment of the amounts of the payments on the basis of—

(A) the rates of pay, allowances, and differentials to which the employee would have been entitled under applicable statute other than this subchapter for the respective periods covered by the payments, if he had performed active service under the terms of his appointment during each period in the position he held immediately before the issuance of the applicable evacuation order; and

(B) such additional amounts as the employee is authorized to receive in accordance with a determination of the President under section 5523(b) of this title.

§ 5525. Allotment and assignment of pay

The head of each agency may establish procedures under which each employee of the agency is permitted to make allotments and assignments of amounts out of his pay for such purpose as the head of the agency considers appropriate.

§ 5526. Funds available on reimbursable basis

Funds available to an agency for payment of pay, allowances, and differentials to or for the accounts of employees of the agency are available on a reimbursable basis for payment of pay, allowances, and differentials to or for the accounts of employees of another agency under this subchapter.

§ 5527. Regulations

(a) To the extent practicable in the public interest, the President shall coordinate the policies and procedures of the respective Executive agencies under this subchapter.

(b) The President, with respect to the Executive agencies, and the head of the agency concerned, with respect to the appropriate agency outside the executive branch, shall prescribe and issue, or provide for the formulation and issuance of, regulations necessary and appropriate to carry out the provisions, accomplish the purposes, and govern the administration of this subchapter.

(c) The head of each Executive agency may prescribe and issue regulations, not inconsistent with the regulations of the President issued under subsection (b) of this section, necessary and appropriate to carry out his functions under this subchapter.

SUBCHAPTER IV—DUAL PAY AND DUAL EMPLOYMENT

§ 5531. Definitions

For the purpose of sections 5532 and 5533 of this title—

(1) “officer” has the meaning given it by section 101 of title 37; and

(2) “position” means a civilian office or position (including a temporary, part-time, or intermittent position), appointive or elective, in the legislative, executive, or judicial branch of the Government of the United States (including a Government corporation and a nonappropriated fund instrumentality under the jurisdiction of the armed forces) or in the government of the District of Columbia.

§ 5532. Employment of retired officers of the uniformed services; reduction in retired or retirement pay; exceptions

(a) For the purpose of this section, “period for which he receives pay” means the full calendar period for which a retired officer of a regular component of a uniformed service receives the pay of a position when employed on a full-time basis, but only the days for which he actually receives that pay when employed on a part-time or intermittent basis.

(b) A retired officer of a regular component of a uniformed service who holds a position is entitled to receive the full pay of the position, but during the period for which he receives pay, his retired or retirement pay shall be reduced to an annual rate equal to the first \$2,000 of the retired or retirement pay plus one-half of the remainder, if any. In the operation of the formula for the reduction of retired or retirement pay under this subsection, the amount of \$2,000 shall be increased, from time to time, by appropriate percentage, in direct proportion to each increase in retired or retirement pay under section 1401a(b) of title 10 to reflect changes in the Consumer Price Index.

(c) The reduction in retired or retirement pay required by subsection (b) of this section does not apply to a retired officer of a regular component of a uniformed service—

(1) whose retirement was based on disability—

(A) resulting from injury or disease received in line of duty as a direct result of armed conflict; or

(B) caused by an instrumentality of war and incurred in line of duty during a period of war as defined by sections 101 and 301 of title 38; or

(2) employed on a temporary (full-time or part-time) basis, any other part-time basis, or an intermittent basis, for the first 30-day period for which he receives pay.

The exemption from reduction in retired or retirement pay under paragraph (2) of this subsection does not apply longer than—

(i) the first 30-day period for which he receives pay under one appointment from the position in which he is employed, if he is serving under not more than one appointment; and

(ii) the first period for which he receives pay under more than one appointment, in a fiscal year, which consists in the aggregate of 30 days, from all positions in which he is employed, if he is serving under more than one appointment in that fiscal year.

(d) Except as otherwise provided by this subsection, the Civil Service Commission, subject to the supervision and control of the President, may prescribe regulations under which exceptions may be made to the restrictions in subsection (b) of this section when appropriate authority determines that the exceptions are warranted because of special or emergency employment needs which otherwise cannot be readily met. The President of the Senate with respect to the United States Senate, the Speaker of the House of Representatives with respect to the United States House of Representatives, and the Architect of the Capitol with respect to the Office of the Architect of the Capitol each may provide for a means by which exceptions may be made to the restrictions in subsection (b) of this section when he determines that the exceptions are warranted because of special or emergency employment needs which otherwise cannot be readily met. The Administrator of the National Aeronautics and Space Administration may except, at any time, an individual appointed to a scientific, engineering, or administrative position under section 2473(b)(2)(A) of title 42 from the restrictions in subsection (b) of this section when he determines that the exception is warranted because of special or emergency employment needs which otherwise cannot be readily met, but not more than 30 exceptions may exist at any one time under this authority.

§ 5533. Dual pay from more than one position; limitations; exceptions

(a) Except as provided by subsections (b), (c), and (d) of this section, an individual is not entitled to receive basic pay from more than one position for more than an aggregate of 40 hours of work in one calendar week (Sunday through Saturday).

(b) Except as otherwise provided by subsection (c) of this section, the Civil Service Commission, subject to the supervision and control of the President, may prescribe regulations under which exceptions may be made to the restrictions in subsection (a) of this section when appropriate authority determines that the exceptions are warranted because personal services otherwise cannot be readily obtained.

(c) Unless otherwise authorized by law, appropriated funds are not available for payment to an individual of pay from more than one position if the aggregate amount of the basic pay from the positions is more than \$2,000 a year, and if—

(1) the pay of one of the positions is paid by the Secretary of the Senate or the Clerk of the House of Representatives; or

(2) one of the positions is under the Office of the Architect of the Capitol.

(d) Subsection (a) of this section does not apply to—

(1) pay on a when-actually-employed basis received from more than one consultant or expert position if the pay is not received for the same hours of the same day;

(2) pay consisting of fees paid on other than a time basis;

(3) pay received by a teacher of the public schools of the District of Columbia for employment in a position during the summer vacation period;

(4) pay paid by the Tennessee Valley Authority to an employee performing part-time or intermittent work in addition to his normal duties when the Authority considers it to be in the interest of efficiency and economy;

(5) pay received by an individual holding a position—

(A) the pay of which is paid by the Secretary of the Senate or the Clerk of the House of Representatives; or

(B) under the Architect of the Capitol;

(6) pay paid by the United States Coast Guard to an employee occupying a part-time position of lamplighter; and

(H) section 102 of title 2, Canal Zone Code.

(e) This section does not apply to an individual employed under sections 174j-1 to 174j-7 or 174k of title 40.

§ 5534. Dual employment and pay of Reserves and National Guardsmen

A Reserve of the armed forces or member of the National Guard may accept a civilian office or position under the Government of the United States or the government of the District of Columbia, and he is entitled to receive the pay of that office or position in addition to pay and allowances as a Reserve or member of the National Guard.

§ 5535. Extra pay for details prohibited

(a) An officer may not receive pay in addition to the pay for his regular office for performing the duties of a vacant office as authorized by sections 3345-3347 of this title.

(b) An employee may not receive—

(1) additional pay or allowances for performing the duties of another employee; or

(2) pay in addition to the regular pay received for employment held before his appointment or designation as acting for or instead of an occupant of another position or employment.

This subsection does not prevent a regular and permanent appointment by promotion from a lower to a higher grade of employment.

§ 5536. Extra pay for extra services prohibited

An employee or a member of a uniformed service whose pay or allowance is fixed by statute or regulation may not receive additional pay or allowance for the disbursement of public money or for any other service or duty, unless specifically authorized by law and the appropriation therefor specifically states that it is for the additional pay or allowance.

§ 5537. Fees for jury service in courts of the United States

- (1) For an employee whose basic pay is at a rate which does not exceed the minimum rate of basic pay for GS-9, the overtime

hourly rate of pay is an amount equal to one and one-half times the hourly rate of basic pay of the employee, and all that amount is premium pay.

(2) For an employee whose basic pay is at a rate which exceeds the minimum rate of basic pay for GS-9, the overtime hourly rate of pay is an amount equal to one and one-half times the hourly rate of the minimum rate of basic pay for GS-9, and all that amount is premium pay.

(b) For the purpose of this subchapter—

(1) unscheduled overtime work performed by an employee on a day when work was not scheduled for him, or for which he is required to return to his place of employment, is deemed at least 2 hours in duration; and

(2) time spent in a travel status away from the official-duty station of an employee is not hours of employment unless—

(A) the time spent is within the days and hours of the regularly scheduled administrative workweek of the employee, including regularly scheduled overtime hours; or

(B) the travel involves the performance of work while traveling or is carried out under arduous conditions.

§ 5543. Compensatory time off

(a) The head of an agency may—

(1) on request of an employee, grant the employee compensatory time off from his scheduled tour of duty instead of payment for an equal amount of time spent in irregular or occasional overtime work; and

(2) provide that an employee whose rate of basic pay is in excess of the maximum rate of basic pay for GS-9 shall be granted compensatory time off from his scheduled tour of duty equal to the amount of time spent in irregular or occasional overtime work instead of being paid for that work under section 5542 of this title.

(b) The Architect of the Capitol may grant an employee paid on an annual basis compensatory time off from duty instead of overtime pay for overtime work.

§ 5544. Wage-board overtime rates; computation

(a) An employee whose basic rate of pay is fixed and adjusted from time to time in accordance with prevailing rates by a wage board or similar administrative authority serving the same purpose is entitled to overtime pay for overtime work in excess of 8 hours a day or 40 hours a week. However, an employee subject to this subsection who regularly is required to remain at or within the confines of his post of duty in excess of 8 hours a day in a standby or on-call status is entitled to overtime pay only for hours of duty, exclusive of eating and sleeping time, in excess of 40 a week. The overtime hourly rate of pay is computed as follows:

(1) If the basic rate of pay of the employee is fixed on a basis other than an annual or monthly basis, multiply the basic hourly rate of pay by not less than one and one-half.

(2) If the basic rate of pay of the employee is fixed on an annual basis, divide the basic annual rate of pay by 2,080, and multiply the quotient by one and one-half.

(3) If the basic rate of pay of the employee is fixed on a monthly basis, multiply the basic monthly rate of pay by 12 to derive a basic annual rate of pay, divide the basic annual rate of pay by 2,080, and multiply the quotient by one and one-half.

(b) An employee under the Office of the Architect of the Capitol who is paid on a daily or hourly basis and who is not subject to chapter

§ 5545. Night, standby, and irregular duty differential

(a) Except as provided by subsection (b) of this section, nightwork is regularly scheduled work between the hours of 6:00 p.m. and 6:00 a.m., and includes—

(1) periods of absence with pay during these hours due to holidays; and

(2) periods of leave with pay during these hours if the periods of leave with pay during a pay period total less than 8 hours.

Except as otherwise provided by subsection (c) of this section, an employee is entitled to pay for nightwork at his rate of basic pay plus premium pay amounting to 10 percent of that basic rate. This subsection and subsection (b) of this section do not modify section 180 of title 31, or other statute authorizing additional pay for nightwork.

(b) The head of an agency may designate a time after 6:00 p.m. and a time before 6:00 a.m. as the beginning and end, respectively, of nightwork for the purpose of subsection (a) of this section, at a post outside the United States where the customary hours of business extend into the hours of nightwork provided by subsection (a) of this section.

(c) The head of an agency, with the approval of the Civil Service Commission, may provide that—

(1) an employee in a position requiring him regularly to remain at, or within the confines of, his station during longer than ordinary periods of duty, a substantial part of which consists of remaining in a standby status rather than performing work, shall receive premium pay for this duty on an annual basis instead of premium pay provided by other provisions of this subchapter, except for irregular, unscheduled overtime duty in excess of his regularly scheduled weekly tour. Premium pay under this paragraph is determined as an appropriate percentage, not in excess of 25 percent, of such part of the rate of basic pay for the position as does not exceed the minimum rate of basic pay for GS-9, by taking into consideration the number of hours of actual work required in the position, the number of hours required in a standby status at or within the confines of the station, the extent to which the duties of the position are made more onerous by night or holiday work, or by being extended over periods of more than 40 hours a week, and other relevant factors; or

(2) an employee in a position in which the hours of duty cannot be controlled administratively, and which requires substantial amounts of irregular, unscheduled, overtime duty and duty at night and on holidays with the employee generally being responsible for recognizing, without supervision, circumstances which require him to remain on duty, shall receive premium pay for this duty on an annual basis instead of premium pay provided by other provisions of this subchapter, except for regularly scheduled overtime duty. Premium pay under this paragraph is determined as an appropriate percentage, not in excess of 15 percent, of such part of the rate of basic pay for the position as does not exceed the minimum rate of basic pay for GS-9, by taking into consideration the frequency and duration of night, holiday, and unscheduled overtime duty required in the position.

§ 5546. Pay for holiday work

(a) An employee who performs work on a holiday designated by Federal statute, Executive order, or with respect to an employee of the government of the District of Columbia, by order of the Board of Commissioners of the District of Columbia, is entitled to pay at the rate of his basic pay, plus premium pay at a rate equal to the rate of his basic pay, for that holiday work which is not—

(1) in excess of 8 hours; or

(2) overtime work as defined by section 5542(a) of this title.

(b) An employee who is required to perform any work on a designated holiday is entitled to pay for at least 2 hours of holiday work.

(d) Premium pay under this section is in addition to premium pay which may be due for the same work under section 5545 (a) and (b) of this title, providing premium pay for nightwork.

§ 5547. Limitation on premium pay

An employee may be paid premium pay under this subchapter only to the extent that the payment does not cause his aggregate rate of pay for any pay period to exceed the maximum rate for GS-15.

§ 5548. Regulations

The Civil Service Commission may prescribe regulations, subject to the approval of the President, necessary for the administration of this subchapter, except section 5544, insofar as this subchapter affects employees in or under an Executive agency.

§ 5549. Effect on other statutes

This subchapter does not prevent payment for overtime services or for Sunday or holiday work under any of the following statutes—

(1) section 394 of title 7;

(2) sections 1353a and 1353b of title 8;

(3) sections 261, 267, 1450, 1451, 1451a, and 1452 of title 19;

(4) section 382b of title 46; and

(5) section 154(f) (3) of title 47.

However, an employee may not receive premium pay under this subchapter for the same services for which he is paid under one of these statutes.

(a) An employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia, who is separated from the service or elects to receive a lump-sum payment for leave under section 5552 of this title, is entitled to receive a lump-sum payment for accumulated and current accrued annual or vacation leave to which he is entitled by statute. The lump-sum payment shall equal the pay the employee or individual would have received had he remained in the service until expiration of the period of the annual or vacation leave, except that it may not exceed pay for a period of annual or vacation leave in excess of 30 days or the number of days carried over to his credit at the beginning of the leave year in which entitlement to payment occurs, whichever is greater. The lump-sum payment is considered pay for taxation purposes only.

(b) The accumulated and current accrued annual leave to which an officer excepted from subchapter I of chapter 63 of this title by section 6301(2)(x)-(xii) of this title, is entitled immediately before the date he is excepted under that section shall be liquidated by a lump-sum payment in accordance with subsection (a) of this section or subchapter VIII of this chapter, except that the payment is—

- (1) based on the rate of pay which he was receiving immediately before the date on which section 6301(2)(x)-(xii) of this title became applicable to him; and
- (2) made without regard to the limitation in subsection (a) of this section on the amount of leave compensable.

§ 5552. Lump-sum payment for accumulated and accrued leave on entering active duty; election

An employee as defined by section 2105 of this title or an individual employed by a territory or possession of the United States or the government of the District of Columbia who enters on active duty in the armed forces is entitled to—

- (1) receive, in addition to his pay and allowances from the armed forces, a lump-sum payment for accumulated and current accrued annual or vacation leave in accordance with section 5551 of this title; or

- (D) captured, beleaguered, or besieged by a hostile force;

or

(E) detained in a foreign country against his will; but does not include the status of an employee for a period during which he is officially determined to be absent from his post of duty without authority; and

(6) "pay and allowances" means—

- (A) basic pay;
- (B) special pay;
- (C) incentive pay;
- (D) basic allowance for quarters;
- (E) basic allowance for subsistence; and
- (F) station per diem allowances for not more than 90 days.

§ 5562. Pay and allowances; continuance while in a missing status; limitations

(a) An employee in a missing status is entitled to receive or have credited to his account, for the period he is in that status, the same pay and allowances to which he was entitled at the beginning of that period or may become entitled thereafter.

(b) Entitlement to pay and allowances under subsection (a) of this section ends on the date of—

(1) receipt by the head of the agency concerned of evidence that the employee is dead; or

(2) death prescribed or determined under section 5565 of this title.

That entitlement does not end—

(A) on the expiration of the term of service or employment of an employee while he is in a missing status; or

(B) earlier than the dates prescribed in paragraphs (1) and (2) of this subsection if the employee dies while he is in a missing status.

(c) An employee who is officially determined to be absent from his post of duty without authority is indebted to the United States for payments of amounts credited to his account under subsection (a) of this section for the period of that absence.

(d) When an employee in a missing status is continued in that status under section 5565 of this title, he continues to be entitled to have pay and allowances credited under subsection (a) of this section.

§ 5563. Allotments; continuance, suspension, initiation, resumption, or increase while in a missing status; limitations

(a) An allotment (including one for the purchase of United States savings bonds) made by an employee before he was in a missing status may be continued for the period he is in that status, notwithstanding the end of the period for which the allotment was made.

(b) In the absence of an allotment or when an allotment is insufficient for a purpose authorized by the head of the agency concerned, he or his designee may authorize such a new or increased allotment as circumstances warrant, which is payable for the period the employee concerned is in a missing status.

(c) All allotments from the pay and allowances of an employee in a missing status may not total more than the amount of pay and allowances he is permitted to allot under regulations prescribed by the head of the agency concerned.

(d) A premium paid by the United States on insurance issued on the life of an employee, which is unearned because it covers a period after his death, reverts to the appropriation of the agency concerned.

(e) Subject to subsections (f) and (g) of this section, the head of the agency concerned or his designee may direct the initiation, continuance, discontinuance, increase, decrease, suspension, or resumption of an allotment from the pay and allowances of an employee in a missing status when that action is in the interests of the employee, his dependents, or the United States.

(f) When the head of the agency concerned officially reports that an employee in a missing status is alive, an allotment under subsections (a)-(d) of this section may be paid, subject to section 5562 of this title, until the date the head of the agency concerned receives evidence that the employee is dead or has returned to the controllable jurisdiction of the agency concerned.

(g) When an employee in a missing status is continued in that status under section 5565 of this title, an allotment under subsections (a)-(d) of this section may be continued, increased, or initiated.

(h) When the head of the agency concerned considers it essential for the well-being and protection of the dependents of an employee in active service (other than an employee in a missing status), he may, with or without the consent of the employee and subject to termination on specific request of the employee—

(1) direct the payment of a new allotment from the pay of the employee;

(2) increase or decrease the amount of an allotment made by the employee; and

(3) continue payment of an allotment of the employee which has expired.

§ 5564. Travel and transportation; dependents; household and personal effects; motor vehicles; sale of bulky items; claims for proceeds; appropriation chargeable

(a) For the purpose of this section, "household and personal effects" and "household effects" may include, in addition to other authorized weight allowances, one privately owned motor vehicle which may be shipped at United States expense when it is located outside the United States or in Alaska or Hawaii.

(b) Transportation (including packing, crating, draying, temporarily storing, and unpacking of household and personal effects) may be provided for the dependents and household and personal effects of an employee in active service (without regard to pay grade) who is officially reported as dead, injured, or absent for more than 29 days in a status listed in section 5561 (5) (A)-(E) of this title to—

(1) the official residence of record for the employee;

(2) the residence of his dependent, next of kin, or other person entitled to the effects under regulations prescribed by the head of the agency concerned; or

(3) another location determined in advance or later approved by the head of the agency concerned or his designee on request of the employee (if injured) or his dependent, next of kin, or other person described in paragraph (2) of this subsection.

(c) When an employee described in subsection (b) of this section is in an injured status, transportation of dependents and household and personal effects may be provided under this section only when prolonged hospitalization or treatment is anticipated.

(d) Transportation on request of a dependent may be authorized under this section only when there is a reasonable relationship between the circumstances of the dependent and the destination requested.

(e) Instead of providing transportation for dependents under this section, when the travel has been completed the head of the agency concerned may authorize—

(1) reimbursement for the commercial cost of the transportation; or

(2) a monetary allowance, instead of transportation, as authorized by statute for the whole or that part of the travel for which transportation in kind was not furnished.

(f) The head of the agency concerned may store the household and personal effects of an employee described in subsection (b) of this section until proper disposition can be made. The cost of the storage and transportation (including packing, crating, draying, temporarily storing, and unpacking) of household and personal effects shall be charged against appropriations currently available.

(g) When the head of the agency concerned determines that an emergency exists and that a sale would be in the best interests of the United States, he may provide for the public or private sale of motor vehicles and other bulky items of the household and personal effects of an employee described in subsection (b) of this section. Before a sale, and if practicable, a reasonable effort shall be made to determine the desires of interested persons. The net proceeds from the sale shall be sent to the owner or other person entitled thereto under regulations prescribed by the head of the agency concerned. If there is no owner or other person entitled thereto, or if the owner or other person or their addresses are not ascertained within 1 year from the date of sale, the net proceeds may be covered into the Treasury of the United States as miscellaneous receipts.

(h) A claim for net proceeds covered into the Treasury under subsection (g) of this section may be filed with the General Accounting Office by the owner, his heir or next of kin, or his legal representative at any time before the end of 5 years from the date the proceeds are covered into the Treasury. When a claim is filed, the General Accounting Office shall allow or disallow it. A claim that is allowed shall be paid from the appropriation for refunding money erroneously received and covered. If a claim is not filed before the end of 5 years from the date the proceeds are covered into the Treasury, it is barred from being acted on by the General Accounting Office or the courts.

(i) This section does not amend or repeal—

(1) section 2575, 2733, 4712, 4713, 6522, 9712, or 9713 of title 10;

(2) section 507 of title 14; or

(3) chapter 171 of title 28.

§ 5565. Agency review

(a) When an employee has been in a missing status almost 12 months and no official report of his death or the circumstances of his continued absence has been received by the head of the agency concerned, he shall have the case fully reviewed. After that review and the end of 12 months in a missing status, or after any later review which shall be made when warranted by information received or other circumstances, the head of the agency concerned or his designee may—

(1) direct the continuance of his missing status, if there is a reasonable presumption that the employee is alive; or

(2) make a finding of death.

(b) When a finding of death is made under subsection (a) of this section, it shall include the date death is presumed to have occurred for

the purpose of the ending of crediting pay and allowances and settlement of accounts. That date is—

- (1) the day after the day on which the 12 months in a missing status ends; or
- (2) a day determined by the head of the agency concerned or his designee when the missing status has been continued under subsection (a) of this section.

(c) For the purpose of determining status under this section, a dependent of an employee in active service is deemed an employee. A determination under this section made by the head of the agency concerned or his designee is conclusive on all other agencies of the United States. This section does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

§ 5566. Agency determinations

(a) The head of the agency concerned or his designee may make any determination necessary to administer this subchapter, and when so made it is conclusive as to—

- (1) death or finding of death;
- (2) the fact of dependency under this subchapter;
- (3) any other status covered by this subchapter;
- (4) an essential date, including one on which evidence or information is received by the head of the agency concerned; and
- (5) whether information received concerning an employee is to be construed and acted on as an official report of death.

(b) When the head of the agency concerned receives information that he considers to conclusively establish the death of an employee, he shall take action thereon as an official report of death, notwithstanding an earlier action relating to death or other status of the employee. After the end of 12 months in a missing status prescribed by section 5565 of this title, the head of the agency concerned or his designee shall make a finding of death when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that an employee in a missing status is dead.

(c) The head of the agency concerned or his designee may determine the entitlement of an employee to pay and allowances under this subchapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that an employee captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) When circumstances warrant the reconsideration of a determination made under this subchapter, the head of the agency concerned or his designee may change or modify it.

(e) When the account of an employee has been charged or debited with an allotment paid under this subchapter, the amount so charged or debited shall be credited to the account of the employee if the head of the agency concerned or his designee determines that the payment was induced by fraud or misrepresentation to which the employee was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from the pay and allowances of an employee for the period he is in a missing status may not be collected from the allottee as an overpayment when payment was caused by delay in receiving evidence of death. An allotment paid for a period after the end, under this subchapter or otherwise, of entitlement to pay and allowances may

not be collected from the allottee or charged against the pay of a deceased employee when payment was caused by delay in receiving evidence of death.

(g) The head of the agency concerned or his designee may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the purpose of determining status under this section, a dependent of an employee in active service is deemed an employee. A determination under this section made by the head of the agency concerned or his designee is conclusive on all other agencies of the United States. This section does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

§ 5567. Settlement of accounts

(a) The head of the agency concerned or his designee may settle the accounts of—

(1) an employee for whose account payment has been made under sections 5562, 5563, and 5565 of this title; and

(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.

That settlement is conclusive on the accounting officials of the United States in settling the accounts of disbursing officials.

(b) Payment or settlement of an account made pursuant to a report, determination, or finding of death may not be recovered or reopened because of a later report or determination which fixes a date of death. However, an account shall be reopened and settled on the basis of a date of death so fixed which is later than that used as a basis for earlier settlement.

(c) In settling the accounts of a disbursing official, he is entitled to credit for an erroneous payment or overpayment made by him in carrying out this subchapter, except section 5568, if there is no fraud or criminality by him. Recovery may not be made from an individual who authorizes a payment under this subchapter, except section 5568, if there is no fraud or criminality by him.

§ 5568. Income tax deferment

Notwithstanding other statutes, any Federal income tax return of, or the payment of any Federal income tax by, an employee who, at the time the return or payment would otherwise become due, is in a missing status does not become due until the earlier of the following dates:

(1) the fifteenth day of the third month in which he ceased (except because of death or incompetency) being in a missing status, unless before the end of that fifteenth day he is again in a missing status; or

(2) the fifteenth day of the third month after the month in which an executor, administrator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to extend the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of title 26 in cases in which the assessment or collection is jeopardized and in cases of bankruptcy or receivership.

§ 5582. Designation of beneficiary; order of precedence

(a) The employing agency shall notify each employee of his right to designate a beneficiary or beneficiaries to receive money due, and of the disposition of money due if a beneficiary is not designated. An employee may change or revoke a designation at any time under such regulations as the Comptroller General of the United States may prescribe.

(b) In order to facilitate the settlement of the accounts of deceased employees, money due an employee at the time of his death shall be paid to the person or persons surviving at the date of death, in the following order of precedence, and the payment bars recovery by another person of amounts so paid:

First, to the beneficiary or beneficiaries designated by the employee in a writing received in the employing agency before his death.

Second, if there is no designated beneficiary, to the widow or widower of the employee.

Third, if none of the above, to the child or children of the employee and descendants of deceased children by representation.

Fourth, if none of the above, to the parents of the employee or the survivor of them.

(b) Except as the Comptroller General may by regulation otherwise authorize or direct, accounts not payable under subsection (a) of this section are payable on settlement of the General Accounting Office. However—

(1) accounts of employees of the government of the District of Columbia shall be paid by the District of Columbia;

(2) accounts of employees of the Canal Zone Government on the Isthmus of Panama shall be paid by the Canal Zone Government; and

(3) accounts of employees of Government corporations or mixed ownership Government corporations may be paid by the corporations.

(1) entitled to pay, at the rate received on the date of the removal or suspension, for the period for which he did not receive pay with respect to the position from which he was removed or suspended, less the amount he earned through other employment during that period; and

(1) entitled to pay, at the rate received on the date of the removal, suspension, or furlough, for the period for which he did

not receive pay with respect to the position from which he was removed, suspended, or furloughed, less the amounts he earned through other employment during that period; and

§ 5593. Back pay; individuals reinstated or restored after reduction in force

An individual removed or furloughed without pay in a reduction in force who, after an appeal to proper authority, is reinstated or restored to duty because the action was unjustified or unwarranted is—

(5) “Government” means the Government of the United States and the government of the District of Columbia; and

(6) “continental United States” means the several States and the District of Columbia, but does not include Alaska or Hawaii.

§ 5702. Per diem; employees traveling on official business

(a) An employee, while traveling on official business away from his designated post of duty, is entitled to a per diem allowance prescribed by the agency concerned. For travel inside the continental United States, the per diem allowance may not exceed the rate of \$16. For travel outside the continental United States, the per diem allowance may not exceed the rate established by the President or his designee, who may be the Director of the Bureau of the Budget or another officer of the Government of the United States, for the locality where the travel is performed.

(b) Under regulations prescribed under section 5707 of this title, an employee who, while traveling on official business away from his designated post of duty, becomes incapacitated by illness or injury not due to his own misconduct is entitled to the per diem allowances, and transportation expenses to his designated post of duty.

(c) Under regulations prescribed under section 5707 of this title, the head of the agency concerned may prescribe conditions under which an employee may be reimbursed for the actual and necessary expenses of the trip, not to exceed an amount named in the travel authorization, when the maximum per diem allowance would be much less than these expenses due to the unusual circumstances of the travel assignment. The amount named in the travel authorization may not exceed—

(1) \$30 for each day in a travel status inside the continental United States; or

(2) the maximum per diem allowance plus \$10 for each day in a travel status outside the continental United States.

(d) This section does not apply to a justice or judge except to the extent provided by section 456 of title 28.

§ 5703. Per diem, travel, and transportation expenses; experts and consultants; individuals serving without pay

(a) For the purpose of this section, "appropriation" includes funds made available by statute under section 849 of title 31.

(b) An individual employed intermittently in the Government service as an expert or consultant and paid on a daily when-actually-employed basis may be allowed travel expenses under this subchapter while away from his home or regular place of business, including a per diem allowance under this subchapter while at his place of employment.

(c) An individual serving without pay or at \$1 a year may be allowed transportation expenses under this subchapter and a per diem allowance under this section while en route and at his place of service or employment away from his home or regular place of business. Unless a higher rate is named in an appropriation or other statute, the per diem allowance may not exceed—

(2) the rates established under section 5702(a) of this title for travel outside the continental United States.

(d) Under regulations prescribed under section 5707 of this title, the head of the agency concerned may prescribe conditions under which an individual to whom this section applies may be reimbursed for the actual and necessary expenses of the trip, not to exceed an amount named in the travel authorization, when the maximum per diem allowance would be much less than these expenses due to the unusual circumstances of the travel assignment. (1) 8 cents a mile for the use of a privately owned motorcycle; or

(2) 12 cents a mile for the use of a privately owned automobile or airplane;

instead of the actual expenses of transportation when that mode of transportation is authorized or approved as more advantageous to the Government. A determination of advantage is not required when

payment on a mileage basis is limited to the cost of travel by common carrier including per diem.

(b) In addition to the mileage allowance under subsection (a) of this section, the employee or other individual performing service for the Government may be reimbursed for—

- (1) parking fees;
- (2) ferry fares; and
- (3) bridge, road, and tunnel tolls.

§ 5705. Advancements and deductions

An agency may advance, through the proper disbursing official, to an employee or individual entitled to per diem or mileage allowances under this subchapter, a sum considered advisable with regard to the character and probable duration of the travel to be performed. A sum advanced and not used for allowable travel expenses is recoverable from the employee or individual or his estate by—

- (1) setoff against accrued pay, retirement credit, or other amount due the employee or individual;
- (2) deduction from an amount due from the United States; and
- (3) such other method as is provided by law.

§ 5706. Allowable travel expenses

Except as otherwise permitted by this subchapter or by statutes relating to members of the uniformed services, only actual and necessary travel expenses may be allowed to an individual holding employment or appointment under the United States.

§ 5707. Regulations

The Director of the Bureau of the Budget shall prescribe regulations necessary for the administration of this subchapter. The fixing, payment, advancement, and recovery of travel allowances, and the reimbursement of travel expenses, under this subchapter shall be in accordance with the regulations. § 5722. Travel and transportation expenses of new appointees; posts of duty outside the continental United States

(a) Under such regulations as the President may prescribe and subject to subsections (b) and (c) of this section, an agency may pay from its appropriations—

(1) travel expenses of a new appointee and transportation expenses of his immediate family and his household goods and personal effects from the place of actual residence at the time of appointment to the place of employment outside the continental United States; and

(2) these expenses on the return of an employee from his post of duty outside the continental United States to the place of his actual residence at the time of assignment to duty outside the United States.

(b) An agency may pay expenses under subsection (a)(1) of this section only after the individual selected for appointment agrees in writing to remain in the Government service for a minimum period of—

(2) 12 months after his appointment, if selected for appointment to any other position;

unless separated for reasons beyond his control which are acceptable to the agency concerned. If the individual violates the agreement, the money spent by the United States for the expenses is recoverable from the individual as a debt due the United States.

(c) An agency may pay expenses under subsection (a)(2) of this section only after the individual has served for a minimum period of—

(1) one school year as determined under chapter 25 of title 20, if employed in a teaching position, except as a substitute, in the Department of Defense under that chapter; or

(2) not less than one nor more than 3 years prescribed in advance by the head of the agency, if employed in any other position;

(d) This section does not apply to appropriations for the Foreign Service of the United States.

§ 5723. Travel and transportation expenses of new appointees and student trainees; manpower shortage positions

(a) Under such regulations as the President may prescribe and subject to subsections (b) and (c) of this section, an agency may pay from its appropriations—

(1) travel expenses of a new appointee, or a student trainee when assigned on completion of college work, to a position in the United States for which the Civil Service Commission determines there is a manpower shortage; and

(2) transportation expenses of his immediate family and his household goods and personal effects to the extent authorized by section 5724 of this title;

from his place of residence at the time of selection or assignment to his duty station. If the travel and transportation expenses of a student trainee were paid when he was appointed, they may not be paid when he is assigned after completion of college work. Travel expenses payable under this subsection may include the per diem and mileage allowances authorized for employees by subchapter I of this chapter. Advances of funds may be made for the expenses authorized by this subsection to the extent authorized by section 5724(f) of this title.

(b) An agency may pay travel and transportation expenses under subsection (a) of this section only after the individual selected or assigned agrees in writing to remain in the Government service for 12 months after his appointment or assignment, unless separated for reasons beyond his control which are acceptable to the agency concerned. If the individual violates the agreement, the money spent by the United States for the expenses is recoverable from the individual as a debt due the United States.

(c) An agency may pay travel and transportation expenses under subsection (a) of this section whether or not the individual selected has been appointed at the time of the travel.

(d) The Commission may not delegate its authority to determine positions for which there is a manpower shortage for the purpose of this section.

(e) This section does not impair or otherwise affect the authority of an agency under existing statute to pay travel and transportation expenses of individuals named by subsection (a) of this section.

§ 5724. Travel and transportation expenses of employees transferred; advancement of funds; reimbursement on commuted basis

(a) Under such regulations as the President may prescribe and when the head of the agency concerned or his designee authorizes or approves, the agency shall pay from Government funds—

(1) the travel expenses of an employee transferred in the interest of the Government from one official station or agency to another for permanent duty, and the transportation expenses of his immediate family, or a commutation thereof under section 5704 of this title; and

(2) the expenses of transporting, packing, crating, temporarily storing, draying, and unpacking his household goods and personal effects not in excess of 7,000 pounds net weight.

(b) Under such regulations as the President may prescribe, an employee who transports a house trailer or mobile dwelling inside the continental United States, inside Alaska, or between the continental United States and Alaska, for use as a residence, and who otherwise would be entitled to transportation of household goods and personal

effects under subsection (a) of this section, is entitled, instead of that transportation, to—

(1) a reasonable allowance not in excess of 20 cents a mile for transportation of the house trailer or mobile dwelling, if the trailer or dwelling is transported by the employee; or

(2) commercial transportation of the house trailer or mobile dwelling, at Government expense, or reimbursement to the employee therefor, including the payment of necessary tolls, charges, and permit fees, if the trailer or dwelling is not transported by the employee.

However, payment under this subsection may not exceed the maximum payment to which the employee otherwise would be entitled under subsection (a) of this section for transportation and temporary storage of his household goods and personal effects in connection with this transfer.

(c) Under such regulations as the President may prescribe, an employee who transfers between points inside the continental United States, instead of being paid for the actual expenses of transporting, packing, crating, temporarily storing, draying, and unpacking of household goods and personal effects, shall be reimbursed on a commuted basis at the rates per 100 pounds that are fixed by zones in the regulations. The reimbursement may not exceed the amount which would be allowable for the authorized weight allowance.

(d) When an employee transfers to a post of duty outside the continental United States, his expenses of travel and transportation to and from the post shall be allowed to the same extent and with the same limitations prescribed for a new appointee under section 5722 of this title.

(e) When an employee transfers from one agency to another, the agency to which he transfers pays the expenses authorized by this section.

(f) An advance of funds may be made to an employee under the regulations of the President with the same safeguards required under section 5705 of this title.

(g) The allowances authorized by this section do not apply to an employee transferred under chapter 14 of title 22.

(h) When a transfer is made primarily for the convenience or benefit of an employee, including an employee in the Foreign Service of the United States, or at his request, his expenses of travel and transportation and the expenses of transporting, packing, crating, temporarily storing, draying, and unpacking of household goods and personal effects may not be allowed or paid from Government funds.

§ 5725. Transportation expenses; employees assigned to danger areas

(a) When an employee of the United States is on duty, or is transferred or assigned to duty, at a place designated by the head of the agency concerned as inside a zone—

(1) from which his immediate family should be evacuated; or

(2) to which they are not permitted to accompany him;

because of military or other reasons which create imminent danger to life or property, or adverse living conditions which seriously affect the health, safety, or accommodations of the immediate family, Government funds may be used to transport his immediate family and household goods and personal effects, under regulations prescribed by the head of the agency, to a location designated by the employee. When circumstances prevent the employee from designating a location, or it is administratively impracticable to determine his intent, the

immediate family may designate the location. When the designated location is inside a zone to which movement of families is prohibited under this subsection, the employee or his immediate family may designate an alternate location.

(b) When the employee is assigned to a duty station from which his immediate family is not excluded by the restrictions in subsection (a) of this section, Government funds may be used to transport his immediate family and household goods and personal effects from the designated or alternate location to the duty station.

§ 5726. Storage expenses; household goods and personal effects

(a) For the purpose of this section, "household goods and personal effects" means such personal property of an employee and his dependents as the President may by regulation authorize to be transported or stored, including, in emergencies, motor vehicles authorized to be shipped at Government expense.

(b) Under such regulations as the President may prescribe, an employee, including a new appointee and a student trainee to the extent authorized by sections 5722 and 5723 of this title, assigned to a permanent duty station outside the continental United States may be allowed storage expenses and related transportation and other expenses for his household goods and personal effects when—

(1) the duty station is one to which he cannot take or at which he is unable to use his household goods and personal effects; or

(2) the head of the agency concerned authorizes storage of the household goods and personal effects in the public interest or for reasons of economy.

The weight of the household goods and personal effects stored under this subsection, together with the weight of property transported under section 5724(a), may not exceed 7,000 pounds net weight, excluding a motor vehicle described by subsection (a) of this section.

§ 5727. Transportation of motor vehicles

(a) Except as specifically authorized by statute, an authorization in a statute or regulation to transport the effects of an employee or other individual at Government expense is not an authorization to transport an automobile.

(b) Under such regulations as the President may prescribe, the privately owned motor vehicle of an employee, including a new appointee and a student trainee to the extent authorized by sections 5722 and 5723 of this title, may be transported at Government expense to, from, and between the continental United States and a post of duty outside the continental United States, or between posts of duty outside the continental United States, when—

(1) the employee is assigned to the post of duty for other than temporary duty; and

(2) the head of the agency concerned determines that it is in the interest of the Government for the employee to have the use of a motor vehicle at the post of duty.

(c) An employee may transport only one motor vehicle under subsection (b) of this section during a 4-year period, except when the head of the agency concerned determines that replacement of the motor vehicle during the period is necessary for reasons beyond the control of the employee and is in the interest of the Government, and authorizes in advance the transportation under subsection (b) of this section of one additional privately owned motor vehicle as a replacement. When an employee has remained in continuous service outside the United States during the 4-year period after the date of trans-

portation under subsection (b) of this section of his motor vehicle, the head of the agency concerned may authorize transportation under subsection (b) of this section of a replacement for that motor vehicle.

(d) When the head of an agency authorizes transportation under subsection (b) of this section of a privately owned motor vehicle, the transportation may be by—

(1) commercial means, if available at reasonable rates and under reasonable conditions; or

(2) Government means on a space-available basis.

(e) (1) This section, except subsection (a), does not apply to—

(A) the Foreign Service of the United States; or

(B) the Central Intelligence Agency.

(2) This section, except subsection (a), does not affect—

(A) section 1138 of title 22; or

(B) section 403e(4) of title 50.

§ 5728. Travel and transportation expenses; vacation leave

(a) Under such regulations as the President may prescribe, an agency shall pay from its appropriations the expenses of round-trip travel of an employee, and the transportation of his immediate family, but not household goods, from his post of duty outside the continental United States to the place of his actual residence at the time of appointment or transfer to the post of duty, after he has satisfactorily completed an agreed period of service outside the continental United States and is returning to his actual place of residence to take leave before serving another tour of duty at the same or another post of duty outside the continental United States under a new written agreement made before departing from the post of duty.

(b) Under such regulations as the President may prescribe, an agency shall pay from its appropriations the expenses of round-trip travel of an employee of the United States appointed by the President, by and with the advice and consent of the Senate, for a term fixed by statute, and of transportation of his immediate family, but not household goods, from his post of duty outside the continental United States to the place of his actual residence at the time of appointment to the post of duty, after he has satisfactorily completed each 2 years of service outside the continental United States and is returning to his actual place of residence to take leave before serving at least 2 more years of duty outside the continental United States.

(c) This section does not apply to appropriations for the Foreign Service of the United States.

§ 5729. Transportation expenses; prior return of family

(a) Under such regulations as the President may prescribe, an agency shall pay from its appropriations, not more than once before the return to the United States or its territories or possessions of an employee whose post of duty is outside the continental United States, the expenses of transporting his immediate family and of shipping his household goods and personal effects from his post of duty to his actual place of residence when—

(1) he has acquired eligibility for that transportation; or

(2) the public interest requires the return of the immediate family for compelling personal reasons of a humanitarian or compassionate nature, such as may involve physical or mental health, death of a member of the immediate family, or obligation imposed by authority or circumstances over which the individual has no control.

(b) Under such regulations as the President may prescribe, an agency shall reimburse from its appropriations an employee whose post of duty is outside the continental United States for the proper transportation expenses of returning his immediate family and his household goods and personal effects to the United States or its territories or possessions, when—

(1) their return was made at the expense of the employee before his return and for other than reasons of public interest; and

(2) he acquires eligibility for those transportation expenses.

(c) This section does not apply to appropriations for the Foreign Service of the United States.

§ 5730. Funds available

Funds available for travel expenses of an employee are available for expenses of transportation of his immediate family, and funds available for transportation of things are available for transportation of household goods and personal effects, as authorized by this subchapter.

§ 5731. Expenses limited to lowest first-class rate

(a) The allowance for actual expenses for transportation may not exceed the lowest first-class rate by the transportation facility used unless it is certified, in accordance with regulations prescribed by the President, that—

(1) lowest first-class accommodations are not available; or

(2) use of a compartment or other accommodation authorized or approved by the head of the agency concerned or his designee is required for security purposes.

(b) Instead of the maximum fixed by subsection (a) of this section, the allowance to an employee of the United States for actual expenses for transportation on an inter-island steamship in Hawaii may not exceed the rate for accommodations on the steamship that is equivalent as nearly as possible to the rate for the lowest first-class accommodations on trans-pacific steamships.

§ 5732. General average contribution; payment or reimbursement

Under such regulations as the President may prescribe, appropriations chargeable for the transportation of baggage and household goods and personal effects of employees of the United States, volunteers as defined by section 8142(a) of this title, and members of the uniformed services are available for the payment or reimbursement of general average contributions required. Appropriations are not available for the payment or reimbursement of general average contributions—

(1) required in connection with and applicable to quantities of baggage and household goods and personal effects in excess of quantities authorized by statute or regulation to be transported;

(2) when the individual concerned is allowed under statute or regulation a commutation instead of actual transportation expenses; or

(3) when the individual concerned selected the means of shipment.

SUBCHAPTER III—TRANSPORTATION OF REMAINS, DEPENDENTS, AND EFFECTS

§ 5741. General prohibition

Except as specifically authorized by statute, the head of an Executive department or military department may not authorize an expenditure in connection with the transportation of remains of a deceased employee.

§ 5742. Transportation of remains, dependents, and effects; death occurring away from official station or abroad

(a) For the purpose of this section, "agency" means—

- (1) an Executive agency;
- (2) a military department;
- (3) an agency in the legislative branch; and
- (4) an agency in the judicial branch.

(b) When an employee dies, the head of the agency concerned, under regulations prescribed by the President and, except as otherwise provided by law, may pay from appropriations available for the activity in which the employee was engaged—

(1) the expense of preparing and transporting the remains to the home or official station of the employee, or such other place appropriate for interment as is determined by the head of the agency concerned, if death occurred while the employee was in a travel status away from his official station in the United States or while performing official duties outside the United States or in transit thereto or therefrom; and

(2) the expense of transporting his dependents, including expenses of packing, crating, draying, and transporting household effects and other personal property to his former home or such other place as is determined by the head of the agency concerned, if death occurred while the employee was performing official duties outside the United States or in transit thereto or therefrom.

(c) When a dependent of an employee dies while residing with the employee performing official duties outside the continental United States or in Alaska or in transit thereto or therefrom, the head of the agency concerned may pay the necessary expenses of transporting the remains to the home of the dependent, or such other place appropriate for interment as is determined by the head of the agency concerned. If practicable, the agency concerned in respect of the deceased may furnish mortuary services and supplies on a reimbursable basis when—

(1) local commercial mortuary facilities and supplies are not available; or

(2) the cost of available mortuary facilities and supplies are prohibitive in the opinion of the head of the agency.

Reimbursement for the cost of mortuary services and supplies furnished under this subsection shall be collected and credited to current appropriations available for the payment of these costs.

(d) The benefits of this section may not be denied because the deceased was temporarily absent from duty when death occurred.

SUBCHAPTER I—UNIFORMS

§ 5901. Uniform allowances

(a) There is authorized to be appropriated annually to each agency of the Government of the United States, including a Government owned corporation, and of the government of the District of Columbia, on a showing of necessity or desirability, an amount not to exceed \$100 multiplied by the number of employees of the agency who are required by regulation or statute to wear a prescribed uniform in the performance of official duties and who are not being furnished with the uniform. The head of the agency concerned, out of funds made available by the appropriation, shall—

(1) furnish to each of these employees a uniform at a cost not to exceed \$100 a year; or

(2) pay to each of these employees an allowance for a uniform not to exceed \$100 a year.

The allowance may be paid only at the times and in the amounts authorized by the regulations prescribed under subsection (d) of this section.

(b) When the furnishing of a uniform or the payment of a uniform allowance is authorized under another statute or regulation existing on September 1, 1954, the head of the agency concerned may continue the furnishing of the uniform or the payment of the uniform allowance under that statute or regulation, but in that event a uniform may not be furnished or allowance paid under this section.

(c) An allowance paid under this section is not wages within the meaning of section 409 of title 42 or chapters 21 and 24 of title 26.

(d) The Director of the Bureau of the Budget shall prescribe regulations necessary for the uniform administration of this section.

SUBCHAPTER II—QUARTERS

§ 5911. Quarters and facilities; employees in the United States

(a) For the purpose of this section—

- (1) "Government" means the Government of the United States;
- (2) "agency" means an Executive agency, but does not include the Tennessee Valley Authority;
- (3) "employee" means an employee of an agency;

(4) "United States" means the several States, the District of Columbia, and the territories and possessions of the United States including the Commonwealth of Puerto Rico;

(5) "quarters" means quarters owned or leased by the Government; and

(6) "facilities" means household furniture and equipment, garage space, utilities, subsistence, and laundry service.

(b) The head of an agency may provide, directly or by contract, an employee stationed in the United States with quarters and facilities, when conditions of employment or of availability of quarters warrant the action.

(c) Rental rates for quarters provided for an employee under subsection (b) of this section or occupied on a rental basis by an employee or member of a uniformed service under any other provision of statute, and charges for facilities made available in connection with the occupancy of the quarters, shall be based on the reasonable value of the quarters and facilities to the employee or member concerned, in the circumstances under which the quarters and facilities are provided, occupied, or made available. The amounts of the rates and charges shall be paid by, or deducted from the pay of, the employee or member of a uniformed service, or otherwise charged against him in accordance with law. The amounts of payroll deductions for the rates and charges shall remain in the applicable appropriation or fund. When payment of the rates and charges is made by other than payroll deductions, the amounts of payment shall be credited to the Government as provided by law.

(d) When, as an incidental service in support of a program of the Government, quarters and facilities are provided by appropriate authority of the Government to an individual other than an employee or member of a uniformed service, the rates and charges therefor shall be determined in accordance with this section. The amounts of payment of the rates and charges shall be credited to the Government as provided by law.

(e) The head of an agency may not require an employee or member of a uniformed service to occupy quarters on a rental basis, unless the agency head determines that necessary service cannot be rendered, or that property of the Government cannot adequately be protected, otherwise.

(f) The President may prescribe regulations governing the provision, occupancy, and availability of quarters and facilities, the determination of rates and charges therefor, and other related matters, necessary and appropriate to carry out this section. The head of each agency may prescribe regulations, not inconsistent with the regulations of the President, necessary and appropriate to carry out the functions of the agency head under this section.

(g) Subsection (c) of this section does not repeal or modify any provision of statute authorizing the provision of quarters or facilities, either without charge or at rates or charges specifically fixed by statute.

§ 5912. Quarters in Government owned or rented buildings; employees in foreign countries

Under regulations prescribed by the head of the agency concerned and approved by the President, an employee who is a citizen of the United States permanently stationed in a foreign country may be furnished, without cost to him, living quarters, including heat, fuel, and light, in a Government owned or rented building. The rented quarters may be furnished only within the limits of appropriations made therefor.

§ 5913. Official residence expenses

(a) For the purpose of this section, "agency" has the meaning given it by section 5721 of this title.

(b) Under such regulations as the President may prescribe, funds available to an agency for administrative expenses may be allotted to posts in foreign countries to defray the unusual expenses incident to the operation and maintenance of official residences suitable for—

- (1) the chief representatives of the United States at the posts; and
- (2) such other senior officials of the Government of the United States as the President may designate.

SUBCHAPTER III—OVERSEAS DIFFERENTIALS AND ALLOWANCES

§ 5921. Definitions.

For the purpose of this subchapter—

(1) "Government" means the Government of the United States;

(2) "agency" means an Executive agency and the Library of Congress, but does not include a Government controlled corporation;

(3) "employee" means an employee in or under an agency and more specifically defined by regulations prescribed by the President;

(4) "United States", when used in a geographical sense, means the several States and the District of Columbia;

(5) "continental United States" means the several States and the District of Columbia, but does not include Alaska or Hawaii; and

(6) "foreign area" means—

(A) the Trust Territory of the Pacific Islands; and

(B) any other area outside the United States, the Commonwealth of Puerto Rico, the Canal Zone, and territories and possessions of the United States.

§ 5922. General provisions

(a) Notwithstanding section 5536 of this title and except as otherwise provided by this subchapter, the allowances and differentials authorized by this subchapter may be granted to an employee officially stationed in a foreign area—

(1) who is a citizen of the United States; and

(2) whose rate of basic pay is fixed by statute or, without taking into consideration the allowances and differentials provided by this subchapter, is fixed by administrative action pursuant to law or is fixed administratively in conformity with rates paid by the Government for work of a comparable level of difficulty and responsibility in the continental United States.

To the extent authorized by a provision of statute other than this subchapter, the allowances and differentials provided by this subchapter may be paid to an employee officially stationed in a foreign area who is not a citizen of the United States.

(b) Allowances granted under this subchapter may be paid in advance, or advance of funds may be made therefor, through the proper disbursing official in such sums as are considered advisable in consideration of the need and the period of time during which expenditures must be made in advance by the employee. An advance of funds

not subsequently covered by allowances accrued to the employee under this subchapter is recoverable by the Government by—

(1) setoff against accrued pay, compensation, amount of retirement credit, or other amount due the employee from the Government; and

(2) such other method as is provided by law for the recovery of amounts owing to the Government.

The head of the agency concerned, under regulations of the President, may waive in whole or in part a right of recovery under this subsection, if it is shown that the recovery would be against equity and good conscience or against the public interest.

(c) The allowances and differentials authorized by this subchapter shall be paid under regulations prescribed by the President governing—

(1) payments of the allowances and differentials and the respective rates at which the payments are made;

(2) the foreign areas, the groups of positions, and the categories of employees to which the rates apply; and

(3) other related matters.

§ 5923. Quarters allowances

When Government owned or rented quarters are not provided without charge for an employee in a foreign area, one or more of the following quarters allowances may be granted when applicable:

(1) A temporary lodging allowance for the reasonable cost of temporary quarters incurred by the employee and his family—

(A) for a period not in excess of 3 months after first arrival at a new post of assignment in a foreign area or a period ending with the occupation of residence quarters, whichever is shorter; and

(B) for a period of not more than 1 month immediately before final departure from the post after the necessary evacuation of residence quarters.

(2) A living quarters allowance for rent, heat, light, fuel, gas, electricity, and water, without regard to section 529 of title 31.

(3) Under unusual circumstances, payment or reimbursement for extraordinary, necessary, and reasonable expenses, not otherwise compensated for, incurred in initial repairs, alterations, and improvements to the privately leased residence of an employee at a post of assignment in a foreign area, if—

(A) the expenses are administratively approved in advance; and

(B) the duration and terms of the lease justify payment of the expenses by the Government.

§ 5924. Cost-of-living allowances

The following cost-of-living allowances may be granted, when applicable, to an employee in a foreign area:

(1) A post allowance to offset the difference between the cost of living at the post of assignment of the employee in a foreign area and the cost of living in the District of Columbia.

(2) A transfer allowance for extraordinary, necessary, and reasonable expenses, not otherwise compensated for, incurred by an employee incident to establishing himself at a post of assignment in—

(A) a foreign area; or

(B) the United States between assignments to posts in foreign areas.

(3) A separate maintenance allowance to assist an employee who is compelled, because of dangerous, notably unhealthful, or excessively adverse living conditions at his post of assignment in a foreign area, or for the convenience of the Government, to meet the additional expense of maintaining, elsewhere than at the post, his wife or his dependents, or both.

(4) An education allowance or payment of travel costs to assist an employee with the extraordinary and necessary expenses, not otherwise compensated for, incurred because of his service in a foreign area or foreign areas in providing adequate education for his dependents, as follows:

(A) An allowance not to exceed the cost of obtaining such elementary and secondary educational services as are ordinarily provided without charge by the public schools in the United States, plus, in those cases when adequate schools are not available at the post of the employee, board and room, and periodic transportation between that post and the nearest locality where adequate schools are available, without regard to section 529 of title 31. The amount of the allowance granted shall be determined on the basis of the educational facility used.

(B) The travel expenses of dependents of an employee to and from a school in the United States to obtain an American secondary or undergraduate college education, not to exceed one trip each way for each dependent for the purpose of obtaining each type of education. An allowance payment under subparagraph (A) of this paragraph (4) may not be made for a dependent during the 12 months following his arrival in the United States for secondary education under authority contained in this subparagraph (B). Notwithstanding section 5921(6) of this title, travel expenses, for the purpose of obtaining undergraduate college education, may be authorized under this subparagraph (B), under such regulations as the President may prescribe, for dependents of employees who are citizens of the United States stationed in the Canal Zone.

§ 5925. Post differentials

A post differential may be granted on the basis of conditions of environment which differ substantially from conditions of environment in the continental United States and warrant additional pay as a recruitment and retention incentive. A post differential may be granted to an employee officially stationed in the United States who is on extended detail in a foreign area. A post differential may not exceed 25 percent of the rate of basic pay.

SUBCHAPTER IV—MISCELLANEOUS ALLOWANCES

§ 5941. Allowances based on living costs and conditions of environment; employees stationed outside continental United States or in Alaska

(a) Appropriations or funds available to an Executive agency, except a Government controlled corporation, for pay of employees stationed outside the continental United States or in Alaska whose rates of basic pay are fixed by statute, are available for allowances to these employees. The allowance is based on—

(1) living costs substantially higher than in the District of Columbia;

(2) conditions of environment which differ substantially from conditions of environment in the continental United States and warrant an allowance as a recruitment incentive; or

(3) both of these factors.

The allowance may not exceed 25 percent of the rate of basic pay. Except as otherwise specifically authorized by statute, the allowance is paid only in accordance with regulations prescribed by the President establishing the rates and defining the area, groups of positions, and classes of employees to which each rate applies.

(b) An employee entitled to a cost-of-living allowance under section 5924 of this title may not be paid an allowance under subsection (a) of this section based on living costs substantially higher than in the District of Columbia.

§ 5942. Allowance based on duty on California offshore islands

Notwithstanding section 5536 of this title, an employee who is assigned to duty, except temporary duty, on one of the California offshore islands is entitled, in addition to pay otherwise due him, to an allowance of not to exceed \$10 a day. However, the allowance shall be paid under regulations prescribed by the President establishing the rates at which the allowance will be paid, and defining the areas and groups of positions to which the rates apply.

§ 5943. Foreign currency appreciation allowances

(a) The President, under such regulations as he may prescribe and on recommendation of the Director of the Bureau of the Budget, may meet losses sustained by employees and members of the uniformed services while serving in a foreign country due to the appreciation of foreign currency in its relation to the American dollar. Allowances and expenditures under this section are not subject to income taxes.

(b) Annual appropriations are authorized to carry out subsection (a) of this section and to cover any deficiency in the accounts of the Secretary of the Treasury, including interest, arising out of the arrangement approved by the President on July 27, 1933, for the conversion into foreign currency of checks and drafts of employees and members of the uniformed services for pay and expenses.

(c) Payment under subsection (a) of this section may not be made to an employee or member of a uniformed service for a period during which his check or draft was converted into foreign currency under the arrangement referred to by subsection (b) of this section.

(d) The Director of the Bureau of the Budget shall report annually to Congress all expenditures made under this section.

§ 5944. Illness and burial expenses; native employees in foreign countries

(a) The head of an Executive department or military department which maintains a permanent staff of employees in foreign countries may pay the burial expenses and expenses in connection with the last illness and death of a native employee of his department in a country in which the Secretary of State determines it is customary for employers to pay these expenses. Payment of these expenses may not exceed \$100 in any one case.

(b) The head of an Executive department or military department which maintains a permanent staff of employees in foreign countries in which the custom referred to by subsection (a) of this section does not exist, on finding that the immediate family of the deceased is destitute, may pay such of the expenses referred to by subsection (a) of this section within the limitations in that subsection to the family, heirs at law, or persons responsible for the debts of the deceased, as the em-

ployee in charge of the office abroad in which the deceased was employed considers proper.

(c) Payments under this section are made from appropriations available to the department concerned for miscellaneous or contingent expenses.

§ 5945. Notary public commission expenses

An employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia who is required to serve as a notary public in connection with the performance of official business is entitled to an allowance, established by the agency concerned, not in excess of the expense required to obtain the commission. Funds available to an agency concerned for personal services or general administrative expenses are available to carry out this section.

§ 5946. Membership fees; expenses of attendance at meetings; limitations

Except as authorized by a specific appropriation, by express terms in a general appropriation, or by sections 4109 and 4110 of this title, appropriated funds may not be used for payment of—

(1) membership fees or dues of an employee as defined by section 2105 of this title or an individual employed by the government of the District of Columbia in a society or association; or

(2) expenses of attendance of an individual at meetings or conventions of members of a society or association.

This section does not prevent the use of appropriations for the Department of Agriculture for expenses incident to the delivery of lectures, the giving of instructions, or the acquiring of information at meetings by its employees on subjects relating to the authorized work of the Department.

(2) require that the hours of work within that workweek be performed within a period of not more than 6 of any 7 consecutive days.

(b) Except when the head of an Executive agency, a military department, or of the government of the District of Columbia determines that his organization would be seriously handicapped in carrying out its functions or that costs would be substantially increased, he shall provide, with respect to each employee in his organization, that—

(4) the basic nonovertime workday may not exceed 8 hours;

The regular hours of work for an employee whose basic rate of pay is fixed and adjusted from time to time in accordance with prevailing rates by a wage board or similar administrative authority serving the same purpose are established at not more than 8 a day or 40 a week. However, work in excess of these hours is permitted when administratively determined to be in the public interest.

(A) employees whose basic workweek is Monday through Friday; and

(B) the purpose of section 6309 of this title.

(2) Instead of a holiday that occurs on a regular weekly nonworkday of an employee whose basic workweek is other than Monday through Friday, except the regular weekly nonworkday administratively scheduled for the employee instead of Sunday, the workday immediately before that regular weekly nonworkday is a legal public holiday for the employee.

This subsection, except subparagraph (B) of paragraph (1), does not apply to an employee whose basic workweek is Monday through Saturday.

(c) January 20 of each fourth year after 1965, Inauguration Day, is a legal public holiday for the purpose of statutes relating to pay and leave of employees as defined by section 2105 of this title and individuals employed by the government of the District of Columbia employed in the District of Columbia, Montgomery and Prince Georges Counties in Maryland, Arlington and Fairfax Counties in Virginia, and the cities of Alexandria and Falls Church in Virginia. § 6104. Holidays; daily, hourly, and piece-work basis employees

When a regular employee as defined by section 2105 of this title or an individual employed regularly by the government of the District of Columbia, whose pay is fixed at a daily or hourly rate, or on a piece-work basis, is relieved or prevented from working on a day—

(1) on which agencies are closed by Executive order, or, for individuals employed by the government of the District of Columbia, by order of the Board of Commissioners;

SUBCHAPTER I—ANNUAL AND SICK LEAVE

§ 6301. Definitions

For the purpose of this subchapter—

(1) “United States”, when used in a geographical sense, means the several States and the District of Columbia; and

(2) “employee” means—

(A) an employee as defined by section 2105 of this title; and

(B) an individual employed by the government of the District of Columbia;

but does not include—

(i) a teacher or librarian of the public schools of the District of Columbia;

(ii) a part-time employee, except an hourly employee in the postal field service, who does not have an established regular tour of duty during the administrative workweek;

(iii) a temporary employee engaged in construction work at an hourly rate;

(iv) an employee of the Canal Zone Government or the Panama Canal Company when employed on the Isthmus of Panama;

(v) a physician, dentist, or nurse in the Department of Medicine and Surgery, Veterans' Administration;

(vi) an employee of either House of Congress or of the two Houses;

(vii) an employee of a corporation supervised by the Farm Credit Administration if private interests elect or appoint a member of the board of directors;

(viii) an alien employee who occupies a position outside the United States, except as provided by section 6310 of this title;

(ix) a “teacher” or an individual holding a “teaching position” as defined by section 901 of title 20;

(x) an officer in the executive branch or in the government of the District of Columbia who is appointed by the President and whose rate of basic pay exceeds the highest rate payable under section 5332 of this title;

(xi) an officer in the executive branch or in the government of the District of Columbia who is designated by the President, except a postmaster, United States attorney, or United States marshal; or

(xii) an officer who receives pay under section 866 of title 22.

§ 6302. General provisions

(a) The days of leave provided by this subchapter are days on which an employee would otherwise work and receive pay and are exclusive of holidays and nonworkdays established by Federal statute, Executive order, or administrative order.

(b) For the purpose of this subchapter an employee is deemed employed for a full biweekly pay period if he is employed during the days within that period, exclusive of holidays and nonworkdays established by Federal statute, Executive order, or administrative order, which fall within his basic administrative workweek.

(c) A part-time employee, unless otherwise excepted, is entitled to the benefits provided by subsection (d) of this section and sections 6303, 6304 (a), (b), 6305 (a), 6307, and 6310 of this title on a pro rata basis.

(d) The annual leave provided by this subchapter, including annual leave that will accrue to an employee during the year, may be granted at any time during the year as the head of the agency concerned may prescribe.

(e) If an officer excepted from this subchapter by section 6301 (2) (x)-(xii) of this title, without a break in service, again becomes subject to this subchapter on completion of his service as an excepted officer, the unused annual and sick leave standing to his credit when he was excepted from this subchapter is deemed to have remained to his credit.

§ 6303. Annual leave; accrual

(a) An employee is entitled to annual leave with pay which accrues as follows—

(1) one-half day for each full biweekly pay period for an employee with less than 3 years of service;

(2) three-fourths day for each full biweekly pay period, except that the accrual for the last full biweekly pay period in the year is one and one-fourth days, for an employee with 3 but less than 15 years of service; and

(3) one day for each full biweekly pay period for an employee with 15 or more years of service.

In determining years of service, an employee is entitled to credit for all service creditable under section 8332 of this title for the purpose of an annuity under subchapter III of chapter 83 of this title. However, an employee who is a retired member of a uniformed service as defined by section 3501 of this title is entitled to credit for active military service only if—

(A) his retirement was based on disability—

(i) resulting from injury or disease received in line of duty as a direct result of armed conflict; or

(ii) caused by an instrumentality of war and incurred in line of duty during a period of war as defined by sections 101 and 301 of title 38;

(B) that service was performed in the armed forces during a war, or in a campaign or expedition for which a campaign badge has been authorized; or

(C) on November 30, 1964, he was employed in a position to which this subchapter applies and thereafter he continued to be so employed without a break in service of more than 30 days.

The determination of years of service may be made on the basis of an affidavit of the employee. Leave provided by this subchapter accrues to an employee who is not paid on the basis of biweekly pay periods on the same basis as it would accrue if the employee were paid on the basis of biweekly pay periods.

(b) Notwithstanding subsection (a) of this section, an employee is entitled to annual leave under this subchapter only after being currently employed for a continuous period of 90 days under one or more appointments without a break in service. After completing the 90-day period, the employee is entitled to be credited with the leave that would have accrued to him under subsection (a) of this section except for this subsection.

(c) A change in the rate of accrual of annual leave by an employee under this section takes effect at the beginning of the pay period after the pay period, or corresponding period for an employee who is not paid on the basis of biweekly pay periods, in which the employee completed the prescribed period of service.

(d) Leave granted under this subchapter is exclusive of time actually and necessarily occupied in going to or from a post of duty and

time necessarily occupied awaiting transportation, in the case of an employee—

- (1) to whom section 6304(b) of this title applies;
- (2) whose post of duty is outside the United States; and
- (3) who returns on leave to the United States, or to his place of residence, which is outside the area of employment, in its territories or possessions including the Commonwealth of Puerto Rico.

This subsection does not apply to more than one period of leave in a prescribed tour of duty at a post outside the United States.

§ 6304. Annual leave; accumulation

(a) Except as provided by subsection (b) of this section, annual leave provided by section 6303 of this title, which is not used by an employee, accumulates for use in succeeding years until it totals not more than 30 days at the beginning of the first full biweekly pay period, or corresponding period for an employee who is not paid on the basis of biweekly pay periods, occurring in a year.

(b) Annual leave not used by an employee of the Government of the United States in one of the following classes of employees stationed outside the United States accumulates for use in succeeding years until it totals not more than 45 days at the beginning of the first full biweekly pay period, or corresponding period for an employee who is not paid on the basis of biweekly pay periods, occurring in a year:

(1) Individuals directly recruited or transferred by the Government of the United States from the United States or its territories or possessions including the Commonwealth of Puerto Rico for employment outside the area of recruitment or from which transferred.

(2) Individuals employed locally but—

(A) (i) who were originally recruited from the United States or its territories or possessions including the Commonwealth of Puerto Rico but outside the area of employment;

(ii) who have been in substantially continuous employment by other agencies of the United States, United States firms, interests, or organizations, international organizations in which the United States participates, or foreign governments; and

(iii) whose conditions of employment provide for their return transportation to the United States or its territories or possessions including the Commonwealth of Puerto Rico; or

(B) (i) who were at the time of employment temporarily absent, for the purpose of travel or formal study, from the United States, or from their respective places of residence in its territories or possessions including the Commonwealth of Puerto Rico; and

(ii) who, during the temporary absence, have maintained residence in the United States or its territories or possessions including the Commonwealth of Puerto Rico but outside the area of employment.

(3) Individuals who are not normally residents of the area concerned and who are discharged from service in the armed forces to accept employment with an agency of the Government of the United States.

(c) Annual leave in excess of the amount allowable—

(1) under subsection (a) or (b) of this section which was accumulated under earlier statute; or

(2) under subsection (a) of this section which was accumulated under subsection (b) of this section by an employee who becomes subject to subsection (a) of this section; remains to the credit of the employee until used. The excess annual leave is reduced at the beginning of the first full biweekly pay period, or corresponding period for an employee who is not paid on the basis of biweekly pay periods, occurring in a year, by the amount of annual leave the employee used during the preceding year in excess of the amount which accrued during that year, until the employee's accumulated leave does not exceed the amount allowed under subsection (a) or (b) of this section, as appropriate.

§ 6305. Home leave; leave for Chiefs of Missions

(a) After 24 months of continuous service outside the United States, an employee may be granted leave of absence, under regulations of the President, at a rate not to exceed 1 week for each 4 months of that service without regard to other leave provided by this subchapter. Leave so granted—

(1) is for use in the United States, or if the employee's place of residence is outside the area of employment, in its territories or possessions including the Commonwealth of Puerto Rico;

(2) accumulates for future use without regard to the limitation in section 6304(b) of this title; and

(3) may not be made the basis for terminal leave or for a lump-sum payment.

(b) The President may authorize leave of absence to an officer excepted from this subchapter by section 6301(2)(xii) of this title for use in the United States and its territories or possessions. Leave so authorized does not constitute a leave system and may not be made the basis for a lump-sum payment.

§ 6306. Annual leave; refund of lump-sum payment; recredit of annual leave

(a) When an individual who received a lump-sum payment for leave under section 5551 of this title is reemployed before the end of the period covered by the lump-sum payment in or under the Government of the United States or the government of the District of Columbia, except in a position excepted from this subchapter by section 6301(2)(ii), (iii), (vi), or (vii) of this title, he shall refund to the employing agency an amount equal to the pay covering the period between the date of reemployment and the expiration of the lump-sum period.

(b) An amount refunded under subsection (a) of this section shall be deposited in the Treasury of the United States to the credit of the employing agency. When an individual is reemployed under the same leave system, an amount of leave equal to the leave represented by the refund shall be recredited to him in the employing agency. When an individual is reemployed under a different leave system, an amount of leave equal to the leave represented by the refund shall be recredited to him in the employing agency on an adjusted basis under regulations prescribed by the Civil Service Commission. When an individual is reemployed in a position excepted from this subchapter by section 6301(2)(x)-(xii) of this title, an amount of leave equal to the leave represented by the refund is deemed, on separation from the service, death, or transfer to another position in the service, to have remained to his credit.

§ 6307. Sick leave; accrual and accumulation

(a) An employee is entitled to sick leave with pay which accrues on the basis of one-half day for each full biweekly pay period, except that

sick leave with pay accrues to a member of the Firefighting Division of the Fire Department of the District of Columbia on the basis of two-fifths of a day for each full biweekly pay period.

(b) Sick leave provided by this section, which is not used by an employee, accumulates for use in succeeding years.

(c) When required by the exigencies of the situation, a maximum of 30 days sick leave with pay may be advanced for serious disability or ailment, except that a maximum of 24 days sick leave with pay may be advanced to a member of the Firefighting Division of the Fire Department of the District of Columbia.

§ 6308. Transfers between positions under different leave systems

The annual and sick leave to the credit of an employee who transfers between positions under different leave systems without a break in service shall be transferred to his credit in the employing agency on an adjusted basis under regulations prescribed by the Civil Service Commission, unless the individual is excepted from this subchapter by section 6301(2) (ii), (iii), (vi), or (vii) of this title. However, when a former member receiving a retirement annuity under sections 521-535 of title 4, District of Columbia Code, is reemployed in a position to which this subchapter applies, his sick leave balance may not be recredited to his account on the later reemployment.

§ 6309. Leave of absence; rural carriers

The authorized absence of a rural carrier on a Saturday which occurs at the beginning, within, or at the end of a period of annual or sick leave of at least 5 days' duration, or 4 days' duration if a holiday falls at the beginning, within, or at the end of the period of annual or sick leave, is without charge to leave or loss of pay. A Saturday occurring in a period of annual or sick leave taken in a smaller number of days, at the option of the carrier, may be charged to his accrued leave and when so charged he is entitled to be paid for that absence.

§ 6310. Leave of absence; aliens

The head of the agency concerned may grant leave of absence with pay, not in excess of the amount of annual and sick leave allowable to citizen employees under this subchapter, to alien employees who occupy positions outside the United States.

§ 6311. Regulations

The Civil Service Commission may prescribe regulations necessary for the administration of this subchapter.

SUBCHAPTER II—OTHER PAID LEAVE

§ 6321. Absence of veterans to attend funeral services

An employee in or under an Executive agency who is a veteran of a war, or of a campaign or expedition for which a campaign badge has been authorized, or a member of an honor or ceremonial group of an organization of those veterans, may be excused from duty without loss of pay or deduction from annual leave for the time necessary, not to exceed 4 hours in any one day, to enable him to participate as an active pallbearer or as a member of a firing squad or a guard of honor in a funeral ceremony for a member of the armed forces whose remains are returned from abroad for final interment in the United States.

The period of absence for jury service is without deduction from other leave of absence authorized by statute.

§ 6323. Military leave; Reserves and National Guardsmen

(a) An employee as defined by section 2105 of this title (except a substitute in the postal field service) or an individual employed by the government of the District of Columbia, permanent or temporary indefinite, is entitled to leave without loss of pay, time, or performance or efficiency rating for each day, not in excess of 15 days in a calendar year, in which he is on active duty or is engaged in field or coast defense training under sections 502-505 of title 32 as a Reserve of the armed forces or member of the National Guard.

(b) A substitute employee in the postal field service is entitled to leave without loss of pay, time, or efficiency rating for absence, not in excess of 80 hours in a calendar year, because of active duty or field or coast defense training under sections 502-505 of title 32 as a Reserve of the armed forces or member of the National Guard. This leave is on the basis of 1 hour of leave for each period aggregating 26 hours of work performed during the calendar year immediately before the calendar year in which he is ordered to that duty or training. However, he is entitled to this leave only if he worked at least 1,040 hours during that calendar year.

§ 6324. Absence of certain police and firemen

(a) Sick leave may not be charged to the account of a member of the Metropolitan Police force or the Fire Department of the District of Columbia, the United States Park Police force, or the White House Police force for an absence due to injury or illness resulting from the performance of duty.

(b) The determination of whether an injury or illness resulted from the performance of duty shall be made under regulations prescribed by—

(1) the Commissioners of the District of Columbia for members of the Metropolitan Police force and the Fire Department of the District of Columbia;

(2) the Secretary of the Interior for the United States Park Police force; and

(3) the Secretary of the Treasury for the White House Police force.

Removal under section 7532 of this title does not affect the right of an individual so removed to seek or accept employment in an agency of the United States other than the agency from which removed. However, the appointment of an individual so removed may be made only after the head of the agency concerned has consulted with the Civil

Service Commission. The Commission, on written request of the head of the agency or the individual so removed, may determine whether the individual is eligible for employment in an agency other than the agency from which removed.

SUBCHAPTER III—POLITICAL ACTIVITIES

§ 7324. Influencing elections; taking part in political campaigns; prohibitions; exceptions

- (1) use his official authority or influence for the purpose of interfering with or affecting the result of an election; or
- (2) take an active part in political management or in political campaigns.

For the purpose of this subsection, the phrase “an active part in political management or in political campaigns” means those acts of political management or political campaigning which were prohibited on the part of employees in the competitive service before July 19, 1940, by determinations of the Civil Service Commission under the rules prescribed by the President.

(b) Disability or death from a war-risk hazard or during or as a result of capture, detention, or other restraint by a hostile force or individual, suffered by an employee who is employed outside the continental United States or in Alaska or in the Canal Zone, is deemed to have resulted from personal injury sustained while in the performance of his duty, whether or not the employee was engaged in the course of employment when the disability or disability resulting in death occurred or when he was taken by the hostile force or individual. This subsection does not apply to an individual—

(1) whose residence is at or in the vicinity of the place of his employment and who was not living there solely because of the exigencies of his employment, unless he was injured or taken while engaged in the course of his employment; or

(2) who is a prisoner of war or a protected individual under the Geneva Conventions of 1949 and is detained or utilized by the United States.

6 UST 3316.

This subsection does not affect the payment of compensation under this subchapter derived otherwise than under this subsection, but compensation for disability or death does not accrue for a period for which pay, other benefit, or gratuity from the United States accrues to the disabled individual or his dependents on account of detention by the enemy or because of the same disability or death, unless that pay, benefit, or gratuity is refunded or renounced.

§ 8103. Medical services and initial medical and other benefits

(a) The United States shall furnish to an employee who is injured while in the performance of duty, the services, appliances, and supplies prescribed or recommended by a qualified physician, which the Secretary of Labor considers likely to cure, give relief, reduce the degree or the period of disability, or aid in lessening the amount of the monthly compensation. These services, appliances, and supplies shall be furnished—

(1) whether or not disability has arisen;

(2) notwithstanding that the employee has accepted or is entitled to receive benefits under subchapter III of chapter 83 of this title; and

(3) by or on the order of United States medical officers and hospitals, or, when this is not practicable, by or on the order of private physicians and hospitals designated or approved by the Secretary.

The employee may be furnished transportation and may be paid all expenses incident to the securing of these services, appliances, and supplies which the Secretary considers necessary and reasonable. These expenses, when authorized or approved by the Secretary, shall be paid from the Employees' Compensation Fund.

(b) The Secretary, under such limitations or conditions as he considers necessary, may authorize the employing agencies to provide for the initial furnishing of medical and other benefits under this section. The Secretary may certify vouchers for these expenses out of the Employees' Compensation Fund when the immediate superior of the employee certifies that the expense was incurred in respect to an injury which was accepted by the employing agency as probably compensable under this subchapter. The Secretary shall prescribe the form and content of the certificate.

§ 8104. Vocational rehabilitation

The Secretary of Labor may direct a permanently disabled individual whose disability is compensable under this subchapter to undergo vocational rehabilitation. The Secretary shall provide for furnishing the vocational rehabilitation services. In providing for these services, the Secretary, insofar as practicable, shall use the services or facilities of State agencies and corresponding agencies which cooperate with the Secretary of Health, Education, and Welfare in carrying out the purposes of chapter 4 of title 29, except to the extent that the Secretary of Labor provides for furnishing these services under section 8103 of this title. The cost of providing these services to individuals undergoing vocational rehabilitation under this section shall be paid from the Employees' Compensation Fund. However, in reimbursing a State or corresponding agency under an arrangement pursuant to this section the cost to the agency reimbursable in full under section 32(b)(1) of title 29 is excluded.

§ 8105. Total disability

(a) If the disability is total, the United States shall pay the employee during the disability monthly monetary compensation equal to 66⅔ percent of his monthly pay, which is known as his basic compensation for total disability.

(b) The loss of use of both hands, both arms, both feet, or both legs, or the loss of sight of both eyes, is prima facie permanent total disability.

§ 8106. Partial disability

(a) If the disability is partial, the United States shall pay the employee during the disability monthly monetary compensation equal to $66\frac{2}{3}$ percent of the difference between his monthly pay and his monthly wage-earning capacity after the beginning of the partial disability, which is known as his basic compensation for partial disability.

(b) The Secretary of Labor may require a partially disabled employee to report his earnings from employment or self-employment, by affidavit or otherwise, in the manner and at the times the Secretary specifies. The employee shall include in the affidavit or report the value of housing, board, lodging, and other advantages which are part of his earnings in employment or self-employment and which can be estimated in money. An employee who—

(1) fails to make an affidavit or report when required; or

(2) knowingly omits or understates any part of his earnings; forfeits his right to compensation with respect to any period for which the affidavit or report was required. Compensation forfeited under this subsection, if already paid, shall be recovered by a deduction from the compensation payable to the employee or otherwise recovered under section 8129 of this title, unless recovery is waived under that section.

(c) A partially disabled employee who—

(1) refuses to seek suitable work; or

(2) refuses or neglects to work after suitable work is offered to, procured by, or secured for him; is not entitled to compensation.

§ 8107. Compensation schedule

(a) If there is a permanent disability involving—

(1) solely the loss of use of a member or function of the body, whether or not the cause of the disability originates in a part of the body other than the member; or

(2) disfigurement as provided by the schedule in subsection (c) of this section;

the employee is entitled to basic compensation for the period specified by the schedule at the rate of $66\frac{2}{3}$ percent of his monthly pay. The basic compensation is—

(A) in addition to compensation for temporary total or temporary partial disability; and

(B) instead of compensation for permanent disability, except in a case involving disfigurement and as otherwise provided by subsection (b) of this section.

(b) If an injury causes the total and permanent loss of use of an arm, a hand, a leg, a foot, or an eye, including loss of binocular vision, or total and permanent loss of hearing in both ears, whether or not the disability also involves other impairment of the body, the individual is entitled—

(1) for the period specified by the schedule in subsection (c) of this section, to basic compensation at the rate of $66\frac{2}{3}$ percent of his monthly pay; and

(2) for a later period, to basic compensation as provided by—

(A) section 8105 of this title if the disability is total; or

(B) section 8106 of this title if the disability is partial.

The basic compensation is in addition to compensation for periods of temporary total or temporary partial disability, and is payable notwithstanding subsection (a) of this section and sections 8105 and 8106 of this title.

(c) The compensation schedule is as follows:

- (1) Arm lost, 312 weeks' compensation.
- (2) Leg lost, 288 weeks' compensation.
- (3) Hand lost, 244 weeks' compensation.
- (4) Foot lost, 205 weeks' compensation.
- (5) Eye lost, 160 weeks' compensation.
- (6) Thumb lost, 75 weeks' compensation.
- (7) First finger lost, 46 weeks' compensation.
- (8) Great toe lost, 38 weeks' compensation.
- (9) Second finger lost, 30 weeks' compensation.
- (10) Third finger lost, 25 weeks' compensation.
- (11) Toe other than great toe lost, 16 weeks' compensation.
- (12) Fourth finger lost, 15 weeks' compensation.
- (13) Loss of hearing—

(A) complete loss of hearing of one ear, 52 weeks' compensation; or

(B) complete loss of hearing of both ears, 200 weeks' compensation.

(14) Compensation for loss of binocular vision or for loss of 80 percent or more of the vision of an eye is the same as for loss of the eye.

(15) Compensation for loss of more than one phalanx of a digit is the same as for loss of the entire digit. Compensation for loss of the first phalanx is one-half of the compensation for loss of the entire digit.

(16) If, in the case of an arm or a leg, the member is amputated above the wrist or ankle, compensation is the same as for loss of the arm or leg, respectively.

(17) Compensation for loss of use of two or more digits, or one or more phalanges of each of two or more digits, of a hand or foot, is proportioned to the loss of use of the hand or foot occasioned thereby.

(18) Compensation for permanent total loss of use of a member is the same as for loss of the member.

(19) Compensation for permanent partial loss of use of a member may be for proportionate loss of use of the member. The degree of loss of vision or hearing under this schedule is determined without regard to correction.

(20) In case of loss of use of more than one member or parts of more than one member as enumerated by this schedule, the compensation is for loss of use of each member or part thereof, and the awards run consecutively. However, when the injury affects only two or more digits of the same hand or foot, paragraph (17) of this subsection applies, and when partial bilateral loss of hearing is involved, compensation is computed on the loss as affecting both ears.

(21) For serious disfigurement of the face, head, or neck of a character likely to handicap an individual in securing or maintaining employment, proper and equitable compensation not to exceed \$3,500 shall be awarded in addition to any other compensation payable under this schedule.

§ 8108. Reduction of compensation for subsequent injury to same member

The period of compensation payable under the schedule in section 8107(c) of this title is reduced by the period of compensation paid or payable under the schedule for an earlier injury if—

(1) compensation in both cases is for disability of the same member or function or different parts of the same member or function or for disfigurement; and

(2) the Secretary of Labor finds that compensation payable for the later disability in whole or in part would duplicate the compensation payable for the preexisting disability.

In such a case, for the purposes of disabilities specified by section 8107(b) of this title, compensation for disability continuing after the scheduled period starts on expiration of that period as reduced under this section.

§ 8109. Beneficiaries of awards unpaid at death; order of precedence

(a) If an individual—

(1) has sustained disability compensable under section 8107(a) of this title, including a disability compensable under the schedule in section 8107(c) of this title because of section 8107(b) of this title;

(2) has filed a valid claim in his lifetime; and

(3) dies from a cause other than the injury before the end of the period specified by the schedule;
the compensation specified by the schedule that is unpaid at his death, whether or not accrued or due at his death, shall be paid—

(A) under an award made before or after the death;

(B) for the period specified by the schedule;

(C) to and for the benefit of the persons then in being within the classes and proportions and on the conditions specified by this section; and

(D) in the following order of precedence:

(i) If there is no child, to the widow or widower.

(ii) If there are both a widow or widower and a child or children, one-half to the widow or widower and one-half to the child or children.

(iii) If there is no widow or widower, to the child or children.

(iv) If there is no survivor in the above classes, to the parent or parents wholly or partly dependent for support on the decedent, or to other wholly dependent relatives listed by section 8133(a)(5) of this title, or to both in proportions provided by regulation.

(v) If there is no survivor in the above classes and no burial allowance is payable under section 8134 of this title, an amount not exceeding that which would be expendable under section 8134 of this title if applicable shall be paid to reimburse a person equitably entitled thereto to the extent and in the proportion that he has paid the burial expenses, but a compensated insurer or other person obligated by law or contract to pay the burial expenses or a State or political subdivision or entity is deemed not equitably entitled.

(b) Payments under subsection (a) of this section, except for an amount payable for a period preceding the death of the individual, are at the basic rate of compensation for permanent disability speci-

fied by section 8107(a) of this title even if at the time of death the individual was entitled to the augmented rate specified by section 8110 of this title.

(c) A surviving beneficiary under subsection (a) of this section, except one under subsection (a)(D)(v), does not have a vested right to payment and must be alive to receive payment.

(d) A beneficiary under subsection (a) of this section, except one under subsection (a)(D)(v), ceases to be entitled to payment on the happening of an event which would terminate his right to compensation for death under section 8133 of this title. When that entitlement ceases, compensation remaining unpaid under subsection (a) of this section is payable to the surviving beneficiary in accordance with subsection (a) of this section.

§ 8110. Augmented compensation for dependents

(a) For the purpose of this section, "dependent" means—

(1) a wife, if—

(A) she is a member of the same household as the employee;

(B) she is receiving regular contributions from the employee for her support; or

(C) the employee has been ordered by a court to contribute to her support;

(2) a husband, if wholly dependent on the employee for support because of his own physical or mental disability;

(3) an unmarried child, while living with the employee or receiving regular contributions from the employee toward his support, and who is—

(A) under 18 years of age; or

(B) over 18 years of age and incapable of self-support because of physical or mental disability; and

(4) a parent, while wholly dependent on and supported by the employee.

(b) A disabled employee with one or more dependents is entitled to have his basic compensation for disability augmented—

(1) at the rate of $8\frac{1}{3}$ percent of his monthly pay if that compensation is payable under section 8105 or 8107(a) of this title including compensation payable under the schedule in section 8107(c) by virtue of section 8107(b) of this title; and

(2) at the rate of $8\frac{1}{3}$ percent of the difference between his monthly pay and his monthly wage-earning capacity if that compensation is payable under section 8106(a) of this title.

However, for a period of temporary total disability the augmentation of basic compensation for disability payable under section 8105 of this title is limited to that part of the monthly pay of the employee which is not in excess of \$420.

§ 8111. Additional compensation for services of attendants or vocational rehabilitation

(a) The Secretary of Labor may pay an employee who has been awarded compensation an additional sum of not more than \$125 a month, as the Secretary considers necessary, when the Secretary finds that the service of an attendant is necessary constantly because the employee is totally blind, or has lost the use of both hands or both feet, or is paralyzed and unable to walk, or because of other disability resulting from the injury making him so helpless as to require constant attendance.

(b) The Secretary may pay an individual undergoing vocational rehabilitation under section 8104 of this title additional compensation necessary for his maintenance, but not to exceed \$100 a month.

§ 8112. Maximum and minimum monthly payments

Except as provided by section 8138 of this title, the monthly rate of compensation for disability, including augmented compensation under section 8110 of this title but not including additional compensation under section 8111 of this title, may not exceed \$525 a month, and in case of total disability may not be less than \$180 a month or the amount of the monthly pay of the employee, whichever is less.

§ 8113. Increase or decrease of basic compensation

(a) If an individual—

(1) was a minor or employed in a learner's capacity at the time of injury; and

(2) was not physically or mentally handicapped before the injury;

the Secretary of Labor, on review under section 8128 of this title after the time the wage-earning capacity of the individual would probably have increased but for the injury, shall recompute prospectively the monetary compensation payable for disability on the basis of an assumed monthly pay corresponding to the probable increased wage-earning capacity.

(b) The Secretary, on review under section 8128 of this title after a disabled employee becomes 70 years of age and his wage-earning capacity would probably have decreased because of old age aside from and independently of the effects of the injury, shall recompute prospectively the monetary compensation payable for disability on the basis of an assumed monthly pay corresponding to the probable decreased wage-earning capacity.

(c) If an individual without good cause fails to apply for and undergo vocational rehabilitation when so directed under section 8104 of this title, the Secretary, on review under section 8128 of this title and after finding that in the absence of the failure the wage-earning capacity of the individual would probably have substantially increased, may reduce prospectively the monetary compensation of the individual in accordance with what would probably have been his wage-earning capacity in the absence of the failure, until the individual in good faith complies with the direction of the Secretary.

§ 8114. Computation of pay

(a) For the purpose of this section—

(1) "overtime pay" means pay for hours of service in excess of a statutory or other basic workweek or other basic unit of worktime, as observed by the employing establishment; and

(2) "year" means a period of 12 calendar months, or the equivalent thereof as specified by regulations prescribed by the Secretary of Labor.

(b) In computing monetary compensation for disability or death on the basis of monthly pay, that pay is determined under this section.

(c) The monthly pay at the time of injury is deemed one-twelfth of the average annual earnings of the employee at that time. When compensation is paid on a weekly basis, the weekly equivalent of the monthly pay is deemed one-fifty-second of the average annual earnings. However, for so much of a period of total disability as does not exceed 90 calendar days from the date of the beginning of compensable disability, the compensation, in the discretion of the Secre-

tary of Labor, may be computed on the basis of the actual daily wage of the employee at the time of injury in which event he may be paid compensation for the days he would have worked but for the injury.

(d) Average annual earnings are determined as follows:

(1) If the employee worked in the employment in which he was employed at the time of his injury during substantially the whole year immediately preceding the injury and the employment was in a position for which an annual rate of pay—

(A) was fixed, the average annual earnings are the annual rate of pay; or

(B) was not fixed, the average annual earnings are the product obtained by multiplying his daily wage for the particular employment, or the average thereof if the daily wage has fluctuated, by 300 if he was employed on the basis of a 6-day workweek, 280 if employed on the basis of a 5½-day week, and 260 if employed on the basis of a 5-day week.

(2) If the employee did not work in employment in which he was employed at the time of his injury during substantially the whole year immediately preceding the injury, but the position was one which would have afforded employment for substantially a whole year, the average annual earnings are a sum equal to the average annual earnings of an employee of the same class working substantially the whole immediately preceding year in the same or similar employment by the United States in the same or neighboring place, as determined under paragraph (1) of this subsection.

(3) If either of the foregoing methods of determining the average annual earnings cannot be applied reasonably and fairly, the average annual earnings are a sum that reasonably represents the annual earning capacity of the injured employee in the employment in which he was working at the time of the injury having regard to the previous earnings of the employee in Federal employment, and of other employees of the United States in the same or most similar class working in the same or most similar employment in the same or neighboring location, other previous employment of the employee, or other relevant factors. However, the average annual earnings may not be less than 150 times the average daily wage the employee earned in the employment during the days employed within 1 year immediately preceding his injury.

(4) If the employee served without pay or at nominal pay, paragraphs (1), (2), and (3) of this subsection apply as far as practicable, but the average annual earnings of the employee may not exceed the minimum rate of basic pay for GS-15. If the average annual earnings cannot be determined reasonably and fairly in the manner otherwise provided by this section, the average annual earnings shall be determined at the reasonable value of the service performed but not in excess of \$3,600 a year.

(e) The value of subsistence and quarters, and of any other form of remuneration in kind for services if its value can be estimated in money, is included as part of the pay, but account is not taken of—

(1) overtime pay;

(2) additional pay or allowance authorized outside the United States because of differential in cost of living or other special circumstances; or

(3) bonus or premium pay for extraordinary service including bonus or pay for particularly hazardous service in time of war.

§ 8115. Determination of wage-earning capacity

(a) In determining compensation for partial disability, except permanent partial disability compensable under sections 8107-8109 of this title, the wage-earning capacity of an employee is determined by his actual earnings if his actual earnings fairly and reasonably represent his wage-earning capacity. If the actual earnings of the employee do not fairly and reasonably represent his wage-earning capacity or if the employee has no actual earnings, his wage-earning capacity as appears reasonable under the circumstances is determined with due regard to—

- (1) the nature of his injury;
- (2) the degree of physical impairment;
- (3) his usual employment;
- (4) his age;
- (5) his qualifications for other employment;
- (6) the availability of suitable employment; and
- (7) other factors or circumstances which may affect his wage-earning capacity in his disabled condition.

(b) Section 8114(d) of this title is applicable in determining the wage-earning capacity of an employee after the beginning of partial disability.

§ 8116. Limitations on right to receive compensation

(a) While an employee is receiving compensation under this subchapter, or if he has been paid a lump sum in commutation of installment payments until the expiration of the period during which the installment payments would have continued, he may not receive salary, pay, or remuneration of any type from the United States, except—

- (1) in return for service actually performed; and
- (2) pension for service in the Army, Navy, or Air Force.

However, eligibility for or receipt of benefits under subchapter III of chapter 83 of this title does not impair the right of the employee to compensation for scheduled disabilities specified by section 8107(c) of this title.

(b) An individual entitled to benefits under this subchapter because of his injury, or because of the death of an employee, who also is entitled to receive from the United States under a provision of statute other than this subchapter payments or benefits for that injury or death (except proceeds of an insurance policy), because of service by him (or in the case of death, by the deceased) as an employee or in the armed forces, shall elect which benefits he will receive. The individual shall make the election within 1 year after the injury or death or within a further time allowed for good cause by the Secretary of Labor. The election when made is irrevocable, except as otherwise provided by statute.

(c) The liability of the United States or an instrumentality thereof under this subchapter or any extension thereof with respect to the injury or death of an employee is exclusive and instead of all other liability of the United States or the instrumentality to the employee, his legal representative, spouse, dependents, next of kin, and any other person otherwise entitled to recover damages from the United States or the instrumentality because of the injury or death in a direct judicial proceeding, in a civil action, or in admiralty, or by an administrative or judicial proceeding under a workmen's compensation statute or under a Federal tort liability statute. However, this subsection does not apply to a master or a member of a crew of a vessel.

§ 8117. Time of accrual of right

An employee is not entitled to compensation for the first 3 days of temporary disability, except—

- (1) when the disability exceeds 21 days;
 - (2) when the disability is followed by permanent disability;
- or
- (3) as provided by sections 8103 and 8104 of this title.

§ 8118. Election to use annual or sick leave

An employee may use annual or sick leave to his credit at the time disability begins, but his compensation for disability does not begin, and the time periods specified by section 8117 of this title do not begin to run, until the use of the annual or sick leave ends.

§ 8119. Notice of injury; failure to give

(a) An employee injured in the performance of his duty, or someone on his behalf, shall give notice thereof. The notice shall—

- (1) be given within 48 hours after the injury;
- (2) be given to the immediate superior of the employee by personal delivery or by depositing it in the mail properly stamped and addressed;
- (3) be in writing;
- (4) state the name and address of the employee;
- (5) state the year, month, day, and hour when and the particular locality where the injury occurred;
- (6) state the cause and nature of the injury; and
- (7) be signed by and contain the address of the individual giving the notice.

(b) Compensation may be allowed only if the notice is given within 48 hours after the injury or if the immediate superior of the employee has actual knowledge of the injury. However, the Secretary of Labor may allow compensation if—

- (1) the notice is filed within 1 year after the injury and reasonable cause for the delay is shown; or
- (2) the requirement for 48 hours' notice is waived under section 8122 of this title.

§ 8120. Report of injury

Immediately after an injury to an employee which results in his death or probable disability, his immediate superior shall report to the Secretary of Labor. The Secretary may—

- (1) prescribe the information that the report shall contain;
- (2) require the immediate superior to make supplemental reports; and
- (3) obtain such additional reports and information from employees as are agreed on by the Secretary and the head of the employing agency.

§ 8121. Claim

Compensation under this subchapter may be allowed only if an individual or someone on his behalf makes claim therefor. The claim shall—

- (1) be made in writing within the time specified by section 8122 of this title;
- (2) be delivered to the office of the Secretary of Labor or to an individual whom the Secretary may designate by regulation, or deposited in the mail properly stamped and addressed to the Secretary or his designee;

- (3) be on a form furnished by the Secretary;
- (4) contain all information required by the Secretary;
- (5) be sworn to by the individual entitled to compensation or someone on his behalf; and
- (6) except in case of death, be accompanied by a certificate of the physician of the employee stating the nature of the injury and the nature and probable extent of the disability.

The Secretary may waive paragraphs (3)-(6) of this section for reasonable cause shown.

§ 8122. Time for making claim

(a) An original claim for compensation—

- (1) for death shall be made within 1 year after the death; and
- (2) for disability shall be made within 60 days after the injury.

However, the Secretary of Labor may allow an original claim for disability to be made within 1 year after the injury for reasonable cause shown.

(b) In a case of latent disability due to radiation or other cause, the time for filing claim does not begin to run until the employee has a compensable disability and is aware, or by the exercise of reasonable diligence should have been aware, of the causal relationship of the compensable disability to his employment. In such a case, the time for giving notice of injury begins to run when the employee is aware, or by the exercise of reasonable diligence should have been aware, that his condition is causally related to his employment, whether or not there is a compensable disability.

(c) The Secretary may waive compliance with the requirements of this subchapter for giving notice of injury and for filing claim for compensation for disability or death if—

- (1) a claim is filed within 5 years after the injury or death; and
- (2) the Secretary finds—

(A) that the failure to comply was due to circumstances beyond the control of the individual claiming benefits; or

(B) that the individual claiming benefits has shown sufficient cause or reason in explanation of, and material prejudice to the interest of the United States has not resulted from, the failure.

§ 8123. Physical examinations

(a) An employee shall submit to examination by a medical officer of the United States, or by a physician designated or approved by the Secretary of Labor, after the injury and as frequently and at the times and places as may be reasonably required. The employee may have a physician designated and paid by him present to participate in the examination. If there is disagreement between the physician making the examination for the United States and the physician of the employee, the Secretary shall appoint a third physician who shall make an examination.

(b) An employee is entitled to be paid expenses incident to an examination required by the Secretary which in the opinion of the Secretary are necessary and reasonable, including transportation and loss of wages incurred in order to be examined. The expenses, when authorized or approved by the Secretary, are paid from the Employees' Compensation Fund.

(c) The Secretary shall fix the fees for examinations held under this section by physicians not employed by or under contract to the United States to furnish medical services to employees. The fees, when authorized or approved by the Secretary, are paid from the Employees' Compensation Fund.

(d) If an employee refuses to submit to or obstructs an examination, his right to compensation under this subchapter is suspended until the refusal or obstruction stops. Compensation is not payable while a refusal or obstruction continues, and the period of the refusal or obstruction is deducted from the period for which compensation is payable to the employee.

§ 8124. Findings and award

The Secretary of Labor shall determine and make a finding of facts and make an award for or against payment of compensation under this subchapter after—

- (1) considering the claim presented by the beneficiary and the report furnished by the immediate superior; and
- (2) completing such investigation as he considers necessary.

§ 8125. Misbehavior at proceedings

If an individual—

- (1) disobeys or resists a lawful order or process in proceedings under this subchapter before the Secretary of Labor or his representative; or
- (2) misbehaves during a hearing or so near the place of hearing as to obstruct it;

the Secretary or his representative shall certify the facts to the district court having jurisdiction in the place where he is sitting. The court, in a summary manner, shall hear the evidence as to the acts complained of and if the evidence warrants, punish the individual in the same manner and to the same extent as for a contempt committed before the court, or commit the individual on the same conditions as if the forbidden act had occurred with reference to the process of or in the presence of the court.

§ 8126. Subpenas; oaths; examination of witnesses

The Secretary of Labor, on any matter within his jurisdiction under this subchapter, may—

- (1) issue subpenas for and compel the attendance of witnesses within a radius of 100 miles;
- (2) administer oaths;
- (3) examine witnesses; and
- (4) require the production of books, papers, documents, and other evidence.

§ 8127. Representation; attorneys' fees

(a) A claimant may authorize an individual to represent him in any proceeding under this subchapter before the Secretary of Labor.

(b) A claim for legal or other services furnished in respect to a case, claim, or award for compensation under this subchapter is valid only if approved by the Secretary.

§ 8128. Review of award

(a) The Secretary of Labor may review an award for or against payment of compensation at any time on his own motion or on application. The Secretary, in accordance with the facts found on review, may—

(1) end, decrease, or increase the compensation previously awarded; or

(2) award compensation previously refused or discontinued.

(b) The action of the Secretary or his designee in allowing or denying a payment under this subchapter is—

(1) final and conclusive for all purposes and with respect to all questions of law and fact; and

(2) not subject to review by another official of the United States or by a court by mandamus or otherwise.

Credit shall be allowed in the accounts of a certifying or disbursing official for payments in accordance with that action.

§ 8129. Recovery of overpayments

(a) When an overpayment has been made to an individual under this subchapter because of an error of fact or law, adjustment shall be made under regulations prescribed by the Secretary of Labor by decreasing later payments to which the individual is entitled. If the individual dies before the adjustment is completed, adjustment shall be made by decreasing later benefits payable under this subchapter with respect to the individual's death.

(b) Adjustment or recovery by the United States may not be made when incorrect payment has been made to an individual who is without fault and when adjustment or recovery would defeat the purpose of this subchapter or would be against equity and good conscience.

(c) A certifying or disbursing official is not liable for an amount certified or paid by him when—

(1) adjustment or recovery of the amount is waived under subsection (b) of this section; or

(2) adjustment under subsection (a) of this section is not completed before the death of all individuals against whose benefits deductions are authorized.

§ 8130. Assignment of claim

An assignment of a claim for compensation under this subchapter is void. Compensation and claims for compensation are exempt from claims of creditors.

§ 8131. Subrogation of the United States

(a) If an injury or death for which compensation is payable under this subchapter is caused under circumstances creating a legal liability on a person other than the United States to pay damages, the Secretary of Labor may require the beneficiary to—

(1) assign to the United States any right of action he may have to enforce the liability or any right he may have to share in money or other property received in satisfaction of that liability; or

(2) prosecute the action in his own name.

An employee required to appear as a party or witness in the prosecution of such an action is in an active duty status while so engaged.

(b) A beneficiary who refuses to assign or prosecute an action in his own name when required by the Secretary is not entitled to compensation under this subchapter.

(c) The Secretary may prosecute or compromise a cause of action assigned to the United States. When the Secretary realizes on the cause of action, he shall deduct therefrom and place to the credit of the Employees' Compensation Fund the amount of compensation already paid to the beneficiary and the expense of realization or collection. Any surplus shall be paid to the beneficiary and credited on future payments of compensation payable for the same injury.

(d) If an injury or death for which compensation is payable under this subchapter is caused under circumstances creating a legal liability in the Panama Canal Company to pay damages under the law of a State, a territory or possession of the United States, the District of Columbia, or a foreign country, compensation is not payable until the individual entitled to compensation—

(1) releases to the Panama Canal Company any right of action he may have to enforce the liability of the Panama Canal Company; or

(2) assigns to the United States any right he may have to share in money or other property received in satisfaction of the liability of the Panama Canal Company.

§ 8132. Adjustment after recovery from a third person

If an injury or death for which compensation is payable under this subchapter is caused under circumstances creating a legal liability in a person other than the United States to pay damages, and a beneficiary entitled to compensation from the United States for that injury or death receives money or other property in satisfaction of that liability as a result of suit or settlement by him or in his behalf, the beneficiary, after deducting therefrom the costs of suit and a reasonable attorney's fee, shall refund to the United States the amount of compensation paid by the United States and credit any surplus on future payments of compensation payable to him for the same injury. The amount refunded to the United States shall be credited to the Employees' Compensation Fund. If compensation has not been paid to the beneficiary, he shall credit the money or property on compensation payable to him by the United States for the same injury.

§ 8133. Compensation in case of death

(a) If death results from an injury sustained in the performance of duty, the United States shall pay a monthly compensation equal to a percentage of the monthly pay of the deceased employee in accordance with the following schedule:

(1) To the widow or widower, if there is no child, 45 percent.

(2) To the widow or widower, if there is a child, 40 percent and in addition 15 percent for each child not to exceed a total of 75 percent for the widow or widower and children.

(3) To the children, if there is no widow or widower, 35 percent for one child and 15 percent additional for each additional child not to exceed a total of 75 percent, divided among the children share and share alike.

(4) To the parents, if there is no widow, widower, or child, as follows—

(A) 25 percent if one parent was wholly dependent on the employee at the time of death and the other was not dependent to any extent;

(B) 20 percent to each if both were wholly dependent; or

(C) a proportionate amount in the discretion of the Secretary of Labor if one or both were partly dependent.

If there is a widow, widower, or child, so much of the percentages are payable as, when added to the total percentages payable to the widow, widower, and children, will not exceed a total of 75 percent.

(5) To the brothers, sisters, grandparents, and grandchildren, if there is no widow, widower, child, or dependent parent, as follows—

(A) 20 percent if one was wholly dependent on the employee at the time of death;

(B) 30 percent if more than one was wholly dependent, divided among the dependents share and share alike; or

(C) 10 percent if no one is wholly dependent but one or more is partly dependent, divided among the dependents share and share alike.

If there is a widow, widower, child, or dependent parent, so much of the percentages are payable as, when added to the total percentages payable to the widow, widower, children, and dependent parents, will not exceed a total of 75 percent.

(b) The compensation payable under subsection (a) of this section is paid from the time of death until—

(1) a widow dies or remarries;

(2) a widower dies or remarries or becomes capable of self-support;

(3) a child, a brother, a sister, or a grandchild dies or marries or becomes 18 years of age, or if over age 18 and incapable of self-support becomes capable of self-support; or

(4) a parent or grandparent dies or marries or ceases to be dependent.

(c) On the cessation of compensation under this section to or on account of an individual, the compensation of the remaining individuals entitled to compensation for the unexpired part of the period during which their compensation is payable, is that which they would have received if they had been the only individuals entitled to compensation at the time of the death of the employee.

(d) When there are two or more classes of individuals entitled to compensation under this section and the apportionment of compensation under this section would result in injustice, the Secretary may modify the apportionment to meet the requirements of the case.

(e) The monthly pay for computing compensation under this section is deemed at least \$240, but the total monthly compensation may not exceed the monthly pay computed under section 8114 of this title or \$525, whichever is less.

§ 8134. Funeral expenses; transportation of body

(a) If death results from an injury sustained in the performance of duty, the United States shall pay, to the personal representative of the deceased or otherwise, funeral and burial expenses not to exceed \$800, in the discretion of the Secretary of Labor.

(b) The body of an employee whose home is in the United States, in the discretion of the Secretary, may be embalmed and transported in a hermetically sealed casket to his home or last place of residence at the expense of the Employees' Compensation Fund if—

(1) the employee dies from—

(A) the injury while away from his home or official station or outside the United States; or

(B) from other causes while away from his home or official station for the purpose of receiving medical or other services, appliances, supplies, or examination under this subchapter; and

(2) the relatives of the employee request the return of his body.

If the relatives do not request the return of the body of the employee, the Secretary may provide for its disposition and incur and pay from the Employees' Compensation Fund the necessary and reasonable transportation, funeral, and burial expenses.

§ 8135. Lump-sum payment

The liability of the United States for compensation to a beneficiary in the case of death or of permanent total or permanent partial disability may be discharged by a lump-sum payment equal to the present

value of all future payments of compensation computed at 4 percent true discount compounded annually if—

(1) the monthly payment to the beneficiary is less than \$5 a month;

(2) the beneficiary is or is about to become a nonresident of the United States; or

(3) the Secretary of Labor determines that it is for the best interest of the beneficiary.

The probability of the death of the beneficiary before the expiration of the period during which he is entitled to compensation shall be determined according to the American Experience Table of Mortality, but the lump-sum payment to a widow or widower of the deceased employee may not exceed 60 months' compensation. The probability of the happening of any other contingency affecting the amount or duration of compensation shall be disregarded.

§ 8136. Initial payments outside the United States

If an employee is injured outside the continental United States, the Secretary of Labor may arrange and provide for initial payment of compensation and initial furnishing of other benefits under this subchapter by an employee or agent of the United States designated by the Secretary for that purpose in the locality in which the employee was employed or the injury occurred.

§ 8137. Compensation for noncitizens and nonresidents

(a) When the Secretary of Labor finds that the amount of compensation payable to an employee who is neither a citizen nor resident of the United States or Canada, or payable to a dependent of such an employee, is substantially disproportionate to compensation for disability or death payable in similar cases under local statute, regulation, custom, or otherwise at the place outside the continental United States or Canada where the employee is working at the time of injury, he may provide for payment of compensation on a basis reasonably in accord with prevailing local payments in similar cases by—

(1) the adoption or adaption of the substantive features, by a schedule or otherwise, of local workmen's compensation provisions or other local statute, regulation, or custom applicable in cases of personal injury or death; or

(2) establishing special schedules of compensation for injury, death, and loss of use of members and functions of the body for specific classes of employees, areas, and places.

Irrespective of the basis adopted, the Secretary may at any time—

(A) modify or limit the maximum monthly and total aggregate payments for injury, death, and medical or other benefits;

(B) modify or limit the percentages of the wage of the employee payable as compensation for the injury or death; and

(C) modify, limit, or redesignate the class or classes of beneficiaries entitled to death benefits, including the designation of persons, representatives, or groups entitled to payment under local statute or custom whether or not included in the classes of beneficiaries otherwise specified by this subchapter.

(b) In a case under this section, the Secretary or his designee may—

(1) make a lump-sum award in the manner prescribed by section 8135 of this title when he or his designee considers it to be for the best interest of the United States; and

(2) compromise and pay a claim for benefits, including a claim in which there is a dispute as to jurisdiction or other fact or a question of law.

Compensation paid under this subsection is instead of all other compensation from the United States for the same injury or death, and a payment made under this subsection is deemed compensation under this subchapter and is satisfaction of all liability of the United States in respect to the particular injury or death.

(c) The Secretary may delegate to an employee or agency of the United States, with such limitations and right of review as he considers advisable, authority to process, adjudicate, commute by lump-sum award, compromise, and pay a claim or class of claims for compensation, and to provide other benefits, locally, under this section, in accordance with such regulations and instructions as the Secretary considers necessary. For this purpose, the Secretary may provide or transfer funds, including reimbursement of amounts paid under this subchapter.

(d) The Secretary may waive the application of this subchapter in whole or in part and for such period or periods as he may fix if he finds that—

(1) conditions prevent the establishment of facilities for processing and adjudicating claims under this section; or

(2) claimants under this section are alien enemies.

(e) The Secretary may apply this section retrospectively with adjustment of compensation and benefits as he considers necessary and proper.

§ 8138. Minimum limit modification for noncitizens and aliens

(c) The Secretary of Labor or his designee may inform the Secretary of the Air Force or his designee when a claim is filed. The Secretary of the Air Force, on request of the Secretary of Labor, shall advise him of the facts concerning the injury and whether or not the member was rendering service, or engaged in travel to or from service, in performance or support of an operational mission of the Civil Air Patrol at the time of injury. § 8332. Creditable service

(a) The total service of an employee or Member is the full years and twelfth parts thereof, excluding from the aggregate the fractional part of a month, if any.

(b) The service of an employee shall be credited from the date of original employment to the date of separation on which title to annuity is based in the civilian service of the Government. Credit may not be allowed for a period of separation from the service in excess of 3 calendar days. The service includes—

(1) employment as a substitute in the postal field service;

(2) service in the Pan American Sanitary Bureau;

(3) subject to sections 8334(c) and 8339(h) of this title, service performed before July 10, 1960, as an employee of a county committee established under section 590h(b) of title 16 or of a committee or an association of producers described by section 610(b) of title 7;

(4) service as a student-employee as defined by section 5351 of this title only if he later becomes subject to this subchapter; and

(5) a period of satisfactory service of a volunteer or volunteer leader under chapter 34 of title 22 only if he later becomes subject to this subchapter.

The Civil Service Commission shall accept the certification of the Secretary of Agriculture or his designee concerning service for the purpose of this subchapter of the type performed by an employee named by paragraph (3) of this subsection. For the purpose of paragraph (5) of this subsection—

(A) a volunteer and a volunteer leader are deemed receiving pay during their service at the respective rates of readjustment allowances payable under sections 2504(c) and 2505(1) of title 22; and

(B) the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22 is the period between enrollment as a volunteer or volunteer leader and the termination of that service by the President or by death or resignation.

(c) Except as provided by subsection (d) of this section, an employee or Member shall be allowed credit for periods of military service before the date of the separation on which title to annuity is based. However, if an employee or Member is awarded retired pay on account of military service, his military service may not be credited unless the retired pay is awarded—

(1) on account of a service-connected disability—

(A) incurred in combat with an enemy of the United States; or

(B) caused by an instrumentality of war and incurred in line of duty during a period of war as defined by section 301 of title 38; or

(2) under chapter 67 of title 10.

(d) For the purpose of section 8339(c)(1) of this title, a Member—

(1) shall be allowed credit only for periods of military service not exceeding 5 years, plus military service performed by the Member on leaving his office, for the purpose of performing military service, during a war or national emergency proclaimed by the President or declared by Congress and before his final separation from service as Member; and

(2) may not receive credit for military service for which credit is allowed for purpose of retired pay under other statute.

(e) This subchapter does not affect the right of an employee or Member to retired pay, pension, or compensation in addition to an annuity payable under this subchapter.

(f) Credit shall be allowed for leaves of absence without pay granted an employee while performing military service or while receiving benefits under subchapter I of chapter 81 of this title. Except for a substitute in the postal field service, credit may not be allowed for so much of other leaves of absence without pay as exceeds 6 months in the aggregate in a calendar year.

(g) An employee who during the period of a war, or of a national emergency as proclaimed by the President or declared by Congress, leaves his position to enter the military service is deemed, for the purpose of this subchapter, as not separated from his civilian position because of that military service, unless he applies for and receives a lump-sum credit under this subchapter. However, the employee is deemed as not retaining his civilian position after December 31, 1956, or after the expiration of 5 years of that military service, whichever is later.

(h) An employee who—

(1) has at least 5 years' Member service; and

(2) serves as a Member at any time after August 2, 1946;

may not be allowed credit for service which is used in the computation of an annuity under section 8339(c) of this title.

(i) An individual who qualifies as an employee under section 8331(1)(E) of this title is entitled to credit for his service as a United States Commissioner, which is not credited for the purpose of this subchapter for service performed by him in a capacity other than Commissioner, on the basis of—

(1) 1/313 of a year for each day on which he performed service as a Commissioner before July 1, 1945; and

(2) 1/260 of a year for each day on which he performed service as a Commissioner after June 30, 1945.

Credit for service performed as Commissioner may not exceed 313 days in a year before July 1, 1945, or 260 days in a year after June 30, 1945. For the purpose of this subchapter, the employment and pay of a Commissioner is deemed on a daily basis when actually employed.

(j) Notwithstanding any other provision of this section, military service, except military service covered by military leave with pay from a civilian position, performed by an individual after December 1956, and the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22, shall be excluded in determining the aggregate period of service on which an annuity payable under this subchapter to the individual or to his widow or child is based, if the individual, widow, or child is entitled, or would on proper application be entitled, at the time of that determination, to monthly old-age or survivors benefits under section 402 of title 42 based on the individual's wages and self-employment income. If the military service or service as a volunteer or volunteer leader under chapter 34 of title 22 is not excluded by the preceding sentence, but on becoming 62 years of age, the individual or widow becomes entitled, or would on proper application be entitled, to the described benefits, the Civil Service Commission shall redetermine the aggregate period of service on which the annuity is based, effective as of the first day of the month in which he or she becomes 62 years of age, so as to exclude that service. The Secretary of Health, Education, and Welfare, on request of the Commission, shall inform the Commission whether or not the individual, widow, or child is entitled at any named time to the described benefits. For the purpose of this subsection, the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22 is the period between enrollment as a volunteer or volunteer leader and termination of that service by the President or by death or resignation.

§ 8333. Eligibility for annuity

(a) An employee must complete at least 5 years of civilian service before he is eligible for an annuity under this subchapter.

(b) An employee or Member must complete, within the last 2 years before any separation from service, except a separation because of death or disability, at least 1 year of creditable civilian service during which he is subject to this subchapter before he or his survivors are eligible for annuity under this subchapter based on the separation. If an employee or Member, except an employee or Member separated from the service because of death or disability, fails to meet the service requirement of the preceding sentence, the amounts deducted from his pay during the service for which no eligibility for annuity is established based on the separation shall be returned to him on the separation. Failure to meet this service requirement does not deprive the individual or his survivors of annuity rights which attached on a previous separation.

(c) A Member or his survivor is eligible for an annuity under this subchapter only if the amounts named by section 8334 of this title have been deducted or deposited with respect to his last 5 years of civilian service.

§ 8334. Deductions, contributions, and deposits

(a) The employing agency shall deduct and withhold 6½ percent of the basic pay of an employee and 7½ percent of the basic pay of

a Member, and an equal amount shall be contributed from the appropriation or fund used to pay the employee or, in the case of an elected official, from an appropriation or fund available for payment of other salaries of the same office or establishment. When an employee in the legislative branch is paid by the Clerk of the House of Representatives, the Clerk may pay from the contingent fund of the House the contribution that otherwise would be contributed from the appropriation or fund used to pay the employee. The amounts so deducted and withheld, together with the amounts so contributed, shall be deposited in the Treasury of the United States to the credit of the Fund under such procedures as the Comptroller General of the United States may prescribe. Deposits made by an employee or Member under this section also shall be credited to the Fund.

(b) Each employee or Member is deemed to consent and agree to these deductions from basic pay. Notwithstanding any law or regulation affecting the pay of an employee or Member, payment less these deductions is a full and complete discharge and acquittance of all claims and demands for regular services during the period covered by the payment, except the right to the benefits to which the employee or Member is entitled under this subchapter.

(c) Each employee or Member credited with civilian service after July 31, 1920, for which retirement deductions or deposits have not been made, may deposit with interest an amount equal to the following percentages of his basic pay received for that service:

	Percentage of basic pay	Service period
Employee-----	2½-----	August 1, 1920, to June 30, 1926.
	3½-----	July 1, 1926, to June 30, 1942.
	5-----	July 1, 1942, to June 30, 1948.
	6-----	July 1, 1948, to October 31, 1956.
	6½-----	After October 31, 1956.
	2½-----	August 1, 1920, to June 30, 1926.
Member for Member service.	3½-----	July 1, 1926, to June 30, 1942.
	5-----	July 1, 1942, to August 1, 1946.
	6-----	August 2, 1946, to October 31, 1956.
	7½-----	After October 31, 1956.

(d) Each employee or Member who has received a refund of retirement deductions under this or any other retirement system established for employees of the Government covering service for which he may be allowed credit under this subchapter may deposit the amount received, with interest. Credit may not be allowed for the service covered by the refund until the deposit is made.

(e) Interest under subsection (c) or (d) of this section is computed from the mid-point of each service period included in the computation, or from the date refund was paid, to the date of deposit or commencing date of annuity, whichever is earlier. The interest is computed at the rate of 4 percent a year to December 31, 1947, and 3 percent a year thereafter compounded annually. The deposit may be made in one or more installments. Interest may not be charged for a period of separation from the service which began before October 1, 1956.

(f) Under such regulations as the Civil Service Commission may prescribe, amounts deducted under subsection (a) of this section and deposited under subsections (c) and (d) of this section shall be entered on individual retirement records.

(g) Deposit may not be required for—

- (1) service before August 1, 1920;
- (2) military service; or
- (3) service for the Panama Railroad Company before January 1, 1924.

(h) For the purpose of survivor annuity, deposits authorized by subsections (c) and (d) of this section may also be made by the survivor of an employee or Member.

§ 8335. Mandatory separation

(a) Except as otherwise provided by this section, an employee who becomes 70 years of age and completes 15 years of service shall be automatically separated from the service. The separation is effective on the last day of the month in which the employee becomes 70 years of age or completes 15 years of service if then over that age, and pay ends from that day.

(b) The employing office shall notify each employee under its direction of the date of his separation from the service at least 60 days in advance thereof, and subsection (a) of this section does not take effect without the consent of the employee until 60 days after he is so notified.

(c) The President, by Executive order, may exempt an employee from automatic separation under this section when in his judgment the public interest so requires.

(d) The automatic separation provisions of this section do not apply to—

(1) an individual named by a statute providing for the continuance of the individual in the service;

(2) a Member;

(3) a Congressional employee; or

(4) an employee in the judicial branch appointed to hold office for a definite term of years.

(e) This section applies to an employee of The Alaska Railroad in Alaska, and to an employee who is a citizen of the United States employed on the Isthmus of Panama by the Panama Canal Company or the Canal Zone Government, who becomes 62 years of age and completes 15 years of service in Alaska or on the Isthmus of Panama.

§ 8336. Immediate retirement

(a) An employee who is separated from the service after becoming 60 years of age and completing 30 years of service is entitled to an annuity.

(b) An employee who is separated from the service after becoming 55 years of age (but before becoming 60 years of age) and completing 30 years of service is entitled to a reduced annuity.

(c) An employee, the duties of whose position are primarily the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position, who is separated from the service after becoming 50 years of age and completing 20 years of service in the performance of these duties is entitled to an annuity if the head of his agency recommends his retirement and the Civil Service Commission approves that recommendation. The head of the agency and the Commission shall consider fully the degree of hazard to which the employee is subjected in the performance of his duties, instead of the general duties of the class of the position held by the employee. For the purpose of this subsection, "detention" includes the duties of—

(1) employees of the Bureau of Prisons and Federal Prison Industries, Incorporated;

(2) employees of the Public Health Service assigned to the field service of the Bureau of Prisons or of the Federal Prison Industries, Incorporated;

(3) employees in the field service at Army or Navy disciplinary barracks or at confinement and rehabilitation facilities operated by any of the armed forces; and

(4) employees of the Department of Corrections of the District of Columbia, its industries and utilities;

whose duties in connection with individuals in detention suspected or convicted of offenses against the criminal laws of the United States or of the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (chapter 47 of title 10) require frequent (as determined by the appropriate administrative authority with the concurrence of the Commission) direct contact with these individuals in their detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation.

(d) An employee who is involuntarily separated from the service, except by removal for cause on charges of misconduct or delinquency, after completing 25 years of service or after becoming 50 years of age and completing 20 years of service is entitled to a reduced annuity.

(e) An employee who is separated from the service after becoming 62 years of age and completing 5 years of service is entitled to an annuity.

(f) A Member who is separated from the service after becoming 62 years of age and completing 5 years of civilian service or after becoming 60 years of age and completing 10 years of Member service is entitled to an annuity. A Member who is separated from the service after becoming 55 years of age (but before becoming 60 years of age) and completing 30 years of service is entitled to a reduced annuity. A Member who is separated from the service, except by resignation or expulsion, after completing 25 years of service or after becoming 50 years of age and (1) completing 20 years of service or (2) serving in 9 Congresses is entitled to a reduced annuity.

(g) An annuity or reduced annuity authorized by this section is computed under section 8339 of this title.

§ 8337. Disability retirement

(a) An employee who completes 5 years of civilian service and is found by the Civil Service Commission to have become disabled shall be retired on his own application or on application by his agency. A Member who completes 5 years of Member service and is found by the Commission to have become disabled shall be retired on his own application. An annuity authorized by this section is computed under section 8339 of this title.

(b) A claim may be allowed under this section only if the application is filed with the Commission before the employee or Member is separated from the service or within 1 year thereafter. This time limitation may be waived by the Commission for an employee or Member who at the date of separation from service or within 1 year thereafter is mentally incompetent, if the application is filed with the Commission within 1 year from the date of restoration of the employee or Member to competency or the appointment of a fiduciary, whichever is earlier.

(c) An annuitant receiving disability retirement annuity from the Fund shall be examined under the direction of the Commission—

(1) at the end of 1 year from the date of the disability retirement; and

(2) annually thereafter until he becomes 60 years of age; unless his disability is permanent in character. If the annuitant fails to submit to examination as required by this section, payment of

the annuity shall be suspended until continuance of the disability is satisfactorily established.

(d) If an annuitant receiving disability retirement annuity from the Fund, before becoming 60 years of age, recovers from his disability, payment of the annuity terminates on reemployment by the Government or 1 year after the date of the medical examination showing the recovery, whichever is earlier. If an annuitant receiving disability retirement annuity from the Fund, before becoming 60 years of age, is restored to an earning capacity fairly comparable to the current rate of pay of the position occupied at the time of retirement, payment of the annuity terminates on reemployment by the Government or 1 year after the end of the calendar year in which earning capacity is so restored, whichever is earlier. Earning capacity is deemed restored if in each of 2 succeeding calendar years the income of the annuitant from wages or self-employment or both equals at least 80 percent of the current rate of pay of the position occupied immediately before retirement.

(e) If an annuitant whose annuity is terminated under subsection (d) of this section is not reemployed in a position within the purview of this subchapter, he is deemed, except for service credit, to have been involuntarily separated from the service for the purpose of this subchapter as of the date of termination of the disability annuity, and after that termination is entitled to annuity under the applicable provisions of this subchapter. If an annuitant whose annuity is heretofore or hereafter terminated because of an earning capacity provision of this subchapter or an earlier statute—

(1) is not reemployed in a position within the purview of this subchapter; and

(2) has not recovered from the disability for which he was retired;

his annuity shall be restored at the same rate effective the first of the year following any calendar year in which his income from wages or self-employment or both is less than 80 percent of the current rate of pay of the position occupied immediately before retirement. If an annuitant whose annuity is heretofore or hereafter terminated because of a medical finding that he has recovered from disability is not reemployed in a position within the purview of this subchapter, his annuity shall be restored at the same rate effective from the date of medical examination showing a recurrence of the disability. The second and third sentences of this subsection do not apply to an individual who has become 62 years of age and is receiving or is eligible to receive annuity under the first sentence of this subsection.

(f) An individual is not entitled to receive an annuity under this subchapter and compensation for injury or disability to himself under subchapter I of chapter 81 of this title covering the same period of time. This provision does not bar the right of a claimant to the greater benefit conferred by either subchapter for any part of the same period of time. Neither this provision nor any provision of subchapter I of chapter 81 of this title denies to an individual an annuity accruing to him under this subchapter on account of service performed by him, or denies any concurrent benefit to him under subchapter I of chapter 81 of this title on account of the death of another individual.

(g) The right of an individual entitled to an annuity under this subchapter is not affected because he has received a lump-sum payment for compensation under section 8135 of this title. However, if the annuity is payable on account of the same disability for which compensation under section 8135 of this title has been paid, so much of

the compensation as has been paid for a period extended beyond the date the annuity becomes effective, as determined by the Department of Labor, shall be refunded to that Department to be covered into the Employees' Compensation Fund. Before the individual may receive the annuity he shall—

(1) refund to the Department of Labor the amount representing the commuted compensation payments for the extended period; or

(2) authorize the deduction of that amount from the annuity payable to him under this subchapter, which amount shall be transmitted to the Department of Labor for reimbursement to the Employees' Compensation Fund.

Deductions from the annuity may be made from accrued and accruing payments. When the Department of Labor finds that the financial circumstances of the annuitant warrant deferred refunding, deductions from the annuity may be prorated against and paid from accruing payments in such manner as that Department determines.

§ 8338. Deferred retirement

(a) An employee who is separated from the service or transferred to a position not within the purview of this subchapter after completing 5 years of civilian service is entitled to an annuity beginning at the age of 62 years.

(b) A Member who, after December 31, 1955, is separated from the service as a Member after completing 5 years of civilian service is entitled to an annuity beginning at the age of 62 years. A Member who is separated from the service after completing 10 or more years of Member service is entitled to an annuity beginning at the age of 60 years. A Member who is separated from the service after completing 20 or more years of service, including 10 or more years of Member service, is entitled to a reduced annuity beginning at the age of 50 years.

(c) An annuity or reduced annuity authorized by this section is computed under section 8339 of this title.

§ 8339. Computation of annuity

(a) Except as otherwise provided by this section, the annuity of an employee retiring under this subchapter is—

(1) $1\frac{1}{2}$ percent of his average pay multiplied by so much of his total service as does not exceed 5 years; plus

(2) $1\frac{3}{4}$ percent of his average pay multiplied by so much of his total service as exceeds 5 years but does not exceed 10 years; plus

(3) 2 percent of his average pay multiplied by so much of his total service as exceeds 10 years.

However, when it results in a larger annuity, 1 percent of his average pay plus \$25 is substituted for the percentage specified by paragraph (1), (2), or (3) of this subsection, or any combination thereof.

(b) The annuity of a Congressional employee, or former Congressional employee, retiring under this subchapter is computed under subsection (a) of this section, except, if he has had—

(1) at least 5 years' service as a Congressional employee or Member or any combination thereof; and

(2) deductions withheld from his pay or has made deposit covering his last 5 years of civilian service;

his annuity is computed, with respect to so much of his service as a Congressional employee and his military service as does not exceed a

total of 15 years and any Member service, by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that service.

(c) The annuity of a Member, or former Member with title to Member annuity, retiring under this subchapter is computed under subsection (a) of this section, except, if he has had at least 5 years' service as a Member or Congressional employee or any combination thereof, his annuity is computed with respect to—

(1) his service as a Member and so much of his military service as is creditable for the purpose of this paragraph; and

(2) so much of his Congressional employee service as does not exceed 15 years;

by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that service.

(d) The annuity of an employee retiring under section 8336(c) of this title is 2 percent of his average pay multiplied by his total service.

(e) The annuity computed under subsections (a)–(d) of this section may not exceed 80 percent of—

(1) the average pay of the employee; or

(2) the final basic pay of the Member.

(f) The annuity of an employee or Member retiring under section 8337 of this title is at least the smaller of—

(1) 40 percent of his average pay; or

(2) the sum obtained under subsections (a)–(c) of this section after increasing his service of the type last performed by the period elapsing between the date of separation and the date he becomes 60 years of age.

However, this subsection does not increase the annuity of a survivor.

(g) The annuity computed under subsections (a)–(c) and (e) of this section for an employee retiring under section 8336 (b) or (d) of this title, or a Member retiring under the second or third sentence of section 8336(f) of this title or the third sentence of section 8338(b) of this title, is reduced by $\frac{1}{12}$ of 1 percent for each full month not in excess of 60 months, and $\frac{1}{6}$ of 1 percent for each full month in excess of 60 months, the employee or Member is under 60 years of age at the date of separation.

(h) The annuity computed under subsections (a)–(g) of this section is reduced by 10 percent of a deposit described by section 8334 (c) of this title remaining unpaid, unless the employee or Member elects to eliminate the service involved for the purpose of annuity computation.

(i) The annuity computed under subsections (a)–(h) of this section (excluding any increase because of retirement under section 8337 of this title) for a married employee or Member retiring under this subchapter, or any portion of that annuity designated in writing for the purpose of section 8341(b) of this title by the employee or Member at the time of retirement, is reduced by $2\frac{1}{2}$ percent of so much thereof as does not exceed \$3,600 and by 10 percent of so much thereof as exceeds \$3,600, unless the employee or Member notifies the Civil Service Commission in writing at the time of retirement that he does not desire his spouse to receive an annuity under section 8341(b) of this title.

(j) At the time of retiring under section 8336 or 8338 of this title, an unmarried employee or Member who is found to be in good health by the Commission may elect a reduced annuity instead of an annuity computed under subsections (a)–(h) of this section and name in writing an individual having an insurable interest in the employee or Member to receive an annuity under section 8341(c) of this title after

the death of the retired employee or Member. The annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual named is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent.

(k) The annuity computed under subsections (a)-(j) of this section for an employee who is a citizen of the United States is increased by \$36 for each year of service in the employ of—

(1) the Alaska Engineering Commission, or The Alaska Railroad, in Alaska between March 12, 1914, and July 1, 1923; or

(2) the Isthmian Canal Commission, or the Panama Railroad Company, on the Isthmus of Panama between May 4, 1904, and April 1, 1914.

§ 8340. Cost-of-living adjustment of annuities

(a) After January 1 of each year the Civil Service Commission shall determine the percent change in the price index from the later of 1962 or the year preceding the most recent cost-of-living adjustment to the latest complete year. On the basis of this determination, and effective April 1 of any year after the price index change equals a rise of at least 3 percent, each annuity payable from the Fund which has a commencing date earlier than January 2 of the preceding year shall be increased by the percent rise in the price index adjusted to the nearest $\frac{1}{10}$ of 1 percent.

(b) Eligibility for an annuity increase under this section is governed by the commencing date of each annuity payable from the Fund as of the effective date of an increase, except as follows:

(1) Effective from the date of the first increase under this section, an annuity payable from the Fund to an annuitant's survivor (except a child entitled under section 8341(e) of this title), which annuity commenced the day after the death of the annuitant, shall be increased as provided by subsection (a) of this section if the commencing date of annuity to the annuitant was earlier than January 2 of the year preceding the first increase.

(2) Effective from its commencing date, an annuity payable from the Fund to an annuitant's survivor (except a child entitled under section 8341(e) of this title), which annuity commences the day after the death of the annuitant and after the effective date of the first increase under this section, shall be increased by the total percent increase the annuitant was receiving under this section at death.

(3) For the purpose of computing an annuity which commences after the effective date of the first increase under this section to a child under section 8341(e) of this title, the items \$600, \$720, \$1,800, and \$2,160 appearing in section 8341(e) of this title shall be increased by the total percent increase allowed and in force under this section, and, in case of a deceased annuitant, the items 40 percent and 50 percent appearing in section 8341(e) of this title shall be increased by the total percent increase allowed and in force under this section to the annuitant at death. Effective from the date of the first increase under this section, this paragraph applies as if the first increase were in effect with respect to computation of the annuity of a child under section 8341(e) of this title which commenced between January 2 of the year preceding the first increase and the effective date of the first increase.

(c) This section does not authorize an increase in an additional annuity purchased at retirement by voluntary contributions.

(d) The monthly installment of annuity after adjustment under this section is fixed at the nearest dollar.

§ 8341. Survivor annuities

(a) For the purpose of this section—

(1) “widow” means the surviving wife of an employee or Member who—

(A) was married to him for at least 2 years immediately before his death; or

(B) is the mother of issue by that marriage;

(2) “widower” means the surviving husband of an employee or Member who—

(A) was married to her for at least 2 years immediately before her death; or

(B) is the father of issue by that marriage;

(3) “dependent widower” means a widower who—

(A) is incapable of self-support because of mental or physical disability; and

(B) received more than half his support from the employee or Member; and

(4) “child” means—

(A) an unmarried child under 18 years of age, including (i) an adopted child, and (ii) a stepchild or recognized natural child who received more than half his support from and lived with the employee or Member in a regular parent-child relationship;

(B) such unmarried child regardless of age who is incapable of self-support because of mental or physical disability incurred before age 18; or

(C) such unmarried child between 18 and 21 years of age who is a student regularly pursuing a full-time course of study or training in residence in a high school, trade school, technical or vocational institute, junior college, college, university, or comparable recognized educational institution.

For the purpose of this paragraph and subsection (e) of this section, a child whose 21st birthday occurs before July 1 or after August 31 of a calendar year, and while he is regularly pursuing such a course of study or training, is deemed to have become 21 years of age on the first day of July after that birthday. A child who is a student is deemed not to have ceased to be a student during an interim between school years if the interim is not more than 4 months and if he shows to the satisfaction of the Civil Service Commission that he has a bona fide intention of continuing to pursue a course of study or training in the same or different school during the school semester (or other period into which the school year is divided) immediately after the interim.

(b) If an employee or Member dies after having retired under this subchapter and is survived by a spouse to whom he was married at the time of retirement, the spouse is entitled to an annuity equal to 55 percent of an annuity computed under section 8339(a)–(h) of this title as may apply with respect to the annuitant, or of such portion thereof as may have been designated for this purpose under section 8339(i) of this title, unless the employee or Member has notified the Commission in writing at the time of retirement that he does not

desire his spouse to receive this annuity. The annuity of the spouse commences on the day after the retired employee or Member dies. This annuity and the right thereto terminate on the last day of the month before the spouse dies or remarries.

(c) The annuity of a survivor named under section 8339(j) of this title is 55 percent of the reduced annuity of the retired employee or Member. The annuity of the survivor commences on the day after the retired employee or Member dies. This annuity and the right thereto terminate on the last day of the month before the survivor dies.

(d) If an employee or Member dies after completing at least 5 years of civilian service, the widow or dependent widower of the employee or Member is entitled to an annuity equal to 55 percent of an annuity computed under section 8339(a)-(e) and (h) of this title as may apply with respect to the employee or Member. The annuity of the widow or dependent widower commences on the day after the employee or Member dies. This annuity and the right thereto terminate on the last day of the month before—

(1) the widow or dependent widower dies or remarries; or

(2) the dependent widower becomes capable of self-support.

(e) (1) If an employee or Member dies after completing at least 5 years of civilian service, or an employee or Member dies after retiring under this subchapter, and is survived by a spouse, each surviving child who received more than half of his support from the employee or Member is entitled to an annuity equal to the smallest of—

(A) 40 percent of the average pay of the employee or Member divided by the number of children;

(B) \$600; or

(C) \$1,800 divided by the number of children.

If the employee or Member is not survived by a spouse, each surviving child is entitled to an annuity equal to the smallest of—

(i) 50 percent of the average pay of the employee or Member divided by the number of children;

(ii) \$720; or

(iii) \$2,160 divided by the number of children.

(2) The annuity of the child commences on the day after the employee or Member dies. This annuity granted under this subchapter or under the Act of May 29, 1930, as amended from and after February 28, 1948, and the right thereto terminate on the last day of the month before the child—

(A) becomes 18 years of age unless incapable of self-support;

(B) becomes capable of self-support after age 18; or

(C) dies or marries.

However, the annuity of a child who is a student as described by subsection (a) (4) of this section terminates on the last day of the month before he—

(i) ceases to be such a student;

(ii) becomes 21 years of age; or

(iii) dies or marries.

On the death of the surviving spouse or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the spouse or child had not survived the employee or Member.

(f) If a Member heretofore or hereafter separated from the service with title to deferred annuity from the Fund hereafter dies before having established a valid claim for annuity and is survived by a

spouse to whom married at the date of separation, the surviving spouse—

(1) is entitled to an annuity equal to 55 percent of the deferred annuity of the Member commencing on the day after the Member dies and terminating on the last day of the month before the surviving spouse dies or remarries; or

(2) may elect to receive the lump-sum credit instead of annuity if the spouse is the individual who would be entitled to the lump-sum credit and files application therefor with the Commission before the award of the annuity.

§ 8342. Lump-sum benefits; designation of beneficiary; order of precedence

(a) An employee or Member who is separated from the service, or is transferred to a position not within the purview of this subchapter, is entitled to be paid the lump-sum credit if his separation or transfer occurs and application for payment is filed with the Civil Service Commission at least 31 days before the earliest commencing date of any annuity for which he is eligible. The receipt of payment of the lump-sum credit by the individual voids all annuity rights under this subchapter, until he is reemployed in the service subject to this subchapter. This subsection also applies to an employee or Member separated before October 1, 1956, after completing at least 20 years of civilian service.

(b) Under regulations prescribed by the Commission, a present or former employee or Member may designate a beneficiary or beneficiaries for the purpose of this subchapter.

(c) Lump-sum benefits authorized by subsections (d)–(f) of this section shall be paid to the person or persons surviving the employee or Member and alive at the date title to the payment arises in the following order of precedence, and the payment bars recovery by any other person:

First, to the beneficiary or beneficiaries designated by the employee or Member in a writing received in the Commission before his death.

Second, if there is no designated beneficiary, to the widow or widower of the employee or Member.

Third, if none of the above, to the child or children of the employee or Member and descendants of deceased children by representation.

Fourth, if none of the above, to the parents of the employee or Member or the survivor of them.

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of the employee or Member.

Sixth, if none of the above, to such other next of kin of the employee or Member as the Commission determines to be entitled under the laws of the domicile of the employee or Member at the date of his death.

(d) If an employee or Member dies—

(1) without a survivor; or

(2) with a survivor or survivors and the right of all survivors terminates before a claim for survivor annuity is filed; or if a former employee or Member not retired dies, the lump-sum credit shall be paid.

(e) If all annuity rights under this subchapter based on the service of a deceased employee or Member terminate before the total annuity paid equals the lump-sum credit, the difference shall be paid.

(f) If an annuitant dies, annuity accrued and unpaid shall be paid.

(g) Annuity accrued and unpaid on the termination, except by death, of the annuity of an annuitant or survivor annuitant shall be paid to that individual. Annuity accrued and unpaid on the death of a survivor annuitant shall be paid in the following order of precedence, and the payment bars recovery by any other person:

First, to the duly appointed executor or administrator of the estate of the survivor annuitant.

Second, if there is no executor or administrator, payment may be made, after 30 days from the date of death of the survivor annuitant, to such next of kin of the survivor annuitant as the Commission determines to be entitled under the laws of the domicile of the survivor annuitant at the date of his death.

(h) Amounts deducted and withheld from the basic pay of an employee or Member from the first day of the first month which begins after he has performed sufficient service (excluding service which the employee or Member elects to eliminate for the purpose of annuity computation under section 8339 of this title) to entitle him to the maximum annuity provided by section 8339 of this title, together with interest on the amounts at the rate of 3 percent a year compounded annually from the date of the deductions to the date of retirement or death, shall be applied toward any deposit due under section 8334 of this title, and any balance not so required is deemed a voluntary contribution for the purpose of section 8343 of this title.

(i) An employee who—

(1) is separated from the service before July 12, 1960; and

(2) continues in the service after July 12, 1960, without break in service of 1 workday or more;

is entitled to the benefits of subsection (h) of this section.

§ 8343. Additional annuities; voluntary contributions

(a) Under regulations prescribed by the Civil Service Commission, an employee or Member may voluntarily contribute additional sums in multiples of \$25, but the total may not exceed 10 percent of his basic pay for creditable service after July 31, 1920. The voluntary contribution account in each case is the sum of unrefunded contributions, plus interest at 3 percent a year compounded annually to—

(1) the date of payment under subsection (d) of this section, separation, or transfer to a position not within the purview of this subchapter, whichever is earliest; or

(2) the commencing date fixed for a deferred annuity or date of death, whichever is earlier, in the case of an individual who is separated with title to deferred annuity and does not claim the voluntary contribution account.

(b) The voluntary contribution account is used to purchase at retirement an annuity in addition to the annuity otherwise provided. For each \$100 in the voluntary contribution account, the additional annuity consists of \$7, increased by 20 cents for each full year, if any, the employee or Member is over 55 years of age at the date of retirement.

(c) A retiring employee or Member may elect a reduced additional annuity instead of the additional annuity described by subsection (b) of this section and designate in writing an individual to receive after his death an annuity of 50 percent of his reduced additional annuity. The additional annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual designated is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent.

(d) A present or former employee or Member is entitled to be paid the voluntary contribution account if he files application for payment with the Commission before receiving an additional annuity. An individual who has been paid the voluntary contribution account may not again deposit additional sums under this section until, after a separation from the service of more than 3 calendar days, he again becomes subject to this subchapter.

(e) If a present or former employee or Member not retired dies, the voluntary contribution account is paid under section 8342(c) of this title. If all additional annuities or any right thereto based on the voluntary contribution account of a deceased employee or Member terminate before the total additional annuity paid equals the account, the difference is paid under section 8342(c) of this title.

§ 8344. Annuities and pay on reemployment

(a) If an annuitant receiving annuity from the Fund, except—

(1) a disability annuitant whose annuity is terminated because of his recovery or restoration of earning capacity;

(2) an annuitant whose annuity is based on an involuntary separation from the service other than an automatic separation; or

(3) a Member receiving annuity from the Fund; becomes employed after September 30, 1956, or on July 31, 1956 was serving, in an appointive or elective position, his service on and after the date he was or is so employed is covered by this subchapter. Deductions for the Fund may not be withheld from his pay. An amount equal to the annuity allocable to the period of actual employment shall be deducted from his pay. If the annuitant serves on a full-time basis, except as President, for at least 1 year in employment not excluding him from coverage under section 8331(1)(i) or (ii) of this title—

(A) his annuity on termination of employment is increased by an annuity computed under section 8339 (a), (b), (d), (g), and (h) of this title as may apply based on the period of employment and the basic pay, before deduction, averaged during that employment; and

(B) his lump-sum credit may not be reduced by annuity paid during that employment.

If the described employment of the annuitant continues for at least 5 years, he may elect, instead of the benefits provided by this subsection, to deposit in the Fund an amount computed under section 8334(c) of this title covering that employment and have his rights redetermined under this subchapter. A similar right to redetermination after deposit is applicable to an annuitant—

(i) whose annuity is based on an involuntary separation from the service; and

(ii) who is separated after October 3, 1961, following a period of employment on a full-time basis which began before October 1, 1956.

The employment of an annuitant under this subsection does not create an annuity for or affect the annuity of a survivor.

(b) If a Member receiving annuity from the Fund becomes employed in an appointive or elective position, annuity payments are discontinued during the employment and resumed in the same amount on termination of the employment, except that—

(1) the retired Member or Member separated with title to immediate or deferred annuity, who serves at any time after sep-

aration as a Member in an appointive position in which he is within the purview of this subchapter, is entitled, if he so elects, to have his Member annuity computed or recomputed as if the service had been performed before his separation as a Member and the annuity as so computed or recomputed is effective—

(A) the day Member annuity commences; or

(B) the day after the date of separation from the appointive position;
whichever is later;

(2) if the retired Member becomes employed after December 31, 1958, in an appointive position on an intermittent-service basis—

(A) his annuity continues during the employment and is not increased as a result of service performed during that employment;

(B) retirement deductions may not be withheld from his pay;

(C) an amount equal to the annuity allocable to the period of actual employment shall be deducted from his pay; and

(D) the amounts so deducted shall be deposited in the Treasury of the United States to the credit of the Fund;

(3) if the retired Member becomes employed after December 31, 1958, in an appointive position without pay on a full-time or substantially full-time basis, his annuity continues during the employment and is not increased as a result of service performed during the employment; and

(4) if the retired Member takes office as Member and gives notice as provided by section 8331(2) of this title, his service as Member during that period shall be credited in determining his right to and the amount of later annuity.

This subsection does not apply to a Member appointed by the President to a position not requiring confirmation by the Senate.

§ 8345. Payment of benefits; commencement, termination, and waiver of annuity

(a) Each annuity is stated as an annual amount, one-twelfth of which, fixed at the nearest dollar, constitutes the monthly rate payable on the first business day of the month after the month or other period for which it has accrued.

(b) Except as otherwise provided, the annuity of an employee or Member commences on the day after he is separated from the service, or on the day after his pay ceases and he meets the service and the age or disability requirements for title to annuity. An annuity payable from the Fund allowed after September 5, 1960, commences on the day after the occurrence of the event on which payment thereof is based.

(c) The annuity of a retired employee or Member terminates on the day death or other terminating event provided by this subchapter occurs. The annuity of a survivor terminates on the last day of the month before death or other terminating event occurs.

(d) An individual entitled to annuity from the Fund may decline to accept all or any part of the annuity by a waiver signed and filed with the Civil Service Commission. The waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

(e) Payment due a minor, or an individual mentally incompetent or under other legal disability, may be made to the person who is con-

stituted guardian or other fiduciary by the law of the State of residence of the claimant or is otherwise legally vested with the care of the claimant or his estate. If a guardian or other fiduciary of the individual under legal disability has not been appointed under the law of the State of residence of the claimant, payment may be made to any person who, in the judgment of the Commission, is responsible for the care of the claimant, and the payment bars recovery by any other person.

§ 8346. Exemption from legal process; recovery of payments

(a) The money mentioned by this subchapter is not assignable, either in law or equity, or subject to execution, levy, attachment, garnishment, or other legal process.

(b) Recovery of payments under this subchapter may not be made from an individual when, in the judgment of the Civil Service Commission, the individual is without fault and recovery would be against equity and good conscience. Withholding or recovery of money mentioned by this subchapter on account of a certification or payment made by a former employee of the United States in the discharge of his official duties may be made only if the head of the agency on behalf of which the certification or payment was made certifies to the Commission that the certification or payment involved fraud on the part of the former employee.

§ 8347. Administration; regulations

(a) The Civil Service Commission shall administer this subchapter. Except as otherwise specifically provided herein, the Commission shall perform, or cause to be performed, such acts and prescribe such regulations as are necessary and proper to carry out this subchapter.

(b) Applications under this subchapter shall be in such form as the Commission prescribes. Agencies shall support the applications by such certificates as the Commission considers necessary to the determination of the rights of applicants. The Commission shall adjudicate all claims under this subchapter.

(c) The Commission shall determine questions of disability and dependency arising under this subchapter. The decisions of the Commission concerning these matters are final and conclusive and are not subject to review. The Commission may direct at any time such medical or other examinations as it considers necessary to determine the facts concerning disability or dependency of an individual receiving or applying for annuity under this subchapter. The Commission may suspend or deny annuity for failure to submit to examination.

(d) An administrative action or order affecting the rights or interests of an individual or of the United States under this subchapter may be appealed to the Commission under procedures prescribed by the Commission.

(e) The Commission shall fix the fees for examinations made under this subchapter by physicians or surgeons who are not medical officers of the United States. The fees and reasonable traveling and other expenses incurred in connection with the examinations are paid from appropriations for the cost of administering this subchapter.

(f) The Commission shall select three actuaries, to be known as the Board of Actuaries of the Civil Service Retirement System. The Commission shall fix the pay of the members of the Board, except members otherwise in the employ of the United States. The Board shall report annually on the actuarial status of the System and furnish its advice and opinion on matters referred to it by the Commission. The Board may recommend to the Commission and to Congress

such changes as in the Board's judgment are necessary to protect the public interest and maintain the System on a sound financial basis. The Commission shall keep, or cause to be kept, such records as it considers necessary for making periodic actuarial valuations of the System. The Board shall make actuarial valuations every 5 years, or oftener if considered necessary by the Commission.

(g) The Commission may exclude from the operation of this subchapter an employee or group of employees in or under an Executive agency whose employment is temporary or intermittent.

(h) The Commission, on recommendation by the Commissioners of the District of Columbia, may exclude from the operation of this subchapter an individual or group of individuals employed by the government of the District of Columbia whose employment is temporary or intermittent.

(i) The Architect of the Capitol may exclude from the operation of this subchapter an employee under the Office of the Architect of the Capitol whose employment is temporary or of uncertain duration.

(j) The Librarian of Congress may exclude from the operation of this subchapter an employee under the Library of Congress whose employment is temporary or of uncertain duration.

(k) The Secretary of Agriculture shall prescribe regulations to effect the application and operation of this subchapter to an individual named by section 8331(1) (F) of this title.

§ 8348. Civil Service Retirement and Disability Fund

(a) There is a Civil Service Retirement and Disability Fund. The Fund is appropriated for the payment of benefits as provided by this subchapter.

(b) The Secretary of the Treasury may accept and credit to the Fund money received in the form of a donation, gift, legacy, or bequest, or otherwise contributed for the benefit of civil-service employees generally.

(c) The Secretary shall immediately invest in interest-bearing securities of the United States such currently available portions of the Fund as are not immediately required for payments from the Fund. The income derived from these investments constitutes a part of the Fund.

(d) The purposes for which obligations of the United States may be issued under the Second Liberty Bond Act, as amended, are extended to authorize the issuance at par of public-debt obligations for purchase by the Fund. The obligations issued for purchase by the Fund shall have maturities fixed with due regard for the needs of the Fund and bear interest at a rate equal to the average market yield computed as of the end of the calendar month next preceding the date of the issue, borne by all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of 4 years from the end of that calendar month. If the average market yield is not a multiple of $\frac{1}{8}$ of 1 percent, the rate of interest on the obligations shall be the multiple of $\frac{1}{8}$ of 1 percent nearest the average market yield.

(e) The Secretary may purchase other interest-bearing obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price only if he determines that the purchases are in the public interest.

(f) The Civil Service Commission shall submit estimates of the appropriations necessary to finance the Fund on a normal cost plus interest basis and to carry out this subchapter.

40 Stat. 288.
31 USC 774(2).

(g) Money now or hereafter contained in the Fund may not be used to pay an increase in annuity benefits or a new annuity benefit under this subchapter or an earlier statute which is authorized by amendment thereof until and unless an appropriation is made to the Fund in an amount which the Commission estimates to be sufficient to prevent an immediate increase in the unfunded accrued liability of the Fund.

SUBCHAPTER I—EMPLOYEES GENERALLY

§ 8501. Definitions

For the purpose of this subchapter—

(1) "Federal service" means service performed after 1952 in the employ of the United States or an instrumentality of the United States which is wholly or partially owned by the United States, but does not include service (except service to which subchapter II of this chapter applies) performed—

(A) by an elective official in the executive or legislative branch;

(B) as a member of the armed forces;

(C) by Foreign Service personnel for whom special separation allowances are provided under chapter 14 of title 22;

(D) outside the United States, the Commonwealth of Puerto Rico, and the Virgin Islands by an individual who is not a citizen of the United States;

(E) by an individual excluded by regulations of the Civil Service Commission from the operation of subchapter III of chapter 83 of this title because he is paid on a contract or fee basis;

(F) by an individual receiving nominal pay and allowances of \$12 or less a year;

(G) in a hospital, home, or other institution of the United States by a patient or inmate thereof;

(H) by a student-employee as defined by section 5351 of this title;

(I) by an individual serving on a temporary basis in case of fire, storm, earthquake, flood, or other similar emergency;

(J) by an individual employed under a Federal relief program to relieve him from unemployment;

(K) as a member of a State, county, or community committee under the Agricultural Stabilization and Conservation Service or of any other board, council, committee, or other similar body, unless the board, council, committee, or other body is composed exclusively of individuals otherwise in the full-time employ of the United States; or

(L) by an officer or a member of the crew on or in connection with an American vessel—

(i) owned by or bareboat chartered to the United States; and

(ii) whose business is conducted by a general agent of the Secretary of Commerce;

if contributions on account of the service are required to be made to an unemployment fund under a State unemployment compensation law under section 3305(g) of title 26;

(2) "Federal wages" means all pay and allowances, in cash and in kind, for Federal service;

(3) "Federal employee" means an individual who has performed Federal service;

(4) "compensation" means cash benefits payable to an individual with respect to his unemployment including any portion thereof payable with respect to dependents;

(5) "benefit year" means the benefit year as defined by the applicable State unemployment compensation law, and if not so defined the term means the period prescribed in the agreement under this subchapter with a State or, in the absence of such an agreement, the period prescribed by the Secretary of Labor;

(6) "State" means the several States, the District of Columbia, and the Commonwealth of Puerto Rico; and

(7) "United States", when used in a geographical sense, means the States.

§ 8502. Compensation under State agreement

(a) The Secretary of Labor, on behalf of the United States, may enter into an agreement with a State, or with an agency administering the unemployment compensation law of a State, under which the State agency shall—

(1) pay, as agent of the United States, compensation under this subchapter to Federal employees; and

(2) otherwise cooperate with the Secretary and with other State agencies in paying compensation under this subchapter.

(b) Except as provided by subsection (c) of this section, the agreement shall provide that compensation will be paid by the State to a Federal employee in the same amount, on the same terms, and subject to the same conditions as the compensation which would be payable to him under the unemployment compensation law of the State if his Federal service and Federal wages assigned under section 8504 of this title to the State had been included as employment and wages under that State law.

(c) In the case of the Commonwealth of Puerto Rico, the agreement shall provide that compensation will be paid by the Commonwealth to a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to the Commonwealth (but only in the case of weeks of unemployment beginning before January 1, 1966), in the same amount, on the same terms, and subject to the same conditions as the compensation which would be payable to him under the unemployment compensation law of the District of

Columbia if his Federal service and Federal wages had been included as employment and wages under that law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages. In applying this subsection, employment and wages under the unemployment compensation law of the Commonwealth may not be combined with Federal service or Federal wages.

(d) A determination by a State agency with respect to entitlement to compensation under an agreement is subject to review in the same manner and to the same extent as determinations under the State unemployment compensation law, and only in that manner and to that extent.

(e) Each agreement shall provide the terms and conditions on which it may be amended or terminated.

§ 8503. Compensation absent State agreement

(a) In the case of a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to a State which does not have an agreement with the Secretary of Labor, the Secretary, under regulations prescribed by him, shall, on the filing by the Federal employee of a claim for compensation under this subsection, pay compensation to him in the same amount, on the same terms, and subject to the same conditions as would be paid to him under the unemployment compensation law of the State if his Federal service and Federal wages had been included as employment and wages under that State law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages. For the purpose of this subsection, "State" does not include the Commonwealth of Puerto Rico in the case of weeks of unemployment beginning before January 1, 1966.

(b) In the case of a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to—

(1) the Virgin Islands; or

(2) the Commonwealth of Puerto Rico with respect to weeks of unemployment beginning before January 1, 1966;

the Secretary, under regulations prescribed by him and on the filing of a claim for compensation under this subsection by the Federal employee, shall pay the compensation to him in the same amounts, on the same terms, and subject to the same conditions as would be paid to him under the unemployment compensation law of the District of Columbia if his Federal service and Federal wages had been included as employment and wages under that law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages. In the case of weeks of unemployment beginning before January 1, 1966, this subsection applies with respect to the Commonwealth of Puerto Rico only if the Commonwealth does not have an agreement under this subchapter with the Secretary. In applying this subsection, employment and wages under the unemploy-

ment compensation law of the Commonwealth may not be combined with Federal service or Federal wages.

(c) A Federal employee whose claim for compensation under subsection (a) or (b) of this section is denied is entitled to a fair hearing under regulations prescribed by the Secretary. A final determination by the Secretary with respect to entitlement to compensation under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 405(g) of title 42.

(d) For the purpose of this section, the Secretary may—

(1) use the personnel and facilities of the agency in the Virgin Islands cooperating with the United States Employment Service under chapter 4B of title 29; and

(2) delegate to officials of that agency the authority granted to him by this section when he considers the delegation to be necessary in carrying out the purpose of this subchapter.

For the purpose of payments made to that agency under chapter 4B of title 29, the furnishing of the personnel and facilities is deemed a part of the administration of the public employment offices of that agency.

§ 8504. Assignment of Federal service and wages

Under regulations prescribed by the Secretary of Labor, the Federal service and Federal wages of a Federal employee shall be assigned to the State in which he had his last official station in Federal service before the filing of his first claim for compensation for the benefit year. However—

(1) if, at the time of filing his first claim, he resides in another State in which he performed, after the termination of his Federal service, service covered under the unemployment compensation law of the other State, his Federal service and Federal wages shall be assigned to the other State;

(2) if his last official station in Federal service, before filing his first claim, was outside the United States, his Federal service and Federal wages shall be assigned to the State where he resides at the time he files his first claim; and

(3) if his first claim is filed—

(A) before January 1, 1966, while he is residing in the Commonwealth of Puerto Rico; or

(B) while he is residing in the Virgin Islands;
his Federal service and Federal wages shall be assigned to the one in which he resides.

In the case of a first claim filed before January 1, 1966, "United States" in paragraph (2) of this section does not include the Commonwealth of Puerto Rico.

§ 8505. Payments to States

(a) Each State is entitled to be paid by the United States an amount equal to the additional cost to the State of payments of compensation in accordance with an agreement under this subchapter which would not have been made by the State but for the agreement.

(b) Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Secretary of Labor, the sum that the Secretary estimates the State is entitled to receive under this subchapter for each calendar month. The sum shall be reduced or increased by the amount which the Secretary finds that his estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Secretary and the State agency.

(c) The Secretary, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance with the certification from the funds for carrying out the purposes of this subchapter.

(d) Money paid a State under this subchapter may be used solely for the purposes for which it is paid. Money so paid which is not used for these purposes shall be returned, at the time specified by the agreement, to the Treasury of the United States and credited to current applicable appropriations, funds, or accounts from which payments to States under this subchapter may be made.

(e) An agreement may—

(1) require each State officer or employee who certifies payments or disburses funds under the agreement, or who otherwise participates in its performance, to give a surety bond to the United States in the amount the Secretary considers necessary; and

(2) provide for payment of the cost of the bond from funds for carrying out the purposes of this subchapter.

(f) In the absence of gross negligence or intent to defraud the United States, an individual designated by the Secretary, or designated under an agreement, as a certifying official is not liable for the payment of compensation certified by him under this subchapter.

(g) In the absence of gross negligence or intent to defraud the United States, a disbursing official is not liable for a payment by him under this subchapter if it was based on a voucher signed by a certifying official designated as provided by subsection (f) of this section.

(h) For the purpose of payments made to a State under subchapter III of chapter 7 of title 42, administration by a State agency under an agreement is deemed a part of the administration of the State unemployment compensation law.

§ 8506. Dissemination of information

(a) Each agency of the United States and each wholly or partially owned instrumentality of the United States shall make available to State agencies which have agreements under this subchapter, or to the Secretary of Labor, as the case may be, such information concerning the Federal service and Federal wages of a Federal employee as the Secretary considers practicable and necessary for the determination of the entitlement of the Federal employee to compensation under this subchapter. The information shall include the findings of the employing agency concerning—

(1) whether or not the Federal employee has performed Federal service;

(2) the periods of Federal service;

(3) the amount of Federal wages; and

(4) the reasons for termination of Federal service.

The employing agency shall make the findings in the form and manner prescribed by regulations of the Secretary. The regulations shall include provision for correction by the employing agency of errors and omissions. Findings made in accordance with the regulations are final and conclusive for the purpose of sections 8502(d) and 8503(c) of this title. This subsection does not apply with respect to Federal service and Federal wages covered by subchapter II of this chapter.

(b) The agency administering the unemployment compensation law of a State shall furnish the Secretary such information as he con-

siders necessary or appropriate in carrying out this subchapter. The information is deemed the report required by the Secretary for the purpose of section 503(a)(6) of title 42.

§ 8507. False statements and misrepresentations

(a) If a State agency, the Secretary of Labor, or a court of competent jurisdiction finds that an individual—

(1) knowingly has made, or caused to be made by another, a false statement or representation of a material fact, or knowingly has failed, or caused another to fail, to disclose a material fact; and

(2) as a result of that action has received an amount as compensation under this subchapter to which he was not entitled; the individual shall repay the amount to the State agency or the Secretary. Instead of requiring repayment under this subsection, the State agency or the Secretary may recover the amount by deductions from compensation payable to the individual under this subchapter during the 2-year period after the date of the finding. A finding by a State agency or the Secretary may be made only after an opportunity for a fair hearing, subject to such further review as may be appropriate under sections 8502(d) and 8503(c) of this title.

(b) An amount repaid under subsection (a) of this section shall be—

(1) deposited in the fund from which payment was made, if the repayment was to a State agency; or

(2) returned to the Treasury of the United States and credited to the current applicable appropriation, fund, or account from which payment was made, if the repayment was to the Secretary.

§ 8508. Regulations

The Secretary of Labor may prescribe rules and regulations necessary to carry out this subchapter and subchapter II of this chapter. The Secretary, insofar as practicable, shall consult with representatives of the State unemployment compensation agencies before prescribing rules or regulations which may affect the performance by the State agencies of functions under agreements under this subchapter.

SUBCHAPTER II—EX-SERVICEMEN

§ 8521. Definitions; application

(a) For the purpose of this subchapter—

(1) “Federal service” means active service, including active duty for training purposes, in the armed forces which either began after January 31, 1955, or terminated after October 27, 1958, if—

(A) that service was continuous for 90 days or more, or was terminated earlier because of an actual service-incurred injury or disability; and

(B) with respect to that service, the individual—

(i) was discharged or released under conditions other than dishonorable; and

(ii) was not given a bad conduct discharge, or, if an officer, did not resign for the good of the service; and

(2) “Federal wages” means all pay and allowances, in cash and in kind, for Federal service, computed on the basis of the pay and allowances for the pay grade of the individual at the time of his latest discharge or release from Federal service as specified in the schedule applicable at the time he files his first claim for compen-

sation for the benefit year. The Secretary of Labor shall issue, from time to time, after consultation with the Secretary of Defense, schedules specifying the pay and allowances for each pay grade of servicemen covered by this subchapter, which reflect representative amounts for appropriate elements of the pay and allowances whether in cash or in kind.

(b) The provisions of subchapter I of this chapter, subject to the modifications made by this subchapter, apply to individuals who have had Federal service as defined by subsection (a) of this section.

§ 8522. Assignment of Federal service and wages

Notwithstanding section 8504 of this title, Federal service and Federal wages not previously assigned shall be assigned to the State or to the Virgin Islands, as the case may be, in which the claimant first files claim for unemployment compensation after his latest discharge or release from Federal service. This assignment is deemed an assignment under section 8504 of this title for the purpose of this subchapter.

§ 8523. Dissemination of information

(a) When designated by the Secretary of Labor, an agency of the United States shall make available to the appropriate State agency or to the Secretary, as the case may be, such information, including findings in the form and manner prescribed by regulations of the Secretary, as the Secretary considers practicable and necessary for the determination of the entitlement of an individual to compensation under this subchapter.

(b) Subject to correction of errors and omissions as prescribed by regulations of the Secretary, the following are final and conclusive for the purpose of sections 8502(d) and 8503(c) of this title:

(1) Findings by an agency of the United States made in accordance with subsection (a) of this section with respect to—

(A) whether or not an individual has met any condition specified by section 8521(a)(1) of this title;

(B) the periods of Federal service; and

(C) the pay grade of the individual at the time of his latest discharge or release from Federal service.

(2) The schedules of pay and allowances prescribed by the Secretary under section 8521(a)(2) of this title.

§ 8524. Accrued leave

For the purpose of this subchapter, a payment for unused accrued leave under section 501(b) of title 37 at the termination of Federal service is deemed—

(1) to continue that Federal service during the period after the termination with respect to which the individual received the payment; and

(2) Federal wages, subject to regulations prescribed by the Secretary of Labor concerning allocation over the period after termination.

§ 8525. Effect on other statutes

(a) An individual eligible to receive a mustering-out payment under chapter 43 of title 38 is not entitled to compensation under this subchapter with respect to weeks of unemployment completed—

(1) within 30 days after his discharge or release if he receives \$100 in mustering-out payments;

(2) within 60 days after his discharge or release if he receives \$200 in mustering-out payments; or

(3) within 90 days after his discharge or release if he receives \$300 in mustering-out payments.

(b) An individual is not entitled to compensation under this subchapter for any period with respect to which he receives—

- (1) a subsistence allowance under chapter 31 of title 38 or under part VIII of Veterans Regulation Numbered 1(a); or
- (2) an educational assistance allowance under chapter 35 of title 38.

- (a) For the purpose of this chapter, "employee" means—
- (1) an employee as defined by section 2105 of this title;
 - (2) a Member of Congress as defined by section 2106 of this title;
 - (3) a Congressional employee as defined by section 2107 of this title;

 - (9) an individual appointed to a position on the office staff of a former President under section 1(b) of the Act of August 25, 1958 (72 Stat. 838);

but does not include—

3 USC 102 note.

(A) an employee of a corporation supervised by the Farm Credit Administration if private interests elect or appoint a member of the board of directors;

(B) a noncitizen employee whose permanent duty station is outside the United States; or

(C) an employee excluded by regulation of the Civil Service Commission under section 8716(b) of this title.

(b) Notwithstanding subsection (a) of this section, the employment of a teacher in the recess period between two school years in a position other than a teaching position in which he served immediately before the recess period does not qualify the individual as an employee for the purpose of this chapter. For the purpose of this subsection, "teacher" and "teaching position" have the meanings given them by section 901 of title 20.

§ 8706. Termination of insurance

(a) A policy purchased under this chapter shall contain a provision, approved by the Civil Service Commission, to the effect that insurance on an employee stops on his separation from the service or 12 months after discontinuance of his pay, whichever is earlier, subject to a provision for temporary extension of life insurance coverage and for conversion to an individual policy of life insurance under conditions approved by the Commission.

(b) If on the date the insurance would otherwise stop the employee retires on an immediate annuity and—

(1) his retirement is for disability; or

(2) he has completed 12 years of creditable service as determined by the Commission;

his life insurance only may be continued, without cost to him, under conditions determined by the Commission. Periods of honorable, active service in the armed forces shall be credited toward the required 12 years if the employee has completed at least 5 years of civilian service. The amount of life insurance continued under this subsection shall be reduced by 2 percent at the end of each full calendar month after the date the employee becomes 65 years of age or retires, whichever is later. The Commission may prescribe minimum amounts, not less than 25 percent of the amount of life insurance in force before the first reduction, to which the insurance may be reduced.

(c) If on the date the insurance would otherwise stop the employee is receiving benefits under subchapter I of chapter 81 of this title because of disease or injury to himself, his life insurance only may be continued, without cost to him, under conditions determined by the Commission while he is receiving the benefits and is held by the Department of Labor to be unable to return to duty.

(d) The insurance granted to an employee stops, except for a 31-day extension of life insurance coverage, on the day immediately before his entry on active duty or active duty for training unless the period of duty is covered by military leave with pay. The insurance does not stop during a period of inactive duty training. For the purpose of this subsection, the terms "active duty", "active duty for training", and "inactive duty training" have the meanings given them by section 101 of title 38.

§ 8707. Employee deductions; withholding

During each period in which an employee is insured under a policy of insurance purchased by the Civil Service Commission under section 8709 of this title, an amount determined by the Commission shall be withheld from the pay of the employee as his share of the cost of his group life and accidental death and dismemberment insurance. The amount may not exceed the rate of 25 cents biweekly for each \$1,000 of his group life insurance. The amount withheld from an employee paid on other than a biweekly basis is determined at a proportional rate adjusted to the nearest cent.

§ 8708. Government contributions

(a) For each period in which an employee is insured under a policy of insurance purchased by the Civil Service Commission under section 8709 of this title, a sum computed at a rate determined by the Commission shall be contributed from the appropriation or fund which is used to pay him. The sum may not exceed one-half the amount which is withheld from the pay of the employee under section 8707 of this title.

(b) When an employee is paid by the Clerk of the House of Representatives, the Clerk may contribute the sum required by subsection (a) of this section from the contingent fund of the House.

(c) When the employee is an elected official, the sum required by subsection (a) of this section is contributed from an appropriation or fund available for payment of other salaries of the same office or establishment.

§ 8709. Insurance policies

(a) The Civil Service Commission, without regard to section 5 of title 41, may purchase from one or more life insurance companies a policy or policies of group life and accidental death and dismemberment insurance to provide the benefits specified by this chapter. A company must meet the following requirements:

(1) It must be licensed to transact life and accidental death and dismemberment insurance under the laws of 48 of the States and the District of Columbia.

(2) It must have in effect, on the most recent December 31 for which information is available to the Commission, an amount of employee group life insurance equal to at least 1 percent of the total amount of employee group life insurance in the United States in all life insurance companies.

(b) A company issuing a policy under subsection (a) of this section shall establish an administrative office under a name approved by the Commission.

(c) The Commission at any time may discontinue a policy purchased from a company under subsection (a) of this section.

§ 8710. Reinsurance

(a) The Civil Service Commission shall arrange with a company issuing a policy under this chapter for the reinsurance, under conditions approved by the Commission, of portions of the total amount of insurance under the policy, determined under this section, with other life insurance companies which elect to participate in the reinsurance.

(b) The Commission shall determine for and in advance of a policy year which companies are eligible to participate as reinsurers and the amount of insurance under a policy which is to be allocated to the issuing company and to reinsurers. The Commission shall make this determination at least every 3 years and when a participating company withdraws.

(c) The Commission shall establish a formula under which the amount of insurance retained by an issuing company after ceding reinsurance, and the amount of reinsurance ceded to each reinsurer, is in proportion to the total amount of each company's group life insurance, excluding insurance purchased under this chapter, in force in the United States on the determination date, which is the most recent December 31 for which information is available to the Commission. In determining the proportions, the portion of a company's group life insurance in force on the determination date in excess of \$100,000,000 shall be reduced by—

- (1) 25 percent of the first \$100,000,000 of the excess;
- (2) 50 percent of the second \$100,000,000 of the excess;
- (3) 75 percent of the third \$100,000,000 of the excess; and
- (4) 95 percent of the remaining excess.

However, the amount retained by or ceded to a company may not exceed 25 percent of the amount of the company's total life insurance in force in the United States on the determination date.

(d) A fraternal benefit association which is—

(1) licensed to transact life insurance under the laws of a State or the District of Columbia; and

(2) engaged in issuing insurance certificates on the lives of employees of the United States exclusively;

is eligible to act as a reinsuring company and may be allocated an amount of reinsurance equal to 25 percent of its total life insurance in force on employees of the United States on the determination date named by subsection (c) of this section.

(e) An issuing company or reinsurer is entitled, as a minimum, to be allocated an amount of insurance under the policy equal to any reduction from December 31, 1953, to the determination date, in the amount of the company's group life insurance under policies issued to associations of employees of the United States. However, any increase under this subsection in the amount allocated is reduced by the amount in force on the determination date of any policy covering life insurance agreements assumed by the Commission.

(f) The Commission may modify the computations under this section as necessary to carry out the intent of this section.

§ 8711. Basic tables of premium rates

(a) A policy purchased under this chapter shall include, for the first policy year, basic tables of premium rates as follows:

(1) For group life insurance, a schedule of basic premium rates by age which the Civil Service Commission determines to be consistent with the lowest schedule of basic premium rates generally charged for new group life insurance policies issued to large employers.

(2) For group accidental death and dismemberment insurance, a basic premium rate which the Commission determines is consistent with the lowest rate generally charged for new group accidental death and dismemberment policies issued to large employers.

The schedule for group life insurance, except as otherwise provided by this section, shall be applied to the distribution by age of the amounts of group life insurance under the policy at its date of issuance to determine an average basic premium rate per \$1,000 of life insurance.

(b) The policy shall provide that the basic premium rates determined for the first policy year continue for later policy years except as readjusted for a later year based on experience under the policy. The company issuing the policy may make the readjustment on a basis that the Commission determines in advance of the policy year is consistent with the general practice of life insurance companies under policies of group life and group accidental death and dismemberment insurance issued to large employers.

(c) The policy shall provide that if the Commission determines that ascertaining the actual age distribution of the amounts of group life insurance in force at the date of issue of the policy or at the end of the first or any later year of insurance thereunder would not be possible except at a disproportionately high expense, the Commission may approve the determination of a tentative average group life premium rate, for the first or any later policy year, instead of using the actual age distribution. The Commission, on request by the company issuing the policy, shall redetermine the tentative average premium rate during any policy year, if experience indicates that the assumptions made in determining that rate were incorrect for that year.

(d) The policy shall stipulate the maximum expense and risk charges for the first policy year. The Commission shall determine these charges on a basis consistent with the general level of charges made by life insurance companies under policies of group life and accidental death and dismemberment insurance issued to large employers. The maximum charges continue from year to year, except that the Commission may redetermine them for any year either by agreement with the company issuing the policy or on written notice given to the company at least 1 year before the beginning of the year for which the redetermined maximum charges will be effective.

§ 8712. Annual accounting; special contingency reserve

A policy purchased under this chapter shall provide for an accounting to the Civil Service Commission not later than 90 days after the end of each policy year. The accounting shall set forth, in a form approved by the Commission—

(1) the amounts of premiums actually accrued under the policy from its date of issue to the end of the policy year;

(2) the total of all mortality and other claim charges incurred for that period; and

(3) the amounts of the insurers' expense and risk charges for that period.

An excess of the total of paragraph (1) of this section over the sum of paragraphs (2) and (3) of this section shall be held by the company issuing the policy as a special contingency reserve to be used by the company only for charges under the policy. The reserve shall bear interest at a rate determined in advance of each policy year by the company and approved by the Commission as being consistent with the rates generally used by the company for similar funds held under other group life insurance policies. When the Commission determines that the special contingency reserve has attained an amount estimated by it to make satisfactory provision for adverse fluctuations in future charges under the policy, any further excess shall be deposited in the Treasury of the United States to the credit of the Employees' Life Insurance Fund. When a policy is discontinued, any balance remaining in the special contingency reserve after all charges have been made shall be deposited in the Treasury to the credit of the Fund. The company may make the deposit in equal monthly installments over a period of not more than 2 years.

§ 8713. Advisors

(a) There is an Advisory Council on Group Insurance consisting of the Secretary of the Treasury as Chairman, the Secretary of Labor, and the Director of the Bureau of the Budget. The Council members serve without additional pay. The Council shall—

(1) meet once a year, or oftener as called by the Civil Service Commission;

(2) review the operations under this chapter; and

(3) advise the Commission on matters of policy relating to its activities thereunder.

(b) The Chairman of the Commission shall appoint a committee composed of five employees insured under this chapter, who serve without additional pay, to advise the Commission regarding matters of concern to employees under this chapter.

§ 8714. Employees' Life Insurance Fund

(a) The amounts withheld from employees under section 8707 of this title and the sums contributed from appropriations and funds

under section 8708 of this title shall be deposited in the Treasury of the United States to the credit of the Employees' Life Insurance Fund. The Fund is available without fiscal year limitation for—

(1) premium payments under an insurance policy purchased under this chapter; and

(2) expenses incurred by the Civil Service Commission in the administration of this chapter within the limitations that may be specified annually by appropriation acts.

(b) The Secretary of the Treasury may invest and reinvest any of the money in the Fund in interest-bearing obligations of the United States, and may sell these obligations for the purposes of the Fund. The interest on and the proceeds from the sale of these obligations, and the income derived from dividend or premium rate adjustments from insurers, become a part of the Fund.

§ 8715. Jurisdiction of courts

The district courts of the United States have original jurisdiction, concurrent with the Court of Claims, of a civil action or claim against the United States founded on this chapter.

§ 8716. Regulations

(a) The Civil Service Commission may prescribe regulations necessary to carry out the purposes of this chapter.

(b) The regulations of the Commission may prescribe the time at which and the conditions under which an employee is eligible for coverage under this chapter. The Commission, after consulting the head of the agency or other employing authority concerned, may exclude an employee on the basis of the nature and type of his employment or conditions pertaining to it, such as short-term appointment, seasonal, intermittent or part-time employment, and employment of like nature. The Commission may not exclude—

(1) an employee or group of employees solely on the basis of the hazardous nature of employment; or

(2) a teacher in the employ of the Board of Education of the District of Columbia, whose pay is fixed by section 1501 of title 31, District of Columbia Code, on the basis of the fact that the teacher is serving under a temporary appointment if the teacher has been so employed by the Board for a period or periods totaling not less than two school years.

(c) The Secretary of Agriculture shall prescribe regulations to effect the application and operation of this chapter to an individual named by section 8701(a)(8) of this title.

§ 8902. Contracting authority

(a) The Civil Service Commission may contract with qualified carriers offering plans described by section 8903 of this title, without regard to section 5 of title 41 or other statute requiring competitive bidding. Each contract shall be for a uniform term of at least 1 year, but may be made automatically renewable from term to term in the absence of notice of termination by either party.

(b) To be eligible as a carrier for the plan described by section 8903(2) of this title, a company must be licensed to issue group health insurance in all the States and the District of Columbia.

(c) A contract for a plan described by section 8903(1) or (2) of this title shall require the carrier—

(1) to reinsure with other companies which elect to participate, under an equitable formula based on the total amount of their group health insurance benefit payments in the United States during the latest year for which the information is available, to be determined by the carrier and approved by the Commission; or

(2) to allocate its rights and obligations under the contract among its affiliates which elect to participate, under an equitable formula to be determined by the carrier and the affiliates and approved by the Commission.

(d) Each contract under this chapter shall contain a detailed statement of benefits offered and shall include such maximums, limitations, exclusions, and other definitions of benefits as the Commission considers necessary or desirable.

(e) The Commission may prescribe reasonable minimum standards for health benefits plans described by section 8903 of this title and for carriers offering the plans. Approval of a plan may be withdrawn only after notice and opportunity for hearing to the carrier concerned without regard to subchapter II of chapter 5 and chapter 7 of this title. The Commission may terminate the contract of a carrier effective at the end of the contract term, if the Commission finds that at no time during the preceding two contract terms did the carrier have 300 or more employees and annuitants, exclusive of family members, enrolled in the plan.

(f) A contract may not be made or a plan approved which excludes an individual because of race, sex, health status, or, at the time of the first opportunity to enroll, because of age.

(g) A contract may not be made or a plan approved which does not offer to each employee or annuitant whose enrollment in the plan is ended, except by a cancellation of enrollment, a temporary extension of coverage during which he may exercise the option to convert, without evidence of good health, to a nongroup contract providing health benefits. An employee or annuitant who exercises this option shall pay the full periodic charges of the nongroup contract.

(h) The benefits and coverage made available under subsection (g) of this section are noncancelable by the carrier except for fraud, over-insurance, or nonpayment of periodic charges.

(i) Rates charged under health benefits plans described by section 8903 of this title shall reasonably and equitably reflect the cost of the benefits provided. Rates under health benefits plans described by section 8903 (1) and (2) of this title shall be determined on a basis which, in the judgment of the Commission, is consistent with the lowest schedule of basic rates generally charged for new group health benefit plans issued to large employers. The rates determined for the first contract term shall be continued for later contract terms, except that they may be readjusted for any later term, based on past experience and benefit adjustments under the later contract. Any readjustment in rates shall be made in advance of the contract term in which they will apply and on a basis which, in the judgment of the Commission, is consistent with the general practice of carriers which issue group health benefit plans to large employers.

§ 8903. Health benefits plans

The Civil Service Commission may contract for or approve the following health benefits plans:

(1) **SERVICE BENEFIT PLAN.**—One Government-wide plan, offering two levels of benefits, under which payment is made by a carrier under contracts with physicians, hospitals, or other providers of health services for benefits of the types described by section 8904(1) of this title given to employees or annuitants, or members of their families, or, under certain conditions, payment is made by a carrier to the employee or annuitant or member of his family.

(2) **INDEMNITY BENEFIT PLAN.**—One Government-wide plan, offering two levels of benefits, under which a carrier agrees to pay certain sums of money, not in excess of the actual expenses incurred, for benefits of the types described by section 8904(2) of this title.

The group shall include physicians representing at least three major medical specialties who receive all or a substantial part of their professional income from the prepaid funds.

(B) **INDIVIDUAL-PRACTICE PREPAYMENT PLANS.—**Individual-practice prepayment plans which offer health services in whole or substantial part on a prepaid basis, with professional services thereunder provided by individual physicians who agree, under certain conditions approved by the Commission, to accept the payments provided by the plans as full payment for covered services given by them including, in addition to in-hospital services, general care given in their offices and the patients' homes, out-of-hospital diagnostic procedures, and preventive care, and which plans are offered by organizations which have successfully operated similar plans before approval by the Commission of the plan in which employees may enroll.

§ 8904. Types of benefits

The benefits to be provided under plans described by section 8903 of this title may be of the following types:

§ 8905. Election of coverage

(a) An employee may enroll in an approved health benefits plan described by section 8903 of this title either as an individual or for self and family.

(b) An annuitant who at the time he becomes an annuitant was enrolled in a health benefits plan under this chapter—

(1) as an employee for a period of not less than—

(A) the 5 years of service immediately before retirement;

(B) the full period or periods of service between the last day of the first period, as prescribed by regulations of the Civil Service Commission, in which he is eligible to enroll in the plan and the date on which he becomes an annuitant; or

(C) the full period or periods of service beginning with the enrollment which became effective before January 1, 1965, and ending with the date on which he becomes an annuitant;

whichever is shortest; or

(2) as a member of the family of an employee or annuitant; may continue his enrollment under the conditions of eligibility prescribed by regulations of the Commission.

(c) If an employee has a spouse who is an employee, either spouse, but not both, may enroll for self and family, or each spouse may enroll as an individual. However, an individual may not be enrolled both as an employee or annuitant and as a member of the family.

(d) An employee or annuitant enrolled in a health benefits plan under this chapter may change his coverage or that of himself and members of his family by an application filed within 60 days after a change in family status or at other times and under conditions prescribed by regulations of the Commission.

(e) An employee or annuitant may transfer his enrollment from a health benefits plan described by section 8903 of this title to another plan described by that section at the times and under the conditions prescribed by regulations of the Commission.

§ 8906. Contributions

(a) Except as provided by subsection (b) of this section, the Government contribution for health benefits for employees or annuitants enrolled in health benefits plans under this chapter, in addition to the contributions required by subsection (c) of this section, is 50 percent of the lowest rates charged by a carrier for a level of benefits offered by a plan under section 8903 (1) or (2) of this title, but—

(1) not less than \$1.25 or more than \$1.75 biweekly for an employee or annuitant who is enrolled for self alone; and

(2) not less than \$3 or more than \$4.25 biweekly for an employee or annuitant who is enrolled for self and family.

(b) The Government contribution for an employee or annuitant enrolled in a plan described by section 8903 (3) or (4) of this title for which the biweekly subscription charge is less than twice the Government contribution established under subsection (a) of this section, is 50 percent of the subscription charge.

(c) There shall be withheld from the pay of each enrolled employee and the annuity of each enrolled annuitant and there shall be contributed by the Government, amounts, in the same ratio as the contributions of the employee or annuitant and the Government under subsections (a) and (b) of this section, which are necessary for the administrative costs and the reserves provided for by section 8909 (b) of this title.

(d) The amount necessary to pay the total charge for enrollment, after the Government contribution is deducted, shall be withheld from the pay of each enrolled employee and from the annuity of each enrolled annuitant. The withholding for an annuitant shall be the same as that for an employee enrolled in the same health benefits plan and level of benefits.

(e) An employee enrolled in a health benefits plan under this chapter who is placed in a leave without pay status may have his coverage and the coverage of members of his family continued under the plan for not to exceed 1 year under regulations prescribed by the Commission. The regulations may provide for the waiving of contributions by the employee and the Government.

(f) The Government contributions for health benefits for an employee shall be paid—

(1) in the case of employees generally, from the appropriation or fund which is used to pay the employee;

(2) in the case of an elected official, from an appropriation or fund available for payment of other salaries of the same office or establishment;

(3) in the case of an employee of the legislative branch who is paid by the Clerk of the House of Representatives, from the contingent fund of the House; and

(4) in the case of an employee in a leave without pay status, from the appropriation or fund which would be used to pay the employee if he were in a pay status.

(g) The Government contributions authorized by subsection (a) of this section for health benefits for an annuitant shall be paid from annual appropriations which are authorized to be made for that purpose.

(h) The Commission shall provide for conversion of biweekly rates of contribution specified by this section to rates for employees and annuitants paid on other than a biweekly basis, and for this purpose may provide for the adjustment of the converted rate to the nearest cent.

§ 8907. Information to employees

(a) The Civil Service Commission shall make available to each employee eligible to enroll in a health benefits plan under this chapter such information, in a form acceptable to the Commission after consultation with the carrier, as may be necessary to enable the employee to exercise an informed choice among the types of plans described by section 8903 of this title.

(b) Each employee enrolled in a health benefits plan shall be issued an appropriate document setting forth or summarizing the—

(1) services or benefits, including maximums, limitations, and exclusions, to which the employee or the employee and members of his family are entitled thereunder;

(2) procedure for obtaining benefits; and

(3) principal provisions of the plan affecting the employee or members of his family.

§ 8908. Coverage of restored employee

An employee enrolled in a health benefits plan under this chapter who is removed or suspended without pay and later reinstated or restored to duty on the ground that the removal or suspension was unjustified or unwarranted may, at his option, enroll as a new employee or have his coverage restored, with appropriate adjustments made in contributions and claims, to the same extent and effect as though the removal or suspension had not taken place.

§ 8909. Employees Health Benefits Fund

(a) There is in the Treasury of the United States an Employees Health Benefits Fund which is administered by the Civil Service Commission. The contributions of employees, annuitants, and the Govern-

ment described by section 8906 of this title shall be paid into the Fund. The Fund is available—

(1) without fiscal year limitation for all payments to approved health benefits plans; and

(2) to pay expenses for administering this chapter within the limitations that may be specified annually by Congress.

(b) Portions of the contributions made by employees, annuitants, and the Government shall be regularly set aside in the Fund as follows:

(1) A percentage, not to exceed 1 percent of all contributions, determined by the Commission to be reasonably adequate to pay the administrative expenses made available by subsection (a) of this section.

(2) For each health benefits plan, a percentage, not to exceed 3 percent of the contributions toward the plan, determined by the Commission to be reasonably adequate to provide a contingency reserve.

The Commission, from time to time and in amounts it considers appropriate, may transfer unused funds for administrative expenses to the contingency reserves of the plans then under contract with the Commission. When funds are so transferred, each contingency reserve shall be credited in proportion to the total amount of the subscription charges paid and accrued to the plan for the contract term immediately before the contract term in which the transfer is made. The income derived from dividends, rate adjustments, or other refunds made by a plan shall be credited to its contingency reserve. The contingency reserves may be used to defray increases in future rates, or may be applied to reduce the contributions of employees and the Government to, or to increase the benefits provided by, the plan from which the reserves are derived, as the Commission from time to time shall determine.

(c) The Secretary of the Treasury may invest and reinvest any of the money in the Fund in interest-bearing obligations of the United States, and may sell these obligations for the purposes of the Fund. The interest on and the proceeds from the sale of these obligations become a part of the Fund.

(d) When the assets, liabilities, and membership of employee organizations sponsoring or underwriting plans approved under section 8903(3) of this title are merged, the assets (including contingency reserves) and liabilities of the plans sponsored or underwritten by the merged organizations shall be transferred at the beginning of the contract term next following the date of the merger to the plan sponsored or underwritten by the successor organization. Each employee or annuitant affected by a merger shall be transferred to the plan sponsored or underwritten by the successor organization unless he enrolls in another plan under this chapter.

(e) Except as provided by subsection (d) of this section, when a plan described by section 8903 (3) or (4) of this title is discontinued under this chapter, the contingency reserve of that plan shall be credited to the contingency reserves of the plans continuing under this chapter for the contract term following that in which termination occurs, each reserve to be credited in proportion to the amount of the subscription charges paid and accrued to the plan for the year of termination.

§ 8910. Studies, reports, and audits

(a) The Civil Service Commission shall make a continuing study of the operation and administration of this chapter, including surveys and reports on health benefits plans available to employees and on the experience of the plans.

(b) Each contract entered into under section 8902 of this title shall contain provisions requiring carriers to—

(1) furnish such reasonable reports as the Commission determines to be necessary to enable it to carry out its functions under this chapter; and

(2) permit the Commission and representatives of the General Accounting Office to examine records of the carriers as may be necessary to carry out the purposes of this chapter.

(c) Each Government agency shall keep such records, make such certifications, and furnish the Commission with such information and reports as may be necessary to enable the Commission to carry out its functions under this chapter.

§ 8911. Advisory committee

The Chairman of the Civil Service Commission shall appoint a committee composed of five members, who serve without pay, to advise the Commission regarding matters of concern to employees under this chapter. Each member of the committee shall be an employee enrolled under this chapter or an elected official of an employee organization.

§ 8912. Jurisdiction of courts

The district courts of the United States have original jurisdiction, concurrent with the Court of Claims, of a civil action or claim against the United States founded on this chapter.

§ 8913. Regulations

(a) The Civil Service Commission may prescribe regulations necessary to carry out this chapter.

(b) The regulations of the Commission may prescribe the time at which and the manner and conditions under which an employee is eligible to enroll in an approved health benefits plan described by section 8903 of this title. The regulations may exclude an employee on the basis of the nature and type of his employment or conditions pertaining to it, such as short-term appointment, seasonal or intermittent employment, and employment of like nature. The Commission may not exclude—

(1) an employee or group of employees solely on the basis of the hazardous nature of employment; or

(2) a teacher in the employ of the Board of Education of the District of Columbia, whose pay is fixed by section 1501 of title 31, District of Columbia Code, on the basis of the fact that the teacher is serving under a temporary appointment if the teacher has been so employed by the Board for a period or periods totaling not less than two school years.

(c) The regulations of the Commission shall provide for the beginning and ending dates of coverage of employees and annuitants and members of their families under health benefits plans. The regulations may permit the coverage to continue, exclusive of the temporary extension of coverage described by section 8902(g) of this title, until the end of the pay period in which an employee is separated from the service, or until the end of the month in which an annuitant ceases to be entitled to annuity, and in case of the death of an employee or annuitant, may permit a temporary extension of the coverage of members of his family for not to exceed 90 days.

(d) The Secretary of Agriculture shall prescribe regulations to effect the application and operation of this chapter to an individual named by section 8901(1)(H) of this title.

SEC. 2. (a) Section 42 of title 4, United States Code, is amended to read as follows: 61 Stat. 643.

"(b) The marshal's accounts of fees and costs paid to a witness or juror on certificate of attendance issued as provided by sections 1825 and 1871 of this title may not be reexamined to charge him for an erroneous payment of the fees or costs.

“§ 2341. Definitions

“As used in this chapter—

“(1) ‘clerk’ means the clerk of the court in which the petition for the review of an order, reviewable under this chapter, is filed;

“(2) ‘petitioner’ means the party or parties by whom a petition to review an order, reviewable under this chapter, is filed; and

“(3) ‘agency’ means—

“(A) the Commission, when the order sought to be reviewed was entered by the Federal Communications Commission, the Federal Maritime Commission, or the Atomic Energy Commission, as the case may be;

“(B) the Secretary, when the order was entered by the Secretary of Agriculture; and

“(C) the Administration, when the order was entered by the Maritime Administration.

“§ 2342. Jurisdiction of court of appeals

“The court of appeals has exclusive jurisdiction to enjoin, set aside, suspend (in whole or in part), or to determine the validity of—

“(1) all final orders of the Federal Communications Commission made reviewable by section 402(a) of title 47;

“(2) all final orders of the Secretary of Agriculture made under chapters 9 and 20A of title 7, except orders issued under sections 210(e), 217a, and 499g(a) of title 7;

“(3) such final orders of the Federal Maritime Commission or the Maritime Administration entered under chapters 23 and 23A of title 46 as are subject to judicial review under section 830 of title 46; and

“(4) all final orders of the Atomic Energy Commission made reviewable by section 2239 of title 42.

Jurisdiction is invoked by filing a petition as provided by section 2344 of this title.

“§ 2343. Venue

“The venue of a proceeding under this chapter is in the judicial circuit in which the petitioner resides or has its principal office, or in the United States Court of Appeals for the District of Columbia Circuit.

“§ 2344. Review of orders; time; notice; contents of petition; service

“On the entry of a final order reviewable under this chapter, the agency shall promptly give notice thereof by service or publication in accordance with its rules. Any party aggrieved by the final order may, within 60 days after its entry, file a petition to review the order in the court of appeals wherein venue lies. The action shall be against the United States. The petition shall contain a concise statement of—

“(1) the nature of the proceedings as to which review is sought;

“(2) the facts on which venue is based;

“(3) the grounds on which relief is sought; and

“(4) the relief prayed.

The petitioner shall attach to the petition, as exhibits, copies of the order, report, or decision of the agency. The clerk shall serve a true copy of the petition on the agency and on the Attorney General by registered mail, with request for a return receipt.

“§ 2345. Prehearing conference

“The court of appeals may hold a prehearing conference or direct a judge of the court to hold a prehearing conference.

“§ 2346. Certification of record on review

“Unless the proceeding has been terminated on a motion to dismiss the petition, the agency shall file in the office of the clerk the record on review as provided by section 2112 of this title.

“§ 2347. Petitions to review; proceedings

“(a) Unless determined on a motion to dismiss, petitions to review orders reviewable under this chapter are heard in the court of appeals on the record of the pleadings, evidence adduced, and proceedings before the agency, when the agency has held a hearing whether or not required to do so by law.

“(b) When the agency has not held a hearing before taking the action of which review is sought by the petition, the court of appeals shall determine whether a hearing is required by law. After that determination, the court shall—

“(1) remand the proceedings to the agency to hold a hearing, when a hearing is required by law;

“(2) pass on the issues presented, when a hearing is not required by law and it appears from the pleadings and affidavits filed by the parties that no genuine issue of material fact is presented; or

“(3) transfer the proceedings to a district court for the district in which the petitioner resides or has its principal office for a hearing and determination as if the proceedings were originally initiated in the district court, when a hearing is not required by law and a genuine issue of material fact is presented. The procedure in these cases in the district court is governed by the Federal Rules of Civil Procedure.

“(c) If a party to a proceeding to review applies to the court of appeals in which the proceeding is pending for leave to adduce additional evidence and shows to the satisfaction of the court that—

“(1) the additional evidence is material; and

“(2) there were reasonable grounds for failure to adduce the evidence before the agency;

the court may order the additional evidence and any counterevidence the opposite party desires to offer to be taken by the agency. The agency may modify its findings of fact, or make new findings, by reason of the additional evidence so taken, and may modify or set aside its order, and shall file in the court the additional evidence, the modified findings or new findings, and the modified order or the order setting aside the original order.

“§ 2348. Representation in proceeding; intervention

“The Attorney General is responsible for and has control of the interests of the Government in all court proceedings under this chapter. The agency, and any party in interest in the proceeding before the agency whose interests will be affected if an order of the agency is or is not enjoined, set aside, or suspended, may appear as parties thereto of their own motion and as of right, and be represented by counsel in any proceeding to review the order. Communities, associations, corporations, firms, and individuals, whose interests are affected by the order of the agency, may intervene in any proceeding to review the order. The Attorney General may not dispose of or discontinue the proceeding to review over the objection of any party or intervenor, but any intervenor may prosecute, defend, or continue the proceeding unaffected by the action or inaction of the Attorney General.

“§ 2349. Jurisdiction of the proceeding

“(a) The court of appeals has jurisdiction of the proceeding on the filing and service of a petition to review. The court of appeals in which the record on review is filed, on the filing, has jurisdiction to vacate stay orders or interlocutory injunctions previously granted by any court, and has exclusive jurisdiction to make and enter, on the petition, evidence, and proceedings set forth in the record on review, a judgment determining the validity of, and enjoining, setting aside, or suspending, in whole or in part, the order of the agency.

“(b) The filing of the petition to review does not of itself stay or suspend the operation of the order of the agency, but the court of appeals in its discretion may restrain or suspend, in whole or in part, the operation of the order pending the final hearing and determination of the petition. When the petitioner makes application for an interlocutory injunction restraining or suspending the enforcement, operation, or execution of, or setting aside, in whole or in part, any order reviewable under this chapter, at least 5 days' notice of the hearing thereon shall be given to the agency and to the Attorney General. In a case in which irreparable damage would otherwise result to the petitioner, the court of appeals may, on hearing, after reasonable notice to the agency and to the Attorney General, order a temporary stay or suspension, in whole or in part, of the operation of the order of the agency for not more than 60 days from the date of the order pending the hearing on the application for the interlocutory injunction, in which case the order of the court of appeals shall contain a specific finding, based on evidence submitted to the court of appeals, and identified by reference thereto, that irreparable damage would result to the petitioner and specifying the nature of the damage. The court of appeals, at the time of hearing the application for an interlocutory injunction, on a like finding, may continue the temporary stay or suspension, in whole or in part, until decision on the application. The hearing on an application for an interlocutory injunction shall be given preference and expedited and shall be heard at the earliest practicable date after the expiration of the notice of hearing on the application. On the final hearing of any proceeding to review any order under this chapter, the same requirements as to precedence and expedition apply.

“§ 2350. Review in Supreme Court on certiorari or certification

“(a) An order granting or denying an interlocutory injunction under section 2349(b) of this title and a final judgment of the court of appeals in a proceeding to review under this chapter are subject to review by the Supreme Court on a writ of certiorari as provided by section 1254(1) of this title. Application for the writ shall be made within 45 days after entry of the order and within 90 days after entry of the judgment, as the case may be. The United States, the agency, or an aggrieved party may file a petition for a writ of certiorari.

“(b) The provisions of section 1254(3) of this title, regarding certification, and of section 2101(f) of this title, regarding stays, also apply to proceedings under this chapter.

“§ 2351. Enforcement of orders by district courts

“The several district courts have jurisdiction specifically to enforce, and to enjoin and restrain any person from violating any order issued under section 193 of title 7.

“§ 2352. Rules

“The several courts of appeals shall adopt and promulgate rules, subject to the approval of the Judicial Conference of the United

States, governing the practice and procedure, including prehearing conference procedure, in proceedings to review orders under this chapter."

"(B) his unmarried child (including an unmarried dependent stepchild or adopted child) under 21 years of age;

"(C) his dependent mother or father;

"(D) a dependent designated in official records; and

"(E) a person determined to be dependent by the Secretary concerned, or his designee;

"(2) 'missing status' means the status of a member of a uniformed service who is officially carried or determined to be absent in a status of—

"(A) missing;

"(B) missing in action;

"§ 552. Pay and allowances; continuance while in a missing status; limitations

"(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is, for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may there-

after become entitled. However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay.

“(b) The expiration of a member’s term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a) of this section. Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) of this section ends on the date—

“(1) the Secretary concerned receives evidence that the member is dead; or

“(2) that his death is prescribed or determined under section 555 of this title.

“(c) A member is not entitled to pay and allowances under subsection (a) of this section for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

“(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

“(e) A member in a missing status who is continued in that status under section 555 of this title is entitled to be credited with pay and allowances under subsection (a) of this section.

“§ 553. Allotments; continuance, suspension, initiation, resumption, or increase while in a missing status; limitations

“(a) Notwithstanding the end of the period for which it was made, an allotment, including one for the purchase of United States savings bonds, made by a member of a uniformed service before he was in a missing status may be continued for the period he is entitled to pay and allowances under section 552 of this title.

“(b) When there is no allotment in effect, or when it is insufficient for a purpose authorized by the Secretary concerned, he, or his designee, may authorize new allotments or increases in allotments that are warranted by the circumstances and payable for the period the member is entitled to pay and allowances under section 552 of this title.

“(c) The total of all allotments from the pay and allowances of a member in a missing status may not be more than the amount of pay and allowances he is permitted to allot under regulations prescribed by the Secretary concerned.

“(d) A premium paid by the United States on insurance issued on the life of a member which is unearned because it covers a period after his death reverts to the appropriation of the department concerned.

“(e) Subject to subsections (f) and (g) of this section, the Secretary concerned, or his designee, may, when he considers it in the interest of the member, his dependents, or the United States, direct the initiation, continuance, discontinuance, increase, decrease, suspension, or resumption of payments of allotments from the pay and allowances of a member entitled to pay and allowances under section 552 of this title.

“(f) When the Secretary concerned officially reports that a member in a missing status is alive, the payments of allotments authorized by subsections (a)–(d) of this section may, subject to section 552 of this title, be made until the date the Secretary concerned receives evi-

dence that the member is dead or has returned to the controllable jurisdiction of the department concerned.

“(g) A member in a missing status who is continued in that status under section 555 of this title is entitled to have the payments of allotments authorized by subsections (a)–(d) of this section continued, increased, or initiated.

“(h) When the Secretary concerned considers it essential for the well-being and protection of the dependents of a member on active duty (other than a member entitled to pay and allowances under section 552 of this title), he may, with or without the consent, and subject to termination at the request, of the member—

“(1) direct the payment of a new allotment from the pay of the member;

“(2) increase or decrease the amount of an allotment made by the member; and

“(3) continue payment of an allotment of the member which has expired.

“§ 554. Travel and transportation; dependents; household and personal effects; motor vehicles; sale of bulky items; claims for proceeds; appropriation chargeable

“(a) In this section, ‘household and personal effects’ and ‘household effects’ may include, in addition to other authorized weight allowances, one privately owned motor vehicle which may be shipped at United States expense when it is located outside the United States, or in Alaska or Hawaii.

“(b) Transportation (including packing, crating, drayage, temporary storage, and unpacking of household and personal effects) may be provided for the dependents and household and personal effects of a member of a uniformed service on active duty (without regard to pay grade) who is officially reported as dead, injured, or absent for a period of more than 29 days in a missing status—

“(1) to the member’s official residence of record;

“(2) to the residence of his dependent, next of kin, or other person entitled to custody of the effects, under regulations prescribed by the Secretary concerned; or

“(3) on request of the member (if injured), or his dependent, next of kin, or other person described in clause (2), to another location determined in advance or later approved by the Secretary concerned, or his designee.

“(c) When a member described in subsection (b) of this section is in an injured status, transportation of dependents and household and personal effects authorized by this section may be provided only when prolonged hospitalization or treatment is anticipated.

“(d) Transportation requested by a dependent may be authorized under this section only if there is a reasonable relationship between the circumstances of the dependent and the requested destination.

“(e) In place of the transportation for dependents authorized by this section, and after the travel is completed, the Secretary concerned may authorize—

“(1) reimbursement for the commercial cost of the transportation; or

“(2) a monetary allowance at the prescribed rate for all, or that part, of the travel for which transportation in kind is not furnished.

“(f) The Secretary concerned may store the household and personal effects of a member described in subsection (b) of this section until proper disposition can be made. The cost of the storage and transportation (including packing, crating, drayage, temporary storage, and unpacking) of household and personal effects shall be charged against appropriations currently available.

“(g) The Secretary concerned may, when he determines that there is an emergency and a sale would be in the best interests of the United States, provide for the public or private sale of motor vehicles and other bulky items of household and personal effects of a member described in subsection (b) of this section. Before a sale, and if practicable, a reasonable effort shall be made to determine the desires of the interested persons. The net proceeds received from the sale shall, under regulations prescribed by the Secretary concerned, be sent to the owner or other persons. If there are no such persons, or if they or their addresses are not known within one year from the date of sale, the net proceeds may be covered into the Treasury as miscellaneous receipts.

“(h) Claims for net proceeds that are covered into the Treasury under subsection (g) of this section may be filed with the General Accounting Office by the rightful owners, their heirs or next of kin, or their legal representatives at any time before the end of a 5-year period from the date the proceeds are covered into the Treasury. When a claim is filed, the General Accounting Office shall allow or disallow it. A claim that is allowed shall be paid from the appropriation for refunding money erroneously received and covered. If a claim is not filed before the end of the 5-year period from the date the proceeds are covered into the Treasury, it is barred from being acted on by the courts or the General Accounting Office.

“(i) This section does not amend or repeal—

“(1) section 2575, 2733, 4712, 4713, 6522, 9712, or 9713 of title 10;

“(2) section 507 of title 14; or

“(3) chapter 171 of title 28.

“§ 555. Secretarial review

“(a) When a member of a uniformed service entitled to pay and allowances under section 552 of this title has been in a missing status, and the official report of his death or of the circumstances of his absence has not been received by the Secretary concerned, he shall, before the end of a 12-month period in that status, have the case fully reviewed. After that review and the end of the 12-month period in a missing status, or after a later review which shall be made when warranted by information received or other circumstances, the Secretary concerned, or his designee, may—

“(1) if the member can reasonably be presumed to be living, direct a continuance of his missing status; or

“(2) make a finding of death.

“(b) When a finding of death is made under subsection (a) of this section, it shall include the date death is presumed to have occurred for the purpose of—

“(1) ending the crediting of pay and allowances;

- "(2) settlement of accounts; and
- "(3) payment of death gratuities.

That date is—

- "(A) the day after the day on which the 12-month period in a missing status ends; or
- "(B) if the missing status has been continued under subsection (a) of this section, the day determined by the Secretary concerned, or his designee.

"(c) For the sole purpose of determining status under this section, a dependent of a member on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

"§ 556. Secretarial determinations

"(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

- "(1) death or finding of death;
- "(2) the fact of dependency under this chapter;
- "(3) the fact of dependency for the purpose of paying six months' death gratuities authorized by law;
- "(4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;
- "(5) any other status covered by this chapter;
- "(6) an essential date, including one on which evidence or information is received by the Secretary concerned; and
- "(7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

"(b) When the Secretary concerned receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

"(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

"(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.

"(e) When the account of a member has been charged or debited with an allotment paid under this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

"(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee as an overpayment when it was caused by delay in receiving evidence of death. An allotment payment for a period after the end of entitlement to pay and allowances under this chapter, or otherwise, which was caused by delay in receiving evidence of death, may not be collected from the allottee or charged against the pay of the deceased member.

"(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

"(h) For the sole purpose of determining status under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

"§ 557. Settlement of accounts

"(a) The Secretary concerned, or his designee, may settle the account of—

"(1) a member of a uniformed service for whose account payments have been made under sections 552, 553, and 555 of this title; and

"(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.

That settlement is conclusive on the accounting officers of the United States in settling the accounts of disbursing officers.

"(b) Payment or settlement of an account made pursuant to a report, determination, or finding of death may not be recovered or reopened because of a later report or determination which fixes a date of death. However, an account shall be reopened and settled on the basis of a date of death so fixed which is later than that used as a basis for earlier settlements.

"(c) In the settlement of his accounts, a disbursing officer is entitled, if there is no fraud or criminality by him, to credit for an erroneous payment or overpayment he made in carrying out this chapter, except section 558. Unless there is fraud or criminality by him, recovery may not be made from a civilian officer or employee or a member of a uniformed service who authorizes a payment under this chapter, except section 558.

“§ 558. Income tax deferment

“Notwithstanding any other provision of law, a Federal income tax return of, or the payment of a Federal income tax by, a member of a uniformed service who, at the time the return or payment would otherwise become due, is in a missing status, does not become due until the earlier of the following dates—

“(1) the fifteenth day of the third month in which he ceased (except by reason of death or incompetency) being in a missing status, unless before the end of that fifteenth day he is again in a missing status; or

“(2) the fifteenth day of the third month after the month in which an executor, administrator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to extend the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of title 26 in cases in which the assessment or collection is jeopardized and in cases of bankruptcy or receivership.”

“§ 6216. Railroad operations, receipts and expenditures

“The Postmaster General shall request all railroad companies transporting the mails to furnish, under seal, such data relating to the operating, receipts and expenditures of such roads as may, in his judgment, be deemed necessary to enable him to ascertain the cost of mail transportation and the proper compensation to be paid for the same. He shall, in his annual report to Congress, make such recommendations, founded on the information obtained under this section, as shall, in his opinion, be just and equitable.”

(b) A reference to a law replaced by sections 1-6 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

(c) An order, rule, or regulation in effect under a law replaced by sections 1-6 of this Act continues in effect under the corresponding provision enacted by this Act until repealed, amended, or superseded.

(d) An action taken or an offense committed under a law replaced by sections 1-6 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

(e) An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of the caption or catchline thereof.

(f) The enactment of this Act does not increase or decrease the pay, allowances, compensation, or annuity of any person.

(g) If a provision enacted by this Act is held invalid, all valid
